VOL. 46

HEDLEY, DONLEY COUNTY, TEXAS, JAN. 27, 1956

NO. 13

Is God The Answer?

Let us hasten to say that God has the answer to all our needs. He can turn back the tides of unrighteousness and hate. He can save us from many tears of disappointment, but we must work with Him in order to make his salvation and goodness effective.

God is the answer to people who act as they pray. If you say "Lord bless my children," but you do not take them to church and Sunday School God cannot answer that prayer. You were not where God blesses people. People are instructed and converted at church. God blessed those at the altar while you and yours were absent.

Are you depending on the teacher and pastor to produce a good christian citizen of your child while you are at home with your business or your Sunday paper? or simply resting? Our best authorities tell us we can hold young children in church without their parents and do them much good while they are young. But in their teens they will turn to the example of their parents and follow them away to other things which seem more important. In the thought of Jesus—"What does it profit if we gain—but lose our children? What have we received in exchange for the souls of our children?"

Our conduct has to say, "soul culture and worship are more important than anything," if God is to be the answer to our children's needs.

With tears in my heart I beg you to help your pastor and teacher save your own and your neighbor's children. You answer with your presence. Come to the help of the Lord against the mighty forces of religious indifference and neglect of God's altars. God insists on becoming the answer. Can we do less? Worship with our children Sunday.

R. N. Huckabee

Elbert Reeves Announces Candidacy for Representative

The Hedley Informer is authorized to announce the candidacy of State Representative Elbert Reeves of Matador (Motley county) for reelection from the 88th District (Donley, Childress, Hall, and Motley counties) and subject to the action of the Democratic Primary July 28th.

Rep. Reeves, acknowledged as one of Texas' outstanding statesmen, needs no introduction to the voters of his native Motley county nor to the citizens of the 88th District, which he has so ably served. His record since he has been in Austin is testimony of his sterling character, high principles, and honest representation for the citizens of his district. The influence of his work in the House of Representatives is reflected by benefit to every community in Texas. Miss Ruth Thomas

Funeral services were held near Tyler Monday afternoon for Miss Ruth Luxora Thomas, 84, who died in a Tyler hospital Sunday from burns received at her home Friday.

Miss Thomas, who lived alone in the Sand Flat community, was burned when her clothes caught fire from a kitchen stove. After smothering the flames she walked a quarter of a mile to get help from her nearest neighbors.

Survivors are three sisters, Mrs. Minnie Jones and Mrs. Corda Arnold of Tyler and Mrs. T. O. McFarland of Trinity, and two brothers, C. R. Thomas of Tyler and William Thomas of Joshua.

Miss Thomas was a member of the Baptist Church and was always faithful in attendance. She lived in Hedley for a number of years in the McFarland home, returning to her home near Tyler soon after the McFarlands moved to East Texas.

Pay Your Poll Tax!

This year is a very important year for you as a citizen to pay your poll tax. There are several important issues, one of which concerns the Teacher Retirement Amendment. This amendment is to be voted on Nov. 5.

Pay your poll tax in order that you may get to vote on this important measure. It will be of great benefit to the teacher in the profession and also to the future teacher.

Miss Ruth Richerson

al and school problems has been of incalculable value, not only to his district, but to the entire state. Rep. Reeves is dedicated to the duties of his office and to the service of his people.

In making his announcement, this week, he made the following statement:

I want to thank the citizens of Donley, Hall, Childress and Motley counties for the splendid cooperation I have received in conducting my duties as your representative. I want to thank every voter in the 88th District for their votes and influence which elected me to this high office. In seeking re-election as your State Representative of the 88th District, I pledge to give my entire time to the duties of the office as I have done in the past.
