Old Settlers Picnic

It is almost time for the Old Settlers Picnic. At last year's picnic it was unanimously voted to have the 1960 picnic at the City Park in Hedley so the older people could attend.

It has been suggested that we do not have an August picnic, but have Old Settlers Day at the Cotton Festival, Oct 14. The officers are asking anyone who is interested to come to a meeting Monday, Aug 8, at 8 p. m. at the Bank Committee room to decide if there will be an August picnic. It is up to the people. We officers feel you should decide the question. We will need each of you to help us and its time to get busy.

Will we have a picnic? All who are interested please be at the meeting Monday, August 8 at 8 p. m.

Mabel Bridges, pres.
Bill Clay, vice pres
Mrs Cherry, sec.

Clean-Up Time

The City Council wishes to thank the people who have cleaned up their premises. We must have made some progress, since only one case of infectious hepatitis was reported last week.

However, numerous flies, and mosquitoes have begun to show up, and there is much more to be done. Mosquitoes carrying encephalitis may show up in August and September according to the Health Department. This disease, better known as sleeping sickness, is quite a problem to the South Plains area, and we should guard against it here.

The city has about exhausted its funds, and calls for your continued help.

Clifford Johnson, Mayor

Messer To Be Honored New School Supt.

Doyle Messer, Vocational Agriculture Teacher in the Hedley High School, will be honored August 10 in Corpus Christi for outstanding service to his profession, according to James Wester, President of the Vocational Agriculture Teachers Association of Texas. The award will be a part of the program of the annual vocational agriculture teachers' conference, and will recognize Messer for his 10 years of service.

The state's nearly one-thousand vocational agriculture teachers will be in attendance at the four-day conference. In addition to awards and honors, the teachers will attend programs and engage in workshops designed to increase their proficiency in the increasingly complex business of agriculture.

Farm Bureau News

The Donley County Farm Bureau will hold its annual county-wide chicken barbecue on the night of August 12 at 7:00 p. m. at the Lelia Lake school house. Mr. Holly Wood, county president of the organization says that a big crowd is expected as the speaker for the evening will be our congressman, Walter Rogers. Mr. Rogers will give farmers a talk on the outlook for agriculture and the international situation.

Mr. Wood advises that this barbecue is for everyone regardless of whether they are farm bureau members or not. The only requirement is that you leave one half chicken per person in your party, cut in half, and not frozen, at the Homen Meat Locker in Clarendon or the Moreman Locker at Hedley by 12:00 noon, August 11. "No chickens will be accepted after the closing date," said Mr. Wood, "because we must know how much beans and peaches to cook. So please cooperate with us and leave your chickens at one of the two places before the dead line on the 11th."

The barbecuing will be done by County Agent Flip Breedlove and his crew. Remember one half chicken per person in your party before the closing date. Bring all the family for a big feed and hear a good talk by our congressman. Bring all the neighbors for a good time on the school lawn at Lelia Lake.

The Hedley school board has elected Mack Bush of Wellington to succeed J. S. Hinds as superintendent of schools for Hedley. Mr. Bush last week advised the local board that he would accept the position.

Mr. Bush has had 11 years experience in school work. He spent four years in the Childress schools, two years in the Panhandle schools and for the past five years has served as principal at Wellington.

Mr. and Mrs. Bush and their small son are expected to move here very shortly. We will be glad to welcome them to this community.
