Christmas at School

Following is a report made by the committee representing the Culture Club, Garden Club, and FTA, who inspected the Christmas decorations of the schoolrooms just before the Christmas holidays.

On Friday, Dec. 19, Santa visited the children at school. Arriving on the fire truck, he passed out the many gifts that had been placed on the beautifully decorated Christmas trees in each room.

Mrs. Hobart Moffitt, Mrs. Alva Simmons, Mrs. C. L. Johnson and Miss Myrtle Reeves as guests enjoyed a delicious lunch in the lunchroom, afterwards visiting the various rooms that were so gaily decorated for the holiday season.

In the 1st Grade room the blackboard had a border scene of Santas, Christmas trees, and snow. On the front board was a large Santa with his bag of toys, and Christmas posters of Frosty, the Snowman. There were clever gifts under the tree that had been made for each mother, an ash tray made from clear glass casters, with a Christmas scene cut from last year's cards pasted on the bottom.

At the entrance of the 2nd Grade room there was a beautiful door piece of bells and evergreen. A pretty arrangement of melted candles was on a table just inside the door. The blackboard had a beautiful Nativity scene and the windows were decorated with candles and holly. The Christmas story told to the committee by Laverne Stiles was "The Little Train That Could."

The first thing we saw on entering the 3rd Grade room was the time calendar that had been kept during the month of December, giving the time of the rising and setting of the sun each day. Here we saw a beautiful Christmas tree, Santa in his work shop, and Santa going to the church for the tree. The theme for the scrap books on display were "Accomplishments Enjoyed About Christmas" and "This is Christmas Day at School."

Next we visited the 4th Grade. There was a beautiful Christmas wreath on the outside of the door. On the inside was a door piece made of mistletoe, metallic tinsel and candy cane cut from star foam with bright red ribbon bow. The windows had beautifully colored bells and Christmas balls hanging with tinsel. Different snow scenes could be seen on window ledges and

Doyle Koontz Dies

Doyle Koontz, 34 years old, Donley County farmer, passed away Sunday in a Memphis hospital.

Funeral services were conducted Tuesday afternoon in the First Methodist Church of Clarendon with Rev. Ernest Phillips and Rev. I. E. Biggs officiating. Burial was Citizens Cemetery with Murphy-Spicer Funeral Home in charge.

Mr. Koontz served in the Air Force during World War II. He was a farmer in the Naylor Community.

Survivors are four sisters, Mrs. Myrtle Swinney, Mrs. Flossie Reynolds and Mrs. Oleta Moffett, all of Clarendon, and Mrs. Otha Edleman, Goodnight; four brothers, De'mer, Ray and Otis, all of Clarendon, and Leonard Koontz of Anaheim, Calif.; two half-sisters, Mrs. Beulah Barnard and Mrs. Willie Tidwell, both of Fort Smith Ark.; and two half-brothers, Horace and Oscar Koontz of Bell, Cal.

tables, not to mention the blackboard border of candles, poinsettias, trees, and Santas. Many of these blackboard decorations were done by the students.

The 5th Grade blackboard display made by students, consisted of different Christmas scenes of reindeer, Christmas trees, Santa and bells. They also had very pretty Christmas posters. A beautiful Christmas tree was laden with gifts for all the students and visitors and of course the teacher.

On the entrance to the 6th Grade was a Merry Christmas Welcome. Here we found a beautiful display of Christmas cards. The holiday scenes on the blackboard was done by students, and also a beautiful Christmas tree. All the scenes except one, and even the decorating of the tree was done by the boys in the room.

In the 7th Grade room they had a gaily decorated Christmas tree loaded down with gifts. Their attractive blackboard display was all done by the students, as well as all the other decorations.

And did you see Santa and his reindeer flying through the air from one building to the other.

Room mothers were hostess to all the grades and refreshments were served after visit from Santa.

Those of you who did not see all these beautifully decorated rooms really missed a treat.

Bank Founder Dies

T. T. Harrison, a prominent Hedley business man about 40 years ago, passed away Monday morning at Littlefield after a short illness. He was about 72 years of age.

Funeral services were held Wednesday afternoon at Lone Oak, in Hunt County. Burial was in Lone Oak cemetery.

He is survived by his wife, two sons and two grandchildren.

Mr. Harrison organized the Security State Bank here in 1913, and also built the West Texas Gin. He lived for some time at Memphis after leaving here, and was in the gin business at Spade for several years.

What part of every prescription weighs nothing at all?

YOUR pharmacist's scale is so sensitive it will respond to the weight of a hair!

But into every prescription he compounds, your pharmacist puts one ingredient that never moves the scale's needle.

It is the most important thing you buy whenever you have a prescription filled!

It is the professional knowledge and skill of your pharmacist. Without it, no prescription could be properly filled. The physician orders the required drugs in the specific amounts needed, but the compounding of the finished prescription is the sole responsibility of your pharmacist.

Before he could fulfill this responsibility, he devoted years to the study of the highly specialized subjects of his profession. To earn his college degree, for example, he had to acquire a fundamental knowledge of many sciences such as chemistry, physics, biology. He mastered, too, the details of compounding and dispensing drugs, chemicals, and other medicinal agents.

And after his formal education, your pharmacist's course of study does not end. For there are constant changes and progress in medicine and pharmacy with which he must keep abreast.

Get better acquainted with your pharmacist. He's a good neighbor, and a good citizen who works for better community health. Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 32, Michigan.
