Miss Jerry Banister, a former Hedleyan now of Canyon, and Benne Woods, also of Canyon, were recently united in marriage in the Methodist Student Center on the campus of West Texas State College. The service was read by Rev. J. We don Butler.

## Win FFA Contests

The Hedley FFA Jr. Farm Demonstration team, composed of three members, Carrol Allen, Kenneth Painter and Clyde Nivens, has set a fast pace in the recent FFA contests. Over at Childress on Nov. 28, these three boys won first place in Jr. Farm Demonstration. Being winner of the Greenbelt district, they represented this district at Amarillo Dec. 9 for area honors, and also won first place there.

This team will go to Huntsville next March 17, to compete with 11 other teams for State Honors. There are 12 Ag. areas in Texas so a winner of each area will be present.

The topic of the discussion that this team demonstrated was controlling New Castle Disease. The team demonstrated through discussion for 20 minutes on the origin, complete history and methods of prevention, then actually vaccinated one hen and answered all questions asked by special judges on this disease.

## Birthday Party

Joe Ed Blankenship was honored on his fourth birthday, Dec. 8th by his parents, Mr. and Mrs. L. E. Blankenship.

The time was spent in a very merry way, playing and taking pictures of the rollicking youngsters and opening of lovely gifts. They were then invited to the dining room where refreshments were served. In a loud chorus they sang "Happy Birthday Joe Ed." The center of the table was decorated with a large pink frosted cake with blue candles. The same color scheme was carried out in all the decorations. Favors for each were miniature Santas with his reindeer and sleigh filled with all-day suckers.

Those present were Bobbie Wiggins, Nancy Shaw, Linda Faye Naylor, Rusty Baker, Richard Shaw Beth Blankenship and the honoree; Mesdames Lola Faye Naylor, Geraldine Wiggins, Mildred Shaw, Verda Hall, Mr. and Mrs. Chas. Rains, Mr. and Mrs. J. E. Blankenship and the host and hostess.

Those sending gifts were Jimmy Boliver, Varue Jones, Tettie Thomas, Mrs. J. B. Pickett and Lura Dell Moore.

### MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to acid, dampness or dietary indiscretions.  
If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

**REMEMBER WHEN**

**... chair backs became drying racks**

Wet clothes in the kitchen, in the bathroom, all over the house. Sometimes it took days and days to get them dry in damp winter weather. Nowadays, lots of folks dry their wash in automatic natural gas clothes driers—gleaming white tumblers that dry clothes just right for ironing, or turn them out soft and fluffy, ready to fold and put away. They handle a full washing machine load with ease and dry it in less than an hour. See the new, natural gas clothes drier. They're inexpensive, easily installed, economical to operate. Now on display wherever fine gas appliances are sold.

Research being done by natural gas companies and appliance manufacturers is continually producing appliances that serve you better, at lower cost. Natural gas companies are respected civic-minded citizens of every community they serve—providing good jobs and placing many thousands of dollars in the channels of trade. They are excellent examples of the way private investors and business management combine to build prosperity for people in all walks of life.
