VOL. 41

HEDLEY, DONLEY COUNTY, TEXAS, SEPT. 28, 1951

NO. 47

## County PMA News

An additional allocation of \$5,200 was received from the State Office this week for the 1951 ACP Budget. We have plenty of money to help you with a conservation practice. You can still build terraces, construct dams, drill wells for livestock water, build waterways and apply superphosphate to grasses, legumes, etc.

If you happen to need one of these practices, come in and make application for it.

Saturday, September 30 will be the last day to make application for 1952 deep plowing. If you have not made application and want some deep plowing, be sure to come by the office.

## American Legion

The district American Legion convention will be held at Childress Saturday and Sunday, October 27 and 28. Delegates to the convention will be elected at the next regular meeting of the post Tuesday night, October 9.

A new door, a new gun cabinet and a new gavel for the commander have been installed since the last meeting, thanks to Paul Stewart, Milton Foster, Bruce Stewart and other members of the Carpenter class.

Fifty-four members have paid up their 1952 dues. You can get early bird cards through October. The Post would like to get its quota of 1952 members before November 11 and get recognition from the department.

Mr. and Mrs. Buford Hinds and Marjorie Ann came up Friday from Abilene, returning home Sunday. Mrs. Frank Kendall accompanied them home for a visit.

Mr. and Mrs. Harrison Hall attended a Conoco banquet at Plainview last Friday, and also visited in the John Afill home at Lubbock and the Ross Adamson home at Ropesville over the week end.

Mr. and Mrs. Willard Knox of Lelia Lake were Hedley visitors Monday night.

Supt. and Mrs. A. L. Davis and children attended the Tri-State Fair at Amarillo Monday.

### Band Goes to Fair

The Hedley Band took part in the colorful opening parade of the Tri-State Fair at Amarillo Monday morning. We are very proud of our organization and the performance they gave. Several members were unable to participate because of the conflict with the stock show.

Little Janice Murphy, mascot of the band, was an added attraction being drawn in a wagon decorated with school colors.

Very few bands could have done more than our deserving youngsters in less than a year's instruction and every loyal citizen of our community should put forth extra effort to see that our band gets new uniforms this year.

### Boy Scout News

Monday night's scout hike had to be postponed as all the scouts except two were attending the fair or pulling boles. The hike will be held Friday afternoon, going to Finch ranch, spending the night and coming back Saturday morning. The hike will count for scout meeting, so there will be no scout meeting next Monday night.

Mrs. P. L. Dishman of Hereford and Mrs. C. L. Johnson attended the reopening of the City National Bank at Wichita Falls last week end.

Mr. and Mrs. Joe Thomas of Amarillo visited here over the week end.

Mrs. A. Vinyard and Mrs. J. R. Adamson of Turkey visited here last Thursday.

The F. F. A. boys from Clarendon and Hedley showed a county group of 25 pigs winning second place.

Scott Lamberson showed his Houdan chickens in the Poultry Division winning 1st, 2nd, 3rd, and 4th place.

## Lions Roar

The first zone meeting of the year will be held at Estelline next Monday night at 8 p. m. Boss Lion Clyde Bridges and Secretary Clifford Jonsson and maybe some other Lions plan to attend. Zone President Hershel Combs will be in charge of the meeting and says he plans to hold the next zone meeting with the Hedley Club.

This week's meeting will be in charge of the membership committee, who are Lions Owens, Simmons and Messer. A good program and a good meal is promised.

The attendance for the 100% meeting last week was 97% of the membership. That is the best in many years. Surely would be nice if we could have something like that at every meeting.

Beginning in October, meeting time will be 7 p. m., so this week's meeting will be the last one at 8 p. m. District Governor Boyd Meador of McLean will visit our club the first October meeting which will be October 11. The next ladies night will November 29.

At last week's directors meeting the directors recommended that the Lions sponsor a "Gay Nineties" program at the school sometime after school takes up again, and probably programs for Christmas, Easter and other times of the year. Mrs. Elvia Davenport will be in charge of this entertainment.

The Dr. D. H. Cox family and David Moreman took in the Tri-State Fair at Amarillo Monday.

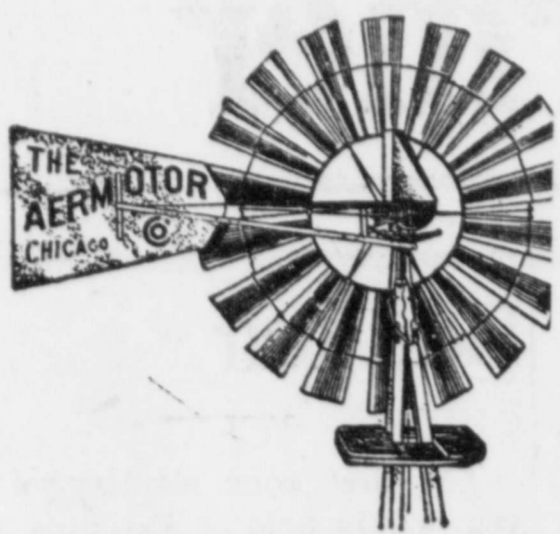

Mr. and Mrs. Carl Gerlach and family of Dumas spent last week end here.

Mr. and Mrs. Alva Simmons and Mrs. Hobart Moffitt attended the fair at Amarillo Monday.

Mrs. Lola Dishman of Hereford visited here first of the week.

Among Hedleyans attending the Tri-State Fair at Amarillo this week were Mr. and Mrs. Charles Rains, the Walter Johnson family, the Alfred Spalding family, the Winfield Mosley family, the C. L. Harris family, the W. P. Doherty family, and probably several others whose names we did not learn.

## The Wise Old Owl

Well, it seems nothing much happened this week, but I will let you in on what did happen.

Jenny M., why were you so lonesome this past week? Seems like you and Mattie Lou M. are in the same boat.

Bobby J., you must sure go for redheads.

Pat P., why so downhearted Saturday night? I never thought you would ever get that way.

Peggy S., did you have fun Saturday night? Kind of surprised me.

Jack Q., you seem to go to Nash's quite a lot. Could it be to see a certain girl named Nancy.

Mary S., what happened to Billy? Don't see him around anymore.

Virginia O., I am kind of late in saying so, but that was a very pretty bracelet and locket you received for your birthday. I wonder who gave it to you.

Guess I will sign off for this week as I think I have said enough

It's the same way in the natural gas business. One gas well doesn't assure a dependable supply. In fact, it takes hundreds of wells in more than 200 gas fields to assure dependable service to the homes, stores and industries obtaining their natural gas from the lines of United Gas.

New fields are being added to our system all the time—through exploration and drilling, or by the purchase of gas from other producers. Our company is working diligently to provide adequate supplies of gas for the present and future needs of all our customers—residential, commercial, industrial.
