Housework Easy Without Nagging Backache

Nagging backache, headache, or muscular aches and pains may come on with over-exertion, emotional upsets or day to day stress and strain. And folks who eat and drink unwisely sometimes suffer mild bladder irritation... with that restless, uncomfortable feeling. If you are miserable and worn out because of these discomforts, Doan's Pills often help by their pain relieving action, by their soothing effect to ease bladder irritation, and by their mild diuretic action through the kidneys—tending to increase the output of the 15 miles of kidney tubes.

So if nagging backache makes you feel dragged-out, miserable... with restless, sleepless nights... don't wait... try Doan's Pills... get the same happy relief millions have enjoyed for over 60 years. Get Doan's Pills today!

Soil Conservation News

With the passing of J. R. Porter, the Donley Soil Conservation District lost one of its most ardent supporters. Like in many other organizations of Donley county and the surrounding area, his interest, support, and services will be sorely missed, as will his cheery smile and dry wit.

Judge Porter was one of the people most instrumental in the organization of the Donley Soil Conservation District, and served as chairman of its Board of Supervisors from the time of its inception. Although he undoubtedly knew that he should reduce his activities after the heart attack he suffered two years ago, he allowed himself to be reelected to the Board a year ago, and never missed a meeting of the Board except when unavoidably detained.

The other members of the Board and those of the Soil Conservation Service who worked with Judge Porter deeply regret his passing and will miss his presence.

A drive is being made for 1957 dues this week in order that the post make a good showing at the convention. If you haven't paid your dues get them in now as the strength of your post relies on its membership. Hedley is now allowed seven votes.
