Sheffy Mahan Says Cut Needless Expense

SHEFFY MAHAN

When Sheffy Mahan announced for the office of District Attorney the voters of the 100th Judicial District were told at that time that the public was entitled to have the District Attorney's office operated in an efficient and competent manner without any unnecessary, unreasonable, and unwarranted expenses being placed upon you as tax payers. You, as taxpayers, are now burdened with such expenses by reason of a special law, passed by the last Legislature, which provides for a private stenographer for the District Attorney at a salary of \$200.00 per month, and this same law further provides for office space and additional supplies, all of these expenses are in addition to the very adequate salary and expense allowance paid to the District Attorney from the funds of the State Treasury. This special law applies to the 100th Judicial District only; it is Art. 326k-20, Vernon's Tex. Ann. Civ. State. Remember that this tax money does not come from the state treasury. It comes directly from the taxpayers of Donley, Collingsworth, Childress, Hall, and Carson counties.

This law providing for the present District Attorney's private stenographer was passed at the insistence of the present District Attorney at the last session of the Legislature in 1951. This expense adds absolutely nothing to the ef-

REV. WILL M. CULWELL

Our revival meeting begins Friday night and will run through Sunday, July 27. We are extending each and every one a special invitation to attend all these services. This is a meeting for the town and community of Hedley, and we hope you will come over and worship with us and help us have a revival. Our services will be 10:30 a. m. and 8:00 p. m., and prayer meetings for all groups at 7:30. Come and help us in the singing. We need your help.

The pastor will do the preaching and the leading of the singing. There will be a special number at each service. We will be looking for you. You are welcome.

Will M. Culwell, pastor

Clyde Bain has been visiting here from Wasco, Calif.

efficient operation of the District Attorney's office. Sheffy Mahan will not burden the people of Donley, Carson, Hall, Collingsworth and Childress Counties with the expense of a private stenographer for the reason that the duties of the District Attorney do not require this expense to insure an efficient discharge of the duties and responsibilities of the office of District Attorney.

A public official is a public servant, charged with a responsibility to the people. Sheffy Mahan will work hard at the job. Sheffy Mahan will discharge the duties of the District Attorney's office to the very best of his ability. Sheffy Mahan will not hire a private stenographer at the expense of the taxpayers. Your vote and support will be sincerely appreciated.—Pol. Adv.

Albert Johnson Dies

Albert Sidney Johnson, a long time resident of Hedley, passed away Friday morning in a Groom hospital after a long illness.

Funeral services were held Sunday from the Church of Christ here by Minister Shelby W. Sanders. Burial was in Rowe cemetery with Murphy-Spicer Funeral Home in charge.

Pallbearers were H. P. Mann, Frank Murray, O. C. Sargent, Joe Wood, Wayne Latimer and A. G. Alexander.

Mr. Johnson, a retired farmer, was born Feb. 19, 1882 in Wise County, Texas, and had lived in Hedley about 37 years. He was a member of the Church of Christ.

He is survived by one son, Clifford Johnson of McFarland, Calif., one daughter, Mrs. Forrest Smith of Watonga, Okla., two stepsons, Elba and Weldon Harkness of Lubbock, a sister, Mrs. Annie Rogers of Detroit, Mich., and a brother, Jess Johnson of Gainesville, Texas.

Mrs. Cora Pearson

Mesdames W. E. and Clyde Grimsley were called to Carrollton last Thursday to attend the last rites for their aunt, Mrs. Cora Pearson, who passed away at the home of her daughter, Mrs. Alan Good, in Carrollton, of a lingering illness.

Mrs. Pearson was the only living sister of the late Mrs. Martha J. Hogue Kinsey, who died here in 1944. Mrs. Pearson had visited her sister here several times, so will be remembered here. She was 78 years old at the time of her death; her husband preceded her in 1941, and a son in 1943. She left one daughter, Mrs. Alan Good, and a son Carl Pearson, both of Carrollton; five grand children; one brother, Edgar Burden of Dallas; and numerous other relatives.

Services were held Friday, July 11, at the Baptist Church in Coppell, where she had been a member for years. Burial was in Grapevine Cemetery beside her husband and son.

Mrs. W. E. Grimsley and Mrs. Clyde Grimsley returned home Saturday.

Mary Louise and John Hunter of Canyon spent the past week end with their grandparents, Dr. and Mrs. J. C. Coffey.

Let's follow your physician's prescription into your pharmacist's compounding room . . .

The pharmacist's first act is to carefully interpret the prescription—check its signs and symbols to make sure of their precise meanings. *Your safety is his legal responsibility.*

That done, he assembles the necessary components for your prescription from the thousands of drugs he has in his stock. He knows them all intimately—their dosage, usage and properties.

Then he skillfully uses his specialized equipment to weigh, mix, or combine the ingredients of your prescription in strict accordance with your physician's specifications.

He checks and rechecks every ingredient he uses, and every step in his compounding technique. Instructions are confirmed, and directions stated on the label in such a way that no misunderstanding will occur. Finally, he registers your prescription by number and files it away for future reference.

He prepares simple mixtures as meticulously as he does the highly complex ones. In filling every prescription, he applies the technical skill and professional knowledge that have been acquired through many years of scientific training. Burrs Can Be Used

County agent H. M. Hreedlove of Donley County has been advised by the State Commissioner of Agriculture that Donley County has now been released from the pink boll worm law and that cotton burrs can be hauled to the farm from the gin this fall if they are immediately distributed over the land. Farmers in Donley county will welcome this change as it has been a good practice for years to distribute cotton burrs on the land. The county agent says that this change in the law is effective as of July 6, 1952 and farmers can make plans now if they wish to carry burrs home from the gin. If any changes are made at a later date the county agent will notify you.
