Fire Record Praised

The following is a letter to Clifford Johnson from the Gulf Insurance Company:

You live in a good fire insurance town, Mr. Johnson, and a town good in that way is pretty apt to be good in other ways, also.

I have just made study of the fire records of all Texas towns for the past fourteen years, and I find Hedley has received a credit for good record every year. I give credit mainly to the high quality of your citizenship and your local agents and after that, to the good work of your Fire Department. My hat is off to Hedley and its fine record.

Naturally, the Gulf wants all the good business it can get in such a fine community.

Sincerely,
T. R. Mansfield

Compress Gives Swings

Swings were installed at the City Park this week, a gift from the Hedley and Memphis Compress. The citizens of Hedley and surrounding community wish to thank Mr. Allen for this fine gift and assure him that the children will thoroughly enjoy them this summer and in years to come.

More donations are needed to help carry on work at the Rowe cemetery. If you wish to give, get in touch with Winfield Mosley, City Secretary.

Card of Thanks

I wish to take this means of expressing my sincere appreciation to all remembering me while I was in the hospital.

hangs on your pharmacist's wall!

THE NEXT TIME you visit your pharmacy, take a good look at this certificate that hangs on the wall . . .

This is your State's way of assuring you that the registered pharmacist is not only professionally trained, but that he has successfully completed a State Board examination, and is *qualified by law* to serve you with his knowledge and technical skill.

Your pharmacist knows thousands of different drugs—their dosage, usage and properties. He has the scientific ability and equipment to compound them into the medicines your doctor prescribes. Like your doctor, he keeps abreast of the latest medical developments, and the constant improvements in pharmaceutical products and practices.

His professional training is reflected, too, in the wide variety of specialized merchandise he carries in his store. For here you'll find the baby needs, the sickroom supplies, and all the other items that make up your everyday health requirements.
