Mrs. Stiles Honored

Mrs. Barbara Hansard Stiles was honored with a bridal shower Saturday evening in the Fellowship Hall of the First Baptist Church. Hostesses were Mesdames Burt Stone, Luther Petty, Brownie Quisenberry, Elva Davis, A. T. Simmons, Hobart Moffitt, Frank Murray and Joe Miller.

In the receiving line were the honoree, her mother, Mrs. Wayne Hansard, and the groom's mother, Mrs. Jess Stiles.

The table was laid with a lace tablecloth, and decorated with garden flowers.

Mrs. Burt Stone presided at the register. Mrs. Jannette Dennis, sister of the bride, served punch and cookies to the guests.

The honoree received many nice and useful gifts.

LIONS ROAR

This week is Lions Club ladies night, with the installation of officers for the next year as the highlight of the program. Incoming President H. L. White and his slate of officers will be charged with their various duties by District Governor Don Zimmerman of Hereford. Governor Zimmerman is a familiar Lion to Hedley, having attended the Cotton Festival in October and made his official visit to the club in January. He is an interesting speaker, and will certainly get the new officers started off to a good year.

Other entertainment from out of town will also be presented. Eating time is 7:30. All Lions are urged to be present or be prepared to suffer the consequences when their wives find out it was ladies night.

Admitted to Hospital

Terry Gene Melton, 3 year old daughter of Mr. and Mrs. Harold Melton of Hedley, was admitted on Wednesday, June 8, to the Scottish Rite Hospital for Crippled Children in Dallas.

Thirty-five years ago, Scottish Rite Masons founded the hospital, dedicated to an effort to provide a chance at a normal life for the handicapped child. Since 1925, more than 130,000 children have been admitted for treatment to the hospital, which is supported by contributions and bequests.

Z. C. Cornell

Funeral services for Zimariah Calhoun Cornell, 78, who passed away Saturday in a Memphis hospital, were held Monday from the First Methodist Church in Clarendon by Rev. S. A. Wolfe and Rev. J. S. Tipton. Burial was in the Clarendon cemetery with Murphy Funeral Home in charge.

Pallbearers were Jess Smith, Tommy Bain, Henry Moore, Ross Springer, Hobart Moffitt and P. C. Messer.

Mr. Cornell had lived in Donley County for 14 years. He was a member of the First Methodist Church of Hedley and the Clarendon Masonic lodge.

He is survived by his wife, Lizzie; five daughters, Mrs. M. C. Brown of Paducah, Mrs. C. L. Franks of Tulia, Mrs. Charles Cunningham of Amarillo, Mrs. Maurice Campbell of Dimmitt and Mrs. Austin Kirkland of Cactus; six sons, H. M. of Watsonville, Calif., E. B. of Crain, Marvin of Lakewood, Colo., Z. C. of Harver City, Calif., Bill of Perryton, and Clarence Cornell of Clarendon; one sister, Mrs. Rose Bodkins of Breckenridge; one brother John Cornell of Hale Center; 21 grandchildren and 12 great-grandchildren.

Card of Thanks

We wish to take this means of expressing our sincere thanks to all our many friends who took part in our golden wedding observance. There were so many nice gifts and so many names that we fear that someone's name might be left out, and we want every one to know that we appreciated every item very much.

We also especially thank the ladies who helped with the refreshments.

Mr. and Mrs. W. M. Biffle and family

Biffles Observe Golden Wedding

Mr. and Mrs. W. M. Biffle were honored by their children and grandchildren Sunday in observance of their golden wedding anniversary, with an open house in the Fellowship Hall of the First Baptist Church. The Biffles have four children, nine grandchildren and two great-grandchildren, all of whom were present.

About 150 guests attended. Zynda Karl Wiley and Marvin Biffle, grandsons, greeted the guests at the door. In the receiving line were Mr. and Mrs. Biffle, their children and their husbands and wives.

Linda and Jerry Ray Biffle, grandchildren, presided at the register. Sharon Biffle, a granddaughter, poured punch which was served to the guests together with the beautiful white wedding cake trimmed in gold.

Mrs. Nancy Brumley, a granddaughter, Mrs. Katie Cummings and Mrs. Marie Biffle furnished piano music for the occasion. Hendrix Sibley of Abilene and Mrs. Cummings also sang several numbers, and the entire group joined in singing Gospel songs.

The honorees received a large array of lovely gifts.

Electric Kitchen

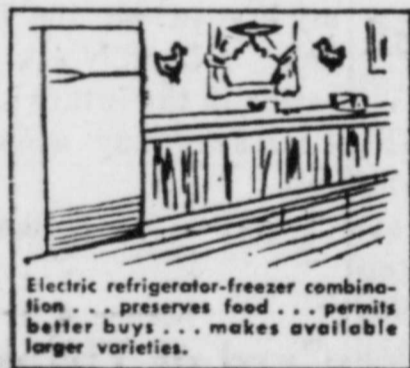

Symbol of Modern Living

The touch-of-a-button magic of an electric kitchen brings the whole world of tomorrow to today's homemaker. The modern electric food preparation center is a decorator-designed dream of beauty, comfort and convenience. Here's why...

Electric cooking, flameless and automatic... the world's most advanced way of preparing food.

CLEAN In your electric kitchen everything stays sparkling clean. Walls, ceilings, curtains, pots and pans testify to the fact that your electric range gives efficient, controlled heat without the dingy by-products of flame-type cooking.

Electric refrigerator-freezer combination... preserves food... permits better buys... makes available larger varieties.

COOL Electric heat is transmitted directly to the pots and pans, and not out into the room. Your kitchen stays cool and comfortable... and so do you!

Electric dishwasher and garbage disposer... modern timing and labor savers that bring extra hours to homemakers.

CONVENIENT . . . Push a button or twirl a dial for automatic, carefree cooking, clothes washing and drying, dish cleaning and garbage disposing. It's as simple as that!

Home laundry, with the modern electric washer and dryer means farewell to those washday problems forever.

ECONOMICAL . . . Costs less than 3¢ to cook an average meal electrically in this area. And, a penny's worth of electricity does an equally big job in washing and drying your clothes, preserving your food, perking your coffee, toasting your bread, or disposing of your garbage.

SAFE Enjoy odorless, flameless security in your electric kitchen. Breezes can't blow out this heat. And, you can safeguard youngsters by throwing away the matches forever!

SURE In your electric kitchen you know the heat will remain constant; you know it will be the same tomorrow and the next day; you know it is the proper temperature for each dish you prepare; you know all this because you know you can depend on electricity!

Mount Sinai

In these days of good highways and fast automobiles people travel thousands of miles to view the wonders of nature. The magnitude of mountains and waterfalls is awe inspiring and throughout the ages man has been unable to make anything comparable to the perfect beauty of nature. In Palestine near the Dead Sea a chain of mountains rise up from the earth eight or nine thousand feet, composed of almost solid granite

Mining of precious jewels and gold has been carried on near these mountains for centuries. Kings of the land built a road around them before Abraham's time. Among these lofty peaks is thought to be Mt. Sinai, often mentioned in the Bible. According to the record left by inspired men it was on this mountain that Moses received the Ten Commandments and the Old Law from God. While Moses was talking to God on this mountain he requested to see God's face, but God said no mortal man

would be able to do this and live. He told Moses however to walk into a crevice of the rocks and God would put his hand over it and walk by and Moses could see his back. Many centuries have passed since Moses visited with God on Mt. Sinai, but the grandeur and beauty of nature even the earth itself stand in mute testimony as witnesses of a mighty Creator.

M. Y. Fund Festival

To climax our programs about the M. Y. Fund, Sunday, June 19, at 6 o'clock 9 members of the M. Y. F. with Mrs. Hinds, their counselor, enjoyed a "Round the World Festival." Songs, games, food and group worship were enjoyed about each country. Starting at 6 o'clock in the home of Dr. and Mrs. Cox, we were in Africa. The impressive worship center, a short skit on "Manners" and a game got us in the mood for the fruit punch served from a lovely tray surrounded by flowers. We then drove to Mr. and Mrs. Hind's home and were welcomed to China. We registered on red tags Chinese style, removed our shoes and sitting on the floor Chinese style ate pop corn with chop sticks, small fruit sticks and drank tea from cups. Chinese proverbs, riddles, and music were enjoyed. From there we drove to the home of Mr. and Mrs. Winfred Doherty and were in Mexico. In the lovely backyard, we were served Frito pie, pear salad, and iced tea. Each plate had a unique world napkin with scriptures. After a song and story we drove to Mr. and Mrs. Alfred Spaldings where we were in Japan. At low tables laid with straw mats we ate peanuts, ice cream and fortune cookies. To close our visit, Susan Cox dressed as a Japanese knelt at a worship center and did a floral arrangement and response as the group read a poem. We closed with the MYF benediction and all went back to evening church service. We hope this will make it easier for us to love and understand our neighbors who need the help we give with our M. Y. Fund.

A motor oil for my farm machinery which must endure severe service because of high torque requirements, numerous and repeated accelerations, a lot of idling, and many long hard pulls. The oil in my machinery must also fight contamination from fuel dilution, dust, and the products of fuel combustion. It also has to stand up under extreme temperature variations . . . starting easily at very low temperatures and resisting "break-down" at extremely high temperatures.

Then you want . . .

Conoco Super Motor Oil which takes all these hurdles in stride, giving you engine protection at every step. Conoco Super Motor Oil has a unique Oil Plating additive which "plates" a durable film of lubricant onto engine parts . . . never drains down . . . gives full time protection against friction wear. The acid proofing additive neutralizes acids formed when fuel is burned in the engine and the detergent additive keeps your engines super cleaned. For the man with diesel, gasoline or L.P.G. powered equipment, who wants to stock only one oil, Conoco Super Motor Oil is the answer.

Having a particularly tough lubrication problem? Check the Conoco Green-book for solutions.
