NO. 22

Home Damaged

The Fire Dept. made two runs to the H. Mobley home early last Friday morning, only prompt action preventing a major fire, with an icy north wind to fan the blaze.

Principal damage was to the living room, attic and furnishings, with the total loss estimated at over \$2,000.

Baseball News

Carl Reid and Jap Shaw attended a baseball meeting at Amarillo Sunday. It appears that Hedley will have a Caprock League team again this year.

Buys Beauty Shop

Mrs. Ansil Adamson has bought Odell's Beauty Shop from Mrs. Odell Duggins, and will operate it under the name of Hedley Beauty Shop, in the back of Wilson Drug.

She invites all old customers, as well as new ones, to call on her.

Baseball Game

At 4 PM today (Thursday) the Baptists and Methodists are beginning a series of games which may well last into August. This time they are young men from about 14 to past 20, mostly high school. Clifford Johnson is manager of the Methodists and Butch Waddell and Don Reeves are co-captains. The Baptists have chosen Leon Bevers as temporary manager and will choose their co-captains later.

Rules governing qualifications for the players and pertaining to games will probably be agreed upon and announced soon.

Mr. and Mrs. Charles W. Riley of Los Angeles, Calif., announce the arrival on Sunday, March 20, of a fine little son, weight 8 lbs., who has been named Charles Everett.

He is the grandson of Capt. Everett Mann of San Francisco, and the great-grandson of Mrs. R. E. Mann of Hedley.

Card of Thanks

We wish to express our sincere thanks to the Hedley Fire Dept. and volunteers for coming and helping at our grass fire March 17. Your assistance was very much appreciated.

Queen Contest

This year's Lions Club Queen contest, which will be held next Monday night may be the largest one ever held in Hedley. Some twenty-five girls are expected to be in the contest at the Star Theatre where they will appear on the stage between shows. On the screen will be *Betrayed* starring Clark Gable and Lana Turner.

The winner will represent the Hedley Club at the District Convention at Lubbock. The district contest will be held over station KDUB-TV Sunday afternoon, April 24, between 4 and 6 PM.

The first place winner at Lubbock will receive a complete wardrobe, flowers and a loving cup valued at \$50. All contestants at Lubbock will have expenses paid, free meals and convention favors.

LIONS ROAR

Last week's Lions Club ladies night was one of the most enjoyable in some time. The Methodist ladies of Lelia Lake served the meal and the Lakeview Lions Club furnished the program, so all the locals had to do was set back and enjoy themselves. The fines went to the Lions Crippled Children Camp and totaled \$17.92. Other out of town guests besides the Lakeview delegation were Lions E. K. Huddleston and Richard Bird of Childress.

This week the club will take a program to Lakeview for their ladies night meeting Thursday at 7:30 PM. It is another one of Myrtle Reeves' programs, and we know we will be proud of it. Several local Lions and their ladies plan to make the trip.

The district governor will visit the Hedley Club the first regular meeting in April, which will be the 14th. Meeting time is now 8 PM.

LEGION NEWS

The spring convention of the American Legion will be held at Hereford this week end, April 2nd and 3rd. Several Legionnaires and Auxiliary members plan to attend. The post now has 143 members paid up for 1955 which gives them 7 votes at the convention. They hope to add 10 more members before then and poll 8 votes.

D. M. Grimsley Dies

Funeral services were held Sunday afternoon from the Church of Christ here for Daniel McIntire Grimsley, 86, a retired farmer and long time resident of Hedley, who passed away at his home here early Saturday after a lengthy illness. Jere Via, minister of the Memphis Church of Christ, and J. C. Stepp, minister of the Clarendon Church of Christ officiated. Burial was in Rowe Cemetery under direction of Murphy Funeral Home of Clarendon.

Mr. Grimsley was born December 18, 1868, in Missouri. He moved to Hedley from Turkey, Tex., 48 years ago. He was a member of the local Church of Christ. His wife passed away on January 15 of this year.

Surviving are three daughters, Mrs. Dot Christian of Gordonville, Mrs. Ruth Boykin of Oildale, Calif., and Mrs. Alice Crawford of Memphis; two sons, Clyde Grimsley of Hedley and Homer Grimsley of Hawthorne, Calif.; two brothers, Frank Grimsley of Alvord and O. G. Grimsley of Mansfield; one sister, Mrs. Pearl Collins of Fort Worth; 10 grandchildren and 13 great-grandchildren.

News From Our County Agent

Broom corn could be a good cash crop for Donley County farmers says County Agent H. M. Breedlove. This past week he and Sam Morgan, W. M. Stelson, and Ted Maddox of Hedley went to Elk City, Okla., and met with one of the biggest broom corn growers in that section and studied all the angles of the crop for Donley County.

Tom Miller of Elk City has grown broom corn for forty-two years, both on a commercial basis and also as a certified seed grower. People in that section consider broom corn a good cash crop. It has been raised there with an average rainfall of about 22 inches, and produces under about the same conditions as grain sorghums.

A group of farmers in the Hedley community plan to plant broom corn this year as a cash crop, due to the cotton acreage reduction. Anyone interested in planting this crop should talk to the county agent. The group at

To the Voters of Hedley Ind. School District

There will be some very important issues coming up in the near future pertaining to the schools in Donley County as we do not have anyone on the County Board to represent our district. We urge you to go to the polls next Saturday, April 1, and elect W. W. (Bill) Wiggins to the County Board and three members to the local board.

This is important, don't fail to vote.

Banquet

Next Wednesday evening at 7:30 young people of the Methodist Church are to have a banquet in the fellowship hall of the church. The mothers are requested to send food, a generous covered dish or two such as would combine into a tasty meal such as young people would enjoy. The committee on arrangements is composed of V. C. Waddell Jr., Don Cox, Kathleen Spalding, Lanelle Mendenhall, Nancy Hinds, Bonnie Alexander, Mrs. Leon Reeves, Henry Moore, Mr. and Mrs. Gene Martin and the pastor. Committees on entertainment, decorations and attendance are sure to guarantee a good time.

It has been suggested that this become an occasion of celebrating a victory for the Methodist ball team. Does this seem too early to count the chicks?

Revival Meeting

Beginning April 10 and closing April 18, the First Baptist Church is planning a revival meeting that will endeavor to arouse our community interests in religion.

Statesmen are calling us back to God; theologians are crying, "Back to God." May we heed their call and cry.

The Rev. J. S. Tipton will be the preacher, and H. G. Havens of Ft. Worth will lead the choir. Everyone is invited.

Hedley plan to get their seed in the very near future, and by pooling the order the seed can be bought cheaper.

INTERESTING FACTS ABOUT TEXAS

TEXAS GRASSLANDS

There are about 570 species of native grasses in Texas, over one-half of the number of species found in the United States. The development of Texas has been profoundly influenced by its grass-resources. The nomadic Comanches, Lipians and Apaches were grass-country tribes, living largely on the bison. The millions of Longhorns that went up the trails in the 70's and 80's were a product of the grasslands. Today the total annual value of the Texas grasses is placed at \$340,000,000.

The Triumphal Entry

In each of the four Gospels we read the account of Jesus' triumphal entry into Jernsalem This glorious ride into the city marked the beginning of the last week of his earthly life, ending in His death, burial, and powerful resurrection.

Christ had come nigh unto Bethany and dispatched two of His disciples to go into the village where they were to find a colt tied. They were to loose him and bring him to Jesus. Their instructions were to tell the owner that "the Lord hath need of him." We do not know the name of the owner, but we can be sure that he was acquainted with the Master and loved Him, otherwise he would have kept his colt. I think this colt owner should be commended because he was willing to give what was rightfully his at the strange request, "the Lord hath need of him." How wonderful it would be if everyone today who is a follower of Christ would so willingly give of their time, talents, and offerings just because "the Lord hath need."

As Christ rode His mount down the way into Jerusalem there were many loud shouts of "Hoganna to the Son of David: Blessed is he that cometh in the name of the Lord. Hosanna in the highest." But no doubt some in that very multitude praising Him were less than one week later crying "Crueify Him" in the mob surrounding Pilate's judgement hall. When we pledge our allegiance to the Christ, let us be sure we continue that pledge regardless of what the mobs may howl.

Some of the Pharisees hearing the multitudes shouting praise asked Jesus to rebuke his disciples and make them be quiet. Jesus replied, "I tell you that if these should hold their peace, the stones would immediately cry out." This epoch in the life of Christ was of such importance that if the multitude were silent God would have to give the stones a voice to proclaim the Saviour of men.

Does the Christ who rode triumphantly into Jerusalem reign in triumph in our hearts?
