NO. 10

Richie-Hinds

Miss Nancy Lou Hinds, daughter of J. S. Hinds of Silverton and the late Mrs. Hinds, and Manning Hayden Richie, son of Mr. and Mrs. E. H. Richie Jr. of Vernon, were united in marriage Saturday evening, Dec. 22, in the First Methodist Church at Silverton. The double ring candlelight ceremony was read by Rev. Weldon Rives, cousin of the bride and pastor of the First Methodist Church at Meadow.

Traditional nuptial selections were given by Miss Gloria Jean Kern, organist, and Billy Don Kern, vocalist, both of Vernon and both cousins of the groom.

The front of the church was covered with greenery intermingled with small candles in hurricane lamps. The double windows were filled with greenery and tiered arrangements of candles in green cut glass goblets. Large white satin bows marked the center aisle pews and completed the window arrangements. Large baskets of stock, gladiola, lily of the valley, and white poinsettias along with white pompom mums centered with Christmas balls completed the floral arrangements. Lighted tapers held in circular and graduated candelabra were placed across the front of the church and on either side.

Maid of honor was Miss Susan Anderson of Silverton. Bridesmaids included Miss Susan Bates of Amarillo, Miss Ann Oberwetter of Pampa, Miss Sharon Riley of Canadian, Miss Judy Hinds of Big Spring, cousin of the bride, and Miss Donna Richie of Vernon, sister of the groom.

All wore floor length gowns of rose satin peau de soie fashioned with sabrina neckline, elbow length sleeves and bell skirts. Their headpieces were flat dior bows of rose satin with bouffant veils of rose illusion. They carried satin muffs covered with pale pink carnations and clusters of sweetheart roses. Satin streamers of pale pink flowed from the muffs and each attendant wore a single strand of pearls.

Best man was Bobby Adams of Amarillo. Groomsmen were Jimmie Jones of Amarillo, Jackie Solomon of Quanah, Johnny Haseloff, Charles Farrar and Dale Van Loh of Vernon. Candlelighters were Don Kendall of College Station and Jimmy Hinds of Big Spring,

both cousins of the bride.

Given in marriage by her father, the bride chose a formal length gown of ivory peau de soie, fashioned with a scalloped sabrina neckline, long tapering sleeves, and a fitted bodice. Deep pleats at hipline emphasized the controlled front panel. Re-embroidered Alencon lace trimmed the bodice and both sides of the skirt. Sprays of lace scattered over the multi-pleated skirt and added interest in the bustled back which ended in a chapel train. From her queen's crown of crystals flowed a three-tiered waist length veil of candlelight silk illusion.

The bride carried a traditional Zeta Tau Alpha white Bible topped with gardenias, lilies of the valley and cream colored phalaenopsis orchids. Showers of gardenia satin streamers tied in love knots flowed from the crescent shaped bouquet. Her only jewelry was a cameo pendant in a sculptured gold mounting, a gift from the bridegroom. She carried out the traditional something old with a handkerchief carried by her great grandmother at her own wedding. She also had something new, borrowed, blue, and a lucky sixpence in her shoe.

A reception was held immediately following the ceremony in the fellowship hall of the church. Mrs. Wanda Davidson of Vernon, sister of the bridegroom, registered the guests. Serving were Mrs. J. N. Kendall of Abilene, Mrs. Rex S. Kendall of Kiileen and Mrs. Barnett Hinds of Big Spring, aunts of the bride, Mrs. Weldon Rives of Meadow, cousin of the bride, Miss Jo Carol Hickox of Phillips, Miss Linda Lanham of Borger and Miss Beth Kemp of Post. Master Daryl Rives and Gary Hinds of Big Spring handed out rice bags to the guests.

The table was laid with a lace cloth over silver brocade, and appointments were in crystal and silver. The three tiered wedding cake was decorated with white and silver wedding bells.

The couple left for a wedding trip to Carlsbad, N. Mex., El Paso for the Sun Carnival, and Mexico. The bride traveled in a beige wool and silk suit trimmed in a large roll collar of mink with otter shoes and a cut velvet bag. Her jewelry was gold and her white satin hat was trimmed in gold and beige illusion. Her corsage was the orchids and gardenias from her bridal bouquet.

After January 1st the couple will be at home at 1220 7th Ave. in Canyon until their new house in Canyon is completed.

The bride graduated from Hedley High School and will receive her B. S. degree from West Texas State College in January. Her sorority is Zeta Tau Alpha. She plans to teach in the Amarillo Public Schools and continue work at W. T. S. C. toward a master's degree.

The bridegroom graduated from Lockett High School and attended Amarillo College, West Texas State College, and Midwestern University. He has completed his military service in the U. S. Marine Corps and is employed by the Hereford Tile and Brick Co. of Amarillo.

Farm Facts

When explorers came to the New World they found the Indians using tobacco in much the same way it is used today. Since that time, tobacco production has spread to many countries.

The United States, however, has long been the leader in tobacco production. Total output in 1960 amounted to more than 8.8 billion pounds, with the U.S. accounting for more than 1.9 billion and China for about 1.3 billion.

India, Russia, Brazil, Turkey, and Japan are among other countries growing large tobacco crops.

North Carolina is by far the largest tobacco producing state. The 1961 crop in the Tarheel State totaled almost 844 million pounds, compared with 391.3 million for Kentucky, 153.4 million for Virginia, 151.8 million for South Carolina, and 137.6 million for Georgia.

Tobacco is native of the Americas.

Cigarettes took 1,212 million of the 1,487 million pounds of leaf tobacco used in the U.S. in 1960. Consumption amounted to 484.4 billion cigarettes, or 3,908 per person (15 years of age and over).

PHARMACY—part of your health team

It is not by chance that your pharmacist has the proper drug ready for you when your physician prescribes it. The American people today enjoy a level of health far higher than ever before, and a large part of it may be attributed to the dramatic advances made by the "health team": pharmacist, physician and prescription drug manufacturer.

We call the complex process by which a drug moves from manufacturer to patient "the miracle of drug distribution." The teamwork of prescription drug manufacturer, drug wholesaler and pharmacist assures that you will receive the medicine you need. This miracle of drug distribution—the fact that the medicine you need is in your community pharmacy when you need it—is just one reason why prescriptions are today's best bargains.
