## Old Settlers Picnic

The Donley County Old Settlers met for their annual picnic at Tate Grove on Friday, Aug. 15.

The program was opened by president Bill Clay. Rev. W. H. DeBord led in prayer, then the group sang America. Bill Lowe of Clarendon made the welcome address, responded to by Bob Ayers of Memphis. Music was then furnished by the Quail girls. The group sang Never Grow Old, dedicated to Malcolm Glass, who was ill and could not attend. String music was furnished by Hugh Roden, Leon Doherty and J. B. Yates.

Then it was time for the lunch hour. The invocation was given by Woodroe Farris. There was plenty of good eats, also coffee and iced tea for everyone.

The afternoon session was opened by string music by Roden, Doherty, and Yates. At this time Bob Ayers called to see who was the oldest man present, also the oldest lady. Oscar Culwell of Childress was the oldest man, 84, and Mrs. Oscar Culwell was the oldest lady, 79. They both were presented with gifts. Mrs. W. I. Rains, 78, the only surviving charter member of the picnic was presented with a beautiful planter of ivy.

Last year's minutes were read by Mrs. T. J. Cherry, as Mrs. Kathryn Latimer was unable to attend. Then election of officers was in order. The following were elected:

President, Connie DeBord  
Vice pres., Bill Clay  
Secretary and treasurer, Mrs. T. J. Cherry

An offering was taken which amounted to \$18.47.

The meeting was continued with piano music by Almeda Tidwell, then a song, It Is No Secret, by Beverly McPherson, accompanied at the piano by her sister Kathy, and songs by Elbert Calloway and Mr. and Mrs. Loyd Bailey, with Mrs. Henry Nivens at the piano. The Shields sisters of Lelia Lake furnished accordion and piano music, then the string band played Beautiful Texas and dedicated it to Mrs. W. I. Rains.

Everyone there could say it was a good day, one where they greeted old friends, and although many were not present, and several deceased whom we all missed, the same old time spirit prevailed

## School to Open Aug. 25

The Hedley schools will open Monday morning, Aug. 25, for the 1958-59 session, Supt. J. S. Hinds has announced. General assembly will be held at 9:00 to be followed by registration.

### Card of Thanks

I take this grand opportunity to come before you with a sincere heart and say thanks to each of you who helped me arrange for the old settlers' reunion.

To the Hedley Informer, Memphis Democrat, Donley County Leader and KGNC who sent out the news.

To the men and boys who came out on the morning of the 11th and helped prepare the ground, tables and platform.

To Mr. M. C. Allen who donated \$25 for material for the platform.

And to each of you who participated in the program preparing dinner and on the platform, you did a swell job, and your good support has helped me appreciate the people of Donley County more. I say again, thank you.

Bill Clay

## Gremlins at Work

The "gremlins" have been busy messing things up in the Informer office lately. In last week's paper Miss Myrtle Hall's name as teacher of the 6th and 7th grades was accidentally omitted in the list of faculty assignments for the new school year. Then in this week's paper the announcement of the first PTA meeting next Monday night in the City Park somehow got printed on an inside page under the heading of Lions Roar.

Our sincere apologies to all concerned.

### Card of Thanks

It is with deep appreciation we wish to express our sincere thanks for the many thoughtful deeds rendered us while I was in the hospital.

The Glasses

throughout the day and everyone went away having enjoyed themselves. Thanks to everyone who had part.

Let's all come back next year and bring someone along. Keep the Old Settlers Picnic going.

## Revival Meeting

Rev. Keith McCormick will be the preacher for a revival meeting August 24 through 31 at the First Baptist Church. There will be two services daily, 10:00 a. m. and 7:30 p. m. Everyone is invited.

Rev. McCormick is pastor of the First Baptist Church in Panhandle.

## To Play in Oil Bowl

Bill Reeves was chosen to play on the Texas team at the Annual Oil Bowl Basketball game at Lawton, Okla., Wednesday night. This game is between the All Star players of Texas and the Oklahoma All Stars and is sponsored by the Lawton Fort Sill Shriners. Besides Reeves other members of the Texas squad are Grace of Plainview, Broussard of Port Arthur, Kirk of Cayuga, Hammond of Houston, Martin of Dallas, Osborne of New London, Williams of Waxahachie and Wilbanks of Belton. The Texas team is coached by Joe Turner of Kilgore Junior College.

## LIONS ROAR

Last week's meeting of the club was well attended and enjoyed by all. Mrs. Don Springer gave some piano and vocal numbers and Rev. J. S. Tipton gave a very interesting talk on Alaska, soon to be our 49th State. The Methodist ladies of Lelia Lake served fried chicken with all the trimmings.

Next week is regular meeting night and this week is directors meeting with the Cotton Festival, Greenbelt Dam report and other matters to come up.

## Wreck Kills Five

Five persons were killed and six others injured early Sunday morning four miles northwest of Memphis on highway 287, in one of the worst wrecks ever to happen in this area. A sedan, a station wagon and a grain truck were involved, killing all four occupants of the sedan, Adolph Krumpholtz of Derby, Colo., his daughter, Gertrude Harvey of Panama City, Fla., and her two children, Robert and Rosemary, and one occupant of the station wagon, Betty Lou Landers of Fort Worth.

Hospitalized were Mr. and Mrs. D. H. Hall of Fort Worth.

Hospitalized were Mr. and Mrs. D. H. Hall of Fort Worth and their three daughters, Linda Joyce, Bonnie Jean and Judy Carol, and Hubert Earl Sharp of Clarendon, driver of the truck.

## Methodist Church

Your attendance is important. Remember the announcements made in the Informer last week. Add to it one for Sept. 24, when an interboard meeting takes place at Childress. This is for various officials including specifically chairmen of commissions. It takes several hours and expert help is supposed to be available. Nothing succeeds like success. Nothing fails like failure. Nothing endures like endurance.

### Card of Thanks

## Boy Scout News

The Boy Scouts of Troop 36 held their annual barbecue and three day camp out at the J. R. Leathers farm west of Hedley, Friday through Sunday under the direction of Scoutmaster Boaz Stotts.

The Scouts arrived at the camp site Friday at 6.30 p. m. After making camp the Scouts enjoyed a chicken barbecue with all the trimming and played games until bed time.

Saturday morning the day's activity started off with an early morning swim at sunrise, after which the Scouts cooked their own breakfast over outdoor fires. At 8 a. m. the Scouts held a three hour fishing contest with prizes going to the Scout who caught the first fish, the largest fish and the most fish. Donald Meador caught the first fish and Gilbert Speed caught the largest and the most. After the fishing contest the Scouts enjoyed a thirty minute swim, then prepared lunch at 12 o'clock.

After a rest period the Scouts swam from 1.30 to 3 p. m. At 3:15 p. m. they cleaned up their camp site and made camp improvements. Supper was cooked at 5:30 p. m. The rest of the day was spent hiking swimming and fishing. Sunday morning the Scouts

broke camp at 7 a. m., ate breakfast and returned home where each Scout attended his own church and Sunday School.

Scouts making the camp out were Joe Edd Blankenship, Eddie and Tony Jenkins, Alvin Alexander, Gary Weatherly, John David Rogers, Gary Alexander, Bobby Wiggins, R. E. and Alvie Ray Butler, Gilbert Speed, Monte Paul Rogers, David Moreman, Joe Darnell, Donald Meador, Jerry Gerlach and the J. R. Leathers family.

The Scouts of Troop 36 and their Scoutmaster wish to express their appreciation by saying "Thank you very much" to the following people who helped make this camp out possible.

Transportation was provided by Mr. Butler, W. R. Rogers, Boaz Stotts, W. B. Wiggins and David Moreman. Mr. and Mrs. M. O. Weatherly supplied the pickles, Mrs. W. B. Wiggins cooked the beans, Boyd Cumming barbecued the chickens and made the salad. J. R. Leathers supplied the property for the camp out. To these people and all Scout parents go our most hearty thanks.

Mrs. Henry Nivens underwent an operation in a Memphis hospital Tuesday.

### CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #3—Number Nine on the Ballot.

#### PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 3 proposing an amendment to Article IX of the Constitution of the State of Texas, by adding thereto a new section to be known as Section 5, to provide that the Legislature may authorize the creation of a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas; authorizing the County of Potter to render financial aid to and participate in the operation of such Hospital District; authorizing the Commissioners Court of said county to assess and levy taxes on property outside the incorporated limits of such city; further authorizing a countywide Hospital District for Wichita County, Texas, and authorizing the creation of two districts in Jefferson County; and further providing that any enabling Acts shall not be invalid because of their anticipatory character.

#### BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be, and the same is hereby amended by adding thereto another section to be designated as Section 5, which shall read as follows:

"Section 5 (a) The Legislature may by law authorize the creation of two hospital districts, one to be coextensive with and have the same boundaries as the incorporated City of Amarillo, as such boundaries now exist or as they may hereafter be lawfully extended, and the other to be coextensive with Wichita County.

"If such district or districts are created, they may be authorized to levy a tax not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars (\$100.00) valuation of taxable property within the district; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified property taxing voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired, and not to exceed the maximum limit of Seventy-five Cents (75¢) per One Hundred Dollars (\$100.00) valuation, and no election shall be required by subsequent changes in the boundaries of the City of Amarillo.

"If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the district may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the district shall by reso-

lution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate submitted shall be sufficient to discharge such obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the district to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said Seventy-five Cents (75¢) tax. The Legislature shall provide for transfer of title to properties to the district.

"(b) The Legislature may by law permit the County of Potter (in which the City of Amarillo is partially located) to render financial aid to that district by paying a part of the expenses of operating and maintaining the system and paying a part of the debts of the district (whether assumed or created by the district) and may authorize the levy of a tax not to exceed Ten Cents (10¢) per One Hundred Dollars (\$100.00) valuation (in addition to other taxes permitted by this Constitution) upon all property within the county but without the City of Amarillo at the time such levy is made for such purposes. If such tax is authorized, the district shall by resolution assume the responsibilities, obligations, and liabilities of the county in the manner and to the extent hereinabove provided for political subdivisions having boundaries coextensive with the district, and the county shall not thereafter levy taxes (other than herein provided) for hospital purposes nor for providing hospital care for needy individuals of the county.

"(c) The Legislature may by law authorize the creation of a hospital district within Jefferson County, the boundaries of which shall include only the area comprising the Jefferson County Drainage District No. 7 and the Port Arthur Independent School District, as such boundaries existed on the first day of January, 1957, with the power to issue bonds for the sole purpose of purchasing a site for, and the construction and initial equipping of, a hospital system, and with the power to levy a tax of not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars (\$100.00) valuation of property therein for the purpose of paying the principal and interest on such bonds.

"The creation of such hospital district shall not be final until approved at an election by a majority of the resident property taxing voters voting at said election who have duly rendered their property for taxation upon the tax rolls of either said Drainage or said School District, nor shall

such bonds be issued or such tax be levied until so approved by such voters.

"The district shall not have the power to levy any tax for maintenance or operation of the hospital or facilities, but shall contract with other political subdivisions of the state or private individuals, associations, or corporations for such purposes.

"If the district hereinabove authorized is finally created, no other hospital district may be created embracing any part of the territory within its boundaries, but the Legislature by law may authorize the creation of a hospital district incorporating therein the remainder of Jefferson County, having the powers and duties and with the limitations presently provided by Article IX, Section 4, of the Constitution of Texas, except that such district shall be confirmed at an election wherein the resident qualified property taxing voters who have duly rendered their property within such proposed district for taxation on the county rolls, shall be authorized to vote. A majority of those participating in the election voting in favor of the district shall be necessary for its confirmation and for bonds to be issued.

"(d) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at the general election to be held the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the constitutional amendment authorizing the Legislature to create a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas, and authorizing Potter County to lend financial aid to and participate in the operation of said Hospital District, and further authorizing the Legislature to create a countywide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas."

"AGAINST the constitutional amendment authorizing the Legislature to create a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas, and authorizing Potter County to lend financial aid to and participate in the operation of said Hospital District, and further authorizing the Legislature to create a countywide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the constitution and laws of this state.
