VOL. 54

HEDLEY, DONLEY COUNTY, TEXAS, JAN. 17, 1964

NO. 13

## Charles L. Reynolds Announces Candidacy For District Judge

Charles L. Reynolds, County Attorney of Childress County, who previously had announced his candidacy for the office of district attorney, withdrew his announcement this week, and has authorized the Hedley Informer to announce his candidacy for the office of District Judge. In making this announcement, Mr. Reynolds stated:

"When I announced my candidacy for the office of district attorney two weeks ago, I keenly anticipated the possibility of serving as your district attorney in Judge Gribble's court, but the unfortunate death last week of Judge Gribble necessitated this change in my plans. Being 42 years old, I am mature enough to assume the duties of the district judge, and my 13 years of administrative experience as an executive officer in veterans affairs, and, after graduation from Southern Methodist University School of law, my more than 10 years of legal experience, trying all types of cases in our state courts, particularly in district courts, well qualifies me for the office of district judge.

"Since this district is composed of five counties I may not be able to visit with each of you personally prior to the primary election, but I would like to suggest to those of you who do not know me that, before you cast your vote, you consult with your personal attorney concerning my qualifications, character and integrity."

## School Census

The school census is now under way. Any parent who has a child that will be six by the first of September is requested to see Kenneth Sams, Jack Webster or one of the teachers, as the school needs to get a complete census blank for each of these students.

## Card of Thanks

I wish to thank the Hedley Fire Dept. for the fine work they did in the fire at my home. I also wish to thank Mr. and Mrs. H. Mobley for sharing their home with me. I appreciated everything very much.  
Hazel Coursey

## Greenbelt Dam

Clifford Johnson, local director, attended the meeting of the Greenbelt Water Authority in Childress last Tuesday night.

Business transacted included the hiring of Wm. J. Lowe of Clarendon as the local attorney for the Authority. Resignation of Kenneth Tooley of Paducah, who was Secretary and Treasurer was accepted. Paducah is not in the authority at present.

J. Merl Kincaid was accepted as Crowell's director, who are now a member of the Authority. Carroll Knorpp of Clarendon was elected treasurer and Wm. J. Lowe of Clarendon was elected secretary.

The first meeting in Austin will be with the Texas Water Development Board, at which time the authority's application for a loan of approximately 10 million dollars will be acted upon. The directors, bondmen, attorneys and engineers will attend this meeting. It will be held the afternoon of Jan. 23 and morning of the 24th.

The next meeting and we hope the last meeting will be held with the Texas Water Commission at Austin on Feb. 12. This will be to change the authority's rights on the river water from the old site to the present site and to Lake Creek. The directors would like to have large delegations from each of the member cities attend this meeting. While opposition is not expected there could be some from other sources. Any litigation might delay the project for six months.

## First Baptist Church

There will be a note burning service at the First Baptist Church next Sunday night, Jan. 19, at which time the parsonage note will be burned.

## Card of Thanks

I want to take this means to thank all our friends who have been so good to visit us while I was in the hospital and who sent all the cards.

We really enjoyed each visit and card.

Mr. and Mrs. Marshall Stone

C. N. Hill of Sunray visited here last Friday.

Sidney Dodson visited here last week end from Muskogee, Okla.

## Mrs. S. C. Bell

A long time resident of this area, Mrs. Willie Elizabeth Bell, 75, was found dead in her home at Sunray last Thursday. Funeral services were held Saturday morning in the First Baptist Church at Sunray by Rev. M. G. Upton. Graveside services and burial were in the Clarendon cemetery.

Mrs. Bell was born July 26, 1888 in Alabama. She was a resident of Hedley and Clarendon for many years before moving to Sunray about six years ago.

She is survived by five sons, C. H. of Panhandle, Shelby C. of Clarendon, Eugene of Fritch, Kenneth of Borger and Billy Ray of Sunray; six daughters, Mrs. Sam Owens of Hedley, Mrs. Beatrice Long of Riverside, Calif., Mrs. W. G. Holland of Plainview, Mrs. Elbert Bain of Huntington Park, Calif., Mrs. Leo Holland and Mrs. Ben Howard of Sunray; two brothers, Andrew and George Sego of Haskell; 51 grandchildren and 55 great-grandchildren.

## LIONS ROAR

This week there will be a meeting of the officers and directors at the Lions Den. Several items of business will come up. All members of the club are invited to attend, especially those who missed last week's meeting. Come early and you might get to go home early. The FFA team handled two pages of business in 28 minutes.

Next Thursday night the Hedley High School Basketball team and Coach Jack Webster will be the guests of the club. We hope to have the girls team at a later date. Maybe it will be after they win the District Championship.

Last week's program by Lion Doyle Messer and his state runner up FFA Conducting team gave us one of the best if not the best programs we have ever had. It is very unfortunate that only about 30 Lions were able to enjoy it.

Don't forget the Lions ladies night Thursday night at 7:30 p. m. Jan. 30. There will be no charge for the ladies but your husbands and other guests will be charged \$1.00 a plate. Dr. Leon Hill of Amarillo will be the speaker.

Supt. Kenneth Sams attended a meeting of school administrators at Austin last week.

## Truett Behrens Announces Candidacy For Sheriff, Tax Assessor-Collector

I have authorized the Informer to announce my candidacy for reelection as Sheriff, Tax Assessor and Collector of Donley County, subject to the Democratic primaries in May.

I have appreciated your cooperation in the past, and sincerely solicit your influence and support in the coming election.

Truett Behrens

## Judge Luther Gribble

Judge Luther E. Gribble, 72, District Judge of the 100th Judicial District, died suddenly in Panhandle Wednesday, Jan. 8. He had been presiding at a regular session of district court.

Funeral services were held Saturday in the First Methodist Church at Wellington, with burial in the Wellington cemetery.

Judge Gribble was in his 19th year as district judge of the 100th Judicial District. He was in his 17th year as presiding judge of the 9th Administrative Judicial District comprising 43 counties in the Panhandle and South Plains.

He was born in Wellington Dec. 12, 1891 and attended Clarendon College and Southwestern University at Georgetown. He taught school for several years before beginning the practice of law.

## Fire Dept. Meeting

All Fire Dept. members who miss the next meeting on Monday night, Jan. 20, are warned that they will miss a treat.

## Card of Thanks

I wish to express my sincere thanks to everyone for their cards while I was in the hospital and their visits since I came home. I appreciated everything very much.

**READ! THE TRUE FACTS:  
 WHY SOME WOMEN  
 LOOK YOUNG AT 50  
 WHILE OTHERS LOOK OLD AT 35**

by Helena Rubinstein  
 Creator of Ultra Feminine, the unique face cream that reduces lines and wrinkles due to dryness, starts you looking younger today.

Just as some girls reach adolescence at 12, others at 14 or later, you and I know that women show signs of age at different times. Some begin to age as early as 35, while others seem forever young. It depends greatly on individual skin and body chemistry, and each woman's supply of estrogen and progesterone, natural substances plentiful in youth, but diminished in later years. (See chart.)

substances, estrogen and progesterone, in a face cream. Ultra Feminine® is the only face cream that contains both of these female requisites. These substances cannot be stored by your skin, so results depend on daily use. Ultra Feminine works within the skin...gives a daily replenishment of estrogen and progesterone. When you use Ultra Feminine regularly oil glands produce at a more youthful rate! Skin cells can hold maximum moisture! You will find that lines and wrinkles due to loss of oil and moisture are reduced! The skin's surface becomes soft, smooth; younger skin tone is restored. Yes, your skin looks younger! No other face cream, no matter how high-priced, can make these claims for effectiveness. If you are 35 or older, I recommend that you begin Ultra Feminine treatment for your skin now! And I make this Guarantee: Use it faithfully for 30 days. Your skin must look younger, or your money back.

**ONCE-A-YEAR SALE**

Now—because Helena Rubinstein believes that Ultra Feminine® is her greatest cosmetic achievement—she makes this special offer to introduce it to more women. Your first jar will convince you that you can look younger! Use Ultra Feminine every night!

**Vehicle Inspection**

Austin—The director of the Texas Department of Public Safety, Col. Homer Garrison Jr., today reminded Texas vehicle owners that the 1964 vehicle inspection deadline will soon be upon them.

He reported that some 60 per cent of the allotted inspection period has elapsed and only 20 per cent of the vehicles have been inspected.

"If this trend continues, vehicle owners can expect to have to wait in line in order to get their vehicles inspected by the April 15 deadline," he said.

Jimmie's Garage is the local inspection station.
