Drive Safely!

The Texas Safety Association states that the accidents are caused because of excessive speed than for any other reason. A few seconds of time saved do not merit the risk of your life. In a traffic accident you have everything to lose and nothing to gain. DRIVE MORE CAREFULLY AND LIVE.

A. L. Davis, Director of Texas Safety Council

Hot Dog Supper

Mrs. W. P. Doherty entertained her Sunday School class with a hot dog supper in the Methodist Church basement Friday evening, January 13. After an evening of fun hot dogs and kool-aid were served to 21 boys and girls. All reported a nice time.

First Baptist Church

Rev. Willy Anderson of Fort Worth will preach at both services Sunday at the First Baptist Church.

Junior G. A.

The Junior Girls Auxiliary of the First Baptist Church elected new officers last Tuesday. They are Glenda Hansard, president; Carolyn Sue McParson and Nancy Hunsicker, vice president; Ruby Harris, secretary; Ethel Baker, treasurer; and Barbara Johnson, reporter. The social committee is Evelyn Hoeman, Grace Brown and Merry Whitfield.

Fish Fry

Messrs. and Mesdames M. W. Mosley, Winfield Mosley, Orl Owens, and E. M. Glass attended a fish fry given by the Odd Fellows Lodge Monday night in Clarendon. The fish served was sea bass weighing 100 lbs. was dressed, caught recently by Glen Atkins of Clarendon at Graymar, Oaxaca.

Mrs. Carl Gerlach, Jon and J. Ella Cactus have been visiting here.

Pete Wynn and family visited here last week end. They are moving to Farmington, N. Mex.

Sewer System

Our City officials urge that we start building our rest rooms and other plumbing necessary to tie on to the sewer system as soon as it is installed as all local labor will be busy as soon as construction of the system is started. In the next two weeks they will know exactly where the sewer lines will run and you are to tie on. The City Engineer plans to move to Hedley and will be here for any information you need prior to the actual installation of the system.

The Bank has started a unit in the post office and will build one for the office of Dr. Cox and for the bank. This is a mighty good idea as plumbing material is now available and labor is much cheaper now than it will be when work starts on the sewer.

Music Program

Galen M. "Happy" Harvey, pianist, organist, entertainer and humorist, will present a program of music and fun Friday, February 9, at 7:30 p. m. in the high school auditorium. Admission will be 50¢ and 25¢.

"Happy's" program has come out of his many years of experience in school program work as well as from his work as a youth leader and a student of folk music and the fun there is in listening to and working with the music of the people. His program includes classical, popular and folk music with an interpretation all his own, improvisations on famous folk tunes, original piano novelties, a dance participation ideas and community singing.

The Wise Old Owl

Well kids, here I am again this week but I don't know much gossip.

Mattie Lou, Johnny looked awfully lonesome without you this week end. Poor boy looked like he had lost his best friend!

Bobby Baker, why don't you wake up and make a certain little pre-freshman girl's dream come true? Huh?

Oretha, what happened to you and Aivie C? I thought you got along just fine. Oh well, everyone has their troubles.

Peggy, have you heard from Adrian since he has gone back? Who have you chosen, Harold or Adrian?

Tip, why don't you get you a boyfriend and settle down? One minute you like one boy and then you hate him. Make up your mind Joan, what happened to you and Jerald S., or should I ask him?

Letha, haven't you hooked either of them yet? You know who I mean L— and J—.

Mary Ruth, why don't any of the Memphis girls like you? Could Don Ray have anything to do with it?

Charlene Barnett, why were you so down in the dumps last Sunday afternoon! Where was George W? Jo Ann A., you and Wallace must really be serious. I don't blame you, you are both good kids. Signing off this week. See ya.

R. E. Manns Observe Golden Wedding

Mr. and Mrs. R. E. Mann, Donley County residents for 32 years, observed their golden wedding anniversary when they held open house for their friends Monday, Feb. 5, at the Lions Hall in Hedley.

After visiting with the honor guests those attending the celebration were served coffee and individual cakes that were topped with yellow rosebuds. Mrs. Moody Hamil and Mrs. E. M. Glass served, assisted by Carolyn Reeves and Joan Ray Moreman, the Mann's granddaughter, who is a student at North Texas State, Denton. Silver and crystal appointments were used. Centering the hand made linen cloth on the serving table were gold jonquils and candles.

The register, engraved in gold "Bob and Minnie Mann" a gift of their nine grandchildren, was presided at by Mrs. W. I. Rains and Mrs. Herlie Moreman.

Guests were shown to see the gitts by Miss Myrtle Reeves, with Mrs. C. L. Johnson and Mrs. Leon Reeves in charge. Mrs. L. P. Frimble played a variety of old time selections. Guests remaining for the second hour enjoyed 42.

About one hundred and fifty guests registered.

Both Mr. and Mrs. Mann were born in Virginia. They were married in Bristol, Tenn., in 1901. Before her marriage to Mr. Mann she was Minnie Lee Young. They, with their only son, Everett, moved to Texas in 1904, and lived for a short time in Wise and Clay Counties. They moved to Childress in 1912, where he was County Agent until he moved in 1919 to Donley County, where he is engaged in farming.

Mr. and Mrs. Mann are members of the First Christian Church, and have been instrumental recently in reorganizing the First Christian Church of Hedley.

They have four children, a son, Capt. Everett E. Mann of San Francisco, Calif., who is in a responsible position with the American President Steamship Lines and who was unable to attend; and three daughters, Mrs. Carroll Deahl and Mrs. Ray Moreman of Hedley, and Mrs. Carl Gerlach of Caetns, who were all present for their parents' golden wedding.

W. S. C. S.

The WSCS met in the church parlor Monday, Feb. 5th, at 2:30 with ten members present. A program on stewardship was given with Mrs. Kendall as leader. A Christian steward accepts the principle of Divine ownership of life, according to the teachings of Jesus and responds to the needs of men as his Father's steward or agent. He makes generous use of the talents and wealth entrusted to him. This he does prayerfully and where he lives life becomes increasingly abundant.

Song, I Love to Tell the Story Devotional, Mrs. C. E. Johnson Work in Stewardship, Mrs. Henry Moore

Closing Prayer, Mrs. Story We will observe World Day of Prayer Monday, Feb. 12, at 2:30 at the Methodist Church. All ladies of our town are invited to attend. Prayer vigil will be observed at the Methodist Church Sunday, Feb. 11, beginning at 12 o'clock noon through 8 p. m.

School Election

The School Board election will be held Saturday, April 7. The terms of Barney Johnson and Charlie Foster expire. Any citizen of the Hedley Independent School District who would like to run for these places should turn in his name to the office of the School Superintendent thirty days before the said election date listed above. By law, no citizen can write in a name on the ballot on the day of election.

Rev. Lisenbee Resigns

Rev. C. W. Lisenbee has resigned as pastor of the First Baptist Church, effective Feb. 1. He is now in the Veteran's Hospital at Amarillo and expects to transfer to Waco or Fort Worth soon.

Bro. Lisenbee came here as pastor in August, 1947. The church has made a great deal of progress under his leadership, work being just completed on the new educational building, which is a great step forward for the local church.

Notice to the Public

On or after Feb. 25, all dogs running at large in the city limits of the City of Hedley, without collar and paid up license tag, will be killed.

Also please keep your dogs at home at night.

By order of the City Council

Johnny Stiles Burned

Johnny Stiles of Amarillo, formerly of Hedley, suffered burns Sunday night when the shop and offices of Panhandle Trailways at Amarillo, where he was employed were destroyed by fire. Johnny had started to service a bus when gasoline ignited and set off the blaze.

He was treated for burns at St. Anthony's hospital and dismissed.

Birthday Dinner

On Sunday, Feb. 4, a group of people gathered in the home of Mr. and Mrs. Herman Word, Quail Route, after church and did full justice to a wonderful dinner prepared in honor of Kirby Word's fifth birthday and J. W. DeBord's 74th. Those who enjoyed this happy occasion were Mr. and Mrs. J. W. DeBord, Mrs. Dalton Duggins, Laquita and Don, Mr. and Mrs. Slats DeBord, Dewey and Jerry, Mr. and Mrs. Herman Word Kenneth and Kirby.

Card of Thanks

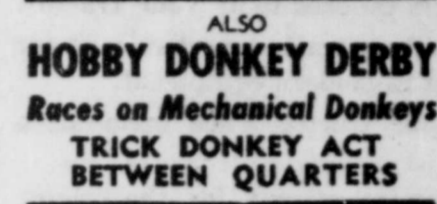

We wish to express our sincere thanks to those who helped us move this week, and to all the other friends who have assisted us in any way during our stay here. Your many kindnesses have been very much appreciated.
Rev. and Mrs. C. W. Lisenbee

Dinner guests in the Leon Reeves home Saturday included Mr. and Mrs. Frank Anderson of Wellington, Mrs. Gertrude Todd of Boys Ranch, Mr. and Mrs. Edward Todd of Denton and J. W. Noel.

Coming! AMERICA'S FUNNIEST GAME DONKEY BASKET-BALL

Featuring RALPH GODFREY'S FAMOUS DONKEYS ALL LOCAL PLAYERS

Announcement has just been made that the Lions Club has entered into a contract with Ralph Godfrey, whereby the famous trained Godfrey Donkeys are to appear at the Hedley High School Gym Wednesday night, February 21st, in their comedy version of a basketball game.

Also as an added attraction there will be the famous Hobby Donkey Races to be staged on the gym floor just before the basketball game. There will also be a trick donkey to do stunts between halves.

The game time will be 7:30 p. m. and there will be no advance in admission prices. Come early and get a good seat and see the pre-game entertainment which alone is worth the price of admission.

On Honor Roll

Among those on the fall honor roll of West Texas State at Canyon were Darrell Proctor with five A's and one B, and Bennie Earle Duval, with four A's and one B.

Birthday Party

Aven Hook celebrated his 11th birthday Saturday afternoon with a theatre party given by his mother Mrs. V. L. Hook. After the show was over the guests were taken to the City Drug where they were treated with frosted cakes and candy. Aven received several nice gifts.

Those attending were Betty Joyce Stout, Rita Holland, Judy Wynn, Bill Reeves, Berle and Merle Owens, Frankie Stiles, David Edward Boliver and the honoree Aven Hook.

Notice

If you have any adult clothing or children's clothing which is outgrown but still good, and especially children's shoes, please bring them to the West Texas Utilities office and they will be distributed to persons who need them.

Christian Church

Minister Jimmy Mitchell of Clarendon will preach Sunday afternoon at 3:30.

Hubert Richards and family of Sunray visited Wednesday with his parents, Mr. and Mrs. W. W. Richards.

Boy Scout News

The scouts will have charge of the city next Saturday. They have their city officials elected and plan to run the city Saturday as they think it should be. They have a mayor, city secretary, city marshal, fire inspector, health inspector, chief of police and a police force ample to take care of all violations.

This is Boy Scout Week and it is all in fun. All fines collected by the boys will be used to help on the expenses of their summer camp. Their fines will be for the little things we do every day here that we would be called down on if we did them in a city. Let's help the boys all we can.

Lions Roar

Eleven new Lions were added to the club during the January membership contest. This makes the total membership of the club now 58. Lions obtaining one or more new members during the contest were Lions Messer, Gibson, Owens, Clifford Johnson, Murray and Grimsley. Each will receive an award from Lions International as well as the Boss Lion, Lion Secretary and Membership Chairman.

This week is regular meeting time. The Lions will have the local scout troop as their guests, celebrating the 41st anniversary of the founding of the Boy Scouts of America.

Next week is regular directors meeting. Come out, there are several items of importance to come up. The stucco job on the Hall is going to make the whole town look better.

"Rocky Mountain blizzards couldn't stop me!"

says JACK W. SEEFELD
430 Vrain St. Denver 12, Colorado

"The two winters I tested new Conoco Super Motor Oil—as one of a group picked to prove its winter wear-fighting ability—we had the worst weather in years. Blizzards came in on top of blizzards. The temperature went to the bottom and stayed there.

"BUT MY CAR ACTED LIKE IT THOUGHT IT WAS JULY! With new Conoco Super that car performed better than it ever had. At the end of the test, with proper drains and regular care, gasoline mileage was practically as good as at the beginning."

After a total of 386,422 miles, logged by Mr. Seefeld and other winter test drivers, Conoco engineers found no wear of any consequence! Analysis of drains showed this great oil actually stopped the dangerous accumulation of free water and acids, chief causes of winter wear. This test proved that new Conoco Super Motor Oil, with OIL-PLATING, fights off rust, corrosion and sludge. So, change to Conoco Super, now.

U.S. SAVINGS BONDS

"A Pyramid of Cash Savings." It's not alone possible but it can be made a certainty. Your government offers you a proved, sure-fire savings plan that can change your entire life. It's the Payroll Savings Plan for the purchase of U. S. Savings Bonds. Ask yourself: "out of all the money I've earned in the past 10 years how much can I show today?" Now look ahead—say to 1961. During these years you can build a pyramid of savings by enrolling for the Payroll Savings Plan where you work, or if self-employed, the Bond-a-Month Plan at your bank. "Here's to 1961."

New in Style—New in Structure—New in Power—New in Thrift—Potent in Price Appeal—It's the 1951 BUICK SPECIAL!

HERE is good news for folks with a shrewd eye for what their dollars will buy.

Here is a tidy traveler that defies the upward trend of costs—proudly wears a 1951 price tag like that which zoomed last year's SPECIAL into popularity so great that it put a crimp in "the low-priced three."

Take our word for it, this is every inch and ounce a Buick—Buick-featured, Buick-designed, Buick-built from the ground up—but literally the newest thing on wheels.

The sturdy and ample body is new. The high-strength frame is new. The power is new to the SPECIAL, which now has the

thrifty 'F-263 engine that first made its name in the SUPER, and here delivers 120 horsepower with standard transmission—128 with Dynaflo Drive.*

It's a Buick with less weight and more power—and that spells a pair of new thrills for you. There's a performance thrill such as you've never enjoyed in the SPECIAL—plus a handsome gas-saving into the bargain.

We'll make a prediction now as to what title folks will give it, once they get it out on the road.

*Standard on ROADMASTER, optional at extra cost on other Series.

That title in three words, will be: "Thriftiest Buick Yet!"

Better hurry around to your Buick dealer's and look this marvel over. We'll give you another prediction—which is:

Once this one's discovered, the demand will be terrific.

No other car provides all this:

Roaring along at 80 miles an hour on the Indianapolis Speedway, Wilbur Shaw, world famous automobile driver, retained perfect control of his car after purposely blowing out the new Firestone blowout-safe, puncture-proof and tubeless tire on the left front wheel. Here, Raymond C. Firestone (left), Vice-President in Charge of Research and Development of The Firestone Tire & Rubber Company, watches Shaw check the air pressure in the tire after it had been driven a mile following the blowout, the gauge showing that well over two-thirds of the original air pressure still remained in the inner diaphragm of the tire. According to Shaw, "This new tire completely eliminates all danger from blowouts and is the greatest contribution to safe driving I have ever seen." The new Firestone tire also provides puncture-proof protection. If a puncture occurs no air is lost because soft, pliable rubber within the tire surrounds the cause of the puncture preventing air leakage and when the cause of the puncture is removed this soft rubber seals the hole so that no repairs are necessary.

Who Owns The Federal Land Bank and The National Farm Loan Associations?

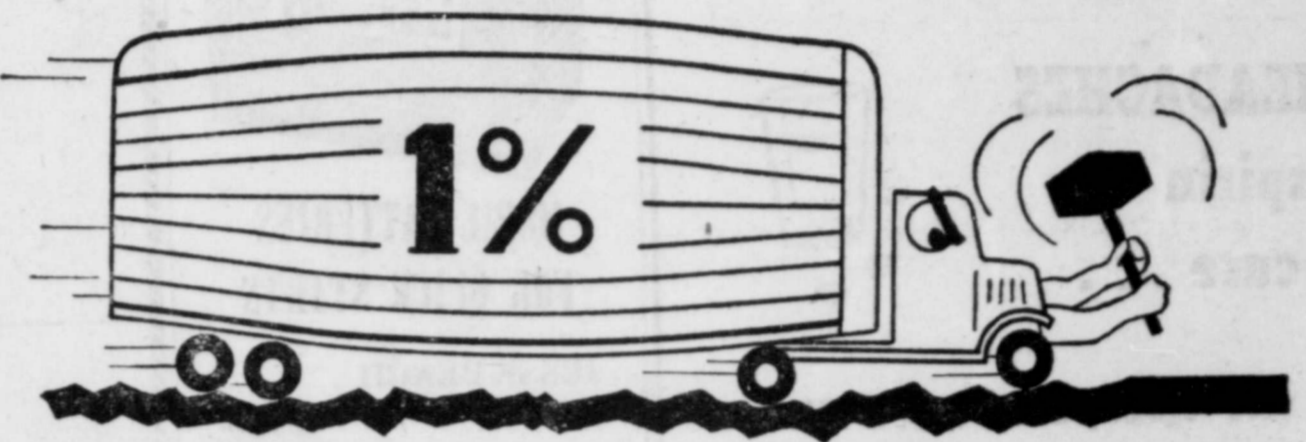

All of the capital stock of the Federal Land Bank of Houston is owned by Texas national farm loan associations.

The national farm loan associations in turn are owned by over 30,000 individual farmers and ranchers of Texas.

Each association elects its own board of directors and officers. Their business, therefore, is handled by homefolks who know and understand local conditions.

Let us tell you more about this home-owned financial organization.

Rayburn L. Smith, Secretary-Treasurer Clarendon, Texas

**The More He BREAKS
The More He MAKES**

Texas motorists, Texas highways and Texas taxpayers should be protected against the ONE PER CENTERS.

ONE PER CENTERS are truck combinations weighing, loaded, 20,000 pounds or more. Only one of every 100 vehicles registered in Texas pays a license fee for 20,000 pounds or more. FEWER than three out of every 1,000 are registered for more than 40,000 pounds.*

Our highways should be SAFE for ALL the people—individuals, commercial users and the military alike.

Texas highway tax dollars should be conserved and used wisely. This can be done

- (1) by limiting the weight (gross load and axle load) that may be transported legally by the ONE PER CENTERS and
- (2) by enforcing the law against those who persist in overloading.

Texas highways are paid for by and belong to ALL THE PEOPLE. Highways adequate for 99% of Texas users—individual and commercial—can be constructed and maintained for about ONE-THIRD of the cost made necessary by the weight of the ONE PER CENTERS.*

This is your problem. Send for your copy of the booklet, "THE CASE OF THE ONE PER CENTERS," which tells you, among other things, why

THE MORE PROFIT HE MAKES.**

"Me... Building Defense Weapons?"

Yes, Jim, that pipe line you are working on will transport natural gas to some of the 2,000 Gulf South industries which depend on United Gas for fuel. Many of those industries are now engaged in the production of material for the defense of free nations everywhere . . . and hundreds more will join them in the months to come. Securing a lasting peace for the world will be a big task, Jim. Our first duty is to see that adequate, dependable supplies of natural gas are available on a sound, economic basis to help produce the armament the job requires.
