## A. J. "Andy" Rogers Makes Announcement

A. J. "ANDY" ROGERS

It was deep satisfaction in 1951, as a State Representative, to help create our new 30th Senatorial District and thereby give West Texas a fair share of representation in Austin.

It has been an honor, a pleasure and a privilege to serve as the first Senator from that new District.

In reviewing my record, I would be the first to insist that I have made mistakes. No doubt, I shall make others. These will always be honest mistakes.

As your freshman Senator, I gained the following committees: Chairman of Stock and Stock Raising; Vice-Chairman of Agriculture; Vice-Chairman of Education, and member of Water Rights and Irrigation, Veterans Affairs and Public Printing.

Major legislation I introduced, and which is now law, includes an amendment to the Gilmer-Aiken school program which has saved our District \$250,000.00 of your local school tax money; Texas' first Grain-Warehouse and Grain Storage Law, and an act creating the Greenbelt Municipal Industrial Water Authority to build a dam on the Red River near Clarendon and Hedley.

My bill to prohibit the sale, publication and distribution of lewd, lascivious and vulgar literature and pictures in Texas passed the Senate unanimously, but died in the House of Representatives.

I consider water, its development and conservation, to be our most pressing State problem. I shall continue to do all within my power to keep the control of un-

## Compress Thanked For Tennis Court Work

The work on the new tennis court has been completed and the courts are now in use. The Memphis Compress Co. furnished labor and built the court free charge from materials obtained through public donations.

Hedleyans sincerely appreciate the generous donation of this work by the Compress in furthering opportunity for healthful recreation.

## Jones-Hilburn

Friends here have learned of the recent marriage of Bobby Jones, son of Rev. and Mrs. O. L. Jones, and Betty Hilburn, daughter of Mr. and Mrs. Francis Hilburn of Dalhart.

They will make their home in Boise City, Okla.

## LIONS ROAR

Regular meeting this week is 8 PM with the Lelia Lake feeding and Lions Hinds and Iris in charge of the program. Come out for a good feed, time and good program.

New officers and directors of the club will be installed at the next meeting in June and will office the first meeting in July. Lion J. M. Baker will be the new Boss Lion.

derground water resources in the hands of those who own the land.

When you elected me two years ago at the age of 27, I was the youngest Senator ever to have the honor of serving West Texas. This is my fourth occasion to serve the people of West Texas—twice as State Representative and now, the second time as State Senator.

This is the second time I have been unopposed. For that, I thank you for all of your kindness, encouragement, cooperation and understanding. I shall approach you with a "thank you" from the bottom of my heart.

I will appreciate your vote support and pledge my best effort to the opportunity of serving you. I shall approach you with a "thank you" from the bottom of my heart.

**Garden Club**

The Garden Club met in the Lions Club Room with 19 members present. The meeting was opened by the president, Mrs. M. Glass.

A good program was given with Mrs. Ross Springer acting as leader. The roll call was answered by all present on the topic of "June Hints," and will prove to be helpful for our flower gardens. Papers were given on summer flowers by Mrs. C. Johnson, on lawns by Mrs. J. B. Masterson, and on flowering vines by Mrs. J. F. Mann.

The flower garden was worked on at the south of the Lions Club, but there is still work to be done.

We want to thank Scout R. E. E. Butler and Explorer Scouts Benny Sims and Gano Sanders for donating part of their work in preparing the soil for planting and setting. We also want to thank Mr. Spicer for letting us use this space, Moreman Grocery for the flower seed, and the City for the water we will use.

A social hour was enjoyed at the City Drug where refreshments were served by the hostesses Mesdames Oscar Moore, Frank Murray and Mrs. Fred Watt.

Our next meeting will be July 5 at 3 o'clock.
