VOL. 52

HEDLEY, DONLEY COUNTY, TEXAS, APR. 20, 1962

NO. 26

## On All-District Team

In a meeting of the district coaches here Tuesday of last week, the all district team was selected. Six Hedley players were among those chosen.

For the girls, Susan Cox and Sammie Sanders were named on the first team. On the second team was Leveta Helms, and honorable mention was given to Sara Spalding.

For the boys, Joe Darnell and Larry Crump were named on the first team.

## Anderson Appointed

A. W. Anderson has been appointed the Hedley representative on the Greenbelt Water Authority. He takes the place of Ross Springer, who resigned.

## Birthday Party

Mrs. C. R. Hunsucker gave a surprise party on Saturday, April 7, honoring her granddaughter, Catherine Hunsucker, daughter of Mr. and Mrs. Corky Hunsucker, for her birthday.

The Peter Rabbit theme was used for the party. Each child was given a colored egg with her name put on it as she arrived. These were used later for place cards. The group worked puzzles and acted out Peter Rabbit, also played pinning the tail on the rabbit.

The table was centered with Peter Rabbit, and ribbons tied from the rabbit to each place. Favors were Easter puzzles. All enjoyed chocolate ice cream in earth pots topped with flowers, sugar cookies, peanut butter and cream cheese sandwiches, and carrot sticks.

Present were Rosemary Hefner, Sandy Grace, Cindy Griffith, Nancy and Cindy Saunders, Jean, Jane and Kathy Wood, and Sharon and Catherine Hunsucker.

Patsy Hefner assisted Mrs. Hunsucker in serving.

## Card of Thanks

Mrs. R. E. Newman wishes to thank all her many friends for remembering her with gifts, cakes and flowers on her 84th birthday, also for the many visitors during the day.

Mr. and Mrs. Chester Hill and Jimmy of Lefors visited here over the week end.

## Junior Class Play

The Junior Class will present their annual play. They Went Thataway, a western comedy by Pete Williams, in the high school auditorium on Friday evening, April 20.

The play is directed by the Junior sponsor, C. R. DeBord. The action of the entire play takes place in the living room of the Bar B Q ranch somewhere in the Rockies.

The cast includes:  
Charlotte Pelham, owner of the Bar-B Q, Keith Mann  
Lil Bower, her best friend, Jimmy Boliver  
Sheriff Jackson, the law, Rusty Mosley

Freddy Buck, a very funny fellow, Johnny Brown  
Joe Chuckwagon, a noble Redman, Lonnie Darnell

Princess One Blossom, his wife, Jerry Finchum

Elmira Spring, a wealthy tourist, Sammie Sanders.

Waxy, a tired business man, Darrell Holland  
Slug, another, Gene Floyd  
Sue Castle, an incognito celebrity, S A Younger

The Juniors invite everyone to come out and attend this play, have an evening of fun and help the Junior class.

## New Business Here

We are glad to see another new business in Hedley, the Hedley Sporting Goods, located back of Harrison Hall Service Station. The store, operated by Mrs. Andy Anderson, features a full line of fishing equipment, boats, motors, and everything needed to catch fish.

They invite you to come in and inspect their stock.

## In Texaco Station

Windoad Spier has purchased an interest in the Texaco Station on highway 287 in east Hedley, and will actively operate the station.

He invites all customers, old and new to call on him for Texaco products.

The Bill Mathews family visited in Amarillo over the week end.

Mrs. T. J. Cherry visited the Troy Brown family at Vernon last week.

## On The Proposed Depot Closing

A good number of Hedleyans attended a hearing at Clarendon last Wednesday morning on the proposed closing of the Fort Worth and Denver depot in Hedley. Various witnesses were heard, and we understand that a decision will be made later on this matter.

To put in our two cents worth, we feel that closing the Hedley depot would be a decided mistake at this time. Hedleyans and others are at work on two projects, the Greenbelt Dam and the McLean to Hedley road, which would probably make a noticeable difference in the amount of freight traffic here.

We are informed that Fort Worth and Denver officials state, as their reason for the proposed closing of the depot here, that the Hedley depot is losing money. A quite respectable amount of cotton is shipped from the Hedley depot, but since the compress here is not operating the press, it is shipped from here only to Memphis, and the Hedley depot is given credit for only one half of the freight for that distance. However, we are also informed that 80% to 85% of that cotton is again shipped from Memphis, to such points as Houston. If the Hedley depot, as the point of origin, were given credit for such shipments, it would definitely show a profitable operation, not a loss.

We believe that Hedley's present condition and future prospects merit some further study on the part of the Fort Worth and Denver.

## Card of Thanks

I wish to express my sincere thanks to everyone in Hedley for all the years you traded with Sook and me. I have appreciated it very much.

Merylene Sargent

## Suits Wanted

All boys who have Little League and Pony League uniforms are requested to bring them to Rev. Gene Grace.

## County TSTA Meeting

A number of Hedley teachers attended the final meeting for this year of the Donley County unit of the TSTA held Monday night at the school cafeteria in Clarendon. Mack Bush, president, was in charge of the meeting and all enjoyed a nice meal. Dee Williams furnished piano music, and the Clarendon Junior College quartet sang three numbers. Doyle Messer showed a film strip on Civil Defense.

**1962 Feed Grain Program**

Producers who intend to participate in the 1962 Feed Grain Program should keep the following points in mind:

1. Must not be grazed after May 1, 1962
2. No crop may be harvested from diverted acreage in 1962.
3. Diverted acreage must be protected from wind and water erosion by an adequate cover, or by summer fallowing if approved by the County Committee. Acceptable cover crops include perennial or annual grasses, perennial or annual legumes (Remember, Guar is now a "Substitute Crop" and if planted on diverted acreage even as a cover crop such acreage becomes ineligible for payment.)
4. If you wish to be approved to use summer fallowing as a conserving use of diverted acreage it will be necessary for you to make a written request to the County Committee
5. All acreage designated as diverted acreage which is later reclaimed must be devoted to a conserving use and otherwise treated as diverted acreage until such time as it is officially reclaimed.
