NO. 32

Killed in Wreck

A 20-year-old airman became the first Panhandle fatality of the Memorial Day week end Saturday morning when Fred Robert Harper of Birmingham, Ala., was killed as his car plowed into an oil transport one mile west of Hedley. He was on his way to report for duty at Hamilton Air Force Base near San Francisco, Calif.

The body was sent to Birmingham for funeral services and burial.

Wedding Shower

Mr. and Mrs. Jimmie Don Waddell of Amarillo were honorees at a wedding shower given last Saturday in the basement of the Methodist Church. Hostesses were Mesdames J. B. Pickett, Doyle Messer, A. G. Alexander, Roy McKee, Leonard Baggett, Ross Springer, Alfred Spalding, Bettye Morgan, Ted Maddox, A. E. Ranson Jr. and Henry Moore.

Mary Baker registered the guests.

The honorees received many lovely and useful gifts. The hostesses served punch and cookies to those present.

About 300 persons attended the Giles picnic last Friday and enjoyed a big day of visiting together. There was plenty of delicious free barbecue prepared by Flip Breedlove, as well as basket lunches brought by everyone, so that all had a big feast.

Archie Wayne Aten

Tragedy marred the Lelia Lake Senior class trip last Friday when Archie Wayne Aten, class salutatorian, was drowned while swimming in Lake Ponchartrain near New Orleans. He and three classmates had gone swimming before life guards arrived.

Funeral services were held Sunday from the Lelia Lake Baptist Church by Rev. Larry Molane and Rev. Ernest Phillips. Burial was in the Clarendon cemetery with Spicer Funeral Home in charge.

He is survived by his parents, Mr. and Mrs. L. D. Aten of Lelia Lake, a brother, Lamar Aten Jr. of Littlefield, and a sister, Mrs. Chester Scott of Amarillo.

Wins Pony

Jo Ella Gerlach, daughter of Mr. and Mrs. Carl Gerlach of Seabright, N. J., and granddaughter of Mrs. R. E. Mann of Hedley, used a good idea recently in submitting a name for a pony on the Wagon Train TV program. She entered the name Trade Wind, which won first place, and which gives the young lady her choice of a pony or \$100 cash.

Card of Thanks

I wish to express my sincere thanks to all my friends for their flowers, cards and visits while I was ill. Your thoughtfulness was appreciated very much.

Greenbelt Dam News

The permit to build the dam was mailed May 6th, receipt of which has been acknowledged by the State Board of Water Engineers and that it arrived on time and was in order. The permit will be acted upon by an early meeting of the board. We should know their action by August 1st.

Also by August 1st the topographical mapping should be completed and in the hands of the Associations engineers. Soon after that the exact site of the dam can be located and the river can be cored at this point. With these facts the cost of the dam can be figured.

Baseball News

The Hedley Lions accomplished their first win of the season last Sunday, in a 16 to 5 victory over the Clarendon Dusters. The Lions tapped Talley, Putman, and Neeley for 17 hits, while the Dusters got 5 hits off Bevers, Lesley, Younger, and Sims. In the unusually pitched game, Bevers was the winning pitcher. Bevers also surprised the crowd by switching to the left side of the plate and belt ing one over the fence. The only other homer was a grand slam in the first by Mooring.

This game didn't count in league play. There was a death in the family of two of the Clarendon players and Hedley agreed to cancel the regularly scheduled game, and play it at a later date. However this practice game certainly helped the morale of Hedley's players.

The Lions play at Nazareth this Sunday. The two following Sundays we play Umberger, and Pinkney here at Hedley.

LEGION NEWS

Next Tuesday night is the regular monthly meeting of the Post and the big meeting of the year as new officers will be elected. A good feed has been promised and other business will be taken care of.

Several local Legionnaires plan to be on hand to greet the bus. Over 500 boys are attending American Legion Boys State this year.

Glenn Bevers of Lubbock visited here last week end.

Kathleen Spalding is now employed in a dentist's office at Pampa.

News From Our County Agent

Several farmers have already started poisoning for grasshoppers, says county agent H. M. Breedlove. The infestation of young hoppers at this time is the worst in several years, says the county agent. Breedlove warns all farmers who have poison spraying machines or who can borrow one, to get it at once and start spraying because in a very short time the hoppers will begin to move on crops and will cause a great deal of damage. Breedlove says that he is trying to contact airplane spraying companies at this time so that if the situation gets critical then planes can be put to use. We can avoid a great deal of expense later says Breedlove if we get our ground equipment to use at once and poison the hoppers while they are still young. Aldrin and toxaphene are the best poisons to use and will control the hoppers very effectively. Now is the time, today, to poison the hoppers before they get in our crops.

Mrs. Alfred Spalding and Sarah are visiting in Lubbock this week.
