

The Hedley Informer

VOL. 42

HEDLEY, DONLEY COUNTY, TEXAS, APR. 11, 1952

NO. 23

Free Program

The Senior Class of Hedley is sponsoring a box supper April 11. The Grand Ole Opry will be presented after the boxes have been auctioned off.

Prizes for the prettiest girl in grade school, prettiest girl in high school, the best dressed matron in Hedley, the ugliest man and the prettiest box will be given.

Coffee and drinks will be sold. All proceeds will go to the Senior class. Everyone is invited to come out and have a big time.

Revival Meeting

A revival meeting will begin at the First Baptist Church Easter Sunday, April 13, and continue through the following Sunday. Pastor O. L. Jones will do the preaching and R. D. Jones of Memphis will be in charge of the song service.

Services will begin at 10:00 each morning, when a sermon will be preached on the Ten Commandments. Evening services will begin with prayer meetings at 7:15 and song service at 7:40. The public is invited to attend.

Easter Party at Theatre Sat.

Hedley youngsters will be treated to over four hours of hilarious and exciting movies plus several entertaining stage features. Following a nationwide trend in all communities, the Theatre will open its doors at 9:45 a. m. with the movie starting at 10 a. m. sharp. The picture is open to all children free of charge. If necessary it will be shown twice with the second show at 2:00 Saturday afternoon.

Moffitt Hardware and City Drug are cooperating with the Theatre in presenting several valuable prizes including a new Rocket Bicycle. Drawing will be held at 10 a. m. and loud speakers set up on the street to cover any overflow crowd. No admission will be charged to either show. Free candy treats will be given first 300 kiddies.

On screen The Hedley will feature Joe Kirkwood Jr. as "Joe Palooka" in "Triple Cross," plus five color cartoons and a two reel comedy. Theatre manager Bob Harris said this program was for the children and that while "Triple Cross" will play its regular run Saturday night, the big Easter Show for adults would be Sunday With Cecil B. DeMille's technicolor masterpiece, "Samson Delilah."

ATTENTION!

Most of you have heard of this average daily attendance law for quite some time. The state requires so many students in school every day in order that we can keep a certain number of teachers. So far this year the average daily attendance has been so bad, that we have already lost one teacher. This teacher will have to come out of High School. It has been said that this teacher will be taken out of the commercial department which consists of classes of typing, shorthand and bookkeeping. These subjects are very important to the students, especially if they plan to enter college. If this poor attendance continues we may lose another teacher, and in a short time Hedley will no longer have a High School. This is far more serious than most people think. Just what would Hedley or any other community be without a school?

Let's all get to work before it is too late. This is no job for a certain few, its everybody's job to see that Hedley has a fine school. It may be possible that if the attendance is good next year we can get the teacher back that we have already lost this year.

We encourage every parent to keep their children in school every day possible. You, the people in town and on the farms around Hedley, have too much at stake to let poor school attendance ruin the community.

Remember our school is what we make it. Let's make it the best.
A H. H. S. Student

School Election

Apparently the local citizens were not quite so interested in Saturday's school election as in last Tuesday's city election, since 213 votes were cast Saturday compared to 217 Tuesday.

Ross Springer, Leon Reeves, Jack Brumley and Walter Moss were chosen trustees for the coming year. Holdover trustees were Barney Johnson, Burt Usrey and Charley Foster.

Grocery Changes Hands

Mr. and Mrs. Roy Darnell have bought the stock and fixtures of the Bailey Grocery, and plan to operate it in the same location under the name of City Grocery.

They expect to be open for business by Saturday morning.

Carl Bailey, the previous owner, is moving to Niles, Calif.

Clean-Up Week

The Hedley Booster Club's official Clean Up Paint Week got off to a windy start last Monday morning with the county grading equipment supplied by Frank Murray and Fire Chief Saunders with his crew washing every thing down. Messrs. Charles Rains, "Doody" Messer, Otis Owens and Henry Moore assisted by T. O. McFarland and Winfield Mosley painted parking stripes and light poles a bright yellow. Explorer Scouts painted all the city fire zones and hydrants a bright red as well as cleaned the city hall, park, and corners. Members of Clifford Johnson's Boy Scout troop assisted Ben Spear with traffic control routing all traffic around Main Street most of the day. Scouts also patrolled Main Street Saturday, and will on coming Saturdays urging observance of parking areas. Dr. D. H. Cox constructed the three Welcome signs which were lettered by Bill Poole and erected Tuesday by Rains, Messer, Owens, Scales, Morris and Oren Allen. Dr. Cox took official pictures of all events.

City Hall received preliminary coats of paint Tuesday and many projects remain to be accomplished. Booster President Bob Harris commended most of the town on their excellent cooperation and extended official thanks to all participants. He asked home owners not to slack up and to keep on with spring clean up and paint up. The Booster club still has the Lion's Den, Memorial sign, etc. to do. Booster members met Thursday evening with delegates from McLean and County Road Commissioners to start proceedings for the new McLean-Lakeview highway via Hedley. The Booster Club will hold the first in a series of noon luncheon meetings this Friday at 12 in the Lions Den.

Revival Cancelled

On account of the sickness of the pastor's wife the meeting announced to begin this week at the Church of the Nazarene will not be held.

Nail Hits Hedley

Hedley was visited by a severe hailstorm Tuesday night, accompanied by a small amount of rain and a large amount of lightning. Numerous windows in town were broken, along with some damage to roofs, neon signs, etc. Moisture was estimated at around half an inch.

Lions Roar

At this week's meeting Lions Clyde Bridges, Otis Owens, C. L. Johnson, L. D. Messer, Alva Simmons, Frank Murray, Herlie Moreman, Chas. Rains, M. W. Mosley, E. M. Glass, Hobart Moffitt, Mike Thornberry and R. M. Saunders will be presented with awards from Lions International for getting one or more members into the club during the Melvin Jones membership contest.

Last week the Lions board of directors, the Booster Club and a delegation from McLean met at the Lions Den in regard to a road from Hedley and McLean. Ground work plans for this good road and also from Hedley to Lakeview were discussed and it is hoped that a delegation from these towns will get an appointment with the highway commission soon.

Methodist Leader to Speak

Dr. Gabriel Sundaram of India will speak at the Methodist Church in Clarendon Friday night, April 11. Dr. Sundaram is the Methodist Fraternal Delegate to the General Conference to meet in San Francisco April 23. He is one of the outstanding leaders in Southern Asia and his talk should be very worthwhile.

To the Voters of Donley County

I wish to announce my candidacy for Sheriff-Tax Assessor-Collector for Donley County. Having served you for the past eleven years as deputy sheriff, I feel that I am qualified to fulfill the duties of this office. I have lived in Donley County thirty-four years. I sincerely solicit your support and influence in the coming election. I will be seeing you in the near future.

Truett Behrens

Booster Club

In order not to conflict with the "Grand Ole Opry" at the school house Friday night, the Booster Club will meet at the Lions Den at 12 o'clock noon Friday. Eats will be served in the form of a "Dutch treat."

Notice

Anyone whose premises are still torn up from sewer construction, whose trash has not been picked up by the city truck or who have any need of service from the city, are requested to get in touch with the city secretary.

City Ordinance

An Ordinance requiring all persons owning or occupying premises, within the corporate limits of the city of Hedley, Texas, and within 150 feet of any public sewer, to make permanent sanitary connections with same, and controlling the disposal of waste water; declaring certain privies or box closets, within 150 feet of any public sewer, a nuisance, and regulating those privies or box closets that are not within 150 feet of such public sewer, and defining penalty therefor.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HEDLEY, TEXAS:

SECTION 1: All owners or occupants of premises in the City of Hedley, Texas, having privies or

box closets on such premises, must, if within 150 feet of any public sewer, make permanent sanitary connections with said public sewer and shall not dispose of any waste water except into such sewer. Where no sewer exists and privies or box closets are used they are required to have and keep under such privy or box closet a barrel, box or other water-tight receptacle over ground, in which, lime, ashes, pulverized dust, or some one of the approved disinfectant solutions shall be used in such manner as not to create a nuisance; said box or other receptacle shall be emptied when full, or at any time when its condition shall become unsanitary; no pit or cesspool shall be allowed to form, and such box closet shall have hinged lids of wood or a wire gauze door, so contrived and con-

structed as to prevent the ingress or egress of flies or other disease-breeding insects.

SECTION 2: Any owner or occupant of any premises, or any person violating any of the provisions hereof shall be deemed guilty of perpetrating a nuisance and as such shall be subject to be abated in the manner provided in law.

SECTION 3: Any owner or occupant of any premises or any person violating any of the provisions hereof, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be fined in any sum not less than \$5.00 and not more than \$200.00.

This Ordinance shall take effect and be in full force from and after the 4th day of May, A. D. 1952

Passed and Approved, 4th day of March, 1952.

**Kidney Slow-Down
May Bring
Restless Nights**

When kidney function slows down, many folks complain of nagging backache, headaches, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

In Appreciation

To the Voters of the Hedley Independent School District:

I take this opportunity to express our thanks and appreciation to you for your vote of confidence as expressed by the returns of the election April 5.

It has been our policy, and will continue to be, to make every effort for the betterment of your school and community. We are fully aware of our responsibilities and duties to you and your school. We also realize that we are subject to mistakes. Therefore we earnestly solicit your council and cooperation pertaining to the problems of the school.

It will continue to be our policy to run the school to the best of our ability and judgement.

Sincerely yours,
Ross Springer, President

Grade 6 Makes Industrial Tour

The Hedley Sixth Grade with their teacher, Mrs. Lowe McGehee and room mothers, Mrs. Ed Boliver and Mrs. A. B. Spalding made an industrial tour over Amarillo last Friday, together with an inspection trip through the Museum at W. T. S. C. in Canyon.

The party left Hedley at 8:45 in the school activity bus, driven by the capable driver, J. D. Foster and drove directly to Canyon where they had the time of their lives going through the museum. They came back to Elwood Park in Amarillo and had lunch, went from there to Lanes Creamery Plant, where they were shown through by an instructor who knew his business, even to dishing out treats.

From there they were driven to the new and beautiful News-Globe plant. There again they received courteous and apt attention as they stood with mouth "agap" and eyes bulging in wonder at the teletype machines, the big roller presses as they rolled out hundreds of daily papers, already folded, and smelling with fresh ink and hot lead. The boys and girls had the pleasure of meeting Wes Izzard and "Cotton John" along with other members of the News-Globe force.

The Coca Cola Bottling Works was another place of interest and wholesome pleasure. After observing the scientific and sanitary methods of making and bottling of the drinks, everyont was good and ready for an ice cold Coca Colo, also the souvenir Coca Cola bottle.

Next stop was at Amarillo Livestock Sale Barn, where Mr. Johnson showed us through the sale pavillion and took us to the pens and on the cat walk.

Then the class started home, but we must not forget the stop at Mrs. McGehee's new home in Claude as we went through. The day was big, full and enjoyed.

Reporter, D. E. Boliver Jr.

American Legion

The Legion will have a special meeting next Tuesday night.

Several local Legionnaires and their wives attended the 18th District American Legion convention at Clarendon last week end. The convention voted unanimously to dedicate this year's annual Aerial Roundup to the memory of Carroll Deahl. This year as heretofore each post will get as many 1952 delinquent memberships as possible. They will be flown in to Amarillo and a plane from Amarillo will fly them to Austin.

The Hedley Post is supposed to head the roundup and we need every eligible veteran in the community to pay their dues and have them ready to fly into Austin by April 26th. The Post is behind on their quota for the first time in several years.

Mike McCully of Clarendon was elected as the new district commander and the fall convention will be held at Hereford in October. The State Convention will be held in Dallas August 8, 9 and 10

Baptist Church News

(Left over from last week)

The Church is very proud of the new pulpit and choir which were remodeled and lowered this week and chairs installed. We are looking forward soon to a new baptistry and baptismal painting which will add to the beauty of the church

Bro. Jones is in a revival in Turkey this week. The R. A. boys of the church, under the leadership of Paul Bailey, were in charge of the service Sunday night. A most interesting and inspiring program was rendered. The music was by the Junior Choir with Mrs. J. M. Dickson as director.

T. O. McFarland was painfully injured Tuesday when his hand contacted a power saw.

Mrs. Kenneth Runyon and Bobby Glenn of Gainesville are visiting here over the week end.

Mr. and Mrs. Harrison Hall are visiting in Corpus Christi and the Rio Grande valley.

Mr. and Mrs. Kenneth Taylor have moved from Amarillo to El Paso.

Mr. and Mrs. Mott Mills of Snyder, Okla., and Mr. and Mrs. T. R. Easterling of Vernon xisited in the C. L. Johnson home last week end.

Mr. and Mrs. C. E. Johnson visited in Eastland this week.

Cpl. Chas. N. Johnson of Camp Carson, Colo., visited home folks over the week end.

Here's My Famous "50,000 Miles—No Wear" Service!

1 I'll Drain Out Grit and Sludge While The Engine is Hot! "Hot-oil" drains every 1,000 miles flush out dirt, acid and contamination before they can do harm, leave the working parts of the engine sparkling clean!

2 I'll Recondition All Air and Oil Filters! I clean filter elements... replace worn-out cartridges... and record the mileage. I check mileage every time hood is lifted, to make sure these important filters are protecting your engine against dust and grit.

3 I'll Fill the Crankcase With Conoco Super Motor Oil! Conoco Super is fortified with additives that curb the dangerous accumulation of dirt and contamination—protect metal surfaces from corrosive combustion acids—fight rust—and OIL-PLATE a film of lubricant right to metal surfaces.

We Conoco Mileage Merchants are now trained and ready to give your car exactly the same service that helped keep test engines new in the spectacular "50,000 Miles—No Wear" road test!

In that famous test, six brand-new cars were each driven 50,000 killing miles, to prove the wear-fighting ability of Conoco Super Motor Oil.

Thanks to Conoco's 3-point "50,000 Miles—No Wear" Service, those engines showed no wear of any consequence, in fact, an average of less than one thousandth inch on cylinders and crankshafts. Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

Now you can get Conoco's great "50,000 Miles—No Wear" Service to help your engine last longer, perform better, use less gasoline and oil!
