VOL. 47

HEDLEY, DONLEY COUNTY, TEXAS, OCT. 18, 1957

NO. 51

## Successful Trip

Festival boosters made one of Hedley's most successful booster trips last Saturday. The group of 21 cars stopped at McLean, Shamrock, Wellington, and Dodson, then cut across Oklahoma to Quanah, where they enjoyed a fine cafeteria meal courtesy of the Quanah Cotton Oil Co., which was certainly appreciated. They then returned home with stops at Goodlett, Childress, Estelline and Memphis.

A program was put on each stop by Nancy Lou Hinds, J. B. Yates, Richard Stotts, and Woodrow Clendennen, and James Evans did a fine job of promoting the Festival with his talks in spite of trouble with the public address system.

The group met with very courteous treatment everywhere, and our neighboring towns appeared to be very interested in Hedley's big event.

## Methodist Church

Next Sunday is Layman's Day. We are fortunate in the fact that there are thousands of men who do not think the pastor's job is simply to preach, and that of the layman is to "lay around." They think of themselves as partners with their professional leadership in doing the work of the church. So Layman's Day represents, among other things, a sharing of the inspiration and exchange that the Christian fellowship promotes.

Kathleen Spalding presided over the sub-district MYF meeting here last Wednesday evening. Prominent parts were also played by Nancy Hinds and Bonnie Alexander. Approximately 50 attended. Thanks go to the counsellor, Mrs. Don Haskins, and to Mrs. A. B. Spalding and Mrs. Melvin Mathis for the arrangements; also to Carl Morris Jr., for running the projector for a sound movie.

During the last two weeks the better part of a working day has been given by Henry Moore at the parsonage in installing a new screen door and in other repair work. Our thanks go to him.

Mmes. Tom Wilson, Jap Shaw, and W. P. Doherty from the Wesley Class, taught by Mrs. W. H. Jones, are to work on the church float to be sponsored by the various churches during the festival.

Mr. and Mrs. R. W. Alewine visited in Wheeler last week end.

## Mrs. C. G. Knox

Funeral services for Mrs. Minnie Mae Knox, 79, who passed away Monday in a Groom hospital, were held Tuesday from the Lelia Lake Baptist Church by Rev. Frank Daugh and Rev. A. B. Mosely. Burial was in the Clarendon cemetery with Murphy Funeral Home in charge.

Mrs. Knox had been a resident of Donley County for 39 years.

She is survived by her husband, C. G. Knox; four sons, Willard of Lelia Lake, Vann of Ashtola, Noel of Floyd, N. Mex. and Hugh of Vega; four daughters, Mrs. Bessie Reynolds, Mrs. Ruth Dodson and Mrs. Isabel Howard, all of Amarillo, and Mrs. Altha Floyd of Lelia Lake; two brothers, W. S. Dishman of Corona, N. Mex., and S. P. Dishman of Hedley; two sisters Mrs. Myrtle Bowers of Highlands, Texas and Mrs. Bessie Clark of Cushing, Okla.; 19 grandchildren and 12 great-grandchildren.

## Floats

Many more floats will be needed for the grand parade of the Festival Saturday, the 26th. Already four bands and two drum and bugle corps will be in the parade, so a lot of floats will be needed to space the bands. Every organization in Hedley should have an entry in the parade.

## Clean Up

Many vacant lots and alleys have been cleaned up for the Festival. More is needed. A clean town means a healthy town. You or yours could be the first one stricken. Let's show the old timers who organized our town we are doing a good job.

## Decorations

Decorations during the Festival will help the looks of the town. However, decorations put up now will not only help the looks of the town, but will advertise our Festival. Let's get busy.

## Cake Walk

The Legion Auxiliary will have the cake walk Friday and Saturday of the Festival. Anyone who will donate a cake please leave it at Johnson Dry Goods.

## Cotton Festival

A new attraction for our Festival this year will be the Matador High School Drum and Bugle Corps. They will be in the grand parade and give an exhibition on the street. A very colorful group, they should add much to our Festival.

Another new attraction will be a girls chorus who will perform Saturday afternoon. Dr. Charley Jones of Wellington says they are among the best. We feel sure they will add much to our entertainment.

## Carnival

King Brothers Shows of Denver, Colorado, who will furnish the Midway for our Festival are already here and will be open Saturday afternoon and night.

Mr. King stated they had a pretty strenuous season and needed rest, so came here for a few days rest before the Festival. Reported to be one of the cleanest shows on the road, we feel sure they will give us some good clean entertainment. We are glad to have them with us.

## Garden Club

Those having flowers for the flower show for the Cotton Festival, bring them to the Lions Den by 10 o'clock on Friday, Oct. 25.

Please do your own arranging and be sure to bring your own container.

## No Vehicles Allowed

Bicycle riders please note that no bicycles will be allowed on Main Street during Friday and Saturday of the Festival. This also applies to other vehicles during that time, which means no cars, bicycles, tricycles, motor scooters, or any other type of vehicle.

The Cecil Hunnicutt family of Amarillo visited here last week end on account of the illness of Mrs. C. H. Reid.

Mrs. Ina Harris came up from Rotan last Thursday to be with her mother, Mrs. W. E. Reeves, who has been quite ill.

Mr. and Mrs. Curtis Bailey and baby of Amarillo visited here last week end.

## Booster Trip

The football game Saturday has changed Cotton John's TV program from noon to 4 p. m., so the Hedley booster trip has been changed accordingly.

The group now plans to leave Hedley at 12, leave Clarendon at 1, Groom at 1:45, White Deer at 2:30, Panhandle at 3 and arrive in Amarillo at 3:30. They will be on Cotton John's program at 4 and will visit Claude at 5:45 on the way home.

Plenty of cars are needed, so be on hand well before noon on Saturday.

## Old Fiddlers

Friday night of the Festival is when the old fiddlers are to gather here for our entertainment. The contest will start at 8 p. m. and prize money will be awarded the first three winners. Old settlers and others should enjoy this new event added to our celebration. Prize money is \$15, \$10, and \$5.

## Festival Committees

All Festival committees will meet at the Lions Den Thursday night for a progress report.

Mrs. H. J. Tew of Meridian, Miss., and Mr. and Mrs. C. R. Ellis of Birmingham, Ala., have been recent visitors in the home of Mr. and Mrs. M. L. Sims.

## M. Y. F.

The Hamilton Sub-District M YF met for the October meeting in Hedley October 9 at 7:00 p. m.

Kathleen Spalding led us in some songs which were followed by a program on vocations brought by Lakeview, also a motion picture was shown. Betty Gidden of Memphis brought the worship service. The meeting was dismissed with the MYF benediction.

We will publish a newsletter each month. All activities in your home town MYF will be sent in by your reporter to the Sub-District Reporter.

A. W. Atkinson Jr., a social worker with State Boys School at Gatesville, returned home Monday after a visit in the A. W. Atkinson home.

#### Mrs. Watt Killed

Before printing this final page of this week's issue we, along with the entire community, were shocked and grieved to learn that Mrs. Fred Watt had been killed and Mrs. Malcolm Glass seriously injured in an auto crash inside the Hedley city limits. Be Happy!  
Live Better —  
Electrically

and nothing is as COOL, FAST and SAFE  
as *Electric* Cooking —

As this modern kitchen clearly shows, today's trend is to electricity. And perhaps the best example of this is the electric range.

Smart looking, convenient. Insulated on all 6 sides (as are all electric ovens) you get even, steady heat for baking and roasting. No guesswork with electric surface units either. The heat you set is yours automatically every time. And the heat goes directly into the bottom of the pan, not up the sides and into your kitchen.

But the thing you'll appreciate most is the way your electric range stays modern — year after year.
