VOL. 45

HEDLEY, DONLEY COUNTY, TEXAS, JULY 22, 1955

NO. 38

## Baseball News

Hedley defeated Pampa here Sunday by the score of 8 to 2. Pampa had defeated Hedley earlier in the season, so Hedley has an even split with Pampa the same as with Amarillo. In league standing Hedley is in a first place tie with Amarillo and 1½ games ahead of Pampa. There are two more games to play in regular season play, with the locals going to Wheeler next Sunday and Claude the following Sunday.

This gives Hedley practically a cinch for a place in the play-off games, but our boys will not be satisfied with anything below first place. First and second place teams get to play the first play-off games at home with the fourth and third place teams. The addition of Jim Clarich to the pitching staff should greatly aid the locals in the remaining games and the play-off series.

## Wedding Shower

Mr. and Mrs. Grady Milton of Dumas, were honored with a wedding shower last Saturday evening in the home of Mrs. Walter Moss. Mrs. Milton is the former Miss Charlene Johnson.

As they entered the guests were registered by Mrs. Arthur Shields. Punch and cookies were served by Mrs. J. D. Kennedy and Mrs. Woodroe Farris.

The serving table was spread with a lace cloth and centered with an attractive arrangement of garden flowers and pink candles.

Poems were read by Mrs. Doyle Messer during the social hour. The many lovely gifts were presented to the honoree by Mrs. Kennedy and Mrs. Farris.

Hostesses for the occasion were Mesdames J. L. Baggett, J. D. Kennedy, Arthur Shields, and Woodroe Farris.

## Pretty Flowers

Go by and look at the flower garden on Main Street sponsored by the Garden Club. Mrs. S. G. Adamson is chairman of this committee.

The John Dickson yard also has a very pretty flower display

The Rev. T. E. Caldwell family of Thornton visited here this week.

## On Way to Morocco

Mrs. Letha Youngblood received a letter last week from her son, 2nd Lt. Adrian Youngblood, who was in New York before leaving for French Morocco.

On his way to New York, Adrian spent a night at Little Rock, Ark., one at Roanoke, Va., and one at Washington, D. C. He said that driving that far was about like hoeing cotton.

He saw many interesting sights, including the capitol at Washington and the Empire State building in New York. He said that Broadway was quite a sight for a country boy and that he felt sure millions of New Yorkers would be glad to exchange the city noise for a quiet country home. Among the first persons he met in New York was a 2nd Lieut. from Tyler, who was a former A&M student.

Adrian expects to be located at Sidi Slimane, French Morocco.

## Bridal Shower

The Fellowship Hall of the Baptist Church, made festive with decorations of garden flowers was the scene of a bridal shower Saturday afternoon, July 16, honoring Miss Noriene Gibson, bride elect of Troy Hamblen.

Greeting the guests at the door with Mrs. M. W. Mosley and Mrs. Vernie Wade were the honoree, her mother Mrs. Delphia Bailey and Mrs. M. P. Hambien, mother of the groom. At the registering table was Mrs. Arthell Gibson, sister-in-law of the bride.

The tea table, arranged by Miss Mary Alice Hunsucker, carried out the chosen colors of the bride of white and yellow. It was laid with a lace cloth of yellow, centered with a large mirror on which rested replicas of wedding bands backed with low bowls of yellow flowers, from which were satin streamers bearing the names of Noriene and Troy. Yellow tapers flanked the flowers on each side. Serving here were Mrs. Wanda Dumas, and Mrs. Jeanette Gibson sister and sister-in-law of the honoree. Music for the tea hour was rendered by Mrs. Johnny Brumley.

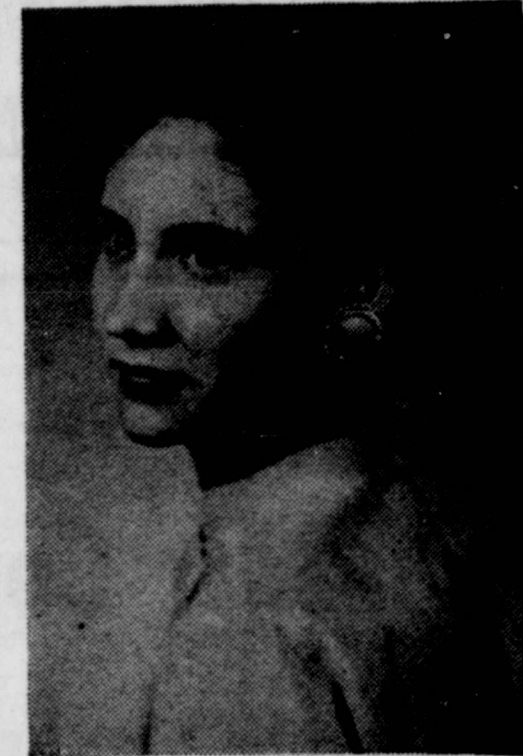

During the social hour an appropriate program was enjoyed, at the conclusion of which gifts were presented to Noriene from her many friends. Well chosen words of appreciation was spoken by her for this expression of friendship.

### INTERESTING FACTS ABOUT TEXAS

#### BARBED WIRE FENCE

In 1876, John W. Gates, a young drummer, sold barbed wire to the ranchers of Texas. In San Antonio the cattlemen laughed at him. In response to their jibes, Gates fenced in a city plaza and called for the "worst fence busters" of the herds. The cattle charged the wire as was expected but their hides were pierced by the barbs. They soon retired. Barbed wire came into use throughout the range area by 1883. Strife arose between cattlemen and fence-cutting became general. In some counties feeling ran so high that there was threat of civil warfare. An act of Legislature, together with the Texas Rangers, ended the strife.
