HEDLEY, DONLEY COUNTY, TEXAS, APR. 29, 1955

NO.

Miss Janice Chrystal Chosen District Lions Queen At Lubbock Convention

185 Vaccinated

185 out of 195 first and second grade students in all the schools of Donley County received their first Salk Polio vaccination Wednesday, April 20, in Clarendon.

The second inoculation will be given free to the pupils, who received their first shot Wednesday, May 4.

The third shot which will be the booster shot, will not be furnished free by the National Foundation for Infantile Paralysis. This shot will be given on or about November 4. This inoculation will be administered by the physician of your choice and the charge will be made accordingly.

Drs. Ben K. Humphrey and Evelyn Martendale gave the shots. Mrs. Peppi Blocker assisted by placing the band aids on the arms and passing out the lollipops. Except for the argument as to who wanted to get the first shot, every one enjoyed the experience.

Eighth Grade Banquet

Saturday, April 23, the 8th grade class of '54-'55 had their banquet. The banquet was Hawaiian style with tables and walls decorated in beautiful tropical designs. All members of the class were present but three. All teachers were present but one.

The menu consisted of ham, green beans, new potatoes, sliced pineapple, strawberry shortcake, and tea, which was prepared by the room mothers.

The class and faculty were entertained by two piano solos, "Hawaiian Nights" and "Falling Water." The Seventh Grade girls rendered two Hawaiian vocal numbers, "Farewell to Thee" and "Heaven is in Blue Hawaii."

The speaker was Bro Tipton, master of ceremonies, Mr Baker, and the welcome response by Mrs. Hinds. There was one guest, Larry Jones, previously a member of the class.

The girls who served were Betty Lou Sanders, Mary Baker, Joy Nan Woods, Cherry D. Thomas, Elloise Hayes, and Ila Fay Tipton.

Class reporter, Wilma Jean Carter

Miss Janice Chrystal was crowned Queen of District 2T1 at the Governors banquet at the Lions Convention at Lubbock Monday night, and she will reign as District Lions Queen until next year's convention.

The new Queen, the seventeen year old daughter of Mr. and Mrs. Billy Chrystal of Lelia Lake recently won first place at the queen contest held here and represented the local club at the convention. There were 52 girls entered in the contest representing various Lions Clubs of West Texas.

Besides bringing the Queen trophy to the Hedley Club she won for herself a silver loving cup, a complete wardrobe, flowers and other articles. Mrs. Clifford Johnson attended the Queen the three days she was at the convention.

School Meeting

Supt. J. S. Hinds and several teachers, board members and school patrons met Monday night at the high school building for a round table discussion on recommendations and needs of the local schools. A very interesting round table was led by Mr. Hinds, and the discussion produced answers to a number of questions asked by the Texas Education Agency.

All present enjoyed the very instructive meeting.

Attend FHA Meeting

Mrs. Ben Wilson, Reatha Ranson, and Wanda Ann Hansard attended the State Future Homemakers Club Meeting at Galveston the latter part of last week. Reatha and Wanda Ann won the trip as representatives of the local club by doing the most work for their local club. Wanda Ann was the voting representative.

Headquarters for the meeting, attended by 4,500 girls from all over the state, was in the Buccaneer Hotel in Galveston. The girls took part in all the club meetings and entertainments, and also enjoyed a boat trip out into the bay.

On their way down to Galveston they visited the state capitol at Austin and saw the legislature in session.

Notaries Must File

Secretary of State A. M. Muldrow has announced that he will reappoint all persons who now hold Notary Public Commissions and that all such persons must qualify by filing an oath and bond with the County Clerk of their residence between June 1, 1955. The law specifically requires County Clerks to approve Notary Bonds and individuals should not send money or requests for commissions direct to the Secretary of State. All Notary matters can only be received by the Secretary of State after the County Clerk acts thereon.

Any person who has not heretofore been a Notary Public should apply to his County Clerk between May 1, 1955 and May 23, 1955, if he desires to have this application given prompt attention in the State Department, as the rush of reappointing all old Notaries may slow up the ordinary process of making new appointments and issuing commissions.

Secretary of State Muldrow

said, "Each person applying for a commission as a Notary Public must be at least 21 years of age and a resident of the County for which he is appointed; exact names and permanent addresses should be given to the County Clerk in applying for a commission, as location of the Notary may be necessary long after he has notarized a particular instrument."
