## Winston Jones

Mrs. O. R. Culwell of Childress has received word of the sudden death of her nephew, Winston Jones of Mesa, Ariz. He lived in Hedley a number of years, and will be remembered by many old timers as the son of Mrs. Ola Weber and grandson of the late Mr. and Mrs. S. L. Adamson.

He is survived by his wife, his mother and one brother.

## The Wise Old Owl

Hi kid, kind of surprised you last week didn't I?

Mary R., what happened to you and Bill? Oh well, Don Ray is the cutest anyway.

Tip, why did you stand Let Bloxom up Sunday afternoon. He really looked disappointed.

Charlene S., why don't you like Jerry Smith any more? He's cute. Charlene B., I see you have your ring. It is pretty! You and George W. make a wonderful pair.

Peggy, did you get in trouble Sunday night. Reckon you'll get another letter from Adrian? We hope not like the one you received before.

Jane M., how do you and and Big Bob get along? Kind of robbing the grave aren't you. I. Jacque can do it, I guess you can too. Good luck any way.

Joyce S., just how do you like Frankie? Kind of two-timing isn't he, Pat U?

Charline J., were you flirting with James Kirkland Saturday night or did you really want to know where someone else was? Always excuses.

Wanda Lee, who were you and Joan with the other night. What about this, Lloyd D.?

Janice, who do you like: Co-Co, Lloyd D. or Aubrey Lee Cherry? Don't be choosy.

Willie O., you must really be in love. You almost went into fits the other day when you got a letter from Lelia Lake!

Pat M., what has happened to you and Leldon. I haven't heard or seen much of you lately.

Mary Lou, how do you like Don Owens? I hear you two have nipped a case.

Well, that about covers the gossip for this week. See you next week. The Owl

## Youth Rally

Quite a large crowd from the Baptist Church attended the youth rally Saturday night at the Memphis Baptist Church. One of the numbers on the program was a special song by the girls' chorus of the local church under the direction of Mr. Carr.

Mr. and Mrs. T. Rozell of Amarillo visited Mrs. J. A. Lemmon Sunday.

John Aull of Lubbock was a Hedley visitor Tuesday.

Mrs. Dutch Vallance spent last week with her brother, M. Sgt. J. B. Adcock and family at Fort Bliss.

If it is a Justin boot you are looking for, Kendall has them.

## Drive Safely!

Good sportmanship is a quality which we all admire on the football field and in all sports. Good sportmanship and fair play is just as greatly appreciated on the highways by the millions of travelers which use them every day. The Texas Safety Association urges that you be more considerate of your fellow drivers when you use the highways for not only does it create a feeling of goodwill, but it makes for safer conditions and less hazardous travel. If you drive safely, you will be more likely to reach home safely.

A. L. Davis, Director of Texas Safety Council

## Stones Honored

Mr. and Mrs. R. L. Stone were honored with a wedding shower Saturday at the First Baptist Church. Mrs. M. L. Sims was hostess, assisted by Mrs. Willis Thomas, Mrs. Joe Wood, Mrs. Booker Shaw, Mrs. Claud Bain and Mrs. Tom Hunnicutt.

The Valentine motif was carried out in red and white decorations. Mrs. Sims greeted the guests at the door and Mrs. Wood presided at the register.

The program consisted of piano music by Mary Alice Hunsucker and Mrs. Mike Thornberry and a reading by Miss Myrtle Reeves.

Mrs. Bain arranged the presentation of the gifts, which was done by Susan Cox, Letty Jean Thomas and Stella Mae Smith.

Mesdames Thomas, Hunnicutt and Shaw served spiced tea, heart shaped cookies and heart shaped mints to the guests.

A large number attended, and many who were unable to attend sent gifts.

## T. E. L. Class

The T. E. L. Class of First Baptist Church met Jan. 26th in the home of Mrs. R. W. Alewine. The program included a devotional by Mrs. Bridges, prayer by Mrs. Alewine and a number of select hymns by class. A discussion was led on the duties of class officers as follows: Mesdames Alewine, Wade, Scales and Bridges. They were dismissed in prayer by Mrs. Mosley.

A social hour was spent in piecing a quilt. The hostess served a lovely refreshment plate to the fourteen present.

A group of Hedleyans left Saturday for a fishing trip to Azucar Lake in Mexico. They included Jesse Beach, Oscar Anderson, John Biaro, W. B. Wiggins, Ed Morton, Jack Edens and R. C. Duggins.

Mr. and Mrs. Carroll Deahl and David Moreman recently visited Mr. and Mrs. C. E. Deahl at Grand Prairie and Joan Ray Moreman at Denton.

Mrs. C. L. Johnson has been visiting at Snyder, Okla.

Joan Ray Moreman is at home from Denton for midterm.

Mr. and Mrs. Edward Todd of Denton are visiting here.

Homer Simmons and family of Orange, Calif., visited here last week end.

## Music Concert

The Hedley High School choral club is sponsoring a concert of secular and gospel music Feb. 5. The entertainment will be furnished by the Stamps Ozark Quartette. Ford Keith is the leader of this musical group and sings second tenor. The pianist, Henry Slaughter, is an accomplished entertainer who furnishes most of the laughing entertainment. He plays fine and does it so easily that he still has time for monkey shins.

The bass part is sung by Fred Bennett. He sings way down low and does an excellent job. In fact he tries to sing as low as Pat Garner sings high, who sings first tenor. The baritone part is sung by Charles Bartlett who has a very good voice and carries his part well.

This group sings such songs as Dry Bones, Just A Closer Walk With Thee, and others of this type. I think you will find their entertainment is of first class and is very popular in this part of the state.

The members of the high school chorus have tickets for sale to the concert. This is the first effort this group has made to raise money. The money they get will go to buy choir robes for Hedley High School.

## First Baptist Church

Rev. Henry F. Eason of Amarillo will preach at both services Sunday at the First Baptist Church.

Mr. and Mrs. Jack Battle of Beaumont announce the arrival on Jan. 29 of a fine little daughter, weight 7 lbs. 2 1/4 oz. The young lady who has been named Tana Renee, is the great-granddaughter of Mr. and Mrs. J. B. Masterson of Hedley.

## Christian Church

Minister Bedford Smith of Memphis will preach at the Christian Church Sunday afternoon at 3:30.

Mrs. Rosa Cantrell and Mrs. Lucille Shaneyfelt of Fort Worth visited their mother Mrs. C. L. Kinsey last week.

## Lions Roar

Next Thursday night the local Boy Scout troop sponsored by the Lions Club will put on the program. Meeting time is 7 p. m. Last week a good crowd enjoyed a good meal and a good program. Four new Lions have been added during this month's membership contest.

This week is directors meeting. The club and the baseball team have agreed to donate the activities bus to the High School Band. They also plan to help the band in other ways.

## Band Boosters

The Hedley Band will give a free concert Thursday night at 7:30.

## Boy Scout News

Get acquainted with the local Boy Scouts during Boy Scout Week, February 6th to 12th. The boys will hold a Board of Review Monday night for scouts ready to advance, Thursday night they will put on a program for the Lions Club, and Saturday they will have charge of the City. February 8th is the forty-first anniversary of the founding of Boy Scouts in America. They also plan to go on a hike and maybe play a basketball game if there is time. On Sunday all scouts are supposed to attend church.

## Garden Club

The Garden Club will meet Tuesday, Feb. 6th, at 2:30 o'clock. The following program will be given with Mrs. W. W. Wiggins as leader:

Roll Call, Valentine notation  
Valentine Table, Mrs. Charles Rains  
February Pointers, Mrs. Frank Murray  
Rose Culture, Mrs. Ross Springer  
Hostesses will be Mrs. E. M. Glass, Mrs. Frank Story and Miss Jessie Davis.

Mr. and Mrs. Merle Wayne Peabody of Borger visited Mr. and Mrs. Booker Shaw and J. A. Kutch last week end.

## Scattered Shots

By the Editor

Winter really took a firm grip on Texas this week, temperatures dropping to record low levels all over the state. The temperature here Wednesday night reached 11 below, according to one report. Moisture so far is negligible.

Another result of the cold weather is that our press refuses to work very well, so if your Informer has some light spots in it, that's nothing of it. We don't think much of it either.

In case you wonder about a red mark on your Informer, that means that your subscription has expired. With the price of newspaper as high as it is, these must be paid up at once. We are trying not to raise prices, but we must have some cooperation if we are to continue our present low subscription rates.

A son was born to Mr. and Mrs. L. E. Blankenship Sunday, Jan. 28. He weighed 6 1/2 lbs. and has been named Don Allen.

A son was born Tuesday, January 23, to Mr. and Mrs. Ted Myers of Amarillo.

## New Courthouse Hours

It has been announced that every office in the Donley County Court House will close at 12 noon each Saturday until further notice. Exceptions will be made on special occasions and during rush seasons for some offices but the general practice will be to close each Saturday at noon. If you have business to transact at the Court House it will save you time and trouble to keep this new closing time in mind.

Strayed from my place Friday, 450 or 500 lb. mixed bull yearling, part roan Durham. Reward for information leading to recovery. Z. C. Cornell

**KIDNEYS  
MUST REMOVE  
EXCESS WASTE**

When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts. If reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

**DOAN'S PILLS**

**Nothing Better  
Than Good Food,  
Says Ohio Man**

If a man isn't able to eat the foods he likes he's in mighty sorry shape—imagine going through life without being able to enjoy a fine big platter of bacon and eggs. That is the way Joseph N. Damillot, 3414 E. 5th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods. Mr. Damillot found that taking HADACOL helped his system overcome a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron.

Here is Mr. Damillot's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the gas on my stomach at nights. I could not keep food on my stomach, but after the first bottle I was going great. Now I eat bacon and eggs, and other foods that never would stay with me. I also can sleep well at nights. Thanks to HADACOL. I will never be without it, and can recommend it to all who suffer with the above ailments that I had. I know because I have suffered for quite some time."

the Railroads **RESPECT...**

the Labor Unions seek to  
**REPUDIATE...**  
this agreement!

**What is  
the  
TRUTH?**

At various states in the present dispute with the brotherhoods of railroad operating employees ... the railroads agreed to arbitrate. The union leaders refused. ... the railroads accepted the recommendations of President Truman's Emergency Board. The union leaders refused. ... the railroads accepted the White House proposal of August 19, 1950. The union leaders refused. Finally an Agreement was signed at the White House on December 21, 1950. Now the union leaders seek to repudiate the Agreement. The railroads stand ready to put the terms of this Agreement into effect immediately, with back pay at the rates and date indicated. The Agreement is given in full below.

MEMORANDUM OF AGREEMENT

Washington, D. C.  
December 21, 1950

1. Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951.
2. Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yardmen required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.
3. Settle rules for 40 hour week and 6 day week.
4. Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.
5. Settle following rules:  
Initial Terminal Delay (Conductors and Trainmen)  
Interdivisional Runs  
Pooling Caboose (Conductors and Trainmen)  
Reporting for Duty  
More than One Class of Service  
Switching Limits  
Air Hose (Conductors and Trainmen)  
Western Differential and Double Header and Tonnage Limitation (Conductors and Trainmen, all Territories)
6. Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.
7. Quarterly adjustment of wages on basis of cost of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951. Base to be 176).

8. Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.
9. Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 205 and 240 to be paid for at the pro rata rate. Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951.
10. In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows:

No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified, in addition to increases received under the cost of living formula. At the request of either party for such a meeting, Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If the parties are unable to agree at such conferences whether or not further wage adjustments are justified

11. If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision. The usual protections for arbitrations, miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement. The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

## Long-term Investment that pays daily dividends

THESE days thoughtful people turn their minds  
to the durability of things they purchase.

But it's rare when doing your duty turns out to be  
the best way to satisfy your heart's desire.

That's what's so marvelous about this '51 Buick.

If you picked a car just for the lift it gives you—  
your pride in its power—or its generous comfort—  
you couldn't make a better choice.

But make note of this:

*That gleaming new push-bar forefront*, which  
grooms your eye with flashing beauty, contains 25  
grille bars made of stamped steel, individually  
mounted to "give" and come back unharmed.  
Combined with a massive, wrap-around bumper,  
fortressed by two stalwart "bumper bombs" and  
two added uprights, it gives unsurpassed  
protection.

*Springs of stout spiraled steel* on all four wheels  
let your wheels curtsy over bumps, while you ride  
level as a lance. But they also need no servicing,  
and breakage is virtually unknown.

*Buick's great-powered engine* is a Fireball, won-  
drously lively and eager at the mere touch of your  
toe—but it also wrings extra power from every  
drop of fuel, and has the mechanical perfection

that comes only from years of experience with this  
basic design.

*Dynaflow Drive* gives you effortless smoothness of  
control—but it also eliminates clutch repair bills,  
saves tires, eases strain on the whole driving  
mechanism, from engine to differential.

*The road-steady gait* of a Buick assures relaxed  
security—and is also evidence that you have a  
durable, deep-silled, X-braced frame beneath you.  
However you check it, you'll discover this: *The  
things that make you yearn for a Buick on first  
acquaintance, are the very same things that make  
Buick such a smart long-time buy.*

Better see your Buick dealer—soon.

Standard equipment, accessories and trim illustrated are subject to  
change without notice.

#### No other car provides all this:

**Reddy for ANYTHING!**

Whom does your government turn to for leadership  
 in time of WAR? To *business men*, of course. Because  
 they know how to deliver the goods. Their "know-  
 how" plus plenty of Reddy Kilowatt power helped  
 win World War II . . . Reddy Kilowatt power was  
 "never too little, never too late". Now, he's ready  
 again. Your Reddy Kilowatt is always READY . . .  
 on TIME . . . and at the lowest wages in his history.

• The business-managed electric industry is the one industry  
 that has doubled its capacity, and reduced the cost.
