Ex-Student Banquet

It is once again time to start making plans for our ex-student banquet. We hope again this year that we will have another large attendance as we have had the past two years. Personal invitations will not be sent out because of added expense and time to the association. It is our greatest desire that each parent will notify their children of the banquet again this year. We feel that possibly we would have a larger attendance if people will consider that this is not a formal affair but a time when friends and former classmates get together and have a big bull session and talk over old times.

A good program is being planned consisting of ex-students. The banquet will be held in the High School Auditorium at 8 p. m. Saturday night, Nov. 30. Once again we want to urge each and every one of Hedley's ex-students to attend this banquet. With the passing of each banquet year there are always a few ex-students who have passed on to their reward. So let's consider visiting with our friends and loved ones while we still have a chance.

If you need further information on the banquet, you can contact Graham Brinsen, Mrs. Leon Doherty or Mrs. Don Springer.

The menu for the banquet will include baked ham, candied sweet potatoes, green beans, relish dish of pickles, stuffed celery and tomatoes, rolls, upside down cake, coffee and tea.

Hedley Mourns

Hedley was a very quiet town Monday as our citizens joined the entire nation in mourning the death of our president, John F. Kennedy. They likewise joined decent people all over the world in condemning the foul and monstrous crime which took his life.

The Hedley schools were closed, memorial services were held, and almost every business in town closed for at least a part of the day.

The shock of President Kennedy's passing in such a way will remain for a long time to come.

Annual Bull Sale

The Rolling Plains Registered Beef Cattle Association will hold its 5th annual bull sale in Clarendon on Dec 4 at 12:30 p. m. at the fair building. Walter Britten will be the auctioneer. 82 bulls will be offered for sale, featuring top blood lines, good beef producing bulls and good herd bull prospects. There will be 54 Herefords, 18 Galloways and 10 Angus bulls in the sale.

The new sales arena is heated and you will be comfortable regardless of the weather. If you wish to come by plane, you can land at the city-county airport, buzz the fair building and a car will meet you. Those wishing a catalog in advance of the sale can write to H. M. Breedlove, Secretary and Manager, Clarendon.

Hedley Cafe Sold

Mr. and Mrs. Jack Hoggard have bought the Hedley Cafe from the Hansards, and assumed management Monday of this week. They invite all their friends as well as former customers of the cafe to call on them.

Christmas is just around the corner. The Lions should see that the town is properly lighted and decorated for this occasion and especially the arrival of Santa Claus Dec 21st. This event, annually sponsored by the Hedley Fire Dept., should have the full cooperation and help of every one in the community.

The Homes Lee Morgan home was completely destroyed by fire of unknown origin Tuesday morning. The Hedley Civil Defense unit made the run to the fire, but it was discovered too late for fire fighting to do any good. Both the house and contents were a total loss.

The price will be \$1.25 for adults and 75¢ for all under 12 years. Come out and enjoy a good meal and help your school.

Plant**

Today, because of aggressive leadership, this Texas Panhandle town boasts an active new textile plant making sheets for national distribution. What is more important, the plant's parent company is the world's largest manufacturer of textiles using all known fibers.

This new industry is the Hall Plant of Postex Cotton Mills, a unit of Burlington Industries, Inc. It is designed to have in excess of 100 employees, mostly women, and is an important

addition to the economy of this 3500 population community. It is another reason we say big things are happening in General Telephone towns.

These towns are on the move. Community improvements are under way, local resources are being developed, new businesses, new industries are coming in. If your town seeks additional information about expansion, perhaps we can help. Just write our Community Development Department, Box 1001, San Angelo, Texas.

Cotton Vote Choices Defined

All farmers who engaged in the production of upland cotton in 1963 are eligible to vote in the Dec 10 cotton referendum. The basic program choices are:

1. If at least two-thirds of the growers who vote in the referendum approve of quotas, then the quotas will be in effect for the 1964 upland cotton crop, marketing penalties will apply to any 'excess' cotton produced on a farm, and price support at a level within the range of 65 to 90 percent of parity will be available to farmers who comply with their farm acreage allotments.

2. On the other hand, if more than one-third of the growers who vote oppose the quotas, then there will be no quotas and no penalties applicable to the 1964 upland cotton crop, and price support to farmers who comply with their farm acreage allotments will be available at 50% of parity, as directed by law.

Allotments are not affected by the outcome of the balloting. They will remain in effect whether or not quotas are approved, as a means of determining eligibility for the available price support.

Mr and Mrs. Kenneth Housden announce the arrival on Nov. 13 of a fine little son, weight 7 lbs. 2 oz., who has been named Ricky Lynn.

Week end visitors in the Clifford Johnson home were Mrs. Charles N. Johnson and children of Matarador and Mr. and Mrs. T. R. East-erling Jr. and son of Vernon

A Request

The First Baptist Church requests that those using their parking lot to turn around not "Dig Out" on it. This throws the gravel against the building causing damage to the windows. Many of the windows have already been damaged and must be replaced. You are welcome to use the parking lot to turn in, but please do not "Dig Out" on it.
