VOL. 43

HEDLEY, DONLEY COUNTY, TEXAS, APR. 24, 1953

NO. 25

## Lions to Invade Wolfforth Thursday

Hedley Lions will roar into Wolfforth, Texas with a siren escort Thursday night to start the Battle of the Convention Cities. Hedley has "invited" Lions International to hold it's 1954 International Convention here and Wolfforth wants the Lions there. Hedley Lions are out to convince Wolfforth that they have the best offer. It's all part of a nationwide publicity stunt for this year's Hedley Cotton Festival.

## Lions Queen Contest Scheduled at Theatre

The annual beauty contest to select a Queen for the Hedley Lions presentation at District Convention in Borger in June will be held on stage of the Hedley Theatre Monday, May 11. Junior and Senior High School girls and any unmarried girl out of school is eligible. Entrants will be judged on poise, personality, education, and beauty. The Hedley Queen will have expenses paid for two days at Borger and will compete for the District crown and could win the International Royalty. All girls interested in competing are urged to leave their names with Clifford Johnson at the bank or Bob Harris at the Theatre.

## Bake Sale

On Saturday, April 25, the ladies of Hedley are having a Bake Sale at the Lions Den. Coffee, sandwiches and pie will be served and games will be played, starting at 5 PM.

This money will go to the Cemetery fund, to finish paying for the land and to help pay for keeping it clean.

## Help! Help! Help!

The Seniors will wash your car Friday afternoon from 2:30 until dark and on Saturday, April 25, for only one dollar (\$1). (All tips appreciated.) We will pick up and deliver your car. If you want your car washed please phone 70-3R. All money taken in will help provide for the Senior Trip.

Secretary of Senior Class,  
Charlene Barnett

## KFDA-TV Manager Explains Difficulties

Les Smith, station manager of KFDA TV explained roughly the many technical difficulties being encountered by the new Amarillo Television station. In an interview during the Amarillo Booster Tour, Smith reported that he was confident the fringe area reception would be greatly improved in the next week or 10 days.

"G. E. Engineers have been contacted by telegram," he stated, "and we expect them in Amarillo in a few days. They will work over the mass of transmitting equipment and get the "bugs" out of the operation. We appreciate the Hedley television set owners and want to give them the best possible service." KFDA TV operates on Channel 10 with 56,500 watts.

Cotton John of KGNC reported their big station, 100,000 watts was coming along nicely and would be on the air some time in late May. Channel 4 promises excellent reception here.

## Assembly of God

Welcome to the Assembly of God Church Sunday evening at 7:45 for an evangelistic service. The pastor, Rev. T. E. Gibson, invites you to hear this message on the subject "The Sin Against the Holy Ghost."

Come and hear what God's word says about it. The public is cordially invited.

## LEGION NEWS

Among those attending the 18th District American Legion convention at Shamrock last week end were Mr. and Mrs. Wayne Latimer, Mr. and Mrs. Gerald Bland, Mr. and Mrs. Edward Dishman, Obe Holland, Clifford Johnson, Chester Walker, Raymond Stone, Kenneth Swinney, Otis Holland, Bruce Stewart Jr., Paul Stewart, and Joe Wood.

The local post received an award for having their membership quota by Dec. 31.

A letter from Mr. and Mrs. L. C. Pierce of Azle states that they are all fine, but miss all their friends here and send greetings to every one.

## Fire Dept. Meetings

With thanks to C. L. Johnson, Hedley Fire Boys enjoyed a steak dinner last week followed by an active business meeting.

The fire truck has been cleaned up and painted a gleaming white, and the new high pressure fog nozzle purchased by the Booster Club has been placed into service giving Hedley the best all around fire protection equipment it has ever had.

Fire boys set the first and third Monday nights of each month for regular drill practice and a contest will be held to determine the team and individual members who have the highest percentage of regular attendance. Oneil Weatherly heads Team "A" and Arthell Gibson captains Team "B." Several new fire boys were added to the club's roster.

A snack bar will be built in the Fire Department meeting room capable of serving hot coffee at meetings and following fires.

Public cooperation in cleaning up premises has a great deal to do with adequate fire prevention according to Chief R. M. Saunders. Piled trash in basements, attics, and even outside create a dangerous fire hazard.

## 'Arctic Circle' Names Local Dealer

World famous Arctic Circle Air Conditioning units will henceforth be available here in Hedley following the appointment of Bob's Radio, Electric & TV shop as their authorized dealer. The store will feature both sales and service on the new coolers and air conditioning units.

## Boy Scout News

Members of Boy Scout Troop 36 will travel to Wayside Park Friday afternoon and camp overnight along with other troops from throughout the southern district. Demonstrations and lectures will be featured on campsites, firemanship, first aid, etc. Scoutmaster Clifford Johnson and Explorer Advisor Bob Harris will carry the troop to the camp site.

Mesdames Ray Moreman, Winfield Mosley, Manfred Snelson and Sam Morgan attended a PTA convention at Tulia Tuesday.

## Sirens Welcome Amarillo Boosters

A blast of sirens and horns reminiscent of VJ Day welcomed some 100 Amarillo Boosters and the 25 piece marching band of the Amarillo Air Force Base Tuesday noon. Hedley Booster Club President Bob Harris acted as official greeter and welcomed Public Relations Committee Chairman Frank Helvey and his group to the Cotton City.

The Hedley High School Choir did a beautiful job of entertaining the group and Hedleyans were appreciative of the AAFB Band's selections. Miss Pat Pritchard led the band during one number. Lions President Carl Morris, Legionnaire Clifford Johnson, all women's organizations and other civic leaders were introduced. Mayor Carl Reid made the welcome official. Explorers and Scouts acted as traffic control officers and formed an honor and color guard for the visitors. Members of the Riding Club added color to the Booster's parade. Cotton John of KGNC and Les Smith of KFDA TV made recordings of the event, Dr. Cox took colored slides for Hedley viewing. The event promised regional publicity for this year's Cotton Festival. Reports indicated Hedley offered the best and most spontaneous reception of any community during the entire trip.

## To Cotton Farmers

Cotton farmers will get first hand information on the 1953 cotton situation April 29 at the court house in Clarendon at 7:30 PM, says County Agent H. M. Breedlove. This meeting is called because the Secretary of Agriculture is asking all cotton farmers to make a voluntary reduction in their 1953 cotton acreage. This is to try to head off acreage controls in 1954.

## Baseball News

Hedley high school split a double header with Childress Saturday, losing the first game 8 to 11 and winning the second 9 to 5.

Johnny Brumley pitched all 14 innings of both games. Catchers were Kenneth Painter and Bill Skaggs.

 Nagging Backache**

When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

 State of Texas**

No. 1802  
 Notice is hereby given, to whom concerned, that W. R. Christal the postoffice address of whom is Lelia Lake, Texas, on the 30th day of March, 1953, filed his application in the office of the Board of Water Engineers for the State of Texas, in which he applies for a permit to appropriate of the unappropriated waters of the State of Texas, from Lake Creek, a tributary of the Salt Fork of Red River, in Donley County, Texas, not to exceed 160 acre-feet of water per annum, for the irrigation of

not to exceed 155.4 acres of land out of Section 65, Block C-6, G. C. & S. F. Ry. Co Survey, Donley County, Texas, which land is more fully described in said application; water to be diverted by means of a portable pump. The proposed pump sites are located at points which bear (1) North 81° West 2,470 feet, (2) North 46° 40' West, 2,060 feet and (3) North 12° 20' West 1,405 feet from the Southeast corner of Section 65, Block C-6, G. C. & S. F. Ry. Co. Survey, on the East bank of Lake Creek, in Donley County, Texas, and is distant in a Southeasterly direction from Clarendon, Texas, about eight (8) miles.

A hearing on the application of the said W. R. Christal will be held by the Board of Water Engineers for the State of Texas, in the office of the Board at Austin, Tex-

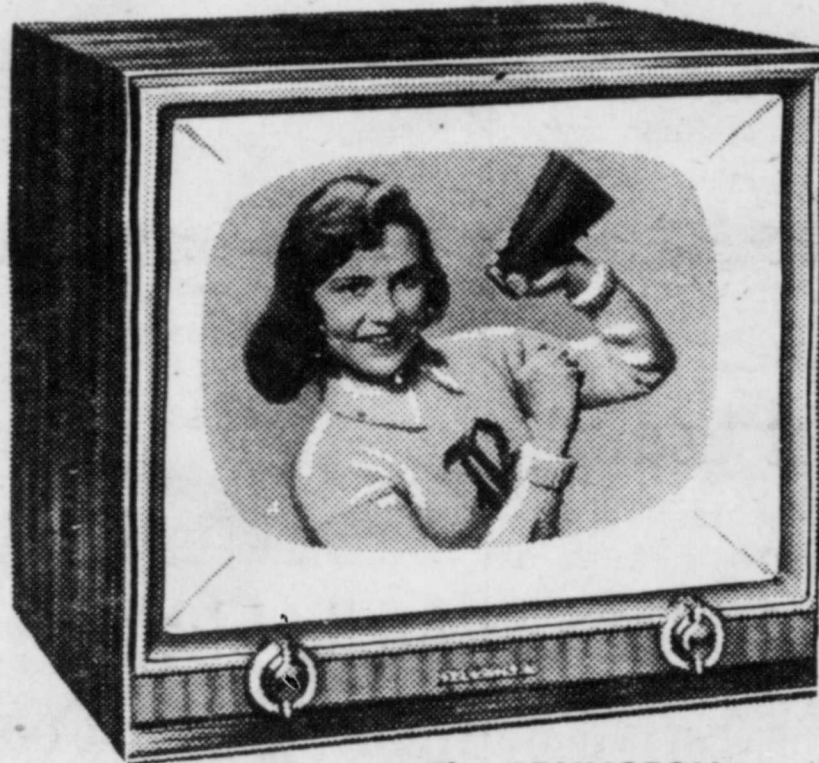

as, on Monday, May 11, 1953, beginning at ten o'clock A. M., at which time and place all parties interested may appear and be heard. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper.

Given under and by virtue of an order of the Board of Water Engineers for the State of Texas, at the office of the said Board at Austin, Texas, this the 30th day of March 1953.

## Explorer Bivouac

Hedley Explorers attended the Adobe Walls Council Emergency Service Training Bivouac last Friday, Saturday and Sunday at Camp Don Harrington at the mouth of Palo Duro Canyon near Amarillo.

The purpose of the meet was to teach Explorers the facts of emergency service, including first aid lost persons, etc. The boys first meeting on Friday night was interrupted by a report of a lost rancher in the rugged canyon area. Over 100 boys and leaders fanned out through two hour search. Returning to base the boys were informed that the "lost" rancher had been found. It was actually a test to determine the actions of each post in the event such a service did have to be performed. Hedley's group was under the leadership of Advisor Bob Harris, and R. M. Saunders and Henry Moore of the Post Committee. They received top honors for their thoroughness and determination during the search. Refreshments were served Friday night.

On Saturday the Hedley group demonstrated fire arms safety and spent a good part of the day on the Scout Rifle Range under the supervision of R. M. Saunders. Rifle and pistol safety, marksmanship and care were taught.

Realistic first aid training was suddenly brought before the boys when they were sent up a canyon area and stumbled on to several bad "accidents." Gunshot wounds, snake bites, fractured wrists, electric wire victims, and even a fish hook snagged in a boy's ear came before the startled explorers. In each case the injury had been expertly illusioned by make up and props. Realistic injuries called for realistic actions, and standing by was a judge and expert advisor adding suggestions and cautions. The boys learned a great deal of how to cope with the unexpected.

Scout Chapel services were held Sunday morning winding up the exciting three day event. Highlights of the trip were the camp cooked meals. Henry Moore was kitchen boss for the trip with R. M. Saunders and Bob Harris as his assistant chefs. In four meals the boys consumed 8 dozen eggs, 5 lbs. of ham, 6 lbs. of bacon, 15 lbs of potatoes, 6 lbs. of butter, 12 lbs. of steak, 14 qts. of milk, 8 dozen biscuits, and 7 loaves of bread, not to mention the cans of corn, beans, and peas, jelly and sweet rolls! No one was allowed to leave the meal until he publicly stated he had had enough to eat.

The Explorers had an exceptional time and wish to express their deep appreciation to the people

who helped to make the trip possible and especially to Henry Moore and R. M. Saunders for their capable help, instruction and companionship.

Scouts Bill Reeves and Deward Gibson accompanied the explorers as observers for Troop 36.

## Baseball News

After spotting Claude five runs in the first inning this last Sunday Hedley finally came from behind to win in ten innings. The score was 12 to 11. Dewey DeBord was the starting pitcher and was relieved by Ed Mathis in the 5th inning who went the rest of the way. Gibson, H. Mooring, B. Mooring, J. Hill and Red Hill were the Big Guns for Hedley, each getting three hits.

This next Sunday finds Hedley playing host to the Amarillo Air Force Base team for the first league game of the season. Let's come out and support our home team.

When you have plenty of money you don't con-  
 sider too much where you buy groceries or what  
 you pay, just anywhere to save time and steps,  
 but when the bank account gets low you begin  
 to look for quality at a lower price. We hope  
 you come in and look at our stock and prices  
 whether you buy or not. You're always welcome.
