## Ground Breaking

A ground breaking ceremony was held Sunday morning at the First Baptist church to officially open work on the new educational building. Dr. A. J. Quinn, district missionary, brought the morning message, followed by the ground breaking. Two charter members, M. and Mrs. J. E. Blankenship, pitched the first shovel of dirt, followed by L. E. Blankenship, Sunday School superintendent, then the deacons, the building committee and the pastor.

## Joint Meeting

The Woman's Society for Christian Service and the Wesleyan Service Guild of the Methodist church will meet in joint session Monday, May 15, at 7:30 p. m. in the home of Mrs. Leon Reeves.

An everybody's program, with roll call responded to with something on the subject of Mother or Mother's Day is planned, with the singing of old time hymns, our mother's favorites.

Every woman of the church is invited to attend this meeting.

## Housewarming

The Raymond Everetts were feted with a housewarming last Thursday night. More than 60 friends gathered for merry making in their very beautiful new home.

After the gift shower had been enjoyed, the setting was arranged for five tables of progressive 42, while others visited with each other in the old time way. Everyone without an exception went from room to room viewing their home with admiration.

A bountiful supply of punch and cookies were on hand for everyone. The entire evening was quite happy and the Everetts expressed themselves as having enjoyed the affair as much as the guests.

## Mrs. Patterson Honored

The Methodist Ladies and Sodality club honored Mrs. Oscar Patterson with a stork shower last Thursday.

Little Rusty Baker, dressed in blue, and Norma Swinney, dressed in pink, presented the gifts, which were hauled in in a little blue wagon, to the honoree.

Guests were served stork ice cream and angel food cake.

Mrs. C. L. Johnson visited in Amarillo last week.

## Clean-Up Week

The City Council has designated next week, May 15 to 20, as clean-up week in Hedley. To improve the appearance of our town, as well as to discourage the spread of poisons and other diseases, the entire community is urged to cooperate in cleaning up.

Please clean up your premises and have all cans, trash, etc., stacked where the truck can pick it up easily. The truck will begin picking up the trash next Thursday.

Business men are especially requested to clean up the alley behind their stores. Let's make a good record when the state health officer visits us.

By request of the City Council

## Musical Program

The High School Choral Club will present their annual musical program May 24 at 8:00 o'clock in the high school auditorium. "Pan on a Summer Day" is the theme. Mrs. Davenport is musical director and Mrs. White director of the pageantry.

The club has forty members with Patsy Usrey and Rita Johnson as first soprano leads, Anita Bain and Pat Pritchard, second soprano leads and Letha Moss and Dolores Gunn alto leads. Sara Rains is pianist. The public is invited.

## B. W. M. U.

The Baptist ladies had their W. M. U. meeting Monday afternoon in the home of Mrs. Scales. Mrs. Lisenbee directed the Bible lesson for the afternoon.

At the conclusion of the lesson a tea hour had been arranged by the men's committee of the society. The tea was in honor of the girls auxiliary of the church. The tea table, laid with a lace cloth, centered with carnations and lighted white tapers, was most attractive. The G. A. colors, white and green, were carried out in the iced punch, sandwiches, cake and mints.

Miss Rita Johnson graciously presided at the table. Miss Sara Ann Rains played several beautiful piano numbers during the tea hour. About twenty of the G. A. girls attended the tea, and several ladies of the church.

## Eighth Grade Banquet

The Eighth Grade was honored with a banquet Saturday night in the Lions Den, sponsored by their room mothers, the mothers of the class, and their sponsor, A. L. Davis. The room had been beautifully decorated by Miss Myrtle Reeves and Mrs. C. L. Johnson, with flower arrangements centered around the theme of red and white flowers.

L. E. Blankenship acted as toastmaster and gave the invocation, which was followed by:

Greetings, Cynthia Thornberry  
Appreciation, Jean Bailey  
Response, L. E. Blankenship  
Address, Rev. Frank Story  
Music, Joan Ray Moreman  
Song, Seventh grade girls  
The menu consisted of cocktail, fried chicken, mashed potatoes, green beans, pickled beets, pear salad, hot rolls, ice cream, cake and iced tea.

The room mothers and Mr. Davis were presented with gifts accompanied with speeches by Joan Youree, Wanda Lee Moore and Kenneth Painter.

Abner added the banquet

## Hedley Boys Win

The Hedley High School baseball team won the district tournament held at Turkey last Friday and Saturday. Friday afternoon they defeated the Turkey Turks by the score of 19 to 9, with Bobby Baker doing the pitching and Eldon Duckworth the catching. Saturday afternoon they defeated Kirklund in the finals 9 to 8 in an extra inning game. Baker and Loyd D. Leeper took turns on the mound with Duckworth catching. The boys did some mighty good playing to win.

The Bi-district playoff will be held at the Hedley baseball park at 3:00 p. m. Friday, May 12, between Hedley High and Roaring Springs. Admission will be 50¢ and 25¢.

The second game will be played at Roaring Springs sometime next week. This is the first time Hedley High has had a bi-district game and everyone is invited to come out and support our team.

## School Improvements

The Hedley Schools will make many improvements this summer including the Agriculture Department which will be moved from its present location to the grade building and expanded into a larger department with new equipment. A Science laboratory, also with new equipment, to teach physics, biology, general science and chemistry will be built in the present location of the Agriculture Dept. Chemistry will be taught next year for the first time and will be affiliated to 1 credit.

The Commercial Department will also be expanded with some new equipment and larger quarters.

The Home-Economics Department was vocationalized several weeks ago. The students will receive 1½ credits instead of the 1 credit they receive at the present time. This department will be expanded from one room to three. One room will be for cooking, one a living room and the other a sewing room. Equipment will be five electric stoves and new cabinets, ten sewing machines, a washing machine, electric irons, ironing boards, a living room suit and several other articles.

The Agriculture and Home Economics Departments will operate under the Smith-Hughes Act.

## Focus Week

At the beginning of Focus Week the G. A. girls of the Baptist church were presented in a candlelight service on Sunday evening, May 7.

The girls in their formal dresses entered singing their hymn, "We've a Story to Tell." Before mounting the stage they placed their candles around the world globe. The only light used during the service was the hanging lighted star bearing the G. A. colors of white, gold and green, the points representing the star ideals of the organization.

Miss Myrtle Hall, young people's director of the church, and Mrs. Lisenbee, W. M. S. president, presented and questioned the girls. Those taking part in the program were Norene Gibson, Jane Mosley, Jaque Johnson, Viona Hansard, Joan Youree, Nancy Nash, Wanda Saunders, Nancy Hunsucker, Barbara Johnson, Sandra Youree, Evelyn Holman, Gracie Brown, Wanda Hansard, Glenda Hansard, Peggy Mullins, Bettye Bilderback and Len Ann Davis.

## Newmans Observe Golden Wedding

Approximately one hundred and fifty friends and relatives called to honor Mr. and Mrs. R. E. Newman of Hedley on Sunday afternoon, May 7, 1950, when an open house reception was held in their home from two until six o'clock. The house was most artistically arranged with bouquets of yellow gladiolus, carnations and mums.

The receiving line was formed in the living room and in it were Mr. and Mrs. Newman, Miss Sally Page, sister of Mrs. Newman, Mrs. E. B. Page, sister-in-law, and Mr. and Mrs. Tom Hare. Mrs. L. A. Tucker presided at the satin-covered registration book. On the registration table, which was centered with a bouquet of yellow gladiolus in a beautiful green and gold antique pitcher which was a wedding gift, was a double-frame holding the wedding picture and the golden wedding picture of the honorees. Also on it was a gold plaque mounted on mahogany, engraved with "1900-1950" Mr. and Mrs. R. E. Newman. Golden punch, individual cakes, mints and nuts were served. Appointments of crystal and silver added to the attractiveness. Presiding at the table were Mary Ann Newman, Jewell Everett, Opal Thomas and Mrs. R. F. Newman.

The array of beautiful and useful gifts was in the bedroom. On the lace covered table were arranged the china and glasses and centering this was a potted hydrangea. Mrs. John Dickson and R. F. Newman assisted with the gifts. Displayed were a rocking chair, satin comfort gold blanket, and other things too numerous to mention.

Each of the reception hours featured one number on a program. During the first hour, Mrs. E. F. Kennedy of Estelline read a poem which was written for the occasion by a life-long friend, Mrs. O. R. Culwell of Childress who was too ill to attend. During the next hour short talks on "Tributes to a Life Well-Lived" were made by Rev. Smith of Memphis, Rev. Bond of Hedley, and Judge M. O. Goodpasture of Memphis. Last, was a vocal duet entitled "When You and I Were Young, Mary" by Mrs. Hobart Moffitt and Mrs. Alva Simmons.

R. E. Newman and Mary E. Page were united in marriage in Toibert, Texas, on May 6, 1900. He was a teacher in the schools there and she was a pupil. They moved in 1908 to Hedley, where they have lived until the present time. Newman is a retired farmer and insurance man. To this union were born four children. One son, Virgil Newman, lives with his parents. A daughter, Mrs. Virgil Threet lives with her husband in Roswell, New Mexico, where he is in business and she teaches. Another daughter, Mrs. L. A. Tucker lives in Estelline. Mr. Tucker farms and she has taught in Estelline Public Schools for twenty-seven years. They have one son, Lanny Mac R. F. Newman, a son, lives in Phillips, Texas, where he is Personnel Manager for the Phillips Petroleum Company. His wife teaches in Borger and they have three children, Joe Bob, Mary Ann and Tommy. All of the children and grandchildren were present for the happy occasion except Mrs. Threet.

Out of town guests were: Mr. B. T. Prewitt, Mr. Oscar T.

## School Attendance

The Hedley Schools had 1781 absences for the first seven months of school operation of the 1949-50 term which is three times more absences than the 1948-49 school term on a nine months basis.

Each teacher must have 24 students present every day for the nine months under the Gilmer-Aiken law. Because of the absences this year the school has already lost one teacher and will lose another one providing the attendance is not good the remaining three weeks of school. However, if the attendance is good during the school term 1950-51, these teachers can be replaced starting with the term 1951-52.

If this bad attendance continues the child in school is going to suffer because of the teacher shortage in the school system. Under the Gilmer-Aiken law the parent and child determines the number of teachers a school system has by attending school regularly. When a teacher is lost the school officials can not do anything about it, only to encourage the child to attend school.

This is very serious and now is the time to correct the situation by sending your child to school every day possible. Now is the time to help your school keep growing or defeat the cause by letting your child stay out for various causes.

## Teachers Elected

James R. Ward, who is 23 years of age and will receive his B. S. degree from East Texas State Teachers College, Commerce on May 28, 1950, has been elected to teach Business Administration in the Hedley high school for the 1950-51 term.

Miss Norma Jean Brookreson, age 21, of Tuscumbia, Texas who will receive a B. S. degree from Texas State College for Women, Denton, on May 28, 1950 has been elected to teach Home Economics in the High School.

**Personal To Women With Naggng Backache**

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. Thrifty Gulf South housewives rely more and more on low-cost natural gas. Many started with gas cooking, then gas water heating. Today, thousands know the economy and convenience of gas refrigerators, gas-fueled clothes driers and adequate, automatic natural gas heating. These women are reaping dividends in time and money saved, while clean, efficient natural gas does the heavy work.

**Natural Gas Service Is Vital**

The gas industry is an important factor in the prosperity of the Gulf South. Through service to industry and commerce, it helps create payrolls that are the lifeblood of our economy. Gas company taxes help maintain state and local governments, build roads and support schools and other public institutions. Yes, if you live in the Gulf South, you benefit from natural gas.

*Mother...*

**Is in our Hall of Fame, too!**

We've watched her satisfaction in making one family dollar do the work of two and shared her enthusiasm when she laid something by for a rainy day. We couldn't possibly get along without "Mom" in our bank.

And we try to make ourselves so useful Mother couldn't get along without us. Don't forget it's Her Day next Sunday!

**Baseball News**

Last Sunday the local baseball nine went to Clarendon to engage Goldston in what turned out to be a track meet with the home town boys doing most of the running around the basepaths. The final tally was Hedley 23, to 10 for Goldston. Bobby Everett was the winning pitcher and Eddie Reynolds was tabbed for the loss. Home runs were hit by Billy Hill, Junior Hill and Herman Mooring. Herman Mooring's home run came in the first inning with two men on base and got our boys started off on the right foot. Billy Hill with four hits in five official trips to the plate was the leading hitter. Junior Hill turned in an excellent job of relief pitching after the fourth inning. The game was finally called after the eighth inning because the wind and sand was about to blow everybody off the playing field. All told Goldston sent four hurlers to the mound and every one seemed in a hurry to make his departure from that fateful spot on the diamond. Next Sunday the Hedley Lions will be host team to the boys from St. Francis. Everyone try to be there.
