VOL. 51

HEDLEY, DONLEY COUNTY, TEXAS, AUG. 25, 1961

NO. 44

## Marcus L. Parker

Funeral services for Marcus L. Parker, 78 who passed away in Amarillo Thursday night, were held Saturday in the Tascosa Baptist Church there by Rev. Howard Lyons. Burial was in an Amarillo cemetery, with graveside services by San Jacinto Masonic Lodge No. 1330.

Born in Fulton, Miss., April 20, 1883, Mr. Parker had been a resident of Amarillo since 1905. He was a Potter County commissioner for 14 years.

Mr. Parker was an uncle of Mrs. Sam Sanders of Hedley.

## Simmons-Anderson

Miss Bonnie Gayle Anderson, daughter of Mr. and Mrs. William M. Anderson, and Alva Franklin Simmons, son of Mr. and Mrs. Homer F. Simmons, also of Amarillo, were united in marriage last Saturday afternoon in the Paramount Terrace Christian Church in Amarillo. Rev. T. T. Posey, pastor, performed the double ring ceremony.

Mr. Simmons, whose parents are former residents of Hedley, is a graduate of Amarillo High School, attended Amarillo College, and is a graduate of West Texas State at Canyon.

After a wedding trip to Colorado, the couple will be at home in El Paso.

Among those attending the ceremony were Mr. and Mrs. J. R. Adamson of Turkey and Mr. and Mrs. Alva Simmons of Hedley.

## Watermelon Supper

Supt. and Mrs. Mark Bush entertained members of the faculty, school board members and school employees and their families with a watermelon supper at their home last Thursday evening. An enjoyable evening was spent by those attending.

## Attend Funeral

Hedleyans attending the funeral services for John L. Williams, father of Mrs. Audra Foster, at Childress Thursday of last week included Mr. and Mrs. Tommy Bain, Mrs. J. O. Hoggatt, Mrs. Elmer Howell, Mrs. Tom Moffitt, Mrs. Hobart Moffitt, and Mr. and Mrs. E. M. Glass.

## Loot Recovered

The Donley County Sheriff's Dept. had some well deserved publicity on the front page of Tuesday's Amarillo News, a large picture showing Sheriff Truett Behrens and Deputy Ralph Hill together with about \$5,000 worth of loot recovered from the recent burglary of a Clarendon jewelry store.

Amo Burciago, 24, of Riverside, Calif., a construction worker who had been employed on the new school building in Clarendon is presently in jail at Panhandle, and will be brought before a grand jury in Clarendon some time in October. Burciago is alleged to have broken into three other places in Clarendon, as well as a Lelia Lake grocery store.

## LIONS ROAR

The Lions Club needs very badly to have a directors meeting this week. It is time to begin seriously working on the Cotton Festival, getting committees appointed and plans made. Be sure and come out.

The next meeting of the club will be Thursday night Aug. 31st. This will be the family picnic. It will be a chicken barbecue with Big Henry Moore and his crew doing the barbecuing. The city park will be ready for this event.

Come, bring the family and friends. Just leave your chickens at Moreman Grocery and Locker. One half chicken or more, just whatever you and your friends can eat. The club will furnish everything else except dessert. If you want dessert bring it.

## Public Auction

Apparently the public auction held here last Saturday evening was a success. We are informed that all the merchandise offered was sold.

We did not talk with Mr. Anderson after the auction, but we understand that another auction will be held on Saturday, Sept. 16.

Elba Hickerson of Sunray visited in the Jack Perkins home over the week end.

The Edwin E. Ayers family of Kaufman visited in the F. G. Watt home last week.

## Darnells Observe Golden Wedding

Mr. and Mrs. Roy E. Darnell observed their golden wedding anniversary on Aug. 18 with a dinner party in their honor. Helping them on this happy occasion were their four daughters, Juanita, Pauline, Marie and Avis, also two sons-in-law, H. C. McMahan of Abernathy and O. S. Knowles of Borger, 5 grandchildren and 1 great grandson, 2 sons-in-law being unable to attend, also 4 grandchildren and 3 great-grandchildren. There were four generations represented, which made the occasion a happier one.

The daughters presented their parents with a beautiful gold and white wedding cake with 50 Years engraved on it. They also received lovely gifts and cards from loved ones and friends.

Mr. and Mrs. Darnell have made their home in Hedley almost 23 years, coming here in 1938 and going into the grocery business, but recently retired by selling their store to Mr. Stone on account of Mr. Darnell's health.

Mr. Darnell has resided in Donley County for 58 years, moving here from Alabama when he was a very young man near the age of 14.

## Receives Degree

Billy White of Hedley was among those receiving degrees at the graduation exercises of West Texas at Canyon last Friday.

Mrs. Jay Hunt and Mr. and Mrs. H. E. Darnell visited last week with Mr. and Mrs. Bryan Armstrong at Madisonville and Mr. and Mrs. Bob Allen at Houston.

Terry Scott has returned to her home in Miami, Fla. after visiting with her grandparents, Mr. and Mrs. Alabama Hill.

Mr. and Mrs. R. L. Moffitt and daughter Mary Ellen of Skellytown visited here Tuesday of last week. Sandra Moffitt returned home with them to spend a few days.

Mrs. Kate Hawkins Dalton of Quanah and Mr. and Mrs. Martin Agan of Amarillo spent several days this week with Bud and Eula Curtis.

## School Taxes

The school board of Hedley Independent School District is planning to revise the present tax set-up to some extent. Some property taxes are being raised and some are not, but an effort is being made to have everyone's taxes as nearly equalized as possible. This step has become absolutely necessary, in order to retire some indebtedness of the school district.

Notices of changes have been mailed to the taxpayers involved, and all who desire will have an opportunity to appeal to the equalization board. All taxpayers who wish to discuss the tax situation with the equalization board are invited to meet with the board at the school house in Hedley Wednesday, Aug. 30, between the hours of 8 a. m. and 5 p. m.

## Hedley P.-T. A.

The first meeting of the year for the Hedley PTA was held Monday night at the City Park. Members and their families enjoyed a watermelon feast and visiting together. The informal gathering was for the purpose of getting acquainted.

## Card of Thanks

We wish to take this means of expressing our sincere thanks to our many friends for their expressions of sympathy, the beautiful floral offerings, for all the food and every other kindness shown us.

May God's richest blessings be with each of you.

The family of S. L. Swinney

## Boll Weevils

For the first time some boll weevils have made their appearance in Donley County, says county agent H. M. Breedlove. Spraying has been under way for control methods in the eastern part of the county close to the Collingsworth County line. It takes from three to four sprayings in some cases for control methods. The weather this year has been favorable for the boll weevil and it first made its appearance in the neighborhood of fields close to pastures and areas of heavy foliage close to cotton fields.

A good spray program and pro-

per winter cultivation can be of great help in control and ridding your field of the boll weevil. Climatic conditions must be favorable this far north for the boll weevil and that is just what we have had this year. Farmers are warned to keep a close watch on their cotton fields and to open the small squares and look in blooms for the small white larvae of the boll weevil.

Mrs J. L. Chesser has been in a Memphis hospital for treatment

"DOCTOR KNOWS BEST..."

As American as pumpkin pie is the phrase, "Doctor knows best." We all remember this truism from childhood. Yet, in this enlightened day, some people, relatively few in number, attempt to diagnose and treat their own illnesses — a dangerous practice to say the least. Only your physician is qualified to diagnose and prescribe. When medication is required, our prescription department is equipped to serve your needs.

**The party line  
golden rule**

People on telephone party lines have a daily opportunity to practice the principle of the golden rule.

Sometimes, when you pick up the receiver, you expect the party line to be in use. But your call is delayed only when the party line is tied up for an excessive length of time.

So the best rule for party line users is the golden rule. To put it simply "Do unto your party line neighbor as you would have your party line neighbor do unto you."
