INTERESTING FACTS ABOUT TEXAS

TEXAS RANGERS

The Texas Rangers have played an effective, valiant and honorable role throughout the early years of conflict within its borders. Stephen F. Austin employed them as early as 1823 to protect frontier colonies against the Indians. Each Ranger provides himself with a good horse, a rifle and a brace of pistols. One of the most celebrated exploits came in 1871, with the killing of Sam Bass and his robber band at Round Rock. The Texas Rangers of today are charged with the enforcement of laws governing major crimes.
