

The Hedley Informer

VOL. 47

HEDLEY, DONLEY COUNTY, TEXAS, AUG. 16, 1957

NO. 42

Notice of Election

The State of Texas
County of Travis
Board of Water Engineers

To the Qualified voters of the Green Belt Municipal and Industrial Water Authority comprising the cities of Childress, Clarendon, Wellington, Hedley, Memphis, Paducah and Quanah:

Take Notice that an election will be held in each of the cities above named on August 31, 1957, on the question and at the places more particularly set forth in the order of the Board of Water Engineers of the State of Texas, which order is as follows:

An Order

Calling Confirmation Election In The Green Belt Municipal And Industrial Water Authority Be it ordered by The Board of Water Engineers of The State of Texas:

1 An election shall be held in the Green Belt Municipal and Industrial Water Authority on the 31st day of August, 1957, at which election the following proposition shall be submitted:

"Whether or not the establishment of the Green Belt Municipal and Industrial Water Authority shall be confirmed to include each of the following cities in which the majority vote favors confirmation: Childress, Clarendon, Wellington, Hedley, Memphis, Paducah, and Quanah."

2. (a) The election held in the City of Childress shall be at the City Hall in said City and Mr. Bill King is hereby appointed Presiding Judge of said election.

(b) The election held in the City of Clarendon shall be at the City Hall in said City and E. J. Chenaault is hereby appointed Presiding Judge of said election.

(c) The election held in the City of Wellington shall be at the City Hall in said City and F. A. Hatch is hereby appointed Presiding Judge of said election.

(d) The election held in the City of Hedley shall be at the City Hall in said City and Ross Springer is hereby appointed Presiding Judge of said election.

(e) The election held in the City of Memphis shall be at the City Hall in said City and Mr. E. McMurray is hereby appointed Presiding Judge of said election

(f) The election held in the City of Paducah shall be at the City Hall in said City and Kenneth

Tooley is hereby appointed Presiding Judge of said election

(g) The election held in the City of Quanah shall be at the City Hall in said City and E. G. Givens is hereby appointed Presiding Judge of said election.

3 Each of the presiding judges above named shall appoint two judges and two clerks to assist him in holding the election in his voting place.

4. Said election shall be held under the provisions of House Bill 88 enacted by the 53rd Legislature, first called session, and the General Election Laws of the State. Only qualified voters who reside in each of the Cities above named shall be qualified to vote in said election held in such Cities.

5. The ballots for said election shall have written or printed thereon the following:

"For Confirmation"

"Against Confirmation"

6. A substantial copy of this order shall constitute proper and sufficient notice of said election. Such notice shall be published in a newspaper published in each of the Cities above named once each week for two weeks, the first notice shall be at least fourteen days prior to the date set for the election.

Passed and Approved this the 29th day of July, 1957.

R. M. Dixon

Chairman, Board of Water Engineers

Attest:

Ben F. Looney, Jr.

Secretary of Board of Water Engineers

Witness my hand and the seal of the Board of Water Engineers of the State of Texas this the 29th day of July, 1957.

R. M. Dixon

Chairman, Board of Water Engineers

Attest:

Ben F. Looney Jr.

Secretary, Board of Water Engineers

Notice

Mrs Earl Gibbs will be at the High School building Wednesday, Aug. 21, at 8:30 A. M. to enroll piano pupils at \$1 25 a lesson. She is a member of the National Guild of Piano Teachers and plans to enter the auditions again this year.

Bill Harris, who has been ill for some time in a Wichita Falls hospital is reported slightly improved this week.

Greenbelt Dam

The Canadian River Authority is now back at full strength with the confirmation of Amarillo, Pampa, and Plainview into the project. These towns join with other panhandle and plains cities in their joint efforts to provide a long range plan for providing adequate water for all future foreseeable needs.

The Greenbelt Municipal and Industrial Water Authority will be in a position to take the first steps towards providing water reserves for its area if the confirmation election to be held August 31 carries. The election has been called in each of the seven towns authorized under the State legislation and includes Childress, Memphis, Clarendon, Hedley, Quanah, Paducah, and Wellington

"The election on August 31st will merely create a legal representative body," Dr S. H. Townsend of Childress stated today. "The law is very specific in limiting the power of the Authority, once it is created, to levy taxes or issue bonds. Only the qualified tax payers of each community can authorize a tax for the authority or give permission to issue bonds; the authority's real purpose will be to study the feasibility of building a dam for water storage, to authorize studies of water quality which will be obtained from such a dam, and to make any studies of cost of delivering the water to the seven cities which may vote themselves into the authority," Townsend concluded.

The Salt Fork of the Red River has been proclaimed the last available source of water for this area and progress must be made towards using the water available from this source if the area is not to lose its water rights to other cities downstream who have been already studying means of capturing this water for their own use.

Election judges and the place of voting in each community has been set. Absentee balloting started on Monday, August 12, and will continue through midnight, August 27. Absentee ballots can be obtained from City Secretary O'neill Weatherly.

Mrs. Laura Cawthon left Tuesday for her home in Delhi, La., after an extended visit here.

Mr. and Mrs. C. M. Bailey have moved back to Hedley.

Cotton Festival

Word was received from the National Cotton Council pledging their support to our Sixth Annual Cotton Festival. They have reserved a lady's all cotton wardrobe for our use during the Festival and will also furnish us with advertising and educational material.

U. S. Senator Lyndon Johnson writes that he is not sure where he will be the later part of October but hopes to be in Texas and attend our Festival and visit the site of the Greenbelt Dam.

School Opening

The 1957-58 school term will open Monday, Aug. 19, at 9:00 A. M. with general assembly in the high school auditorium. All students will register and books be issued immediately following assembly. All busses will run Monday.

The Lunchroom will open on Tuesday under the capable management of Mrs. Sam Sanders and Mrs. Roy Alexander. Both women attended the lunchroom workshop directed by the State in Lubbock this summer. Lunches will again be 25¢ a day and this includes milk.

Hedley Schools have been planning and looking forward to keep their standards even higher than state requirements, states Supt. J. S. Hinds. The curriculum is even above the average since the Board of Education requires 4 years English, 3 years math and 2 years science this year on the 17 units required for graduation. The state calls for only 3 years English and 2 of math. By the 1958 59 session Supt. Hinds says 4 units of science will be offered plus foreign language. We are very fortunate in having a complete faculty.

With the wonderful support of the residents of the district for their school, its PTA, its teachers, its teams, and activities, Hedley Schools should continue to improve.

Mr. and Mrs. Kenneth Whisenant and children of Abilene, Mr. and Mrs. Kenneth Etter and children and Mrs. Lee Williams of Grand Junction, Colo., visited in the R. W. Scales home over the week end.

Housework Easy Without Nagging Backache

Nagging backache, headache, or muscular aches and pains may come on with over-exertion, emotional upsets or day to day stress and strain. And folks who eat and drink unwisely sometimes suffer mild bladder irritation... with that restless, uncomfortable feeling. If you are miserable and worn out because of these discomforts, Doan's Pills often help by their pain relieving action, by their soothing effect to ease bladder irritation, and by their mild diuretic action through the kidneys -tending to increase the output of the 15 miles of kidney tubes. So if nagging backache makes you feel dragged-out, miserable... with restless, sleepless nights... don't wait... try Doan's Pills... get the same happy relief millions have enjoyed for over 60 years. Get Doan's Pills today!

DOAN'S PILLS

Be happy!
Live Better—
Electrically

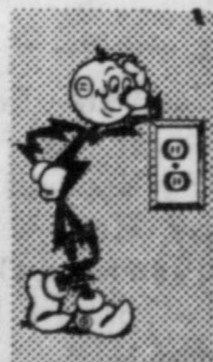

Who takes over when Mother takes off

We bet it's Father and we bet
he leans heavily on the
family's *Electric Servants*.

And why not? Electric servants draw mighty low wages. Lower, even, than they were 25 years ago. For instance, if yours is the typical American home, you're getting twice as much electricity for your dollar today as you did in 1932. Your electric bill may be higher, but that's because electricity is doing so much more for you now.

• Actually in homes served by WTU, the average cost of a kilowatt-hour of electric service is 20% LESS than it was 10 years ago!

West Texas Utilities
Company

Think about it for a
minute. Don't you
agree that electricity is
the biggest bargain
in your budget?

Methodist Church

On Sunday morning, Aug. 4, Rev. H. W. Cox preached. On Sunday evening, Aug 11, Rev. Soyce Kendall filled the pulpit, and in between, with services twice daily, Rev. Robert L. Oglesby was the revival preacher, except only Saturday morning. Attendance figures were 72, 37, 20, 51, 30, 63, 31, 80, 25, 95, 25, 112, 109, 75, 78, consecutively.

It is in order to thank the people of the community at large, especially the Baptist young people, for their help. Nancy Hinds, Mrs. Don Altman, and Rev. and Mrs. Gene Moore gave leadership in music, with Kathleen Spalding present twice from her hospital work to play the piano. The preaching of the guest preacher was recognized as outstanding. The hospitality furnished, first of all by the Henry Moores in hosting the preacher, and then by several families in furnishing meals, is deeply appreciated. On the latter project Mes. Moore, J. S. Hinds and Clifford Johnson were in charge. The ice cream and cake supper following the Friday evening service provided fellowship, and was well supported. Attendance of several Lions Club members, following their meeting which was advanced to avoid a conflict, merits thanks. The never-failing aids in publicity of the Hedley Informer, and the several plugs given by Cotton John on KGNC radio and TV, were of value.

It was also noticed that many of our people were present who are welcome and needed in the regular services. It is also thought that they could derive some benefit thereby. An invitation is hereby extended to draw on the resources of the divine, rather than give way to the weakness of the flesh. Until September fades out of the picture we will be meeting at eight each Sunday evening.

Henry Moore did several hours work in mowing the north lawn, while J. S. Hinds was responsible for the lights for the supper on Friday evening. These two, together with the pastor and Ray Altman, attended the Layman's Retreat at Ceta Canyon Aug. 2 to 4. They report a very enjoyable and profitable camp. Ross Springer directed the worship service when Rev. Cox preached and also was guest speaker at Lakeview the morning of Aug. 11.

Rev. and Mrs. R. N. Huckabee of Lubbock visited here Sunday.

Tom Bain, who has been ill in a Memphis hospital is reported improved.

Boy Scout News

(Continued from last week)

Sunday morning, July 14, United Protestant services were held at 10:30 with more than 30,000 Scouts and leaders attending. At the same time other religious services were held. All worshipped in the spirit of George Washington's prayer for America.

Most of July 15 and 16 was spent in seeing the many historical sites at Valley Forge. Highlights of the 16th was an aerial show put on by a group of jet planes and a visit from Troop 25 of Webster, Mass., at the Texas troop's evening campfire. Both troops sang songs and put on various stunts to entertain each other.

Thursday afternoon, July 18, the Scouts started breaking camp, and had all tents and personal equipment were loaded on the train by nightfall.

The Farewell Campfire was held in the arena at 8:30 p. m. On the stage before the main show opened were the two Scout bands, a drum and bugle corps, a caliope, a whip cracking team and various speciality acts.

The arena show, based upon the theme of World Friendship, honored scouting's founder, Lord Robert Baden-Powell, whose 100th anniversary is celebrated this year.

Then, climaxing the evening and the Jamboree itself, came the ceremony in which 50,000 Scouts standing on the amphitheater slopes lighted a candle and rededicated himself to the observance of the Scout Oath. The Oath was led by a voice coming all the way from the South Pole. The voice was that of Eagle Scout Richard Lee Chapel now serving in "Operation Deep Freeze" in Antarctica.

The Scouts rode Train No. 903 to Buffalo, N. Y. on July 19 where they viewed Niagra Falls. Their train traveled 300 miles through Ontario, Canada on the way to Detroit, Mich. There they visited Ford Rotunda, toured Greenfield Village, and went through the Ford Museum in Dearborn.

After a stop over in Chicago on Sunday, July 21, where the Scouts attended church services at the YMCA, the train arrived back at Pampa the morning of July 22.

Mr. and Mrs. Mack Wilson of Groesbeck, Mr. and Mrs. Fletcher Wilson and Brenda of Jackson, Mr. and Mrs Sam Wilson and Mrs. Hurn from Houston visited the A. B. Spaldings and the D. B. Leaches last Wednesday.

C. E. Johnson at Hedley Telephone Co. will write your fire and hail insurance.

Family Reunion

The Frank Kendall home was the scene of a real family get together over the week end. Rev. Joyce Kendall, wife and daughter Connie, came in from Glendale, Ariz., Thursday evening, where he has been serving as assistant pastor for the past two years, and on Saturday Mrs. Lulu Cockrell from Lampasas, and Mr. and Mrs. Buford Hinds and Mr. and Mrs. J. N. Kendall from Abilene, and Mr. and Mrs. J. S. Hinds and Nancy Lou from Hedley. A bounteous buffet dinner was enjoyed, in the Kendall home on Sunday, of which all the ladies had a part in preparing. The afternoon was spent in taking pictures and going over the old family albums, and enjoying the pictures of other days. A watermelon feast closed the day, and the Abilene folks returned home.

Joyce Kendall and Mrs. Cockrell are brother and sister to our fellow townsman Frank Kendall, and this was the first time they had all been together in fifty years.

On Monday morning the brothers and sisters accompanied by J. S. Hinds and Nancy Lou, drove out to the old Kendall ranch on Barton Creek and ate dinner under the shade of the trees that were planted there when they lived on the ranch. Joyce and family, accompanied by Mrs. Cockrell left Tuesday morning for Dallas, Ft. Worth, where Mrs. Cockrell will go from there home, while the rest of the party will visit Port Arthur, Beaumont, and Austin, returning to Arizona by way of El Paso. They were loud in their praise of the wonderful people they met and the many improvements in the way of roads, homes and hospitality extended them, and promised not to wait so long for another visit.

Born to Mr. and Mrs. Harold White last Wednesday a fine little 6 lb., 10 oz daughter who has been named Shauna Lee,

We are glad to see Clyde Nivens back at home with a discharge from the Army.

Miss Hazel Coursey is reported recovering nicely after undergoing surgery recently in Lubbock.

Mrs. R. E. Newman and Pete and Miss Sallie Page visited in Estelline last Wednesday and Thursday.

See Myrtle Kirkpatrick for flowers or leave order at Wilson Drug.

Chicken Barbecue

A family reunion and chicken barbecue was enjoyed Sunday in the A. B. Spalding home. Those present were Mr. and Mrs. J. B. Stafford, Freddy and Bobby of Silverton, Mr. and Mrs. Jeff Wiggins, Tommy and Jean of Houston Mr. and Mrs. Marvin Kinney, Ricky and Mike of Amarillo, Mr. and Mrs. Delmer Keisling, Ronda and Gary, and Jimmy and Mack Hill of Sunray, Mr. and Mrs. Corky Guffee, Larry and Phyllis of Floydada, Mr. and Mrs. Doug Lowe of Lubbock, Mr. and Mrs. D. B. Leach, Rodney Hargrove and Billy Wiggins of Hedley.

Enjoy Trip

Mr. and Mrs. Preston Gilbreth have just returned from a visit with their son Richard and family at Santa Fe, N. Mex. Mrs. Gilbreth gave the following account of the nice visit.

We went to the mountains and to fruit valley north of Santa Fe. I have never seen so much nice fruit; apples, peaches, piums, prunes, apricots, and cherries.

We enjoyed looking over Santa Fe, but the most enjoyable half day I spent was a visit over to Glorieta, the Baptist Assembly. Glorieta is a beautiful place located about 20 miles southeast of Santa Fe, high in the mountains. The buildings are surely pretty, but the flowers are breath taking. We drove over the skyline drive along the side of the mountain where the cottages are built. Each church had a cottage with name of church and town. It seemed as if they were trying to see which one could build the most lovely cottage. There was one named the Honeymoon Cottage. We visited the gift shop and conference halls.

Gloriet Baptist Assembly was constructed in the Sangre de Cristo Mts., which means Blood of Christ, near Pecos, N. M., because folks didn't have enough room to study and get together for recreation and Bible training during summer months. You can't get any closer to the old west, a spiritual blessing or a western sunset than right there at Glorieta. It's as close to enchantment as I ever was or expect to be. So if you get a chance visit Glorieta

Card of Thanks

I want to express my sincere thanks to my many friends for the many kindnesses shown me while I was in the hospital. I especially want to thank the nurses and doctors at Goodall Hospital. May God's blessing be on each of you
Ed Morton and family

LIONS ROAR

Next week is regular Lions Club meeting with the Lelia Lakeladies feeding at 8 P. M. Lions J. B. Yates and Milton Mosley have charge of the program. Come out, enjoy a good meal and a good program, and help your community. Much work is needed on the dam, road and highway work, the Cotton Festival and 50th Anniversary celebration and other matters.

At last week's meeting Scoutmaster Boaz Stotts and Scout David Moreman gave a detailed report on their trip to the National Boy Scout Jamboree at Valley Forge. More time was needed for a full report so maybe we can have them back again with Don Cox, who was also with them at the Jamboree.

NUMBER THREE ON THE BALLOT

**PROPOSED CONSTITUTIONAL
 AMENDMENT TO BE VOTED
 ON AT AN ELECTION TO BE
 HELD ON NOVEMBER 5, 1957.**

HOUSE JOINT RESOLUTION NO. 3 proposing an amendment to the Constitution of Texas adding a section to be known as Section 49-c of Article III, providing for the issuance and sale of bonds of the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State; providing for the payment of such bonds; creating an agency to administer said Fund and to perform other duties prescribed by law; limiting the period during which financial assistance may be granted; and providing for the calling of an election and the publication and issuance of the proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of Texas be amended by adding a new section thereto to be known as Section 49-c, as follows:

"Section 49-c. There is hereby created as an agency of the State of Texas the Texas Water Development Board to exercise such powers as necessary under this provision together with such other duties and restrictions as may be prescribed by law. The qualifications, compensation, and number of members of said Board shall be determined by law. They shall be appointed by the Governor with the advice and consent of the Senate in the manner and for such terms as may be prescribed by law.

"The Texas Water Development Board shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed One Hundred Million Dollars (\$100,000,000). The Legislature of Texas, upon two-thirds (2/3) vote of the elected Members of each House, may authorize the Board to issue additional bonds in an amount not exceeding One Hundred Million Dollars (\$100,000,000). The bonds authorized herein or permitted to be authorized by the Legislature shall be called 'Texas Water Development Bonds,' shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such installments as the Board finds feasible and practical in accomplishing the purpose set forth herein.

"All moneys received from the sale of State bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Water Development Fund to be administered (without further appropriation) by the Texas Water Development Board in such manner as prescribed by law.

"Such fund shall be used only for the purpose of aiding or making funds

available upon such terms and conditions as the Legislature may prescribe, to the various political subdivisions or bodies politic and corporate of the State of Texas including river authorities, conservation and reclamation districts and districts created or organized under Article XVI, Section 59 or Article III, Section 52, of this Constitution, interstate compact commissions to which the State of Texas is a party and municipal corporations, in the conservation and development of the water resources of this State, including the control, storing and preservation of its storm and flood waters and the waters of its rivers and streams, for all useful and lawful purposes by the acquisition, improvement, extension, or construction of dams, reservoirs and other water storage projects, including any system necessary for the transportation of water from storage to points of treatment and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods.

"Any or all financial assistance as provided herein shall be repaid with interest upon such terms, conditions and manner of repayment as may be provided by law.

"While any of the bonds authorized by this provision or while any of the bonds that may be authorized by the Legislature under this provision, or any interest on any of such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

"The Legislature may provide for the investment of moneys available in the Texas Water Development Fund, and the interest and sinking funds established for the payment of bonds issued by the Texas Water Development Board. Income from such investment shall be used for the purposes prescribed by the Legislature. The Legislature may also make appropriations from the General Revenue Fund for paying administrative expenses of the Board.

"From the moneys received by the Texas Water Development Board as repayment of principal for financial assistance or as interest thereon, there shall be deposited in the interest and sinking fund for the bonds authorized by this Section sufficient moneys to pay the interest and principal to become due during the ensuing year and sufficient to establish and maintain a reserve in said fund equal to the average annual principal and interest requirements on all outstanding bonds issued under this Section. If any year prior to December 31, 1982 moneys are received in excess of the foregoing requirements then such excess shall be deposited to the Texas Water De-

velopment Fund, and may be used for administrative expenses of the Board and for the same purposes and upon the same terms and conditions prescribed for the proceeds derived from the sale of such State bonds. No grant of financial assistance shall be made under the provisions of this Section after December 31, 1982, and all moneys thereafter received as repayment of principal for financial assistance or as interest thereon shall be deposited in the interest and sinking fund for the State bonds; except that such amount as may be required to meet the administrative expenses of the Board may be annually set aside; and provided, that after all State bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys so received shall be deposited to the General Revenue Fund.

"All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such acts shall not be void by reason of their anticipatory nature."

Sec. 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on the 5th day of November, 1957, same being the 1st Tuesday after the 1st Monday in said November, 1957, at which election each ballot shall have printed thereon, the following words:

"FOR the amendment to the Constitution of Texas adding a new section to be known as Section 49-c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State."

"AGAINST the amendment to the Constitution of Texas adding a new section to be known as Section 49-c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State. The expense of publication and election for such amendment shall be paid out of the proper appropriation made by law.
