Old Settlers Picnic

The Old Settlers Picnic was a big success this year with a lot of people from other towns attending.

Flip Breedlove opened the program and then we heard some fine singing which Malcolm Glass arranged, with music by Mrs. Glass. Kathryn Latimer gave the welcome and Elbert Calloway the response. Rev. White from Norman, Okla., gave the invocation. Jean Sanders, Nancy Hinds, Bonnie Alexander, Shirley Stone, and Lina Jenkins sang some very lovely numbers and dedicated Beautiful Texas to Mrs. Will Rains.

The election of officers was held by Bob Ayers and Bill Clay was elected President, Shack Messer, Vice-Pres., and Mrs. Wayne Latimer, Sec.

Mrs. Wells from Quail presented her girls in some lovely numbers.

Louis Thomas from the Panhandle Barn Dance T. V. Program was there and did several numbers for us.

Clifford Johnson presented gifts to Mrs. Mattie Clark, 91, and J. S. Hall, 87, for being the oldest lady and man present.

Mrs. Cherry read a most impressive poem she had composed about old settlers and Mrs. Rains, the founder, and then Clifford Johnson presented her a beautiful pot plant of ivy. We're proud to see Mrs. Rains still so young and spry and it makes the younger ones want to quit complaining.

The offering was \$23.32.

Andy Rogers and his family were there and he gave an inspiring Americanism talk ending by everyone standing and pledging allegiance to the flag.

J. B. Yates and his group furnished string music and kept the program going.

We all had a wonderful time and our thanks goes to Mrs. Paul Duncan, Mrs. Bill Clay and Mrs. Slat DeBord for the program, and Bob Ayers for acting as M. C.

Flip Breedlove and family left to go on to Arkansas to visit his parents.

Garden Club

The Garden Club will meet Sept. 3 for their annual club picnic. Hostesses will be the social committee.

Mr. and Mrs. Jay Hunt visited Jerry Hunt and family at Omaha, Nebraska, last week.

School Opening

The new school year got under way Monday with a general assembly in the high school auditorium. A group of high school girls led in the singing of America the Beautiful and My Country 'Tis Of Thee. Speaker for the occasion was Rev. J. S. Tipton who had some timely advice for the school children. After announcements and introductions were made by Supt. J. S. Hinds the students reported to their home rooms for enrollment.

A nice representation of parents and patrons were present for the opening day and everyone is looking forward to a successful school year.

Methodist Church

Exposition of Second Thessalonians 3 next Sunday evening will end a six-sermon series on the correspondence of Paul with converts in a Greek pagan environment, that began in July. The service will begin at eight. The M Y F met at seven this last Sunday to elect officers for another year. We are nearing the end of a church school year, with a church school rally day program planned for the latter part of September. Church school is at ten; the morning worship is at 11. This Sunday there were 58 in church school; 70 in morning worship; and 34 in evening service. The juice in the batteries of many people seems to run low about sunset, especially on Sundays. By Monday evening the recharging job appears to be complete.

The Wesleyan Service Guild coaching retreat was held at Childress the evening of Aug. 12. Attending from Hedley were Mes. J. S. Hinds, M. R. Mathis, and Don Haskins.

Fire Dept. Meeting

The Hedley Fire Dept. met in regular meeting Monday night and had drill on the pumper, watering the city park.

Several firemen forgot to show up for the meeting.

We sincerely thank Mrs. James Evans for a freezer full of really delicious peach ice cream.

R. E. Darnell was brought home Tuesday from a Memphis hospital where he was taken Saturday for treatment.

An Editorial

Quite a few rumors have been circulated concerning the proposed Greenbelt dam, its cost, increased taxes, etc. Here is the truth: no one knows at present what the dam would cost. Cost estimates will not be made until a definite organization is formed. To do this, and only this, is the purpose of the election to be held August 31.

Further, no one knows whether the dam will cause increased taxes or not. Some experienced men believe that the dam can be self-supporting without any tax increase whatever.

There is no reason for anyone to vote against confirmation in the forthcoming election. This does not bind Hedley and the other participating towns to anything whatever, but does give us a chance to get the facts and decide for ourselves.

There is a group of Oklahoma citizens who have enough foresight to see that an adequate water supply is the greatest need of every town in this area. They would be only too glad to see us let these water rights expire without taking any steps to keep them. It is our hope and belief that Hedleyans also have the foresight to consider the industrial possibilities, the recreational possibilities and the future prospects of our town enough to vote FOR confirmation.

And remember, this is our Last Chance at this water.

LIONS ROAR

This week is regular Lions Club meeting with the Lelia Lake ladies feeding at 8 p. m. Lions Milt Mosley and J. B. Yates have charge of the program.

There will be a meeting of the board of directors at the Lions Den Thursday night of next week. Much work will have to be done by the Lions for our fall celebrations, so all Lions are urged to attend all meetings.

Attend Funeral

Mr. and Mrs. John Dickson attended funeral services at Amarillo for Hubert Earl Teague, 28, of McLean, who passed away Friday in an Amarillo hospital. Mr. Teague was a brother-in-law of Mrs. J. M. Dickson.

Bill Harris Dies

William Russell Harris, prominent rancher and stockman of this area, passed away early Tuesday morning in a Wichita Falls hospital after a lengthy illness.

Funeral services were held Thursday morning from the Murphy Memorial Chapel in Clarendon by Rev. C. M. Ryan, pastor of the First Methodist Church of Clarendon. Burial was in Rowe cemetery here. His nephews served as pallbearers.

A native of Tupelo, Miss., Mr. Harris had lived in the Panhandle for fifty years, making his home at Hedley. He was a member of the First Methodist Church of Wichita Falls.

He is survived by his wife, Mrs. Mary Wright Harris of Hedley, a sister, Miss Mary Harris, and a number of nieces and nephews.

Cotton Festival

There will be a joint meeting of the board of directors of the Lions Club and the Booster Club at the Lions Den next Thursday night at 7:30 P. M.

The purpose of the meeting will be to appoint committees for the Cotton Festival and Semi Centennial celebration Oct. 24, 25 and 26. It will take the combined efforts of every individual in the community to make this celebration go over the way it should.

Injured in Wreck

Mr. and Mrs. V. P. Darnell of Clarendon were hospitalized, and their daughter, Barbara Kay, suffered bruises when they were involved in a collision Saturday on highway 287 near Pullman Switch. We understand that Mrs. Darnell suffered severe cuts and bruises, and Mr. Darnell was painfully bruised in the accident.

Card of Thanks

Dear Friends:

Thanks so very much for your cards, gifts and visits during my illness. May Gods richest blessings be upon you and yours.

Sincerely,
Mrs F. Kendall

Mrs. Bill Henning and children of Fort Worth and Mr. and Mrs. Jack Young of Childress visited in the home of Mrs. J. O. Stotts and Cordia Levi Wednesday.

**PROPOSED CONSTITUTIONAL
 AMENDMENT TO BE VOTED
 ON AT AN ELECTION TO BE
 HELD ON NOVEMBER 5, 1957.**

HOUSE JOINT RESOLUTION NO. 3 proposing an amendment to the Constitution of Texas adding a section to be known as Section 49-c of Article III, providing for the issuance and sale of bonds of the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State; providing for the payment of such bonds; creating an agency to administer said Fund and to perform other duties prescribed by law; limiting the period during which financial assistance may be granted; and providing for the calling of an election and the publication and issuance of the proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of Texas be amended by adding a new section thereto to be known as Section 49-c, as follows:

"Section 49-c. There is hereby created as an agency of the State of Texas the Texas Water Development Board to exercise such powers as necessary under this provision together with such other duties and restrictions as may be prescribed by law. The qualifications, compensation, and number of members of said Board shall be determined by law. They shall be appointed by the Governor with the advice and consent of the Senate in the manner and for such terms as may be prescribed by law.

"The Texas Water Development Board shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed One Hundred Million Dollars (\$100,000,000). The Legislature of Texas, upon two-thirds (2/3) vote of the elected Members of each House, may authorize the Board to issue additional bonds in an amount not exceeding One Hundred Million Dollars (\$100,000,000). The bonds authorized herein or permitted to be authorized by the Legislature shall be called 'Texas Water Development Bonds,' shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such installments as the Board finds feasible and practical in accomplishing the purpose set forth herein.

"All moneys received from the sale of State bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Water Development Fund to be administered (without further appropriation) by the Texas Water Development Board in such manner as prescribed by law.

"Such fund shall be used only for the purpose of aiding or making funds

available upon such terms and conditions as the Legislature may prescribe, to the various political subdivisions or bodies politic and corporate of the State of Texas including river authorities, conservation and reclamation districts and districts created or organized or authorized to be created or organized under Article XVI, Section 59 or Article III, Section 52, of this Constitution, interstate compact commissions to which the State of Texas is a party and municipal corporations, in the conservation and development of the water resources of this State, including the control, storing and preservation of its storm and flood waters and the waters of its rivers and streams, for all useful and lawful purposes by the acquisition, improvement, extension, or construction of dams, reservoirs and other water storage projects, including any system necessary for the transportation of water from storage to points of treatment and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods.

"Any or all financial assistance as provided herein shall be repaid with interest upon such terms, conditions and manner of repayment as may be provided by law.

"While any of the bonds authorized by this provision or while any of the bonds that may be authorized by the Legislature under this provision, or any interest on any of such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

"The Legislature may provide for the investment of moneys available in the Texas Water Development Fund, and the interest and sinking funds established for the payment of bonds issued by the Texas Water Development Board. Income from such investment shall be used for the purposes prescribed by the Legislature. The Legislature may also make appropriations from the General Revenue Fund for paying administrative expenses of the Board.

"From the moneys received by the Texas Water Development Board as repayment of principal for financial assistance or as interest thereon, there shall be deposited in the interest and sinking fund for the bonds authorized by this Section sufficient moneys to pay the interest and principal to become due during the ensuing year and sufficient to establish and maintain a reserve in said fund equal to the average annual principal and interest requirements on all outstanding bonds issued under this Section. If any year prior to December 31, 1952 moneys are received in excess of the foregoing requirements then such excess shall be deposited to the Texas Water De-

velopment Fund, and may be used for administrative expenses of the Board and for the same purposes and upon the same terms and conditions prescribed for the proceeds derived from the sale of such State bonds. No grant of financial assistance shall be made under the provisions of this Section after December 31, 1952, and all moneys thereafter received as repayment of principal for financial assistance or as interest thereon shall be deposited in the interest and sinking fund for the State bonds; except that such amount as may be required to meet the administrative expenses of the Board may be annually set aside; and provided, that after all State bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys so received shall be deposited to the General Revenue Fund.

"All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such acts shall not be void by reason of their anticipatory nature."

Sec. 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on the 5th day of November, 1957, same being the 1st Tuesday after the 1st Monday in said November, 1957, at which election each ballot shall have printed thereon, the following words:

"FOR the amendment to the Constitution of Texas adding a new section to be known as Section 49-c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State."

"AGAINST the amendment to the Constitution of Texas adding a new section to be known as Section 49-c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State. The expense of publication and election for such amendment shall be paid out of the proper appropriation made by law.

Pre-Nuptial Shower

Mrs. Clifford Johnson and Mrs. James Evans were hostesses at a lovely shower given in honor of Miss Joan Ray Moreman, bride-elect of Dr. Clifford Sims Whitmore of Houston, Tuesday evening August 20.

Guests were greeted by Mrs. Evans and the honoree. Miss Mary Baker registered the guests. The serving table was covered with a white taffeta cloth centered with yellow daisy mums backed by an arrangement of driftwood with yellow birds and love knots in the branches, carrying out the bride-to-be's chosen colors of yellow and white. Miss Kathleen Spalding presided at the punch bowl, with Miss Nancy Hinds assisting.

Mrs. Johnson and Mrs. Kenneth Brinson directed the guests to the rooms where the many lovely gifts were attractively displayed.

Guests included Miss Gloria Seaman of Denton and Miss Nettie Sims of Clarendon.
