Pastor's Father Dies

Rev. O. L. Jones and family were called to Tucson, Ariz., Monday on account of the death of his father. Details were not available for this issue. Johnny Brumley accompanied them.

To the Voters of Donley County

I regret that due to circumstances beyond my control I am forced to take this method of bringing to you my candidacy for reelection as your County Judge. As most or perhaps all of you know I was in the hospital almost four weeks and have been home some three weeks. My doctors tell me that they were agreeably surprised and gratified at my rapid recovery and steady improvement. However they warn me that undue fatigue or physical exhaustion must be avoided for some time. I feel physically fit except of course I haven't had time to regain my strength.

When I announced around the first of the year I meant to try to contact each and every voter in the county before the primary. That of course is now impossible. I realize I must stand or fall on my record of almost four years as your County Judge. I am not ashamed of that record. However I feel that I am much closer to the needs and requirements of my county than I was four years ago. I would again thank each and every one who aided and assisted me in the discharge of my duties as your County Judge. I very earnestly and respectfully solicit your vote and influence both now and on July 26, 1952.

Sincerely,
Your County Judge,
W. J. Williams

Mr. and Mrs. Roy Bevers announce the arrival on Saturday, June 7, of a fine little son, weight 5 $\frac{3}{4}$ lbs., who has been named John Walter.

Two Die In Wreck

Two Donley County women were killed and six others injured in a two car accident about noon Sunday near the Martin school west of Clarendon.

Mrs. Guy Sibley and Mrs. Chester Talley were pronounced dead on arrival at a Memphis hospital. Injured were Joy, Jo Anne and Wanda Sibley, Mr. and Mrs. Ray Dennis Hawthorn and Dee Townsend.

Funeral services for Mrs. Sibley were held Wednesday from the First Baptist Church at Clarendon by Rev. Howard Scott and Rev. Ernest Phillips

Services for Mrs. Talley were held Tuesday from the Clarendon Baptist Church by Rev. Phillips. She lived in Hedley for a number of years, being the daughter of Mrs. Mary Reeves, now of Amarillo. Besides her mother she is survived by her husband, one daughter, three sons, two sisters and two brothers.

Building Damaged

Fire broke out early last Thursday morning in the building occupied by the Saunders Garage and R. E. Darnell's feed stock, and did damage to the building estimated at around \$4000, besides damaging equipment in the garage and fixtures belonging to Mr. Darnell.

The Hedley fire boys are to be commended for their promptness in responding to the alarm and bringing the fire under control.

Attend Concert

The Harding College A Capella Choir from Searcy, Arkansas performed a concert in the Northside Church of Christ in Amarillo Monday night and also showed films and talked about the Harding campus. After the program they were invited to the Will Rogers Park and were joined by the young people people of the church, were served refreshments and enjoyed a short song service. Those attending from Hedley were Doyle Messer, Bud Johnson, Charlene Johnson, Letha Moss, Thelma Moss and Patsy Usrey.

Mr. and Mrs. Burt Usrey and Richard Lee visited their parents over the week end, Mr. and Mrs. C. C. Cavender and Mr. and Mrs. Burt Usrey.

Booster Club

The Hedley Booster Club met last Friday evening and reviewed its accomplishments to date. They include the new welcome signs, speed limits through town, street lights, clean up and paint up, city park improvement; to mention just the major ones. Future plans of the club now in progress are the erection of city speed limit signs, completion of their Emergency Service unit, obtaining an accurate census of this area for posting on the new Highway Dept. signs at all three entrances to town, fencing in of City Park, and seeking purchase through state and county aid of additional fire fighting equipment.

Most of the club's officers were re-elected for another year at the meeting with the addition of Chas. Rains as Vice President. Officers now in effect are President, Bob Harris; Secretary, Ross Sringer; Treasurer, L. D. Messer; Publicity, Clifford Johnson; and Finance, Alva Simmons. Leon Reeves was added to the club roster.

Harris extended congratulations to the members and gratitude to the public in backing up all club activities to date. Boosters will meet every Friday night at 8 p. m. in the Lions Den. Public ideas for civic improvement are welcomed.

Explorer Scouts

Post 36 Hedley Explorer Scouts elected officers for the next quarter Monday night. They are Senior Crew Leader, Donald Gene Painter; Assistant Crew Leader, Kenneth Painter; Secretary, Don Springer; Treasurer, Leon Bevers; Crew 1 Leader Oren Allen; and Crew 2 Leader, Charles Brown. John Jenkins will remain as Post Chaplain and Kenneth Painter as Sgt. at Arms.

The Explorers conducted brief memorial services on Memorial Day, both at the cemetery and at the Honor Roll signboard. The boys also attended all flags during the day. Friday night they assisted the Fire Dept. in clearing weeds from fire hydrants and with traffic direction during practice drills.

Misses Pat Pritchard and Carolyn Reeves and Mrs. C. L. Johnson attended a WSCS zone meeting at McLean last Thursday. Mrs. Johnson is the district student secretary

LIONS ROAR

Next week is directors meeting. All directors and officers are urged to come out as we have to finish up the year's business and get ready to install the new officers and directors.

The perfect attendance contest closed with 24 Lions having perfect attendance. The following Lions will receive 100% buttons at this week's meeting: W. C. Bridges, D. H. Cox, H. H. Hall, B. C. Johnson, C. L. Johnson, L. D. Messer, Herlie Moreman, Carl Morris, M. W. Mosley, Frank Murray, J. H. Koeninger, Otis Owens, W. N. Poole, Chas. Rains, Leon Reeves, R. M. Saunders, R. W. Scales, Jap Shaw, A. T. Simmons, Doyle Messer, L. E. Tolbert, E. M. Glass, W. H. Moffitt and Elmer Dishmaa.

Davis Family Leaves

A. L. Davis and family left last week for Wichita Falls where they will make their home.

Mr. Davis has been superintendent of the Hedley schools for the past four years, and has left the school a number of worthwhile improvements.

Perhaps the greatest accomplishment in recent years has been the organization of the Hedley Band, which has won acclaim both at home and elsewhere, but great improvement has also been made in the Home Ec department, which was vocationalized and a credit added, and in the lunch room, where a deepfreeze was installed and meals improved. A credit in music was also added.

Other additions include an activity bus, two radios in the grade school, air conditioning in the high school, and numerous other items.

Flag Day

Saturday is Flag Day. It is not a legal holiday but all flags are to be flown. Also don't forget the old man Sunday. That is Fathers Day.

Theatre manager Bob Harris and Aubrey Lee Cherry journeyed to Dallas Sunday to participate in the Texas Compo Showmen Convention.

Mrs. Burt Usrey and Miss Patsy Usrey will leave Sunday night for Seattle, Washington.

Made all the kids cheer But the principal sneer

"Once more and you're through Adeline!"

Then I got Conoco's **NEW 1-2-3**
"50,000 Miles No Wear" Service!

Now Adeline is doing fine . . . thanks to one of the greatest services ever offered the motoring public—a service that helps engines last longer, perform better, use less gasoline and oil!

It's exactly the same service that kept test cars new in Conoco's spectacular "50,000 Miles—No Wear" road test!

In that famous 50,000-mile test, with 1,000-mile drains and proper filter service, test car engines showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000.

Now you can get this same 1-2-3 "50,000 Miles—No Wear" Service, at your Conoco Mileage Merchant's today!

HERE'S CONOCO'S "50,000 MILES—NO WEAR" SERVICE

At proper intervals, Your Conoco Mileage Merchant will:

- 1 Drain out grit and sludge, preferably while the engine is hot!
- 2 Recondition all air and oil filters!
- 3 Fill the crankcase with great Conoco Super Motor Oil!

This is a HEAVY DUTY OIL
