FHA Chapter Hosts Salad Supper

The Hedley FHA members entertained their mothers, next year's incoming freshman girls and their mothers, and other special guests with a salad supper in the school library Monday night, April 2. The meal was prepared by the Homemaking students in their regular classes. The tables were decorated in the Easter theme with miniature chicks and Easter eggs.

The supper was enjoyed by 18 FHA members, the sponsor and 27 guests. After the meal, the group played volley ball in the gymnasium.

1919 Study Club

The 1919 Study Club met in the home of Mrs. Malcolm Glass on March 28 for their regular monthly meeting. Mrs. Mary Harris and Mrs. R. W. Scales were co-hostesses.

The program was on Texas. Mrs. W. W. Wiggins presided in the absence of the president, Mrs. H. H. Hall. After the business session the program was led by Mrs. L. Petty.

The devotional was given by Mrs. O. Moore. Mrs. Joe Miller gave an educational report. Two beautiful numbers on the piano were played by Mrs. Gerald Knight. They were Texas Our Texas and Beautiful Texas. Color slides were shown by Mrs. Roy Jewell of beautiful places she has been in Texas and some of them close to home, the cap rock drives, all very beautiful. The program ended with all singing The Eyes of Texas, accompanied by Mrs. Knight at the piano.

Those present were one guest, Mrs. Knight, and 16 members, Mesdames Omie Simmons, Nettie Miller, Mittie Baker, Vera Petty, Biffie Grace Moreman, Beth Moore, Ethel Kinslow, Pauline Moffitt, Mabel Jones, Leona Taylor, Lola Jewell, Beth Allen, Lila Wiggins, Mary Harris, Essie Mae Scales and the hostess, Ruby Glass.

The delicious plate served at the social hour was enjoyed by all.

Mrs. Elmo Kennedy underwent eye surgery Wednesday of last week at Amarillo. She was brought home Friday and is reported recovering nicely.

Senior Class Play

A nice crowd attended the Senior play last Friday and saw a good performance by the cast. The play, which was coached by Mr. and Mrs. Doyle Messer, was well presented and reflected credit on all concerned. The crowd also enjoyed music by Inelda and Leetta Shields and Darrell Holland before the play began.

Taking part in the play were Carolyn Stephens, Inelda Shields, David Baker, Sara Spalding, Leveta Helms, Susan Cox, Keith Dishman, Tinsley Mullins, James Younger and Gary Alexander.

Mr. Lesley taught at Lewisville high school after his graduation from North Texas State in January, 1961. This year he has been the mathematics teacher and basketball coach at Milford high school. The Milford girls went to the regional tournament at Sherman.

Mrs. Verda Hall has been visiting with the Sam Owens Jr. family at Salina, Kansas.

Fire Calls

The coming of the dial telephone system in Hedley is very nice, but it has created difficulties in reporting fires which have not yet been solved, due to the fact that there is no place in Hedley where there is someone on duty 24 hours a day.

The number for reporting a fire is 856 3221. If you get no answer from this number, it is suggested that you try one of the following: Luther O. Thompson is Fire Chief and his day number is 856-2181 and night number 856 2761. R. M. Saunders is Asst. Chief, day number is 856 2501, night number 856 2801. M. O. Weatherly is Fire Marshal, day number 856 2241, night number 856 2881.

There are also 25 other members of the Hedley Fire Dept., any one of whom can take action if necessary.

Revival Meeting

A revival meeting will begin at the First Baptist Church here next Sunday, April 8, and run through April 15. Rev. Raymond Bowlin, pastor of Avondale Baptist Church of Amarillo, will preach for the revival.

Services will be held daily at 10 a. m. and 7:30 p. m., and the public is cordially invited to attend.

Birthday Luncheon

The Dorcas Sunday School Class honored their teacher, Mrs. W. H. Moffitt, with a surprise birthday luncheon in the home of Mrs. Winfield Mosley Tuesday, March 27, at one o'clock.

After the guests had enjoyed the bountiful luncheon, the honoree served each one a piece of her lovely birthday cake which had centered the table. At this time gifts were presented to her from those present.

Enjoying the occasion with Mrs. Moffitt were the following guests: Mesdames Alva Simmons, Clifford Johnson, Roy Jewell, Ethel Kinslow, Barney Johnson, Otis Owens, Joe Miller, Elva Davis, J. O. Hefner, Cullen Hunsucker, Luther Petty, Frank Murray, Charlie Foster, Cullen Taylor, Jim Baker, Louise Harris and Winfield Mosley.

Milton Foster and family of Richfield, Kansas, visited here last week end.

COMFORT-

Heating

SAFETY, cleanliness and economy are the best-known features of flameless electric heating — so well known, in fact, folks sometimes take for granted that the all-electric Medallion home is the MOST COMFORTABLE, too! Only electricity can heat so evenly, heat so quickly, heat so dependably. When you're buying or building a home, look for the medallion that tells you your home will be "comfort-conditioned" with flameless electricity.
