VOL. 45

HEDLEY, DONLEY COUNTY, TEXAS, MAY 27, 1955

NO. 30

Dedication Service

The dedication of the Educational Annex of the First Baptist Church will be held Sunday, May 29. You are invited to be with us. Bring a basket lunch and spend the day.

Rev. O. C. Curtis, our District Missionary, will be the morning speaker and will deliver the dedication sermon.

Afternoon will be given to Echoes of the Past by former pastors and former members. A high day is in prospect for all.

Vacation Bible School

The Vacation Bible School of the First Baptist Church will begin May 30 and close June 3. All children are invited to attend. We are hoping for the largest enrollment we have ever had. All teachers have been selected, and a good faculty will be ready to teach your child in the school.

Parents will you please remind your boys and girls we want them enrolled in our school.

The school hours will be 8:30 till 11:00.

Senior Breakfast

The PTA honored the Seniors with the annual Senior breakfast Sunday morning in the school cafeteria.

The long L-shaped table, laid with a white cloth, was beautifully decorated in the class colors of red and white. The centerpiece placed at the bend of the L was composed of a black graduates cap topped by a white scroll tied with white satin ribbon and white daisies. The cap rested upon a red mat and was circled by a wreath of white daisies. Each place was marked with a miniature graduate holding a small diploma on which the guest's name was written, and a red carnation was beside each place setting.

J. M. Baker gave the invocation and Mrs. Ranson welcomed the guests, with Leon Bevers responding. Mrs. Evelyn Messer paid a tribute to the Seniors, followed by a song by Sandra Youree, Reatha Ranson, Sandra Davis, Arleta Talley, Jane White, and Peggy Mullins.

The Seniors and faculty members enjoyed ham, scrambled eggs, hot biscuits, butter, jam and coffee.

Expresses Thanks

As this year comes to a close I wish to express my appreciation for the aid that has been rendered by patrons, members of the board of education, faculty, other school employees, and students. The success that has been achieved would have been impossible without your continued cooperation. You have enabled us to make use of a number of elements and much energy that otherwise would have been scattered, and have shown again that "In union there is strength." Our school exists for the training of the children of the community, and it is felt that they have profited by the work and play together this year.

It gives me pleasure to congratulate the seniors who are graduating, and to wish them the best that life affords. As they leave our high school, may they remember with pleasure the time they have spent here.

The board of education has made plans for the repair and renovation of the school property during the summer months. It is our hope that when school opens for the next school term all concerned will be able to embark with enthusiasm on the work of the new year, and that it will be a better school year than this has been.

J. S. Hinds

Bailey-Milton

Pfe. Stanley D. Bailey of Fort Devens, Mass., and Miss Virginia Milton of Amarillo were united in marriage last Friday at the Baptist parsonage here by the pastor, Rev. J. S. Tipton. They were attended by J. D. Skaggs and Marie Hill.

The bride was dressed in white with white accessories and carried a white Bible. She is the daughter of Mr. and Mrs. E. S. Milton of White Deer and was a 1952 graduate of Hedley high school.

The groom is the son of Mr. and Mrs. Elmore Bailey of Hedley and was also a 1952 graduate of Hedley high school. He has been in the Army for about 13 months.

The couple plan to establish their home soon in Massachusetts.

Mr. and Mrs. W. M. Biffle spent last week end at Lawton where her mother, Mrs. J. M. Mofeitt, has been very ill.

Graduation Exercises

Hedley school activities came to a close Wednesday night when 13 high school Seniors and 25 grade school graduates received their diplomas. Dr. J. B. Roberts of Canyon delivered the address to the graduates, and a large number of school patrons filled the auditorium for the closing exercises.

Also well attended was the baccalaureate service on Sunday morning, when Rev. R. N. Huckabee delivered the sermon.

The Seniors left Thursday morning for a tour of Texas points, including the Gulf coast.

Baseball News

Hedley will play Claude here Sunday. With two wins and two losses the locals are anxious to take this game. However the Claude team has some Air Force players and may give the boys a tough game. Gametime is 3 P.M.

In a nip and tuck game for 10 innings the locals defeated Wheeler last Sunday by the score of 4 to 3. Bob Hutcherson pitched nine innings allowing 3 runs, 6 hits and struck out 8. Dorman pitched the last inning allowing no runs, no hits, and striking out one. Hedley got 7 hits off two Wheeler pitchers. Brick Stone led the Hedley team with two hits and Bill Mooring homered.

Notaries Must File

Secretary of State A. M. Muldrow has announced that he will reappoint all persons who now hold Notary Public Commissions and that all such persons must qualify by filing an oath and bond with the County Clerk of their residence between June 1, 1955. The law specifically requires County Clerks to approve Notary Bonds and individuals should not send money or requests for commissions direct to the Secretary of State. All Notary matters can only be received by the Secretary of State after the County Clerk acts thereon.

Any person who has not heretofore been a Notary Public should apply to his County Clerk between May 1, 1955 and May 23, 1955, if he desires to have this application given prompt attention in the State Department, as the rush of reappointing all old Notaries may slow up the ordinary process of making new appointments and issuing commissions.

Secretary of State Muldrow said, "Each person applying for a commission as a Notary Public must be at least 21 years of age and a resident of the County for which he is appointed; exact names and permanent addresses should be given to the County Clerk in applying for a commission as location of the Notary may be ne-
