Borger Woman Dies In Wreck Near Here

Funeral services for Mrs. Jimmie W. Loudermilk, victim of a high-way accident Sunday night, were held Tuesday afternoon at Borger.

Mrs. Loudermilk, 35 years old, a telephone operator at Borger, died when her automobile skidded on wet pavement and crashed into the abutment of a bridge about two miles west of Hedley on highway 287.

Her daughters, Anita, 11, and June Kay, 5, and another passenger Miss Zanza Bennett, 20, of Borger, suffered minor injuries in the accident.

Parole System Praised

Austin—Secretary of State John Ben Shepperd stated in a report to Mr. M. R. Allensworth of Clarendon, Chairman of the Donley County Voluntary Parole Board that the Texas Voluntary Parole System is functioning economically and satisfactorily.

Shepperd reported that when he assumed the duties of Secretary of State in February 1950 there were 600 parolees unaccounted for in Texas. He commended the Texas Voluntary Parole Board members for their cooperation and assistance in enabling the Department to reduce the number of missing parolees to 60.

Many Truckers Fined

Austin, Oct. 31—To help stem the tide of Texas, rapidly depleting highway and road funds, more than 21,000 truck operators paid over one million dollars into the state road coffers last year.

The payments were not voluntary contributions, but represented \$1,071,387 paid in fines and additional truck license and registration fees as a result of the arrest of 21,577 truck drivers caught violating the highway laws.

These startling figures came to light in the annual report released last week by Kent Odom, Chief of the License and Weight Division of the Department of Public Safety.

Mr. and Mrs. Kenneth Taylor of Amarillo spent last week end here.

Hunters Reminded of New Regulations

The Executive Secretary of the Game and Fish Commission reminded Texans of some extra state law license provisions for the new hunting season.

One is that all Texans over 16 years of age, planning to hunt waterfowl, must have the \$2 Federal duck stamp regardless of whether they hunt in their home area. Duck season is from Nov. 9 to Dec. 28, with shooting hours from one-half hour before sunrise to one hour before sunset, except on the opening day, when shooting begins at noon.

Under the new state combined hunting license law, Texans must have the \$2.15 license to hunt small game beyond their home county. All those hunting deer or turkey must have the state license, excepting those who hunt on the property of their residence and those who are under 17 years of age.

Those hunting deer or turkey on their home property or excused by youth, must obtain an "Exempt" license which is similar to the regular licenses.

Buys Purebred Milking Shorthorn

W. F. Maddox has added to his herd by the purchase of Rocky Lad from L. E. Blankenship. The new animal is a purebred Milking Shorthorn and the record of the transfer of ownership has been made by the American Milking Shorthorn Society at Springfield, Missouri.

American Legion

Commander Tommy D. Tate, Vice Commander Blaine Doherty, Adjutant Clifford Johnson and quite a few other local Legionnaires and their wives attended the District American Legion convention at Childress last week end. Clarendon will get the spring convention which will be held sometime next May.

Mr. and Mrs. Bud Davis of Rule spent last week end in the Herman Kirkpatrick home.

William E. Adcock

Funeral services for William E. Adcock of Hobbs, N. Mex., who passed away Friday, were held there Sunday afternoon. The body was brought to Hedley, and graveside services were conducted here Monday by Rev. O. L. Jones. Burial was in Rowe cemetery.

Mr. Adcock lived in Memphis about 23 years ago. He lived in Borger for 6 or 7 years and had lived at Monument, near Hobbs, for about 14 years.

He is survived by his wife, Helen two sons, Jack and David, one brother, Joel Adcock of Amarillo and one sister, Mrs. Jennie Richardson of Amarillo. He was a son-in-law of L. Morrison of Hedley.

Well Reaches 3100 Ft.

The Allen Drilling Co. of Wichita Falls, drilling for oil on the northwest corner of the Myers section, are now down to about 3100 ft.

Mrs. Lowry Injured

Mrs. Chas. M. Lowry remained in an Amarillo hospital first of the week after suffering facial lacerations and possible internal injuries in an auto collision in Amarillo Saturday morning.

Mr. Lowry was dismissed after treatment for slight injuries.

The two occupants of the other car, O. M. Hicks and son Winford of Amarillo, were also dismissed after treatment.

Mrs. H. C. McMahon of Lubbock was a visitor last week in the home of her parents, Mr. and Mrs. R. E. Darnell.

A letter from James Stone gives his new address as Houston. James has been working in Tyler.

Mrs. S. E. Walker of McKinney left Tuesday after a visit in the J. C. Coffey home.

Mr. and Mrs. Sharrette Myers, former Hedleyans now living in Dayton, Ohio, are visiting in the W. W. Wiggins home.

Pfc. Carter Huffman of Perrin Air Force Base at Sherman visited home folks last week end.

Lions Roar

Next week's regular meeting will begin at 7 p. m. and Lions Moffitt, Duval and Jewell have charge of the program. Come out for a good meal and a good program.

Since the fourth Thursday is Thanksgiving there will be no meeting that night but there will be a combined regular meeting and Ladies night the fifth Thursday or second Thanksgiving night.

The fall Ladies Night meeting is always the largest meeting of the year. Plans are being made to make this the biggest and best meeting yet.

Gets Permanent Masonic Certificate

W. C. Bridges went to Pampa Oct. 19 and to Memphis Oct. 24 to take his examination for renewal of his teachers certificate in Masonic work.

This is his 25th consecutive year to earn the certificate, entitling him to a permanent certificate, in Masonic teaching.

Mrs. W. C. Bridges visited in Amarillo from Wednesday to Friday last week.

Mrs. R. C. Dent and children of Fort Worth visited her parents, Mr. and Mrs. R. E. Darnell, over the week end.

Mr. and Mrs. C. R. Hunsusker and Nancy, Chas. N. Johnson and Billy Hill attended the Texas Tech homecoming at Lubbock Saturday

Cynthia Thornberry and Noriene Gibson were Amarillo shoppers Saturday.

Mr. and Mrs. Milton Foster and Donna visited in Borger and Fritch Sunday.

Card of Thanks

I want to thank all my many friends for the flowers, cards, letters and gifts sent me during my illness. It was so sweet of all of you and smoothed the rough moments more than words can tell. May God's richest blessings rest on you.

Society and Church News

Methodist Church

Visitors at the Sunday morning services were, with Mrs. H. Mobley, Mrs. Pearl Mobley of Amarillo, also Pfc. Carter Huffman of Perrin A. F. Base, Sherman, Tex.

For the Sunday night service we enjoyed the splendid cooperation of the Baptist pastor, Rev. O. L. Jones and his congregation.

The United Evangelistic Campaign was started Saturday night with a Youth Rally at Wellington. Those attending were Carolyn Morris, Carolyn Reeves, Gharlene and Mary Ruth Sargent, Jo Ann Adamson, Jacque Johnson, Milton Story, Mike Thornberry, Tom Adamson, Don Springer, Mrs. Leon Reeves, Rev. and Mrs. Frank Story and our visiting minister Rev. Philip C. Dibrell of Utopia, Texas.

The visitation campaign was started Sunday afternoon. Monday afternoon thirteen MYF members met at the church with Rev. Dibrell as their instructor on the visitation program. After refreshments were served these young people went out on a visiting campaign. Good results were gained. The visitation program will continue throughout the week.

Rev. Dibrell will preach every evening at 7:30. You will miss something if you don't hear him. The Clarendon District will close this great campaign Sunday afternoon at Pampa with a great mass meeting being held at the football stadium.

Garden Club

November 6th will be Garden Club day. The following program has been planned:

Leader, Mrs. Frank Murray
Roll Call: Mistakes I have made in my garden.

Dianthus, Mrs. W. C. Bridges
My Favorite Shade Tree, Mrs. Leon Reeves

Table of the Month, Mrs. Bill Scales

Hostesses will be Mrs. W. C. Bridges, Mrs. Ross Springer and Mrs. Alva Simmons.

Wanda Shaw was at home from Canyou last week end.

Leroy McKee was at home for the week end from Plainview.

If it is a Justin boot you are looking for, Kendall has them.

1919 Study Club Meets

The 1919 Study Club held its regular meeting Thursday evening, October 25, with Mrs. Elvia and Miss Margaret Davenport as hostesses. The program centered upon recognition of United Nations' efforts in bringing about harmonious international relationships. The house and table decorations emphasized this idea. A United Nations flag flanked by Stars and Stripes stood at the official desk. Red and white baby dahlias banked against red, white, and blue candles formed the centerpiece for the living room. Other floral decorations completed the attractive effect.

Preceding the program supper was served to members and guests. The menu consisted of creamed chicken in shells, new potatoes, pickles, cake, coffee, rolls, and mints. Favors were tiny United States flags attached to red mint baskets.

After supper the program was given, Mrs. Rubye Glass serving as leader in the absence of Mrs. Claudia Cook, who was unable to come. The Roll Call, World Affairs, drew many interesting and instructive responses, the most outstanding one, given by the club president, Mrs. C. L. Johnson, drew cheers and laughter from the group. Mrs. Omie Beall Simmons gave an excellent paper on "What Women's Clubs Mean to America." Mrs. Mabel Jones followed this with a legislative report noting work of United Nations as well as other important national and international legislation. Then standing the group sang "Battle Hymn of the Republic" with Mrs. Trimble at the piano, after which Mrs. Ethel Kendall offered prayer for world wide efforts at peace and more harmonious international relationships. The Club then adjourned to meet in November with Mesdames Kendall and Noel as hostesses.

Those present were Mesdames Myrtella Deahl, Rubye Glass, Mary Harris, Willie Johnson, Lula Johnson, Mabel Jones, Ethel Kendall, Biffie Grace Moreman, Pauline Moffitt, Essie May Scales, Omie Beall Simmons, Lucille Trimble, Byrda Watt, Miss Myrtle Hall, and the hostesses, members, and two guests Mesdames Bill Wiggins and Sharrette Myers of Detroit.

SOURCE: U.S. BUREAU OF LABOR STATISTICS
 Despite soaring operating costs, the movies continue to hold their price line as America's cheapest entertainment.

That is proved by this graph of price increases from September, 1945, to December, 1950, which has been made up from a compilation of living cost increases by the U.S. Bureau of Labor Statistics.

According to the Bureau's figures, the average rise in movie admission prices in five years is considerably less than one-third of the 38.7 percent rise in the general cost of living in the same period.

Even more impressive is the small advance in movie admissions as compared with the increase in the cost of food and clothing.

Although held down by Federal controls, rent went up twice as much as movie admissions.

90% For! 10% Against

Railroad workers are represented by 23 standard unions. By mutual agreement, 20 of these unions—comprising about 1,200,000 men, or more than 90%—are working under wages and rules agreed to by them and the railroads. But leaders of three unions—with only about 130,000 men, or less than 10%—still refuse, after more than a year of negotiations, to accept similar wage and rules agreements. These are even more favorable than the terms recommended by the Emergency Board appointed by the President.

Time to settle...

Yes, it certainly seems to be finally about time that the leaders of the three unions stop their delaying tactics—their quibbling. But the leaders of the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors continue to refuse. They continue a course of dillying and dallying. It is definitely time to

END THIS QUIBBLING!

On June 15, 1950, an Emergency Board appointed by the President under the terms of the Railway Labor Act—an Act largely fathered by the unions themselves—made its recommendations on certain wage and working conditions ("rules" in railroad language) which had been in dispute between employes and the railroads.

More Than 90% of Employes Accept

Since then, terms equal to or better than the Board recommendations have been accepted by about 1,200,000 railroad employes—more than 90% of the total of all workers. They are represented by 20 of the 23 standard railroad unions.

Less Than 10% Refuse

But three unions—with about 130,000 men, or less than 10% of the total—have refused to accept, even after months of negotiations. These three unions are the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors. These are three of the so-called "operating" unions. Already the highest paid men in the industry, their leaders demand still further advantages over other workers.

In all, there are about 270,000 operating employes. But not all of them, by any means, are represented by BLE, BLF&E, or ORC. As a matter of fact, less than half—132,000 to be exact—are in these three unions. More than half—about 140,000—are in other unions, principally the Brotherhood of Railroad Trainmen. What makes the whole situation so hard to understand is that these 140,000 operating employes are working under wages and rules which the leaders of the other 130,000 say they cannot agree to.

What Do the Railroads Offer?

They offer these three unions the same settlement which was contained in a Memorandum of Agreement signed at the White House on December 21, 1950, by four brotherhoods and the railroads. Later these brotherhoods sought to repudiate this agreement. But on May 25, 1951, the Brotherhood of Railroad Trainmen signed a complete agreement carrying out the

principles of the Memorandum Agreement of December 21. They have been working under this agreement since May 25.

What About Wages?

Under the terms of the agreement, yard engineers, firemen and conductors would now be receiving a wage increase of \$.34 an hour (\$2.72 a day) and road engineers, firemen and conductors would now be receiving an increase of 19½ cents an hour (\$1.56 per day). Large sums of retroactive pay have already accrued and if the agreement is carried out, will be paid promptly.

What About "Cost of Living" Increases?

The White House Agreement includes an "escalator" clause under which wages will be geared to changes in the Government's cost-of-living index. Two such increases—April and July, 1951—have already been paid to the 90% of railroad employes covered by signed agreements.

What About the 40-Hour Week?

The White House Agreement calls for the establishment of the 40-hour week in principle, for employes in yard service. The employes can have it any time after January 1, 1952, provided the manpower situation is such that the railroads can get enough men to perform the work with reasonable regularity at straight time rates. If the parties do not agree on the question of availability of manpower, the White House Agreement provides arbitration by a referee appointed by the President.

What Else Do the Union Leaders Demand?

The continued quibbling of the leaders of the three unions has to do principally with

rules changes, which have already been agreed to by the Brotherhood of Railroad Trainmen. Of these, the principal one seems to be that having to do with so-called "interdivisional service"—runs which take in two or more seniority districts.

The union leaders would bar progress and efficiency in the industry, and better service to the public, by maintaining a situation where they can arbitrarily stop a railroad from establishing such interdivisional runs. The carriers propose that if a railroad wishes to set up an interdivisional run, the railroad and the unions should try to agree on such run and the conditions which should surround its establishment, and if the railroad and the unions can't agree, the matter will be submitted to arbitration.

But the three union leaders still refuse.

Rules Can Be Arbitrated

The railroads have not only offered these three unions the same rules agreed to by the BRT and covered by the White House Agreement, but have even agreed to submit such rules to arbitration.

The Industry Pattern Is Fixed

With the pattern so firmly established in the railroad industry, it seems fair to suggest that the leaders of BLE, BLF&E, and ORC stop their quibbling and take action to make the railroad labor picture 100% complete. Certainly today's economic and international situation calls for a united front. And certainly no good reason has been advanced why these three unions should be preferred over all other railroad employes.

Uncle Sam Says

The harvest season's about over, but how about sowing a new crop, one that will reap some extra dollars in seasons to come? Just plant part of your earnings regularly in U.S. Defense Bonds, and watch those earnings grow! This you can readily do through the Payroll Savings Plan where you work, or the Bond-A-Month Plan where you bank. The longer you hold these bonds, the deeper they take root and the more interest they bear. In 20 years they will return you 77 per cent more than your original investment. U. S. Treasury Department
