Vehicle Inspection

According to the records of the Motor Vehicle Inspection Service of the DPS there are 4,325 vehicles registered in Donley County and only 953 or 22 percent of the vehicles have been inspected to date. Due to this low number Captain Alan Johnson suggested that all motorists check their vehicle and see if they have a current 1963 inspection sticker on the windshield and if not to have their vehicle inspected today in order to avoid the last minute rush.

All vehicles coming under the provisions of the Texas Vehicle Inspection Act must secure the 1963 Inspection sticker by April 15, 1963. After that date, vehicles not displaying the new inspection sticker will be operating in violation of the law.

Saunders Garage is the local inspection station.
