A. S. C. News

Performance

One week of training for our reporters and planimeter operators has been completed and we are now in the process of measuring the necessary crops. Due to some of the crops being so late because of the weather it would be helpful in planning the work if you would let us know when you are ready to be measured. Reporters beginning this year are Leonard Selvidge, Jack Webster, Kenny Housden, Gary Campbell, Bobby Ely, Billy Hearn, Jim Robinson and Steve Shelton. Planimeter Operators are Susan Cox, Sharon Williams, and Ricki Rowell. Your usual cooperation will be appreciated.

Domestic Cotton Allotment Program

Where an agreement to participate has been filed and the farm does not comply with the provisions of the program any advance payments must be refunded with 6% interest. If the domestic cotton allotment is exceeded the farm will not be eligible for CCC price support loans on any of the 1965 cotton crop. Any farm that exceeds its feed grain base even though it stays within the domestic allotment price support payment but will be eligible for the CCC loan on the cotton. Any farm with an effective allotment of 15 acres or less and is automatically in the Domestic Allotment Program is not required to stay within its feed grain base.

Mrs. J. E. Behrens

Word has been received here of the death of Mrs. J. E. Behrens of Dallas, who passed away there Sunday. Funeral services were held Tuesday.

She was an aunt of Mrs. Roy McKee of Hedley.

Mr. and Mrs. D. E. Kennedy of Phoenix, Ariz., are visiting in the Elmo Kennedy and J. O. Hoggatt homes.

Gailey-Pickett

Miss Cheryl Elaine Pickett, daughter of Mr. and Mrs. Foster D. Pickett, 5302 Everett, Amarillo, became the bride of Larry Duane Gailey during a Friday evening ceremony solemnized in San Jacinto Church of Christ with Owen Miller, minister, as officiant. Mr. and Mrs. L. V. Gailey, 406 Mississippi, are parents of the bridegroom.

The chancel was centered with floor standard arrangements of white princess gladioli and summer chrysanthemums flanked by arched candelabra and greenery.

Miss Nicki Pickett, sister of the bride, was maid of honor and other bridal attendants included Mrs. Fred Anderson, Miss Letty Thomas and Miss Patricia Monroe. Their dresses were of yellow dotted Swiss and they carried cascade bouquets of canary yellow chrysanthemums. Miss Beth Pickett, sister of the bride, was flower girl and Charles Carter, ring bearer.

Larry Dale Cunningham was best man and groomsmen were Fred Anderson, Gary Givens and Larry Cox. Mickey Banister and Dennis Anderson served as ushers.

For her marriage the bride selected a formal wedding gown of white satin and imported Alencon lace. The bodice was fashioned with scalloped neckline and appliques of re-embroidered Alecon lace accented the bell shaped skirt. Her chapel-length veil of illusion fell from a tiara of pearls and crystals and she carried a bouquet of white gardenias.

A reception was held following the ceremony.

The bride was graduated from Tascosa High School and Mr. Gailey is a graduate of the National Institute of Electronics, Denver, Colo. Following a brief wedding trip to New Mexico, the couple will be at home at 317-A Maryland in Amarillo.

Card of Thanks

We wish to express our sincere thanks to all our friends who have been so kind and generous with their assistance while Mrs. Bolin has been ill. We have truly appreciated everything very much. May God bless you all.

The Gene Bolin family

Mrs. B. G. Tate and daughters of Fontana, Calif., have been visiting in the John Tate home.

Spring Branch Students Stop Here

A group of students from Spring Branch junior high school at Houston and several sponsors stopped over in Hedley for a 45 minute devotional Sunday morning. The devotional was held in the Lions Den and was conducted by Johnny Hoggatt.

The group filled two busses and was composed of 49 students and 6 sponsors. They were on a 20 day annual trip and had visited the Grand Canyon, Bryce Canon, Yellowstone Park, Yosemite Park, San Francisco, Disneyland, Los Angeles, and many other points. They planned to visit Six Flags on their way back to Houston.

Among the sponsors on the trip was Bill Reeves, who was reared in Hedley and is the son of the late Mr. and Mrs. Leon Reeves and is the grandson of Mrs. W. E. Reeves. Bill is assistant coach and history teacher in the Spring Branch school. He has accepted a position as head basketball coach in Ennis High School for the coming year.

First Baptist Church

Johnny Hoggatt will preach at the First Baptist Church again Sunday morning and night in the absence of Rev. Bob Estes, who is at Fort Hood.

Visiting in the Alva Simmons home last week were Mr. and Mrs. E. R. Hooker and Mr. and Mrs. Cosler Mitchell and children of Visalia, Calif., Mrs. Floy Lewellyn and granddaughter of Santa Ana, Calif., and Mr. and Mrs. Homer Simmons of Colorado Springs, Colo.

All attended the golden wedding observance of Mr. and Mrs. J. R. Adamson at Turkey Sunday.

Miss Gertrude Rasco of Memphis and Mrs. J. B. Pickett attended the wedding of Cheryl Pickett and Larry Duane Gailey at Amarillo last Friday night.

Mrs. Virgil Stuckey and Misses Pam, Deborah, and Connie Gardner of Amarillo visited Mrs. Eleonora Stuckey and Mr. and Mrs. Homer Crawford last week.

Bill Bridges and family of Amarillo visited here last Wednesday.

Baseball News

Hedley defeated Amarillo here Sunday in a good game, by a score of 7 to 5. This leaves Hedley tied with Dodson for the league lead, with 4 wins and no losses.

This situation will be changed when Hedley plays Dodson at Hollis Sunday afternoon at 2:30. All interested Hedley fans are urged to go to Hollis with the team and encourage them.

LIONS ROAR

The new Lion officials were installed last Thursday night by Lions International Councilor Boyd Meador of McLean. We hope they are filled with a lot of vim, vigor and vitality. A lot of things need to be done, including a city wide clean up campaign.

With the present rains we know we are going to have weeds, flies, and mosquitoes, and maybe hepatitis, typhoid or other diseases, any one of which would cost as much as the entire clean up campaign.

The new officers and directors will be in charge of next week's meeting. Eating time is 7:30 p. m. Come out and let's give them a good start.

Notice

The commissioners court will have their hearing as an equalization board on July 5 at the courthouse in Clarendon.

Mr. and Mrs. Alton Baker of Bridgeport and Rev. and Mrs. Jack McNeil of Fort Worth visited in the W. W. Clendennen home last week end. They brought home Drena Crawford, who had been visiting there, and also brought Garland Crawford, who will spend the rest of the summer here.

Mr. and Mrs. Radell Sanders and family of Plainview visited Mr. and Mrs. Albert Sanders last week end.

Mr. and Mrs. M. O. Weatherly visited in Memphis Sunday night.

Mrs. Mattie Barnett and Adell Myers were here last week end from Pampa.

Leonard Mullins of Newport, R. I., is visiting home folks here. He is on the U. S. S. Belknap.

DID YOU KNOW THAT:

According to the Texas Forest Service, the forest regions of Texas embrace 26 1/2 million acres. This is more than the total acreage of the states of New Hampshire, Rhode Island, Vermont and Massachusetts. Accounting for the biggest share of acreage is the pine-hardwood area of East Texas, 12 1/2 million acres. The other 14 million acres of forests include the post oak, east and west cross timbers, cedar breaks, mountain forests of West Texas, coastal forests, and miscellaneous forests in stream bottoms.

TB: the Problem that Won't Go Away

610,000 Americans still have active tuberculosis or are classified as "high risk" individuals.

- A. 110,000 are known to have active tuberculosis.
- B. 250,000 are recently recovered TB patients, many of whom are subject to relapse.
- C. 250,000 are known to have had contact with new active TB cases recently reported.

610,000 persons, all told, are now in the TB picture—either as actively ill patients or in the "high risk" category. Christmas Seal funds help provide the hope and the means of achieving ultimate control and eradication of tuberculosis in the U. S.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.
