

# Petition Asks Dust Control

By J. Vernon Stewart

A petition calling for a city ordinance that would force all businesses in the city limits of Bovina to control the dust, trash, paper, ect. caused by their business operations is currently being circulated.

W. L. Blackstone, owner of Sands Motel on Highway 60, says an overwhelming percentage of persons contacted about the petition have been in favor

of such an ordinance. At present, the list of signees numbers about 50.

The main thing the petition aims at is the control of dust from grain elevators that pours a steady stream of dirt and chaff out of the grain bins into the atmosphere.

"While this is the main purpose of the petition, it also seeks to outlaw careless handling of trash and rubbish by

all business," according to Blackstone.

"I am for anything that is good for Bovina and against anything that is bad for the town," Blackstone said. "So far the response has been very good. Practically everyone I've contacted has wished me luck and said they were in favor of such an ordinance although some did not sign the petition."

"Signers are certainly appreciated. I am disappointed in

those persons who refused to sign and feel that they refused to make an improvement of a bad situation," Blackstone continued.

Blackstone said he contacted one elevator owner who said he (the owner) was completely in favor of improving the situation but didn't know of a method for controlling the dust.

Blackstone said that a former mayor of Hereford told him that

the City of Hereford stopped its bad dust situation while he was mayor.

"This was what started my drive to control the dust," Blackstone said.

Four elevators are located in Bovina city limits, all are on or near Highway 60.

"If some action can't be accomplished by the petition method," Blackstone said, "I planned to ask health authorities to investigate the situation."

"I have been told that the number of sinus conditions in Bovina could possibly be reduced by about one per family if the dust were controlled," Blackstone said.

Blackstone emphasized that while elevator dust control is the most important issue contained in the petition, control of other wastes from businesses are included.

"I plan to place a copy of

the petition in city hall where interested citizens and property holders will have the opportunity to sign it," Blackstone said.

TO THE HONORABLE MAYOR AND CITY COUNCILMEN OF BOVINA TEXAS. GREETING,

WE THE UNDERSIGNED, QUALIFIED VOTERS AND PROPERTY OWNERS IN THE

CITY LIMITS OF BOVINA, TEXAS DO PETITION SAID PASS A CITY ORDINANCE, CAUSING IT TO BE A FINE-ABLE OFFENSE FOR ANY GRAIN ELEVATOR OR OTHER BUSINESS TO OPERATE WITHIN THE CITY LIMITS OF BOVINA, TEXAS AND NOT CONTROL THE DUST, TRASH PAPER & ETC. CAUSED BY THEIR BUSINESS OPERATION, SIGNES.

IF IT'S NEWS IN BOVINA, YOU'LL FIND IT IN THE BLADE

THE NEWSPAPER THAT WORKS FOR A BIGGER, BETTER BOVINA

WEDNESDAY, OCTOBER 21, 1959

BOVINA, TEXAS

VOL. V, NO. 18

### WHITTLIN'

BY DOLPH MOTEN

A rash of minor accidents has popped up in the past 10 days. The situation is much worse than usual, seems to us.

Construction work on Highway 60 and the fact that grain trucks are on the move are the reasons we figure for the automobile mishaps.

Maybe those which have happened will encourage the rest of us to be more careful?

As of January 1, 1960, there will be a change in the way you are charged for car insurance. So, good drivers will pay less money for their insurance; while others, whose records are spotty, will pay more money than they are paying now.

We understand insurance agencies nor companies are in favor of the new set-up. However, the rules were handed down from the state governing body so that's the way it will be. Accidents and traffic tickets over the past three years will count against your record and will make your insurance rates higher.

The new plan will make a lot of people happy, but it will make more unhappy.

One reason we feel this is worthy of mention is that we feel the long-range effect of the program will be good. It will encourage drivers to be more careful than ever about their driving. Because, if they become careless and get a ticket, they will realize that ticket may make them pay more money for insurance for the next three years! Not to mention the money the ticket itself will cost.

From a selfish standpoint, we're against the new insurance rate system--some folks have better driving records than we do, but from an overall standpoint, we think it will make driving, and traveling by auto, a safer occupation. You'll be hearing a lot more about the merit system insurance plan between now and the time your present insurance policy expires.

\*\*\*\*\*  
Bovina's Mustangs took another flooring right hook to the chin Friday night from lowly Hart, 20-0. It wasn't the best of shows for a Homecoming crowd.

At that, though, the Mustangs didn't disappoint us any worse than our Fightin' Texas Aggies who went to Fort Worth for something and while they were there lost a gridiron contest to TCU's Horned Frogs.

What makes that Aggie defeat worse from our standpoint is that Postmaster Gene Ezell, who probably knows as little about football as anybody's postmaster, told us prior to the game that it would end in a tie. Since that time, he has pointed out to us on numerous occasions the accuracy of his prediction.

See if those same Aggies don't just rip Baylor's Bears apart at the seams this week. Why, incidentally, in a good Baptist town like Bovina, don't we have more Baylor University supporters. We know why--they haven't had a winning team in years. Shucks, folks, you can't stop backing your team just because it doesn't win. However, we don't know any better reason for not backing it.

Speaking about Southwest Conference football, Vern's Views, (Continued on page 6)

### PTA AND LIONS--

## Joint Meeting Tomorrow

Bovina Parent-Teacher Association and Lions Club will have a joint meeting tomorrow (Thursday) night.

Speaker will be Dr. John Freeman, associate professor of psychology at Wayland Baptist College, Plainview.

Dr. Freeman's work at Wayland deals with para-psychology. He has been a member of the faculty there since 1955.

This is his second trip to Bovina. He spoke here a year ago. In addition to the two groups

### Band Parents Meet Monday

Newly-organized Band Parents will have its second meeting Monday night at 8 in school cafeteria, Mrs. Eddie Redden announces.

The group will hear a report from a committee which met with the school board regarding a band program in Bovina Schools.

Everyone interested in a band program is asked to be present.

### Funeral Here For Mrs. Ricks

Funeral service for Mrs. Jessie Ricks, 57, resident of Bovina area for about a year, were conducted October 10 at First Baptist Church in Bovina.

Mrs. Ricks died at Parmer County Community Hospital October 7 after a brief illness.

Rev. Carl Lamb, supply pastor of the church, officiated. He was assisted by Rev. Davis Edens, pastor of Bovina Methodist Church. Interment was in Friona Cemetery, Claborn Funeral Home, Friona, was in charge of arrangements.

### Vegetable Shed Being Considered

A second vegetable shed is being considered for Bovina. A representative of American Fruit Growers Co. spoke to a group of interested farmers Thursday night in American Legion Hall.

Though nothing was definitely decided, the company is considering putting in a second packing shed in this community, which is growing in prominence as a produce center.

American Fruit Growers is reported to be one of the largest packers of produce and citrus in the nation.

Interested individuals here expect to have a report from the company about their plans for Bovina in the next few days.

### WEATHER

BY WILLIE

Sunshine is the order of the day, but cooler part of the week. Showers may develop latter part of the week or the first part of next--light showers only.

-- Willie

### MONDAY NIGHT--

## B' ball Begins; Fillies Win

The 1959-60 Bovina High School basketball season got off to a winning start Monday night against Amherst.

Both A and B squads of Bovina Fillies won their opening games, 28-22 in the A game and 37-23 in the B game.

Marilyn Brandon and Vickie Strawn vied for high point honors in the B game with seven points each and were closely followed by Kay Looney, Glenda Cruse and Verna Marie Estes each with six points. Eileen Williams, Charlotte Hromas and Linda Gilreath were the guards who kept the Amherst forwards to a scoring minimum.

In the A game, top scoring honors went to Cynthia Patterson with a total of 12 points followed closely by Judy Roach with 10 points. The guards who did most of the defensive work in this game were Janice Leake, Brenda Jones, Myrna Downs

and Patsy Richards.

The Fillies will return the game with the Amherst team Monday night in the Amherst school gym.

## Lubbock Man New Justice

A new chief justice of the Seventh Court of Civil Appeals, which serves this county and 45 others in the Panhandle and South Plains areas, was officially sworn in at Amarillo recently.

He is Chief Justice James G. Denton, for the past six years judge of the 99th District Court at Lubbock.

Governor Price Daniel named Denton for the appellate post to replace Chief Justice E. L.

### AT HOMECOMING--

## Joy Redden Chosen Queen; Lorenz Hero

THE QUEEN AND THE HERO--John Lorenz (No. 60) and Joy Redden (with bouquet) over their awards after being named Football Hero and Homecoming Queen during halftime ceremonies at the Hart game. At left is Myrna Downs, at right are Jerry Barron and Sue Estes.

Joy Redden, daughter of Mr. and Mrs. Eddie Redden was named Homecoming Queen for 1959 during halftime ceremonies at last Friday night's football game.

Miss Redden, a senior in Bovina High School, was elected by the football players who voted during halftime intermission.

Four candidates were named by the football squad two weeks ago. Chosen were Marilyn Brandon, sophomore; Judy Roach, junior; Suezzy Estes, senior, and Miss Redden.

Miss Redden is head cheerleader this year and a member of FHA. In 1957 she was named the most beautiful girl in Bovina High School.

A second part of Homecoming activities was the naming of John Lorenz as Football Hero. Lorenz received the honor from Myrna Downs who presented it on behalf of the pep squad.

The game was also designated as Parents' Night. Parents of football players wore the number which corresponded with their sons'.

HOOP-BUSTERS--Jerry Barron and Roger Ezell (partly obscured), Mustang captains burst through the traditional homecoming hoop and lead the team on to the field to battle the Hart Longhorns.

### IN HOME FINALE--

## High Riding Cowboys Meet Inept Mustangs

The joyful Happy Cowboys, sporting eight wins without a defeat, roar into town Friday night to do battle with Bovina's seemingly inept Mustangs.

The Cowboys are rated at the top of Class B in the South Plains and Panhandle area. They added their eighth victory of the season last week with a 32-0 slaughter of the Vega Longhorns, for their first District 2-B win.

The Cowboys are top heavy favorites to repeat as district champions.

According to Coach Bob Wills, who heard a scouting report of the Happy win over

Vega, the Cowboys fully deserve their top rating.

"They have a line that will average some 184 pounds per man. Some of their 'little' boys are about the size of our biggest players," Wills said.

"Their tackles weigh in at 215 and 210 and their center in a 220 pounder," the coach continued.

Wills said the Cowboy defensive unit contains four players who weigh over 200 pounds plus two 190 pound players.

To go with this weight, the Cowboys have two fast backs," Wills said.

The Happy backfield is well-

balanced with halfback Vincent Venhaus leading the scoring. Fullback Ronnie Johnson, halfback Darrell Bove and quarterback Bob Frost have also scored frequently this season.

One of Happy's wins was a 12-6 decision over a strong Kress crew. Kress, of Class A, beat a highly-touted Farwell team last week, 20-18. Farwell beat the Mustangs 35-12 in the Ponies' first game of the season.

Happy will be the final home game of the season. Vega and Lazbuddie will host the Mustangs.

### Fined In JP Court

Initial court costs of \$16.50 were paid by several people in JP court here in the past several weeks.

Joe Weldon Jones was fined September 27 for operating a car on a public highway without drivers' license. The same violation was charged to Ormando Garcia Delfarro and Andres Loren Cruze, Edward Efan and Pete Quiraga were both charged with not having the proper license on September 28.

Vidal Vargas was fined for failing to yield at stop sign on October 5. Elmer Q. Billingslea paid the initial fine on October 14 for driving on left of road.

### TOUR CAVERNS WITH SONS

Mrs. D. C. Looney and Mrs. Marion Carson took their five boys to Carlsbad Caverns Saturday. They witnessed the flying of bats Saturday evening and took a tour through the caverns Sunday.

On the trip home, they drove by Roswell and viewed the bottomless lakes. The five boys, Richard, Allen Dale, and Gary Carson and Craton and R. D. Looney led their mothers a merry chase, according to Mrs. Looney.

city court were Boyd Maxwell Gilreath on October 4 in the amount of \$10 for running stop sign. William Ferish was fined \$15 for excessive noise October 7. October 18, Elvyn V. Hartman was fined \$10 for driving in wrong lane of highway.

### Announce Parsonage Opening

Formal opening of the newly constructed Methodist parsonage will be Sunday afternoon. Calling hours will be 3 to 5 p. m.

Here in connection with the opening will be two former pastors. Rev. Oscar Bruce will preach at morning services and Rev. W. R. Beard will be in charge of the evening service.

 The combination of properties -- pleasing appearance, durability, strength, corrosion-resistance and heat-resistance -- makes the nickel-containing stainless steels one of the most versatile groups of alloys.

### HART WINS, 20-0-

# Longhorns Smother Hapless Mustangs

Hart's supposedly mediocre Longhorns looked like champions Friday night compared to the nose-diving Bovina Mustangs and gave the Ponies a thorough lesson in football fundamentals while marching for a 20-0 win.

The battle raged on near even terms in the first half with the Longhorns owning a 6-0 lead at intermission as a result of a 29-yard off tackle dash by Hart's Conrad Riddles.

The Longhorns had 106 yards rushing to 103 for the Mustangs and first downs were even at four each. But for the third

week in a row, the Mustangs left their punch in the field house at halftime and found themselves completely out-matched in the second half.

The Mustangs most serious scoring threat came deep in the second period. They took possession on their own 17 and with 24 yard pass from Don

Caldwell to Jon in Riddle combining with good gains on the ground by Jerry Barron and Riddle, were able to drive to the Hart 25.

Hart recovered a Mustang fumble to squelch the drive. They then moved the ball to near mid-field before punting. The Mustangs were given

an excellent scoring opportunity in the third quarter when Delbert Hall crashed through the Longhorn line and blocked a punt near the Longhorn 20.

The Mustangs kept the ball three plays before a fourth down pass attempt was intercepted by Riddles.

The second Hart score came in the fourth quarter. Quarterback Larry Lee sneaked over from the one. Lee set up the score with a 16-yard dash.

Hart back Gene Varner ran for the extra points giving the Longhorns a 14-0 lead.

The final Hart touchdown came shortly before the game ended with Varner breaking loose for 74 yards. He was through the line quickly and outran the secondary for the games' most spectacular play.

The second unit, composed mostly of freshmen played the last few minutes of the game and quarterback Don Cumpton, who is the Mustangs top pass receiver, did some throwing of his own and hit Freshmen Backs Rocky Barber and Joe Jones for 11 and 15 yards respectively.

The end came as Cumpton gained some 10 yards on a keeper.

The Mustangs managed 189 yards total offense compared to a mighty 380 for the Longhorns. The only department Bovina led in was passing.

Quarterbacks Caldwell and Cumpton completed 5 of 13 attempts for 80 yards. Hart had one completion for 20 yards out of 4 tries.

The loss leaves the Mustangs with a 1-5 season record and an 0-1 conference record. Hart now has a 3-4 season record and is 1-0 in conference play. The Mustangs have scored one touchdown in their last four contests. They are now in the throes of a four game losing streak.

So far this season, Mustang opponents have scored 97 points while the Ponies have managed 48.

## Bootlegging, Bad Checks Draw Fines

Bootlegging and bad checks got two colored men into trouble with the county law over the weekend.

David Dawkins, 23, a laborer on a farm north of Farwell, was charged with and pled guilty to selling intoxicants. He appeared before Judge Loyde Brewer in county court Monday morning and was fined \$100 and costs for the offense.

Dawkins was picked up by Sheriff Chas. Lovelace and Henry Minter, Bovina deputy, at the farm home about 2 a. m. Sunday. The officers searched his home and found him in pos-

session of about a half a case of wine at the time. This was the first time Dawkins had been arrested, but he has been under suspicion for bootlegging activities for some time.

Larry Lewis, 28, who gives Houston as his home but who has been working around Farwell on construction jobs, pled guilty to a charge of passing worthless checks.

He gave four checks to two Farwell businesses--Bill Moss Service Station and City Cafe--for a total of \$90. Three checks were for \$20 each and one was for \$30.

These checks were not forged, but were worthless, and so the offense was classified as a misdemeanor. (Had he written them on another person's account, the offense would have been forgery and the case would have gone to district court as a felony.)

Lewis appeared before Judge Brewer Monday morning and was fined \$1 and costs for each of the four instruments he passed last week. Court costs run about \$23, so his fine total will run around \$100.

He agreed to make good the checks.

Lewis was picked up in Farwell by the sheriff's department.

The sheriff's department helped the Highway Patrol investigate a wreck near the Lester Norton farm on Highway 60 Sunday afternoon, between Farwell and Bovina.

Jerry Ellison and his wife, riding in a passenger car, collided with a pickup driven by Lexie Branscum. The pickup was turning left from the highway as the Ellisons attempted to pass.

The vehicles were damaged extensively as they spun out of control on the loose new pavement gravel. No serious injuries resulted.

It is really a challenge to your memory and I'm afraid my mind will be blank many times before we become acquainted. Give us a little time. We are excited about the prospects of new friendships and renewing a few old friendships with Bovina residents we already know.

Working as Dolph's "soc editor" will help this business of "Getting To Know You" along much faster.

### WMU Has Study

"Missions in the Old Testament" was the title of the program presented at WMU meeting Wednesday evening at First Baptist Church.

Other topics on the program were "God's Decree of Trust to Abraham," "Though Your Sins Be Scarlet," "And God Said Tell All the Nations."

Those present were Mrs. Bobby Englant, Mrs. Sid Thomas, Mrs. T. S. Fox, Mrs. Mary Ruth Martin, Mrs. Vernon Ward, Mrs. J. W. Gooch, Mrs. Ovid Lawlis, Mrs. P. A. Adams, Mrs. Ed Hutto, Mrs. Porter Bradley, Mrs. H. N. Turner, Mrs. John Sikes, Mrs. Glen Kelly, and Mrs. James Sherrill.

### Wandering with Waneen

by Waneen Ragsdale

As a new resident in Bovina we have been made to feel much at home in the very first week. We never imagined you would be so friendly and helpful.

We (my husband, Mack, and three daughters, Patti, Rhonda, and Lesia; and boxer puppy, Pug) moved here last Monday from the "far distant" city of Muleshoe.

Patti and Rhonda were enrolled in the fourth and second grades on Wednesday. I was impressed with the nice appearance of the school building and also the thoughtfulness of the teachers.

Wasn't much worried about Patti (the bold one) but Rhonda looked so small and shy when I left her sitting in the back row of the second grade classroom. Could hardly wait until 3 to see how she made out on her first day among complete strangers.

By 3:25 I was frantic and started out walking toward school to try and find her. Met her a block from home - she was playing with a new friend on the way home. School was GREAT!

Patti arrived home shortly after 4 with a loud bang of the back door and "That teacher makes me so mad! FOUR pages of homework in arithmetic!" (She was behind and needed to catch up, we found out later.) The classmates were "real nice," the lunch was good and she thought she would like school in Bovina - IF she didn't have so much homework. Isn't that just too typical of a nine year old?

Have hardly seen my "farmer husband" since last Wednesday when the grain became dry enough to combine. Maybe by Christmas all the crops will be gathered and we will have his companionship again for the holiday season. It's a happy thought, anyway. He came in home dusty and tired on Thursday evening in time to be introduced to our visiting Methodist pastor, Rev. Davis Edens.

We learned Friday night that Bovina plays football about like they do in Muleshoe (who also comes out in second place.)

The girls had such a good time Saturday - riding their bicycles and exploring the

# Vern's Views

by J. Vernon Stewart

Good old Southwest Conference lived up to its reputation as the most unpredictable conference in the nation last weekend. An extra point in Arkansas was the only thing that kept the circuit from doing a genuine flip-over.

Lowly Rice, whom most observers thought would be a push-over for the mighty SMU Ponies, held the highly touted Mustangs to a 13-13 tie.

TCU had been losing respect until Saturday because of offensive ineptness. Suddenly, the Frogs were an offensive terror, racking the Aggies, 39-6 for the biggest point total compiled by any SWC team this season.

Another upset almost occurred up in the Ozarks but a Texas extra point gave the Longhorns a victory. Arkansas, ranked 12th in the nation before the contest, is always a pesky competitor at home in the hills, but even so, the Longhorns were expected to keep their undefeated record. They did but certainly by no comfortable margin.

Next week, odd appearing predictions will be published around the circuit. Some of the oddest ones may come true.

The Picadors took a giant stride toward erasing the bad impression they made in their season opener with a 28-9 victory over Hardin-Simmons University B-team last week.

Although they still have some rough edges, as most freshmen teams do, the Picadors have some players who should really blossom under varsity conditions.

Johnny Lovelace, 212-pound quarterback from Farwell, was nearly the whole show at Abilene with passes and runs that were consistent and outstanding.

In the 12-20 loss to North Texas, Lovelace was again nearly the whole show but that show wasn't good. He fumbled a ball into the end zone for the Eagles' first score and seemed to have the first-game jitters throughout the contest.

Raider coaches didn't expect the former all-stater to stay in a slump long.

The Raiders ran out of gas against Baylor. The big question now is can they refuel themselves with the drive and desire that carried them through the first four games.

The going gets extremely rugged Saturday when Tech meets Southern Methodist. The Ponies didn't do well against Rice and they will be out for self redemption.

Two of the top passing teams in the Southwest will clash and the results should be something well worth watching. Don't bet your coat on this -- SMU 21 - Tech 16 -- winter is near.

## Mrs. Jerry Ellison Honored With Bridal Shower

Mrs. Jerry Ellison, nee Miss Douise McCormick, was honored with a bridal shower Thursday afternoon in the home of Mrs. Louelle Foster.

Mrs. Ellison was attended by her mother, Mrs. A. R. McCormick, and the groom's mother, Mrs. H. D. Ellison. They were presented with corsages of fall flowers.

The serving table was graced with a fall flower arrangement. Refreshments of cookies and punch were served to guests.

Attending were Mrs. Wanda Williams, Mrs. Troy Christian,

## Bovina W. S. C. S. Are Guests Of Polk St. Circle

Eighteen members of WSCS of Bovina Methodist Church in Amarillo last Wednesday. During the morning, ladies viewed Polk Street Church building and toured Wesley Community Center, which is the pride of Amarillo WSCS. This Center is located in the Latin American section of Amarillo.

Present activities at the center include three groups for boys and three for girls. Each group meets one afternoon a week, after school, and has a grand time combining work and play.

## Widows Club Has Luncheon With Mrs. Ezell

Mrs. Della Ezell was hostess for the October 14 meeting of Bovina Widows' Club. Each member brought a covered dish for luncheon.

Mrs. Pearl Hastings was in charge of the program, which consisted of games such as "Winning Words," "A Short-hand Bee," "Famous Names in Pantomime," and "Whistle Fun."

Ten members were present-- Mesdames Lillian Wheeler, Maidee Brown, Ida McSpadden, Bessie Caldwell, Margaret Caldwell, Pearl Hastings, and Misses Loula Smith, Ellen Remnsnider, Rita Caldwell, and the hostess.

Next meeting of the club will be November 19. Place for the get-together is undecided as yet.

## Music Climbers Meet

Davela Edens, president of Music Climbers Club, presided at the regular meeting in the home of Mrs. Margaret Caldwell Friday afternoon. Miss Edens also was a high scorer in a musical comic man game which was played.

Piano solos were played by Micky Ellison, Linda Osborne, Linda Hempke, and Karen Bell. The group enjoyed playing rhythm games which were followed by refreshments.

Those present were Davela Edens, Karen Bell, Linda Osborne, Linda Hempke, Lee Terry, Larry Glenn Mitchell, and Micky Ellison.

## Methodist Groups In Joint Meeting

A joint meeting of Ruth Circle of Oklahoma Lane Methodist Church and Fellowship Circle of Bovina Methodist Church met last Friday in the parlor of the Bovina Church.

The Ruth Circle presented the program, an interpretation of the first psalm. Mrs. Troy Christian sang two solos and Mrs. Warren Morton closed the program with prayer.

The serving table laid with a lace cloth was centered with an arrangement of fall flowers and yellow candles. Refreshments of applesauce cup cakes, spiced tea and mixed nuts were served to the ladies.

Attending the meeting were Mrs. Wendol Christian, Mrs. Troy Christian, Mrs. Donald Christian, Mrs. Lawrence Cooper, Mrs. Norman Head, Mrs. Melborn Jones, Mrs. David Haber, Mrs. Davis Edens, Mrs. Dick Baxter, Mrs. Don Vance, Mrs. Jimmy Ware, Mrs. Dean McCullom, Mrs. Jimmie Clements, Mrs. Lloyd Nabors, Mrs. Vernon Willard, and guests, Mrs. C. E. Trimble, Mrs. Charles Gilbreath and Mrs. Warren Morton.

Hostesses for the occasion were Mrs. D. R. Bushnell and Mrs. Leon Ware.

## Have Joint Birthday Party

A joint birthday party honoring Greg Hromas and Brenda Newborough was Thursday afternoon in the home of Mrs. Glen Hromas.

Refreshments of birthday cake decorated with a circus tent and ice cream cups were served to the youngsters.

Attending were Joe Don Stevens, Debbie, Gary and Ginger Gober, Barbara Griffith, Tommy and Michelle Bonds, Darlene Denny, Howard and Jimmy Don Newborough, Joe Don and Edith Ann Cortese, and Rodney Hromas.

Others attending were Lavoyda Newborough, Betty Mae Stevens, Mrs. J. D. Stevens, Mrs. Chester Newborough, Mrs. Don Newborough, Mrs. G. D. Cortese, Mrs. Tommy Bonds, Mrs. Scott Gober, and Mrs. Glen Hromas.

## O. E. S. Observes 25th Anniversary

Approximately 25 were present Thursday evening for observance of Bovina Eastern Star in Masonic Hall.

Mrs. A. D. Smith of Farwell brought an interesting program on points of personal interest of all past matrons and patrons since the organization of the chapter.

Mr. and Mrs. Wallace Carmack of Clovis were special guests at the affair.

Refreshments of cake and punch were served by the hostesses.

## Vickie Hawkins Entertains At Slumber Party

A slumber party honoring Vickie Hawkins on her birthday was last Friday night in the home of Mrs. Harold Hawkins.

The girls enjoyed a trip to a carnival at Clovis.

Birthday cake decorated in the theme of a Maypole and snacks were served.

Enjoying the overnight outing were Phyllis Renner, Susan Thornton, Patricia Edens, Sherrell Lane, Debbie Hawkins, and Vickie Hawkins.

MRS. WANEEN RAGSDALE . . . NEW BLADE NEWS AND SOCIETY WRITER.

## NEW COLUMN, TOO--

# Mrs. Ragsdale Society Writer

Mrs. Waneen Ragsdale has joined The Blade staff as news and society writer. She replaces Mrs. Sue Moten, who held down the position temporarily following the resignation of Mrs. Sally Whitesides several weeks ago.

Mrs. Ragsdale, who recently moved to Bovina with her husband and family, is a newspaper veteran. She held a similar position with the Muleshoe Journal before coming here.

She will pen a weekly column for The Blade, "Wandering With Waneen." That new feature appears for the first time in this issue.

Mrs. Ragsdale says she is eager to become acquainted with people in the community and asks continued cooperation of news sources.

The Ragsdales have three daughters; two school age. They are members of the Methodist Church. Mrs. Ragsdale was also active in Girl Scout work at Muleshoe.

"We are very proud to have someone with the ability and experience which Mrs. Ragsdale has on The Blade staff," Publisher Dolph Moten says.

An appeaser is one who feeds a crocodile--hoping it will eat him last.

## 8th Graders Go Skating

Members of Eighth Grade class enjoyed a class party Thursday evening.

The group went to Clovis for an evening of skating at Hillcrest Skating Rink, and a movie.

Those present included Lana Dregar, Joyce Marshall, Phillip Wilcox, Mary Ann McKinney, Cathy Jones, Phillip Lloyd, Shirley Joplin, Jerry Frazier, Jerry Lorenz, Dewey Foley, Johnny Dop, Ronnie Williams, Ronnie Taylor, Ann Lynn Wilson, Bobby Gonzales, Jeanie Ivy, Ronnie Sudderth, Paula Kay Kerby, Elaine Fuller.

Sponsoring the group were Mr. and Mrs. Bob Wilson, Mr. and Mrs. Roy Crawford, and James Laney.

## Rainbow Girls To Sell Candy

Patricia Crawford presided at the regular meeting of Rainbow Girls Monday afternoon after school. It was decided to sell Kings Chocolates as a money raising project to help on the expenses of attending Grand Assembly in Corpus Christi next summer.

Those who attended this meeting were Verna Marie Estes, Carol Hammonds, Harriette Charles, Judy Crawford, Patsy Richards, Jeanne Ivy, AnnLynn Wilson, Janice Leake, Leslie Fourmentin, Vickie Strawn, and Patricia Crawford. Also present were Mrs. Roy Crawford, Mother Advisor, and Warren Morton, Rainbow Father.

Following the meeting, the girls adorned for refreshments.

## Mrs. Redden Hostess To Bridge Club

Mrs. Eddie Redden was hostess to the Bridge Club Thursday afternoon in her home.

Following an afternoon of bridge the ladies were served pumpkin pie, lemonade and tea.

Ladies attending were Mrs. Jimmy Charles, Mrs. Bedford Caldwell, Mrs. Dean McCallum, Mrs. Shirley Hempke, Mrs. A. M. Wilson, Mrs. Bob Wilson, Mrs. Tom Caldwell, Mrs. Durward Bell, Mrs. Don Sides, Mrs. Jimmy Clemments, Mrs. Leon Grissom, Mrs. Vernon Willard, and the hostess.

## Congratulations

Mr. and Mrs. Charles Embry became parents of a baby boy, Charles Allen, Tuesday morning, October 13. He weighed six pounds five and one half ounces and was born in Parmer County Community Hospital in Friona.

Bovina Mustangs entered the field prior to Friday night's game with the Hart Longhorns.

**WORTH A TRY**  
The surly old miser felt sick, and in a panic sent for the local clergy man, although he had never done anything to help the parish.  
"If I leave \$10,000 to the church," he croaked, "will my salvation be assured?"  
"I wouldn't be certain," replied the clergyman, "but it's well worth trying."

"What's the matter?" grumbled the boss. "Haven't you got any sense of humor?"  
"I don't have to laugh," said the girl. "I'm leaving Friday anyhow."  
\*\*\*\*\*  
**SOMETHING NEEDED**  
"Why do you always type your employer's speeches from dictation instead of using shorthand?"  
"Because," answered the typist of a long-winded member of congress, "I need the noise of the machine to keep me awake."  
\*\*\*\*\*  
**BRIGHT SIDE**  
"I know I'm not much to look at," admitted the suitor.

"Oh, well," philosophized his bride-to-be, "you'll be at the office most of the time."  
\*\*\*\*\*  
**SURE THING**  
Shop Foreman: "I'm looking for a gift for my girl. I want something that will make her face light up; something that will make her eyes sparkle; something that will rekindle the fire of love."  
Jeweler: "Well, if you're trying to burn her up, don't give her anything."  
\*\*\*\*\*  
**GREAT PALS**  
Truck Dispatcher: "I understand you did quite a bit of fishing on your vacation. Did you fish with flies?"

Driver Superintendent: "Man we fished, ate, slept, danced, boated, camped, drank and swam with them."  
\*\*\*\*\*  
**SMALL CONTRIBUTION**  
"And upon what income do you propose to support my daughter?"  
"Five thousand a year."  
"Oh, I see. Then with her private income of \$5,500 a..."  
"I've counted that in."  
\*\*\*\*\*

OUTSTANDING PLAYERS—

# Linemen Earn Player Awards

Delbert Hall and James Clayton were named outstanding players after the 20-0 loss to Hart last week, marking the first time two linemen have received the honor this season.

Hall, a defensive specialist, blocked a Hart punt and covered the ball on the Longhorns' 17 yard line in the third period. Trailing by one touchdown, the play could easily have been the turning point for the Ponies but inept Mustang offense couldn't get started and the excellent opportunity was wasted.

Clayton, a 170 pound junior tackle, was named to the post-game honor for the second time this season on the basis of both his offensive and defensive work.

Throughout the season, Clayton has been a steady performer. He is an anchoring force in the light Mustang defensive line and is often called on to make a path for the ball carrier when "must" yards are in order.

Hall is a 160 pounder and he too has been one of the steady linemen for the Mustangs this season. He plays a guard position.

In every post-game selection so far this season, a back and lineman had been chosen as outstanding players, but the committee decided that both Hall and Clayton were outstanding.

Freshman back Don Cumpton, who is a first rate pass receiver when he plays left end, was mentioned by the com-

mittee. Compton made one spectacular grab of a pass from quarterback Don Caldwell and hit with two of his own tosses against the Longhorns.

The 135-pound Cumpton, who quarterbacks the second unit, had the Mustang second unit moving well against Hart's substitutes when the game ended.

WASHINGTON, D. C.—"Larry adjust well to his peer group but he seems to be lacking in reading readiness and I am afraid we would have difficulty with phonics."

This could very well be the sort of language a young mother might hear about her young son in her first conference with his teacher, and she could very well mistake it for some variety of double talk—or for Sanskrit. The "peer group," if you are working a cross word puzzle, might turn out to be Britain's House of Lords, but as the teacher uses the phrase, she means simply the child's classmates, his equals of the same age, same interests, etc.

Teachers, in dealing with educational matters, have developed a specialized vocabulary, as is true in any profession. The precise meaning given to some words and phrases, when used in the technical sense, may lead to some confusion in conferences between parents and teachers.

To aid in avoiding this misunderstanding the National Education Association has prepared the following glossary of representative school terms.

**READING READINESS:** The level of mental and physical development necessary for beginning to learn to read. Combines willingness, desire, and ability. Usually implies a chronological age of 6 or 7 and IQ of 100 or more, with no special handicaps or maladjustments. Indications of readiness include good vocabulary, ability to speak complete sentences and to tell a story, a familiarity with stories and books.

**PHONIC METHOD:** A method of teaching reading based on the analysis of words into their speech sounds. Words are recognized and pronounced by learning letter combinations which represent sounds. Today's schools combine this with other methods designed to help children not only to pronounce, but to understand the meaning of words.

Co-ops are far out front in spreading ownership of American business!

Everyone shares in CO-OP BENEFITS

More and more people are buying stock in American businesses these days. Spreading ownership in this way is a good thing. When millions of people have a vote in the affairs of a business, they help make sure that the business will be operated in the interests of the people.

In a cooperative, every customer is an owner and has a voice in shaping the policies of his cooperative. Each co-op member has but one vote regardless of the number of shares he owns, and he makes good use of his voting privilege. Co-ops lead by a wide margin in making business really democratic.

## Bill Liston New SCS Worker

Billy J. Liston, 23, a graduate of Texas Tech, has joined the Soil Conservation Service unit in Friona and will take his in service training under the supervision of the Friona SCS Office according to Bob Crozier, soil conservation unit leader.

Liston is a native of Clovis, N. M., and attended Texas Tech taking his degree in Agronomy this past June.

He is married to the former Patsy Woods of Clovis and the couple have two children, a boy, Lynn, age 2 and a girl, Jacque, age one year.

This is Liston's first experience in the SCS field having worked since his graduation at the Plains Experiment Station in Clovis.

## Whittlin'

(Continued from page 1)

The Blade's sur-nuf sports column, is back in the paper this week. Look for it on an inside page.

\*\*\*\*\*  
Though it's not the most popular subject right now, there's going to be a high school football contest here Friday night. Happy's rough riding Cowboys are coming to town with their winning spurs jingling. They will, of course, attempt to mount and ride the Mustangs who have been voted the team most likely to occupy the District 2-B cellar.

All indications point to the fact that they will do just that. Fans aren't giving the Mustangs any more chance to win than a good Bovina cantaloupe has in a fight with a hog.

Columnists are optimistic by nature so we'll point out that the Mustangs could suddenly find that spark they exhibited early in the season and send the Cowboys back across the Plains knowing they had been to a football game and not a tea party. Bovina will have psychology in its favor. In the past few years, the Happy game has gained stature on the Mustangs' schedule and now ranks second only to the Farwell game in importance.

In spite of their poor won-lost record, the Mustangs could still make memories of 1959 football season sweet by playing the daylight out of the defending 2-B champions.

\*\*\*\*\*  
Last week, we discussed here whether or not a fair

# THE HIGH PLAINS FARM AND HOME

## Trucks Hit Highways As Harvest Progresses

Grain trucks are rolling across the High Plains as maize harvest gains momentum. Farmer County area farmers are harvesting their share, according to elevator operators Saturday.

Herb Potts of Worley Grain Company in Farwell says he thinks the harvest will reach its peak this week.

"I think we are getting off to a good start.

"The yield is better than last year."

Potts says moisture in the grain delivered to his elevator is a little high, but it is beginning to get better.

"We think we will be handling a third more grain than we did last year," he said.

J. P. Macon of Macon Grain Co. in Bovina says he estimates about 25 per cent of the crop has been harvested.

"The yield is better than it

has ever been before." Macon says he thinks the yield is 10 to 15 per cent better and maybe even more. He also reported moisture content higher than normal.

"I would estimate the average yield at five to seven thousand pounds an acre."

"Farmers are selling a lot of grain around the loan price. About half is being sold," Macon says.

In Friona, Arthur Drake at Friona Wheat Growers Association reports the harvest has only begun.

"It will probably get rolling some time next week. The yield is better than we have ever had before."

Drake says most grain hauled to Friona is going into the loan. Last Friday the Association had received over 33 million pounds of maize or 332 boxcar

loads. "Since the middle of April, we have shipped 1516 boxcar loads trying to make room for this harvest."

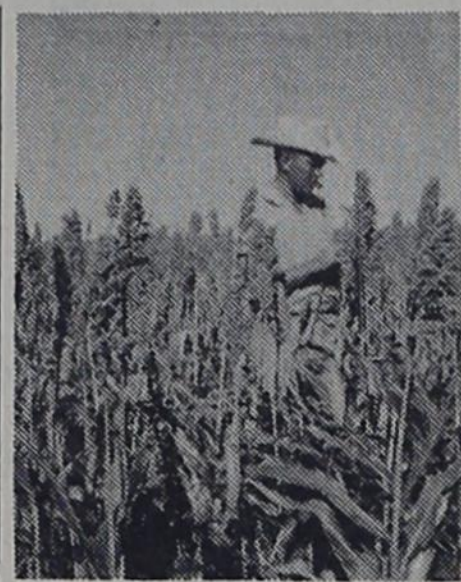

Drake said the elevator unloaded 182 trucks in three hours last Friday.

### SOIL CONSERVATION DISTRICT NEWS

At a recent meeting in the Rhea Community, Dean McCallum, Star Route, Bovina, was elected as Supervisor for Zone I of the Farmer County Soil Conservation District. He replaced Carl Schlenker who had served so well on the Board for the past five years.

Dean farms a half section of

DEAN McCALLUM

land about 15 miles northwest of Bovina. In addition to farming he operates a livestock enterprise consisting of about 1800 sheep. In 1957 McCallum became a cooperater with the Farmer County SCD and a basic conservation was written at that time. He is very interested in promoting soil and water conservation in the District.

Even though maize harvest is in full swing, conservation work still goes on.

A 1530 foot waterway has been staked off and work is underway on the Dalton Mimms farm. This waterway will serve to transport excess drainage across this farm from surrounding land without erosion.

Plans are underway for constructing a waterway between the J. J. Harper and Clyde Weatherly farms east of Friona. This work is scheduled to begin after January 1.

Seventy six referrals were received from the ASC office in Farwell for installation of underground concrete pipe for the last quarter of this year.

Soil conservation pays because it saves.

## The FARMER FARMER

By W. H. Graham Jr.

This is the age of specialization, and everywhere we see evidence of concentration in limited fields, as people reach for "depth" rather than "breadth."

Specialization has come to the farm. It is nothing new at all, even though more attention is being given to it as time moves along. Farmers who concentrate on one particular enterprise are likely to develop more efficiency than their cow, sow, and hen neighbors. Broiler production has be-

## Melon Shipping Finished Recently

About 55,000 crates of cantaloupes were shipped out of Farmer County by September 20 this year, according to Mario Trevino, office manager of the Bovina branch of Gateway Produce Company.

Trevino says the market was a lot better this year than in 1958, but quality of the melons was lower.

"We started packing cantaloupes here on Aug. 17." The county's 14 growers each planted between 12 and 40 acres making a total of 335 acres that were harvested.

"Out of 335 acres, the average yield was 165 crates an acre." Highest yield for one farmer was 223 while the lowest was 117, Trevino said.

"In my opinion, all farmers made money," he said. Home office of Gateway Produce Co. is in Laredo. The company is the largest cantaloupe shipper in Texas.

## Light Frosts Not Damaging

For practical purposes at least, the growing season is over in the Farmer County farming area.

While it is true that no really hard or "killer" freeze has come, the light frosts that have appeared on four or five occasions on practically every farm have had a telling effect on crops.

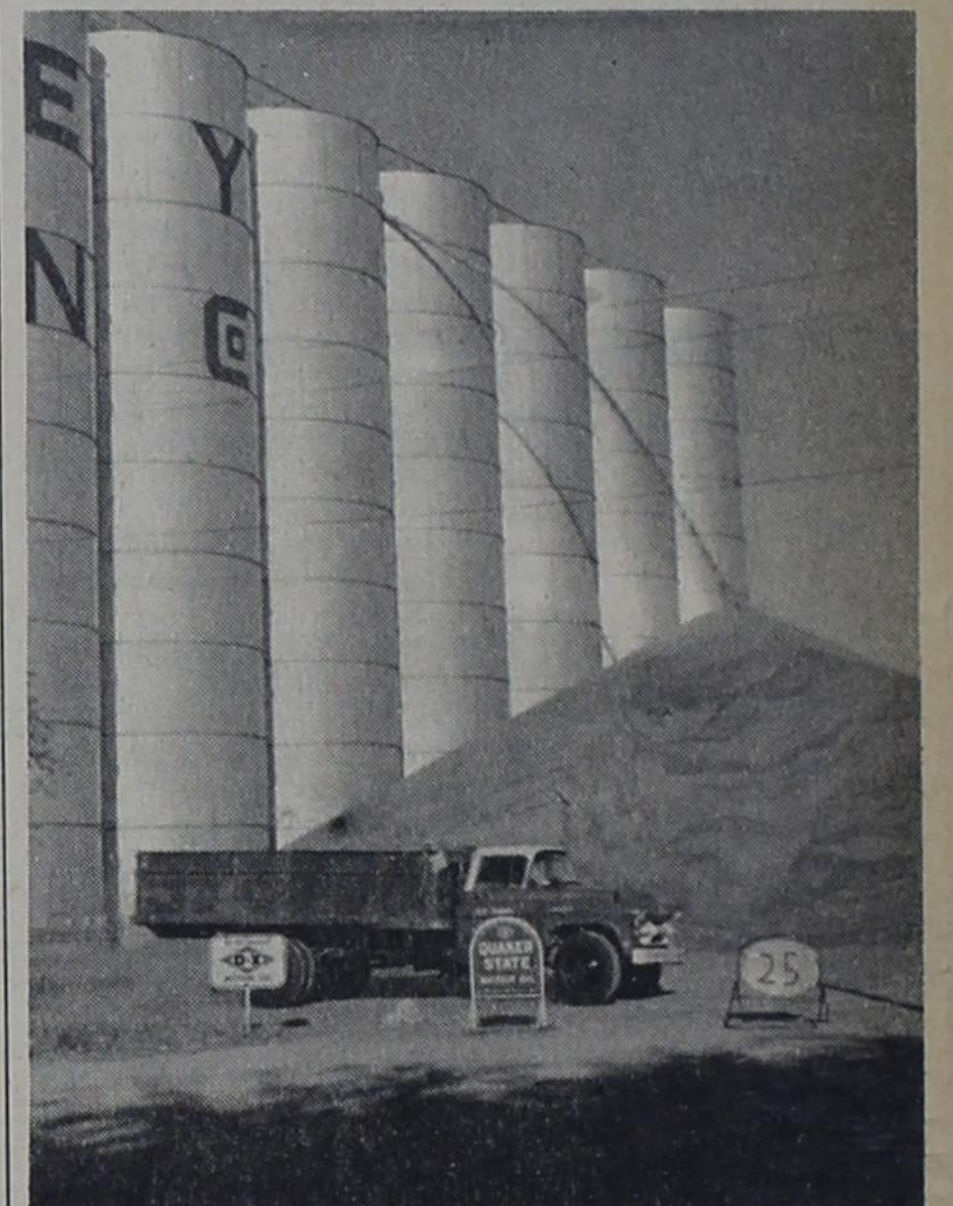

In most cases, these light frosts have not been damaging. In fact, they have improved the farmers' chances with a late cotton crop, believes County Agent Joe Jones.

He reasons that the gentle touches of Jack Frost have

served notice on the still sappy cotton plants that the season is about over. This has encouraged the plant to maturity.

In many cases, the frost has been enough incentive for the plant to throw off its leaves and begin the "curing" process, which is beneficial to the production of lint. Also, when the plant drops its leaves, sunshine is admitted to the bolls, which helps them finish out.

Generally speaking, farmers are feeling better about their extremely late cotton crop than they did a month ago. However, practically all agree that it will be a below average crop.

A STREAM OF MILO pours down from a high spout at Worley Grain Company in Farwell this week, as a truck speeds away after dumping another load. Elevators all over the Farmer County area are brimming over with the big harvest.

## NEWS

"The Place Where Most People Trade" Friona, Texas Wednesday, October 21, 1959

When you are driving around Friona, take time to appreciate the color and foliage in our town. On our street the maple trees are beautiful. Mrs. Mabelle Hartwell has some begonias on the north side of her house that are blooming their heads off before frost. The dahlias at the John Wise home are especially beautiful and will be until frost. There's an especially colorful locust tree at the Bill McGlothlin home and a red plum tree at the M. C. Osborn home.

PCICN New model cars have everything -- beds -- TV -- phonographs -- snack bars --. This gives the driver a place to live while he's looking for a place to park.

PCICN Faster cutting -- finer shredding with the McCormick Rotary cutter. Greater convenience -- more compact design. Let us show you one of these cutters soon.

PCICN In Massachusetts there's a lake named Chargoggagoggomochaugogoggomahumagumagog. It's an Indian name and means "You fish on your side. I'll fish in the middle."

PCICN There's rejoicing at the H. H. Horton Jr. home this week. The grandparents from Georgia are here for a visit. To 5 year old Kathy and 4 year old Trip, it seemed that they'd never get here. Then their mother said, "Only one more sleep until your grandparents will be here." Kathy thinks they are as slow as Santa Claus and almost as much fun.

The Bob Ginsburgs are building a new home. It is just south of the Calvin Talley's -- in the north part of town.

PCICN Let's talk tractors. We're Farmall headquarters. Farmalls are right for any job. This tractor really eats up acres, but is easy on fuel. Ask for a demonstration.

PCICN The boys went to the ranch Saturday to help their Daddy do a little cow punching. That night our mother inquired, "Did you boys help your Daddy, or were you a nuisance?"

PCICN "I helped," said John Bill. "So did I," said David. "I did everything Daddy told me, too."

PCICN "What?" asked John Bill. "Get out of the way," replied David.

PCICN There's one good thing about finding out that the quiz show contestants had the answers as well as the questions given to them. We aren't as dumb as we thought we were! We could have answered more questions, too, if we'd been on the show and had the answers to read.

PCICN Maybe one reason Friona is such a nice place to live is because so many ex-teachers live here. Mr. and Mrs. Ross Ayers, Mrs. W. S. Bengel, Mr. and Mrs. Dalton Caffey, W. L. Edelman, Mrs. Mary Officer, Mrs. Dan Ethridge, Mrs. Claude Osborn, Mrs. James Boyle, Mrs. Joe Moyer, Mrs. Newt Gore, Mrs. Sloan Osborn, Mrs. J. T. Gee, Mrs. Neal Fulks, Mrs. H. H. Horton Jr., Mrs. Guy Latta, Mrs. Andy Hurst Jr., Mrs. Mae

Magness, Mrs. Carl Maurer, Mrs. L. F. Lillard, Mrs. L. A. Sartain, Mrs. Nelson Welch, Mr. and Mrs. Wesley Foster, Mrs. Frank A. Spring, Mrs. V. J. Zeman, Mrs. John Blackburn, Mrs. Bill Sheehan, Laurie Cooper and Uncle John White. These are just a few we know who taught school at one time or another.

PCICN The "practically nothing" that my wife has to wear -- fills all of three closets plus one that we share.

PCICN Mrs. Mae Magness has done some building and adding on to her home in the east part of town.

PCICN Miss Mary Spring of Houston is spending this week in Friona with her mother, Mrs. F. L. Spring, and other relatives.

PCICN Every individual part of the Eversman automatic land leveler has been designed to provide easier control -- increased structural strength -- greater maneuverability -- better over all performance -- to meet the most rugged demands of actual farm use. Better see the Eversman before you buy.

PCICN Notice: We take no credit for our quips -- they just require a few quick snips -- with shears to sever their relations -- with various other publications.

PCICN See the "Buy of the year" in luxury cars -- the magnificent Oldsmobile ninety-eight. Top selling car in its class.

PCICN

**NEWS FROM THE FARM BUREAU**  
BY RAYMOND EULER

We are sure that every county in Texas, and probably every county in all other states, will have resolutions attempting to get easement on the labor situation. These resolutions not only refer to labor hired by the farmer, but labor whose pay increases come almost directly from the farmer in the purchase of farm machinery, tires, fuel, oil, etcetera.

Farm Bureau is not opposed to a good living wage for any working man, including himself. The membership has always said that a man's pay should be commensurate with his ability and desire to produce. It has always also been held by Farm Bureau membership that different conditions of operation, or various other factors should be considered in the amount of pay offered to an

employee for a job that might otherwise be alike.

We notice that at least one State Farm Bureau, Oregon, is making plans to recommend that county Farm Bureaus there consider establishment of farm labor offices, because of increasingly unreasonable requirements imposed on those who hire through state and federal agencies. Oregon's Farm Bureau President said, among other things relative to this project, "We have long contended and will continue to press for the piece work basis of paying workers. This has proven to be an incentive program and allows each worker to produce the results he himself determines".

Your new president, Herman Gerdes and his wife, accompanied by Raymond Euler and wife, attended a District FB Banquet in Lubbock last week. Roger Fleming, AFBF Secretary, of Washington, D. C., spoke to more than 250 members who attended. If we wonder why farmers of this area don't always agree with those of other U. S. areas, Fleming gave this information: 56% of U. S. farmers have gross sales annually of not more than \$2500. Average gross sales of Texas farmers are \$5,605, and in the Lubbock Congressional District, \$16,643. 58% of all wheat farmers raise 15 acres or less, and 75% of all cotton allotments are under 15 acres, in the United States.

Guests attending the banquet were, George Pfeifferberger, of Plains Cotton Growers; Allen Webb, ASC director from this district; Buck Jones, vocational agriculture instructor of Texas Tech; John Gregg, of the National Cotton Council; Waggoner Carr, Texas House Speaker, and George Mahon, U. S. Congressman.

CONSIDER THIS: The man that factors of what may be the understanding shall remain in the congregation of the dead. Prov. 21:16

The use of oats for all purposes has greatly expanded in recent years, as shown by the official estimate for 1957 of 2,670,000 acres compared to an average of 1,740,000 acres from 1947-56.

TURNIPS ARE SORTED at the Friona Growers and Shippers Association to meet size standards. Turnips that are too big are culled out.

**Application Of Nitrogen Advised For Maize Stubble**

An application of nitrogen to grain sorghum stubble prior to plowing it under will prevent a nitrogen shortage for the crop which follows, says W. F. Bennett, soil chemist for the Texas Agricultural Extension Service.

The chemist suggests that stalks be shredded as soon after harvest as possible. An application of 20 pounds of nitrogen for each ton of residue to be turned under should be made just prior to the plowing. Where nitrogen is not applied, and stubble is left in the field until late in the year, the decomposition process will tie up the available nitrogen in the soil and often cause a nitrogen shortage for following crop. By using nitrogen and early shredding and plowing of stubble, this condition can be eliminated, says Bennett. Too, the nitrogen in the soil will be available for use by the crop which follows the grain sorghum.

Bennett cautions against the use of more nitrogen than the crop which is to follow can use. In no case, he adds, should

more than 60 pounds of nitrogen be applied per acre. Generally, he says, about 30 pounds of nitrogen per acre will adequately take care of the residue to be plowed under on most Texas farms.

**Issues Quality Report**

The First Texas High Plains Cotton Quality Report of the 1959 cotton crop has been released by Geo. W. Pfeifferberger of Plains Cotton Growers, Inc., and shows quality factors of what may be the second largest crop in history from the Texas High Plains.

Pfeifferberger explained that the quality report is mailed to textile mill executives and cotton buyers throughout the nation in an effort to keep them posted on yield, quality and character of the 1959 crop as it is harvested. This was the first report this year. Issued semi-monthly, reports will be continued through the harvest period.

Each report consists of an explanation and six tables giving correlations between grade, staple, micronaire and tensile strength of the cotton harvested. In the first 1959 report white cotton accounted for 84 percent of the crop ginned thus far -- approximately 100,000 bales -- and 82 percent was middling white and above. Light spots totaled 15.3 percent with 15.2 percent middling light spot and above. Full spotted cotton was only 0.1 percent.

Average staple length was just about 31/32 inch with approximately 31 percent being one inch and longer. Only 19 percent fell below 15/16 inch. The micronaire average was 4.2 with 98 percent above the tenderable limit of 3.5. Fiber strength averaged 76,000 pounds per square inch with 53 percent between 75,000 and 90,000 pounds.

Pfeifferberger said that some of these reports also are mailed to cotton firms abroad. "We believe this is a good way to interest more buyers and mills in Texas High Plains cotton. It gives them correct and current data," he concluded.

Soil testing is a tool you can use on your farm to determine the level of fertility in your soil. The recommendations which you will receive from the soil testing laboratory, based on the analysis of the soil samples you submit, will give the amounts of fertilizer needed for the most profitable crop or pasture production. Local county agents can supply information on soil testing.

**POLITICAL CALENDAR**

The Parmer County newspapers have been authorized to announce the candidacies of the following persons, subject to the action of the first Democratic Primary May 7, 1960.

- FOR SHERIFF of Parmer County: Chas. Lovelace (Re-Election)
- FOR ASSESSOR-COLLECTOR of Parmer County: Lee Thompson (Re-Election)
- FOR COUNTY ATTORNEY of Parmer County: Hurshel Harding (Re-Election)
- FOR COMMISSIONER of Precinct No. 1: Wesley Hardesty
- FOR COMMISSIONER of Precinct No. 3: Guy Cox

**ACCIDENTAL DEATHS HIT NEW LOW**

Accidental work deaths hit a record low last year, according to the National Safety Council.

On-the-job accidents last year still accounted for 13,300 fatalities. But even that number was a decrease of 900 from the 1957 figure.

"Accident Facts," the statistical yearbook of the Council, just off the press, lists 1,800,000 disabling work injuries last year -- a drop of nearly 100,000 from 1957.

The council says a decrease in the number of hours worked and a drop in employment contributed to the accident reduction.

**No Food Surplus, Just Poor Distribution; Yarborough**

U. S. Senator Ralph Yarborough slammed what he called "peanut politicians" in a rousing attack on the Republican administration Tuesday night in a speech at Friona.

To the partisan crowd of 350 persons, he drilled home again and again his theme of distributing surplus food to the needy and aged in both this nation and abroad. His remarks drew frequent applause.

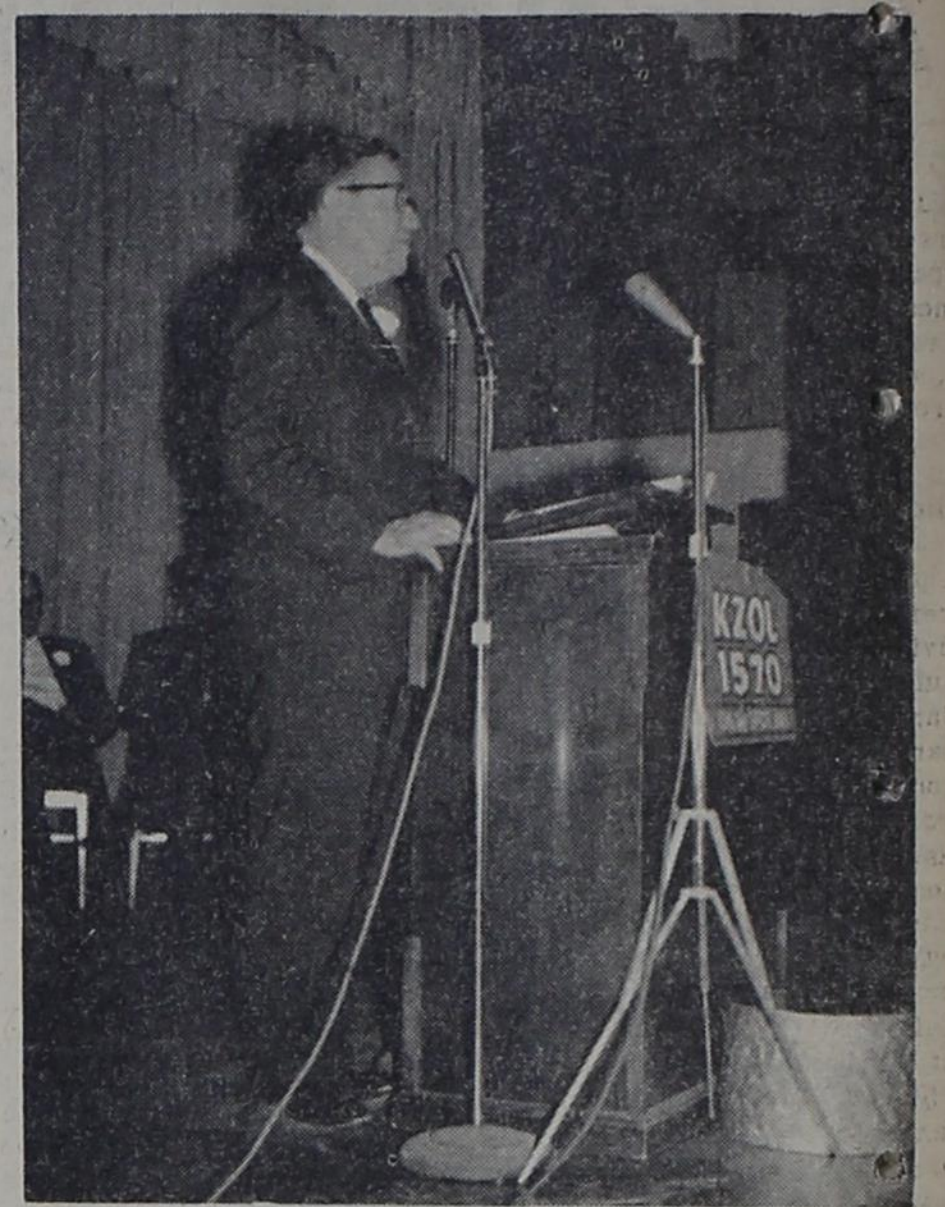

Sen. Yarborough called the \$7 billion U. S. food surplus "the most tragic phenomenon of our time." He told his audience that "over two-thirds of the people of the world go to bed hungry every night."

"There really isn't any surplus of food," he said emphatically, "only a grave imbalance in distribution."

The Farmers Union-sponsored function was kicked off with a banquet in the high school cafeteria. The main address was heard in the school auditorium. FU dignitaries on hand included Alex Dickie, state president, and Richard Alexander, state secretary.

The senator, who spoke from a prepared text but made frequent side comments, touched on the United States' lag behind Russia in scientific achievements in recent years. He challenged administration leadership at every turn.

Yarborough also looked at what he considered serious deficiencies in the country's educational system. He called for

SENATOR RALPH YARBOROUGH

an expanded program of aid to students in college, declaring that many were denied an education who could do their nation great service if they could afford the training.

The junior senator returned to pound away at his main theme, that of giving away the government-held surpluses of food.

"If we believe the brotherhood we preach we'll knock the locks off the grain bins," he declared.

One of his remarks that drew audience applause:

"We Americans have not overproduced on food. We have underproduced on politicians."

**RAILROAD FEATHERBEDDING: \$500,000,000 LOSS TO THE NATION—INCLUDING YOU—EVERY YEAR**  
Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year.  
You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.  
Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman — even though diesels have no fires to stoke, no boilers to tend.  
The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.  
In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay.

## Annual Lazbuddie Fair Is Held At School

The annual Lazbuddie fair was held last week in the Lazbuddie school, with many persons in the community participating in it. Judges were Joe Jones, County Agriculture Agent, and J. H. Adams.

Results in the grains division were: Red milo, Darrell Mason, first; Glendale King, second; and Linda Gleason, third. Millet, James Brown, first; and Gary Brown, second. Red Top Sorghum, Calvin Mason, first. Other varieties of sorghum, Calvin Mason, first; and Don Smith, second.

James Brown was first with sudan grass, Gary Brown was second, and Dickie Chitwood, third. Unthrashed peanuts, Don Watson, first; Steve Young, second; Jimmy Broadhurst, third; and Marsha Shevman, fourth. Calvin Mason placed first with alfalfa. In the Soybean division, Larry Marrow was first, Dickie Chitwood, second; and Steven Young, third.

James Brown was first with open cotton bolls, Jerry Engleking was second, David Tarter, third; Terry Darling, fourth; and Jerry Don Glover, fifth. Ronald Elliott won first and second place with stalk cotton and Harold Redwine, third. In the seed cotton division, Gary Brown was first, and James Brown, second.

David Tarter took first place with hard winter wheat. Glendale King was second and Steven Young, third. Jimmie Broadhurst won first with barley, Don Watson was second and Leon Watson, third.

In the peanut division, Steven Young placed first, Glendale King, second; Bennie Watson, third; and Leon Watson, fourth. James Brown won first with Sudan grass, Gary Brown was second; and Calvin Mason, third.

Winning first with sesame was James Brown, second place went to Gary Brown and third to Steven Young. John Ward won first with castorbeans. In the

hybrid milo division, David Tarter was first, Don Watson, second; David Tarter, third; Conney White, fourth; and Glendale King, fifth.

Dickie Chitwood won first with blackhull kafir, second went to David Tarter and Jerry Engleking won third. Don Watson placed first with redtop cane, with Bennie Watson, second; and Leon Watson, third. In the hegari division, Craig Schuman won first, with Don Watson, second; Bennie Watson, third; and Leon Watson, fourth.

Only one award was given in the alfalfa hay division, going to Don Smith, second. Glendale King placed second with sorghum hay.

Vic Shuman won first in the cantaloupe division with Mike Ward winning first in the bell pepper division and Bobby Gleason, second. Winning first with peppers of other varieties was Sharon Parham, she also won second. Gary Coker won third, and Danny Miller, fourth.

In the Okra division, Larry Marrow placed first, Linda Gleason, second, and Bennie Watson, third. Terry Parham won first in the dry beans division, with Glendale King placing second and Darrell Mason, third. Glendale King placed first in the black eyed pea division, and Mike Ward won first with his strawberies.

Leon Watson placed first in the thrashed peanut hay division, with Bennie Watson taking second, and Don Watson third. Ronnie Gustin won first with white hybrid corn and Glendale King second.

David Tarter placed first in the yellow corn division, Jerry Engleking was second; Steven Young, third; and Craig Schuman placed fourth. Larry Marrow won first with popcorn.

Gary Coker placed first in the Irish potato division, with Donnie Miller, second; Roy Max Miller, third; and Marsha Schuman, fourth.

Gary Mac Brown placed first in the onion division, with Gary Coker, second; Bobbie Gleason, third; and Linda Gleason, fourth. In the turnip division, Larry Morrow won first and second, and in the beet division, Glendale King placed first and Vic Schuman, second.

In the carrot division, Bennie Watson placed first, Steven Young, second; and Leon Watson third. Jerry Engleking placed first in the tomato division, with Mike Ward, second; Sharon Parham, third; and Larry Marrow, fourth.

Glendale King won first with an eggplant and John Ward won first with summer squash. Mike Ward was second. Ronnie Vanlandingham won first and second in the cashew division.

Jerry Engleking placed first with pumpkins. Terry Darling was second, Dickie Chitwood, third; and Darrell Mason, fourth. Glendale King placed first with other varieties of pumpkin. Jerry Don Glover was second, Darrell Mason, third and fourth.

Terry Parham was first and John Gulle, second in the watermelon division.

In the livestock division of the fair, Bobbie Redwine won the grand champion ribbon with a Hereford cow, and Buddie Embry took the reserved champion honors with another Hereford.

In the Angus division, Mike Hinkson won first, Dickie Chitwood, second; Darrell Jennings, third; and Joe Jennings, fourth.

In the Hereford cattle division, Bobby Redwine won first, Buddie Embry, second; Dick Chitwood, third; Steve Young, fourth; and Joe Tarter, fifth.

In the hog division, Calvin Mason placed first, Wayne Peterson second; and W. Peterson, third; with barrows.

Jimmie Dale Seaton placed first and second with a gilt. Calvin Mason won first, Jerry Keolzer, second; David Keolzer, third; and Wayne Peterson, fourth in the Duroc division. In the Berkshire division, Lyndon Foster was first, Gary Foster, second; and Jerry Keolzer, third.

Linda Gleason won first, Terry Parham, second and Sharron Parham, third with Poland China hogs. Ronald Mayfield was first in the Chester White division, Max Eubank was second; and Bobbie Gleason, third.

In the sheep division of the fair, Donnie Smith won first, Gary McBrown, second; and James Brown, third; with fat lambs.

Darrell Mason was first and Carrol Redwine, second; with Suffolk rams. Johnnie Mitchell placed second with a Columbia ewe.

In the dairy cattle division, Gary Foster was first, D. H. Foster, second; Gearld Foster, third; and Lyndon Foster, fourth.

In the homemaking section of the fair, Tommie Horton placed first with drop cookies. Beverly Smith was second, Judy Brown, third; and Sandie Brown, fourth. Judy Keolzer was first with her sugar cookies. Penny Grusenendorf won first, Judy Brown, second; Coretta Watkins, third; and Pat Peterson, fourth in the brownie division.

Ivan Dean Ivy won first, Coretta Watkins, second; Mary Rigney, third; and Wanda Bean fourth in the chocolate chip cookie division.

Beverly Smith placed first in the chocolate drop cookie division. Tommie Horton was second, Frances Mayers, third; and Pennie Grusenendorf, fourth.

In the pie making division of the fair, Judy Keolzer was first with a cherry pie, Pat Chitwood, first with an apple pie and Glenda Robinson, first with a pecan pie. Beverly Smith placed first and Pat Chitwood, second with a pumpkin pie.

In the candy division, Mary Regney and Eleene Embry tied for first place with their chocolate fudge. Barbara Thomas won first, and Patsy Marrow second with divinity candy, and Beverly Smith first with date loaf. Linda Gleason placed first with butterscotch candy and Linda Monk, first with peanut clusters.

In the bread section of the fair, Eva Dean Ivy placed first and Wanda Bean, second; with banana bread. Coretta Watkins won first place with biscuits, and Glenda Robinson, first; Patsy Marrow, second; Kay Burleson, third; Sharon Parhams, fourth and Linda Gleason fifth with their cornbread entries.

In the cake division, Coretta Watkins was first with a poundcake; Sandy Brown, first with a chocolate cake and Brenda Mason, second. Pennie Grusenendorf placed first with an applesauce cake. Linda Gleason placed first with a devil's food cake, and Carol Miller, second. Tammie Jennings placed first with a chocolate layer cake and Linda Monk, second. Patsy Marrow was first and Sharon Parhams, second with a white layer cake.

Janice Darling placed first with a spice cake, and Pat Chitwood was first with a Brown, second and Iva Dean in the cookie division, Kay Burleson placed first, Judy Brown, second and Ivan Dean Ivy third on oatmeal cookies. Pat Peterson was first, Donna Redwine, second; Gayle Robinson, third; and Tommie Horton, fourth with ice box cookies.

In the canned foods section, Elaine Embry won first, Brenda Mason, second; Linda Gleason, third; and Elaine Vanlandingham, fourth; with canned snaped beans.

Beverly Smith was first and Elaine Vanlandingham, second with field peas; and Kay Burleson, first; Velma Golden, second; and Elaine Vanlandingham, third with canned tomatoes.

Results in the remainder of the canned foods division was, corn, Velma Golden, first. Beans, Donna Redwine, first; and Johnnie Ivy, second. Peas, Velma Golden, first. Pickled okra, Sandy Brown, first; Patsy Marrow, second; and Alene Embry, third. Peaches, Beverly Smith, first; Elaine Vanlandingham, second; Velma Golden, third; and Barbara Thomas fourth. Pears, Frances

Meiers, first. Pickled Cucumbers, Brenda Mason, first; Judy Brown, second; Elaine Vanlandingham, third; and Judy Keolzer, fourth. Pickled beets, Velma Golden, first.

Pickled peaches, Pat Chitwood, second, Alene Embry, first; and Linda Gleason, third. Chow chow, Mary Rigney, first. Bread and butter pickles, Janice Darling, first and Velma Golden, second. Sour pickles, Beverly Smith first.

In the jellies division, results were, grape jelly, Alene Embry, first; and Kay Burleson, second. Peach jelly, Alene Embry, first; Patsy Marrow, second and Janice Darling, third. Plum jelly, Alene Embry, first. Pear jelly, Sharon Parhams, first; Linda Gleason, second; Gayle Robinson, third; and Johnnie Ivy, fourth.

Brenda Mason placed first and Donna Redwine second with apple butter. They took first and second, respectively with peach butter.

In the sewing division Jan Mason placed first with tea towels. Jeanette Slaton placed first with an apron, Judy Keolzer was first, Linda Monk, second; Donna Redwine, third and Carol Miller, fourth in the dress division.

Brenda Mason won first with tea towels, Donna Redwine was first and second, and Tommie Horton, third in the pillowcase division. Janice Darling won first place with an apron, and Lynda Hargrove took first with a blouse.

Glenda Robinson was first, Donna Redwine, second, and Tommie Horton, third in the skirt division. Velma Golden won first place for a suit, and Glenda Robinson placed first with a jacket.

Donna Redwine placed first, Gearldene Broadhurst, second; and Janice Darling, third in the dress division. Velma Golden won first with a skirt and vest set.

Glenda Robinson was given the grand champion award for sewing, and Tammie Jennings won the award for cooking.

Grand champion in the canned foods department was Beverly Smith and reserve champion was Sandy Brown.

## J. D. Mabry Farm On Display At Fair

James D. Mabry of Friona is one of 15 farmers and ranchers in Texas whose outstanding accomplishments in soil and water conservation are being featured in an exhibit at the State Fair of Texas in Dallas.

The exhibit, in the Varied Industries Building at the Fair, is part of the Conservation Picture Awards Program sponsored by the Association of Texas Soil Conservation Districts and the Great Southwest Life Insurance Company of Dallas.

In the exhibit are 15 enlarged hand-colored aerial photographs in color showing the conservation measures used on the 15 farms chosen as tops in soil conservation in 1959.

Purpose of the Conservation Picture Awards Program, inaugurated in 1957, is to provide recognition for Texas landowners who have done the best conservation work in their area.

The program also encourages farmers and ranchers to improve the conservation practices on their own lands, and focuses public attention on the importance of soil conservation to the economic welfare of Texas.

Governor Price Daniel opened the exhibit on opening day of the fair.

The prize-winning work done in 1959 by Mabry is part of the Farmer County Soil Conservation District program.

Complete lists of winners of Conservation Picture Awards for 1959:

James D. Mabry, Farmer County SCD, Friona; Don Anderson, Crosby County SCD,

## Taxes Influence Land Values

Property taxes are a fixed cost for the farm or ranch owner. In modern commercialized agriculture this tax bite may be a significant item affecting the final figure drawn down as net income, or loss.

In 1958 property taxes amounted to an average of 38 cents per acre for the state, a total of 53.8 million dollars. In 1945 the average tax was 21.6 cents per acre.

About one-half this tax bill was accounted for by school district levies, reports Robert G. Cherry, extension agricultural economist. The remainder went for support of county and state governments and to special districts such as water, drainage and navigation districts.

## Treasurer's Report

REPORT of Mabel Reynolds, County Treasurer of Farmer County, Texas, of Receipts and Expenditures from July 1 to September 30, 1959, inclusive:

## Let 'er blow!

You're safe from windstorm damage with a **LOK-RIB STEEL BUILDING**

**Greater Strength** — There's a big difference between light metal sheathing and LOK-RIB's heavy-duty 18 or 20-gauge steel panels bolted together. Let the wind howl — let the snow pile deep — let lightning strike — you can still enjoy peace of mind with your LOK-RIB.

**Exclusive V-Rib Construction** — This exclusive LOK-RIB feature provides the extra strength that lets you stop worrying while the weather plays havoc with ordinary buildings.

**Quick Erection—Low Cost** — The LOK-RIB Building goes up fast and easy — eliminates high framing costs because the LOK-RIB panels are both framing and sheathing. In 24, 32, 40 and 48 foot widths.

See us for all the facts on LOK-RIB Steel Buildings.

# Rule Changes Announced For Junior Livestock Show

Parmer County Junior Livestock Show, sponsored by the Friona Lions Club and through the cooperation of the vocational agricultural instructors and county agent in Parmer County each year will have some new innovations for this year's show according to Bill Nichols, chairman of the rules committee for the show.

The show will be held at the new bus barns in Friona next March 11 and March 12 and those interested in competing in the show are advised of the following changes in rules.

Nichols says that these changes are the result of work by the rules committee and the v.o.g. and 4H instructors and are designed to make the show more successful from the standpoint of helping Parmer County youngsters realize more from their efforts in competing in the show.

1. The Parmer County Jr. Fat Stock Show is open to all 4-H club boys and girls under the supervision of the Parmer county agent and to all FFA and FHA members under supervision of the vocational agriculture and vocational home economics teachers in Parmer County.
2. All animals entered in this show by 4-H, FFA or FHA members must be in continuous ownership of the members as follows: calves Dec. 1 preceding the show, pigs and lambs Jan. 1 preceding the show (unusual cases to be presented to the show board for con-

sideration).

3. All animals on exhibit will be sifted by a sifting committee and those animals not having sufficient merit to remain in the show must be removed from the grounds or to the sifting pens by the exhibitor.
4. In all cases, the management reserves the right to reject or accept any entry conditionally, and does not guarantee space in the show barns to any entry, as it is intended that only such animals shall be entered and shown as have merit, and will be a credit to both the exhibitor and this show.
5. Each entry in the fat steer classes will be required to pay an entry fee of \$1.50. Each entry in the swine and sheep division will be required to pay an entry fee of 50 cents. These fees must accompany the official entry and will not be refunded.
6. Exhibitors cannot show more than 2 fat calves, 3 fat barrows or 3 fat lambs.
7. No animal is eligible for this show if said animal has passed through another auction sale in conjunction with a livestock show.
8. The barn will open to receive entries in swine and sheep at 1 p. m. Thursday March 10, 1960. All entries must be weighed and in place by 9 p. m. of this date. Sifting of swine and lambs will begin at 8 a. m. March 11.
9. Only those animals exhib-

ited in the fat animal classes will be eligible for the auction sale. There will not be a sale for sifted animals. Bids however will be taken by legitimate buyers for the sifted animals.

10. The owner must show the animal at the time of judging, but, should owner have two entries in one class, a substitute will be allowed to handle one entry, but he must qualify under rule 1 and be an official exhibitor.
11. The grand and reserve champions will be selected from the 1st and 2nd place animals in each class in each division. The grand and reserve champion steer and barrow must sell and the champion of each lamb division must sell.
12. The judge will place all finished animals for which places are provided in the premium list. All animals in the show will pass through the sales ring in order of merit.
13. The buyer of any animal, through any of the sales at the show, is not obligated to resell or release said animal.
14. Exhibitors are required to return animals to pens or stalls assigned by the division superintendent following the auction sale.
15. Show sponsors reserve the right to interpret all rules. Decisions of show officials to be final.
16. The Parmer County Junior Fat Stock show will in no case be responsible for any death, loss, injury or damage that may occur to any animal, exhibitor or equipment.

### Fat Steer Division

1. Each exhibitor is limited to two fat steers in the Show.
2. The Grand Champion and Reserve Champion steer must sell.
3. Each exhibitor will pay an entry fee of \$1.50 per steer and this fee must accompany the entry and cannot be returned.
4. All steers entered in the show must be halter broken.
5. To be eligible for the show steers must have been under continuous care of exhibitor since Dec. 1 of the previous year.
6. All entries must be in place at show barn by 9:00 p. m. March 11.
7. Sifting of steers will begin at 8:00 a. m. March 12th.
8. Exhibitor must furnish 8 ft. rope to tie steer after sale.
9. All steers will sell in order of placing.
10. Only beef type and beef type crosses are eligible.
11. Steers will be shrunk 3 per cent before sale.
12. Classes: Light weight class, 700 lb - 849 lb; Medium weight class, 850 lb. - 999 lb; Heavy Wt. class, 1000 lb - 1200 lb.

### Fat Barrow Division

1. Only three single barrows may be exhibited by any one owner in this division, and they may show in the same or separate classes. Each exhibitor will be lim-

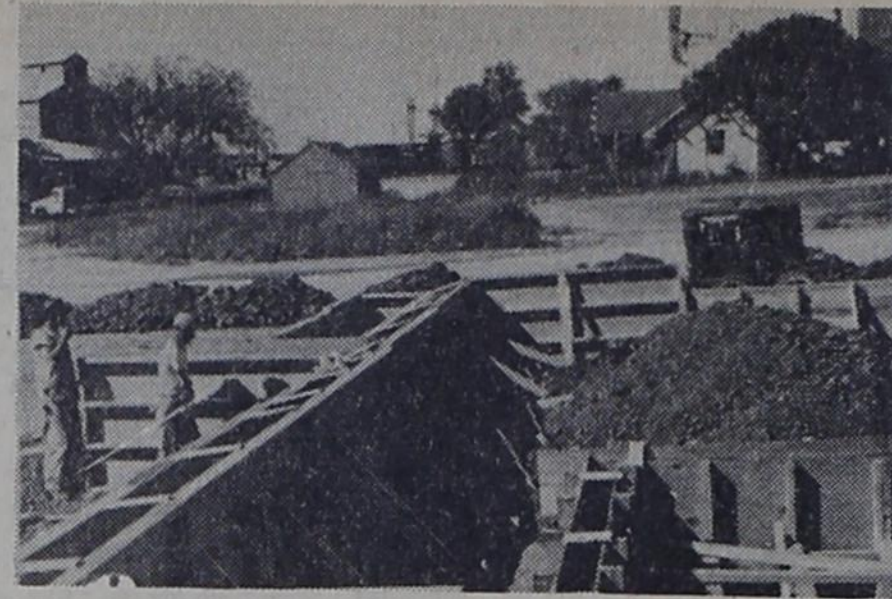

ited to only two prizes in a single class.

2. A pen fee of 50¢ per barrow will be charged. This fee must accompany the entry and cannot be returned.
3. A 3 per cent shrink will be deducted from the weight of each animal to determine the pay weight following the auction sale.
4. Fat barrows weighing LESS THAN 180 lbs or MORE THAN 240 lbs will not be entered in the show. There will be two weight divisions as follows: Light 180--209; Heavy 210--240
5. Classes will be set up for all breeds having 4 or more animals. In the event a class has less than 4 animals classes will be formed to meet the needs at the discretion of the division superintendent. First by mixing weights within breeds and second by mixing breeds to make a minimum of 4 animals in each class. Crossbreeds will make a separate class by weight.

### Lamb Division

1. Each exhibitor will be limited to three fat lambs in this division. Lambs must weigh between 80 and 130 lbs. Three lambs may be shown in one class; but only two can be places as prize winning.
2. ALL ENTRIES MUST SHOW THEIR LAMB TEETH.
3. The decision of the judges concerning classification of lambs as to class or age shall be final.
4. A champion lamb will be selected from each class.
5. A pen fee of 50 cents per head must accompany all entries.
6. A 3 per cent shrink will be deducted from weight of each animal sold at the auction sale to determine the pay weight following the auction.
7. Definition of Classes: Fine wool: may be Rambouillet or Merinos or a cross between these two breeds. Medium or long wool: May be medium wool or long wool breeds or cross breeds except Southdown or Shropshire, or lambs showing evidence of Southdown or Shropshire crosses. Southdown and Shropshire: Southdown or Shropshire breeds or lambs showing evidence of Southdown or Shropshire breeding.

Lana, Auburn and Oregon woollypod vetch are three fairly new vetch introductions. R. J. Hodges, extension agronomist, says the only difference in these new vetches and Hairy is that they produce more of their total growth during winter and early spring. He adds that woollypod vetch seed are scarce and prices are high.

CONSTRUCTION IS underway on a new feed mill at the Cummings Farm Store in Friona. The mill will be a six-ton-an-hour unit.

## Construction Begun On Feed Mill

A six-ton-an-hour feed mill is now under construction at Cummings Farm Store in Friona.

According to Doyle Cummings, the mill, which will be

used for grinding, rolling and molasses mixing, is intended to provide service for area cattle feeders.

Cummings has a small mill in operation now that is used for grinding feed for hogs.

The new mill will be a semi-automatic 300 bushel-an-hour unit with a molasses mixer built into the floor.

Cummings said the mill should be ready for operation by Dec. 1. He plans to put in a grain bank storage unit after the first of next year.

## H. D. AGENT'S CORNER

Jimmie Lou Wainscott

This week I am attending the National Home Demonstration Agents Association meeting in New Orleans. The meeting will be through October 24.

We have a new bulletin on "Food for Less" that I used last week in a training meeting. It has some very good recipes in it. Below are two of the recipes.

- BARBECUED POT ROAST**  
 3 lb. beef pot roast (blade or arm cut)  
 2 teaspoons salt  
 1/4 teaspoon pepper  
 3 tablespoons fat  
 1/2 cup water  
 1 8-oz. can tomato sauce  
 3 medium onions  
 2 cloves garlic  
 2 tablespoons brown sugar  
 1/4 teaspoon paprika  
 1/2 teaspoon dry mustard  
 1/4 cup lemon juice  
 1/4 cup catsup  
 1/4 cup vinegar  
 1 tablespoon Worcestershire sauce

Rub meat with salt and pepper; brown in hot fat. Add water, tomato sauce, minced or thinly sliced onions and minced garlic. Cover and cook over low heat 1 1/2 hours. Combine remaining ingredients and pour over meat; cover and continue cooking about 1 hour, or until tender. Remove meat to hot platter. Skim most of fat from gravy, dilute with water to suit taste, then thicken with 2 tablespoons flour mixed to smooth paste with a little water. Serves 4 or 5.

- LEMON PORK CHOPS WITH PEPPER RICE RINGS**  
 4 loin, rib or shoulder pork chops (about 1 1/2 lb.)  
 1/2 teaspoon paprika  
 1/2 teaspoon salt (for chops)  
 Dash of pepper  
 1/2 cup r.v. rice  
 1 medium onion  
 4 thin lemon slices  
 1 large green pepper, cut crosswise in 4 thick rings  
 2 1/4 cups (No. 2 can) tomato juice

chops are tender. Add remaining tomato juice, as needed, to keep liquid 1/4 inch deep during cooking time. Arrange chops on heated platter; transfer rice-

stuffed pepper rings to platter with pancake turner; spoon tomato pan gravy over chops and rice.

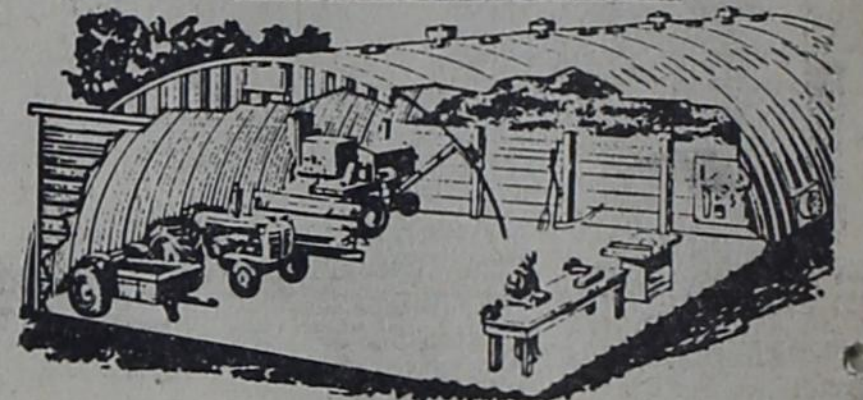

## All-Purpose, All-Steel Farm Building

Almost Straight Side Wall Capacity... at 30% Less Cost

The All-Steel Behlen Curvet is an ideal all-purpose farm building. It can safely store both grain and machinery at the same time. It costs approximately 30% less than most straight-wall buildings of the same capacity. It can be built to any length (in 40-foot widths). And, it can be easily expanded at any time.

40x100 BARN \$8950 Turn-KEY Job Includes Floor

We can quickly erect a Behlen Curvet on your farm. See us now for complete details.
