A Million More In '54

The churches of the Panhandle Baptist Association will hold a "Million More in '54" Victory Rally at the First Baptist Church here Monday, September 14th, at 7:30 PM, it was announced today by Rev. T. H. Harmonson, Associational Sunday School Superintendent.

Principal speaker will be Rev. J. E. Byers of First Baptist Church of Clarendon. He will speak on the subject, "We have the Message the World Needs."

Purpose of the Rally is to plan for participation of the churches of this Association in the campaign of Southern Baptists to enroll a million more people in Sunday School in one year. A goal of 600 net gain has been set for the Panhandle Baptist Association. Present enrollment is 2,875. Church leaders will determine the steps they will take to achieve their individual church goals at the rally. Next major event in this campaign for "A Million More in '54" will be Preparation Week which the churches will observe individually Sept. 20-27. During this week they will seek the completion of plans for the achievement of their enrollment goals, using a new guidebook, *The Pull of the People*, by J. N. Barnette.

A Sunday School enrollment gain of 1,189,566 was recorded by Southern Baptists in the four years ending in 1952 for a total enrollment of 5,491,056.

Total membership of all Southern Baptist Churches is 7,634,493 in 1952.

Joan Ray Moreman to Appear in Recital

Joan Ray Moreman, daughter of Mr. and Mrs. Ray A. Moreman, will present a piano recital Sept. 15 at 8:00 PM in the Hedley Christian Church. The public is cordially invited.

A pupil of local teachers and the Amarillo Musical Arts Conservatory, Miss Moreman is an accomplished pianist. She has recently finished her piano education under I. r. Silvio Scionti, at North Texas State College in Denton.

Her recital Sept. 15 will include music of Bach, Gershwin, Chopin and Strauss.

Hedley Wins Cap Rock League Finals

Hedley defeated Groom last Sunday 22 to 16, which gives Hedley the Cap Rock Baseball League Championship. Ed Mathis and Bobby Hutchenson did the pitching for Hedley. Home run hitters were Herman Mooring, Red Top Sims and Ed Mathis.

In regular season play Hedley was tied with Groom for first place. They won the play off series by beating Amarillo Air Base the first play off game and taking two straight from Groom. In 1952 the locals wound up in first place in regular season play, but lost to Groom in the play off game. In 1951 they lacked only one game of being in the play off series. In 1950 they were tied with Groom for first place in regular season play and won the play off games for the championship.

We think this is a wonderful record for a team in as fast a league as the Cap Rock, where practically every team comes from a much larger town than Hedley.

Revival at Assembly Of God Church

A revival meeting will begin at the Assembly of God Church Saturday night at 8:00 PM and services will be held each night next week at 8:00, the pastor, Rev. T. E. Gibson, announced this week. Rev. Luther R. Green of Panhandle will be the evangelist. Rev. Gibson urges that you come hear Rev. Green preach the full Gospel message where Christ is exalted and sin is denounced. The public is invited to attend these services and hear the Gospel in song. All are urged to attend and bring their families.

Band Booster Club

The Band Booster Club will meet Friday night in the High School auditorium at 8:00 o'clock. Everyone interested in the band is invited to attend.

Booster Club to Meet

The Booster Club will meet next Tuesday night at the Lions Den. Light refreshments will be served.

Plans Being Made For Cotton Festival Oct. 9-10

Cotton Queen Contest Booster Trips Planned

Over thirty girls have entered the contest for Cotton Festival Queen and sponsors are being chosen for these girls. Contestants will be notified who their sponsor is and where to put their collection boxes.

The contest closes Saturday Sept. 26. A public appearance of all the girls will be arranged sometime before the contest closes.

All-Girl Mounted Quadrille Invited To Cotton Festival

The Amarillo All-Girl Mounted Quadrille, who have performed throughout the Tri-State area and have earned for themselves a splendid reputation in horse shows and rodeos have been invited to attend the Cotton Festival this year. This is a 12 member team and is composed of flag bearers and eight square dancers. At the time of going to press it had not been learned for sure whether these girls could attend.

Pancake Sale

Cotton Festival officials announced that plans are under way for the sale of Pancakes this year by the Lions Club as was held last year, all you can eat for fifty cents. Ross Springer is in charge of the sale this year. Considering the success of the sale last year you will not want to miss out on those good hot pancakes.

Boy Scout News

The Scouts will leave on their annual trip Friday afternoon at 5 PM. They plan to be back late Sunday afternoon. They will take in several points of interest in New Mexico. J. D. Foster, Clifford Johnson and some other adults plan to accompany the boys. Scouts will need to take warm clothing, bedding and food, or cash to buy food for two days.

At a meeting last Thursday night of the Lions Club Directors, tentative plans were made for two booster trips to advertise the Second Annual Cotton Festival to be held Oct. 9 and 10. One will include Lelia Lake, Clarendon, Ash-tola, Goodnight, Claude, Panhandle, Whitdeer, Pampa, Lefors, McLean, Shamrock, Wellington and Quail. Another will include the towns of Memphis, Estelline, Childress and Quanah, also possibly Eldorado and Hollis, Oklahoma. It is expected that most of the above named towns will send their school bands for the Big Parade Saturday afternoon at 1 PM, and several of them will also be represented with their riding clubs.

Plans are to take the High School Band from Hedley and at least 15 cars are needed on both trips. Make your plans to go along and help advertise the Cotton Festival.

Lions Clubs Invited To Cotton Festival

While attending the district cabinet meeting of District 2T1 in Amarillo Sunday, August 30th, Carl Morris, zone chairman for this region, invited all the Lions of the district to attend the Cotton Festival this year. Several clubs said they would be present including Wolfeforth. Herb Henderson, past president, promised to bring two car loads to Hedley for the occasion.

This week letters of invitation have been mailed to every club in the district asking them to attend this gay event.

Mrs. Ray Moreman, Mrs. Carroll Deahl, Mrs. C. L. Johnson and Miss Joan Moreman have been vacationing at Colorado Springs.

Mr. and Mrs. J. F. Mann and Mr. and Mrs. John Biard returned Saturday from a trip to Washington, Oregon and California.

Introduce New Conoco Gasoline

Houston, Tex., Sept. 10— a million-dollar advertising campaign to introduce Continental Oil Company's new Conoco Super gasoline with TCP, described as "the biggest improvement in gasoline in 31 years," is being launched this week as Conoco's new premium fuel goes on sale at 8,500 Conoco service stations and other outlets in 23 states. TCP, the additive that gives car engines more power and greater fuel mileage is being added to Conoco's new gasoline by special arrangement with Shell Oil Company, it was revealed by Harry J. Kennedy, vice president in charge of marketing.

TCP, the trademark for the power boosting additive used in the new Conoco Super gasoline, is a special chemical compound originally developed to prevent spark plug failure in the Air Force's giant B-36 bombers, said Mr. Kennedy. He explained that TCP provides better engine performance in two ways. First, it neutralizes spark plug deposits that cause short-circuiting and misfiring. Second, it changes chemically the deposits in combustion chambers that cause "wild-ping" and pre-ignition with resultant power loss. Both conditions are common in both new and old cars.

"Conoco Super is a wholly new kind of gasoline," Mr. Kennedy pointed out. "And Conoco customers will be the first in their vicinities, except for scattered points where both Conoco and Shell market gasoline, to get the benefits of the most important advance in motor fuels since we began adding tetraethyl lead to gasoline back in 1922."

Conoco Super gasoline will be available locally at the Harrison Hall Service Station.
