Greenbelt Dam News

The directors of the Greenbelt Water Authority met at Childress last week. All seven cities of the Water District were present and a good delegation from most of the towns were present. W. H. Cooke III and Clifford Johnson of here attended the meeting.

First order of business was the hearing on the permit to build the dam which will be held in Austin the first Monday in October which will be the 6th. A delegation from the district will go to Austin on that date.

They also are trying to get an appointment with the State Board of Water Development on that date.

Daily checking of the quantity and quality of the river will be continued. This has been done for the last 2½ years and has shown plenty of water of good quality.

The topographical matting of the watershed and lake area will be completed this fall and then will follow the coring of the river bed near the dam site. This is necessary in order to know if the dam and lake will hold water.

The Authority's engineers, Freeze and Nichols of Ft. Worth, think this can be completed in time to have an early bond election in 1959. The bonds to be issued will be revenue bonds payable from the revenue received from the sale of water.

There will be some changes in the Cotton Festival Queen contest which will give the contestants a better chance to get votes. The bale of cotton to be given away this year is to weigh as much as 450 lbs. Other changes will be made but mostly the Festival will be conducted as heretofore.

Clothing Needed

Do you remember the letter from Allen Cope a few weeks ago wherein he asked for help in the way of clothing for a Greek girl and her family? Her name and address are Miss Martha Saryanidou, Messolongiou Street 12, Serres, Greece.

We now learn that the young lady and her family can use clothing in practically any size. There are a number of children and adults. If you have any clothing which you can and will donate, please leave it with Myrtle Reeves and she will see that it reaches the destination. If you have no clothing to furnish, there will be a box at the Owl Cafe, where you can make a contribution for postage. A bundle of clothing will require a large amount of postage, and anything you can contribute will be appreciated.

Hedley P.-T. A.

Due to a change in plans, the Hedley P T A did not meet this past Monday evening. The initial get-acquainted session will be held in the Hedley city park the evening of Monday, Sept. 1. It is now planned to install the officers for the year at this time.

Leeper-Phillips

Miss Zelda Ann Phillips, daughter of Mr. and Mrs. O. C. Phillips of Bellview Community, and Wilburn G. Leeper, son of Mr. and Mrs. G. L. Leeper of Hedley, were united in marriage recently in the Happy Union Baptist Church near Plainview. Rev. Verrell Leeper, brother of the groom, officiated at the double ring ceremony, which was read before an arch of greenery and garden flowers. Pink tapers in candelabra and baskets of pink gladioli completed the setting. Candles were lighted by Misses Wanda and Shirley Phillips.

A nuptial prelude was presented by Miss Regina Meek who also accompanied Miss Janice Phillips, sister of the bride and soloist. Also accompanying Miss Phillips was Mrs. Bill Rowland.

Miss Marilyn Phillips, maid of honor, wore a dress of pastel blue nylon chiffon over net and taffeta with cummerbund of darker blue. Her wristlet was of white carnations tied with blue streamers.

Tommie Pritchard of Hedley served as best man, and ushering were Odus Phillips, Dennis Leeper and Douglas Phillips. Rings were carried by David Phillips, brother of the bride.

Given in marriage by her uncle, Matt Phillips of Happy Union, the bride was attired in a dress of white lace over net and taffeta styled with fitted lace bodice, scalloped neckline and long tapered sleeves. The full ballerina length skirt was enhanced by a front panel of pleated net. Her fingertip veil was held by a pearl headband and she carried a bouquet of white roses atop a white Bible.

Following a wedding trip to Colorado and New Mexico, the couple are at home in Pampa where the groom is employed. Mrs. Leeper is a 1958 graduate of Plainview high school. The groom, a graduate of Hedley high school, has just completed service with the U. S. Marine Corps.

Week end guests in the W. A. Pierce home included G. P. Pierce of Everman, Porter Pierce and daughter of Fort Worth, Mr. and Mrs. Fred Carter and Freddie Jo of Panhandle, Curt Pierce and Edward McLaughlin of Azle, and Mr. and Mrs. Floyd Bull of Pampa.

News From Our County Agent

The big Donley County Fair and Quarter horse show will be held in Clarendon at the fair grounds on September 19 and 20, says county agent H. M. Breedlove, general manager of the show. The fair board will meet next week to work out all the final details of the fair. The 1958 catalogues are now off the press and are being distributed so that all communities and departments of the fair can start work. The premium money for the fair was made possible by the selling of the ads shown in the catalogue. The different departments of the fair this year will vary from last year as two new ones have been added. The different departments are the Merchants department, Community Agriculture exhibits, poultry, home economics, needle craft department, fine arts department, flower show, home made cake department, and the Quarter horse show. The quarter horse show will be on Friday afternoon of the 19th this year. We have 9 departments in the county fair this year and C. L. Lewis, president of the show, says that this should be one of the best county fairs ever held in Donley County.

Who Is The Loser?

In a recent magazine publication I noted an article written by a Methodist minister, a man, old in years, who felt he was nearing the end of his life here and was thinking a great deal about what he'd find on the other side of the 'great divide.' He decided it might be interesting to find out what some of the noted and famous people of our land think about life after death, and he found among other things a great many who denied believing in eternity, and who gave no serious thought to even obeying the laws of God.

I seriously question the wisdom of this attitude. Let's consider the lives of two ordinary men, one a Christian, the other a worldly man, as they go through life. The Christian practices the Golden Rule, and does good to all men. He doesn't lie or steal. he's happy because he knows God is not slack concerning his promises. He takes care of his physical health for this is a law of God, and is afraid of no one for his conscience is clear. On the other hand the worldly man goes through life always dissatisfied, for the man who is separated from God by sin is never really happy or satisfied with himself. When it comes time for these men to die the Christian has nothing to lose even if there is no eternity for

he has lived a good life here and has no fear of death. The worldly man has wasted his time and has no hope whether there is an eternity or not. The most hardened infidel that ever lived, at death said, "Ah God, if there be a God, have mercy on my soul"

Methodist Church

An upturn in attendance was noted this last Sunday morning, after the dismal low of the previous week. A number of visitors were present, and welcomed. Some of our members need to come, even though running the risk of being called visitors. There is joy in heaven, and Hedley too, over one that repents. Next Sunday evening there will be a communion service. The cleansing power of one such service honestly entered into is worth more than the sudsiest bath, with the scrub brush thrown in free. The first Sunday morning in September we shall hear a Gideon speak. You may remember that the first Gideon was quite selective, after being a reluctant man himself for a time, and the Lord somehow liked this acted-upon discrimination "When my soul needs man na from above, where could I go but to the Lord?"

Assembly of God Church

The Assembly of God Church is re opening, and the new pastor, Rev. Johnny H Smith of Hereford, urges everyone to come out and join them in their services.

They will have Sunday School at 9:45, morning services at 11:00 CA at 7:00 and evening services at 8:00. There will be no Wednesday services.
