Ground Observer Corps

The bad weather and several other things cut down on the attendance at the Ground Observer Corps school taught by Sgt. William E. Swope last Wednesday night. Sgt. Swope conducted a lesson on reporting done by the Corps, then coffee and cookies were served.

Present were O'Neill Weatherly, Ed Boliver, Frank Murray, C. H. Reid, Fred Shaw, Luther Owen Thompson, W. B. Wiggins, Billy Wiggins, Kenneth Brinson, Virgil McPherson, C. R. Hunsucker and Frank Jones.

Next meeting of the group will be on Wednesday, March 20, at 8 p. m.

Andy Rogers Writes

Austin, March 9—A bill setting aside \$50,000 in State funds for a study of ways to prevent salt and gypsum pollution of the Red River and its tributaries was introduced in the Texas Senate this week by Senator Andy Rogers, District 30, of Childress.

Senate Bill 328 by Rogers would direct the Texas Board of Water Engineers to make such a study to find if pollution from salt springs, gypsum beds and other sources can be kept from entering the "Big Red" and its tributaries or which are located highly desirable lake sites.

"In my opinion and that of many water experts with whom I have talked, studies of this kind may offer a chance to provide our people with heretofore impracticable water storage sites and to save the lakes we now have that are rapidly being ruined by natural pollution," Senator Rogers said.

Methodist Church

A panel discussion on Youth, composed of representatives of different age groups, will be presented Sunday evening. All Sunday evening services through March will begin at 7, switching over to 8 in April. The Wesleyan Service Guild has just completed a study on youth. Sunday School and preaching services will go on as usual Sunday morning.

W. P. Doherty and Jack Donald went to Wichita Falls Tuesday and brought Walter Pierce back with them.

Public Schools Week

The Hedley schools observed Public Schools Week last Friday with open house. The observance was sponsored by the Masonic Lodge No 991.

An interesting program was put on by the various grades, and speakers from Shamrock were present. Coffee, cookies and punch were served to those attending.

Work done by the pupils was on display in the several rooms, and many compliments were heard on the quality of work being done by the Hedley students, also on the teachers who are directing their endeavors.

LEGION NEWS

The American Legion Post met last Tuesday night. Membership was an even 100. The Post's quota is 135. It is hoped that the quota can be reached by the District convention which will be held at Hereford, April 13th and 14th.

Sodalitas Club

The Sodalitas Club held a tea for members and guests in the City Hall at 7:30 last Thursday night, March 7.

The guest speaker was Miss Eudora Hawkins of Abilene, Texas, who spoke on Texas in Review. She also showed an interesting film on Remember the Alamo.

About 20 members and guests attended. Light refreshments of mints, peanuts, cheese crackers and spiced tea were served. Mrs. Doyle Messer, president of the club, poured tea.

John Dickson went last week end to Jacksboro, where he met Mrs. Dickson, who has been ill in Dallas, and accompanied her home.

Mr. and Mrs. Joe Neal Bevers of Amarillo announce the arrival on Wednesday, March 6, of a fine little daughter, weight 6 lbs. 9 oz., who has been named Donna Kay.

Mrs. Fred Shaw and Robert visited in Fort Worth over the week end.

LIONS ROAR

This is regular Lions Club meeting. Eating time is still at 7 p. m. until April 1st. Lion L. D. Messer has charge of the program.

Last weeks directors meeting was cut short on account of Church services. However several items of importance were discussed. It is hoped that a meeting can be held next week with a good attendance and lots of business taken care of.

On the Lions calendar is the Zone meeting, election of next year's officers and directors, the annual Queen contest, the District Convention at Lubbock May 2, 3, and 4, and the clubs 15th Anniversary May 22.

Discussion Group

The Public Affairs Discussion Group will hold its eighth meeting at the high school, beginning at 7:30 the evening of March 21. This is a men's group. High school boys are also invited. There is no set topic this time, but we always have much interesting and informed discussion.

Hedley P.-T. A.

The P T A will meet Monday night, March 18, with a Safety program given by the Boy Scouts. Boaz Stotts will be leader for the program.

The attendance contest is still on. There will be only two more meetings this year, so come out if you are interested in a picture for your child's room.

B. W. M. U.

The three circles of the W. M. U. met at the church in an all day meeting March 11, for our Home Missions Week of Prayer and for our Annie Armstrong offering.

The theme of our program was "Our Mission in Home Missions." Mrs. Lois Beach, prayer chairman of the Vada Waldron Circle and Mrs. C. E. Johnson, prayer chairman of the Irene Anderson Circle, had charge of the program.

Moore, Mrs. Miller, Mrs. Carlton, Mrs. Tipton, Mrs. Wade, Mrs. Dot Messer and Mrs. Patton. Mrs. Simmons sang "Love Lifted Me." The leaders read many appropriate scriptures and called for silent prayers. Mrs. Tipton dismissed the morning service in prayer.

A covered dish luncheon was enjoyed by all at noon. There were 23 ladies and 3 children present.

Those on the afternoon program were Mrs. Mildred Clendennen, Mrs. Inez Stephens, Mrs. Dot Messer, Mrs. T. N. Messer, Mrs. Oscar Moore, Mrs. Don Bramblett, Mrs. Fannie Reynolds, Mrs. J. M. Baker, Mrs. Taylor and Mrs. Jo Mosley.

Those who led in prayers for missions during the day were Mrs. L. D. Moore, Mrs. L. E. Blankenship, Mrs. Tipton, Mrs. Alewine, Mrs. Wade, Mrs. Oscar Moore, Mrs. Carlton, Mrs. Sims, Mrs. Miller, Mrs. Patton, Mrs. Baker, Mrs. Beach and Mrs. Simmons.

At the close of the program we had special music by Mrs. Simmons, each one present lit a small candle from the large candle, made our offering, then returned to our seats and stood with bowed heads and candles until prayer closed the program. Mrs. Simmons led the dismissal prayer.

The Peacock Throne

PERSIA'S ROYAL CHAIR: The ultra-modern city of Teheran, capital of the Kingdom of Iran (ancient Persia), is one of the most stimulating sights on a trip to the Middle East or a round-the-world flight. The capital is located in the northern part of the country near the Caspian Sea and is dominated by the rugged Alburz Mountain range, notably by 18,600 foot, snow-capped Mt. Damavand. Its broad boulevards, stately palaces, fragrant gardens and picturesque bazaars never fail to delight the visitor from the West. The city boasts four museums crammed with contemporary art as well as the treasures of the past and the most famous is the Gulistan (rose garden) Palace, serving both as a site for royal functions and the Royal Museum. The Palace's most fabulous attraction is the century-old Peacock Throne, brought from India in the early part of the last century. As the above photograph shows, it is covered with gold and incrustated with rubies, emeralds and diamonds, set in an exquisite enamel pattern. Surrounding it are glittering mirrors and hanging above it are shimmering chandeliers.

TIME FOR SALE

When your prescription was written, your physician had a definite purpose in mind. He has selected the best possible medicine to meet your requirements.

Some prescriptions provide relief from pain, or irritation; some prescriptions make up for a "lack" within your body. Other prescriptions provide you with protection. Many prescriptions, in effect, buy TIME. The ingredients will temporarily stall and hold back the growth of invading bacteria and provide your body with "time" to build up antibodies and marshal its natural defenses.

Or, a prescription may give your body the "timely" help it needs to get through a particularly difficult period. Once through this period, the recuperative mechanisms of the body will be able to cope with the problem. Some prescriptions actually buy "time" for the patient who could not survive without the medication. Each year these people survive is "bought" with the continued use of drugs.

Your pharmacist supplies the most valuable commodity in the world—Time.
