VOL. 55

HEDLEY, DONLEY COUNTY, TEXAS, JULY 23, 1965

NO. 40

## Jewell Everett

Miss Jewell Audie Everett, 56, of Abilene, passed away Saturday morning in an Amarillo hospital. She became ill July 1 and was hospitalized in Abilene. On July 7 she was transferred to John Sealy hospital in Galveston, and on July 15 to an Amarillo hospital.

Funeral services were held Monday morning at St. Paul Methodist Church in Abilene, by Dr. Frank D. Charlton and Dr. C. A. Long. Graveside services and burial were Monday afternoon at Rowe cemetery here.

Miss Everett, the daughter of the late Mr. and Mrs. J. M. Everett, was born March 30, 1909, at Childress. She was reared in Hedley and graduated from Hedley High School in 1927. She entered employment with the West Texas Utilities Co. 32 years ago at Hedley, also worked for WTU in Vernon and Aspermont before moving in 1949 to Abilene, where she was distribution clerk at the time of her death. She was an active member of the Methodist Church.

She is survived by two brothers, James D. Everett of Amarillo and Joe Everett of Jacksonville, N. Car.; a sister, Mrs. Doris Foster of Amarillo; three nieces and one nephew.

Out of town relatives and friends attending the graveside services for Miss Jewell Everett here Monday included Mr. and Mrs. Joe Everett of Jacksonville, N. Car., Mr. and Mrs. James D. Everett and daughter Tracy and Mr. and Mrs. H. M. Foster and daughter Shyri of Amarillo, Mrs. Sue Cook, Mrs. Maxine Rice, Mrs. Velma Jones, Miss Jewell Perdue and Ikey Widener of the WTU office in Abilene, Mr. and Mrs. Buford Hinds, Miss Delean Mc-Minn and Mrs. Willie Mae Hester of Abilene, and J. C. Randel of Childress, Panhandle district WTU manager.

## Card of Thanks

We wish to express our thanks to friends for the lovely flowers, cards, and every expression of sympathy shown during the loss of our loved one.

The family of C. W. Richerson

Mrs. Laura Cawthon left Saturday to visit in the Lee Blanks home in Lakeview.

## Cotton Festival

Miss Bonnie Gaye Black of Quanah will represent the Hedley Cotton Festival in the Miss Texas Pageant at Fort Worth next week.

Since Quanah is in the area served by the Festival and the contest is based mostly on talent she was a very logical choice. She is very talented.

Her major talent is baton twirling. While only 21 years of age she has performed in 8 or 9 of our last Festivals. She represented Texas at the World's Fair in Seattle, Wash., and again performed at the World's Fair in New York last year.

She is also talented as a teacher. She operates "Studios of Fine Arts" in both Childress and Quanah. Last year while at the Fair she and two of her pupils won third place in the World's Championship Trio twirling contest. They also appeared on TV on Ted Mack's program.

She has a good working knowledge of cotton and the cotton industry. She advertised our 14th Festival in the parade of the Santa Rosa Roundup at Vernon and more recently at the July 3rd parade in Clarendon.

## To Preach In Canyon

Johnny L. Hoggatt had the opportunity of filling the pulpit at Brice Baptist Church last Sunday for both morning and evening services. Johnny highly appreciated this opportunity.

Johnny has been invited to fill the pulpit Sunday night, July 25, at the Faith Chapel in the 200 block on 4th Avenue in Canyon. He requests your prayers.

## Greenbelt Dam

Mr. and Mrs. Gene Allison and Mr. and Mrs. Clifford Johnson attended the appreciation banquet and water show at Quanah last Saturday night. The gyp water in the mains at Quanah was drained and bottled. Everyone was enjoying Lake Creek water. They brought back samples of both. The taste of the new water compares favorably with Hedley water.

Mr. and Mrs. Douglas Tinsley and daughter Mary Ann of Kingville visited here over the week end.

## W. C. Gilchrest

Funeral services for Willie Cecil Gilchrest, 68, who passed away Friday at his home in Borger, were held Sunday in the Travis Baptist Church at Memphis by Rev. Leroy Gaston. Burial was in the Memphis cemetery under direction of Spicer Funeral Home.

Mr. Gilchrest was born in Leesville and was a retired construction worker. He lived in Memphis from 1925 to 1948, when he moved to Borger.

Survivors include his wife; five sons, Leonard, Jack, Melvon, Willie Cecil Jr. and Eddie, all of Borger; a daughter, Mrs. Dora Fay McClanahan of Lubbock; his mother, Mrs. Addie Gilchrest of Amarillo; two sisters, Mrs. Ida Woodall of Amarillo and Mrs. Ada Pearl Richerson of California; a brother, Theodore of Hedley; and 15 grandchildren.

## First Baptist Church

Peggy Winn of Deming, N. Mex. and Kathy Skaggs attended the junior girls camp at Panfork Baptist encampment north of Wellington this week.

Local staff members of the assembly include Jamie Evans, life-guard, and Nita Bailey, concessions.

Thava Nell Davis left Tuesday to serve on the staff of Glorieta Baptist Assembly at Glorieta, N. Mex., for six weeks.

## Fire Dept. To Have Family Night

The Hedley Fire Dept. will have an ice cream supper at the city park on Tuesday night, July 27. This will be a family night, so all fireboys and their families are urged to attend. All who have freezers are to bring ice cream, and others may bring cake.

## Card of Thanks

We want to take this means to thank everyone who brought food to our home, and those who visited in our time of sorrow.

May God richly bless each and every one.

The Gilchrest family

Mr. and Mrs. Tom Cordell of Fort Worth visited Mr. and Mrs. J. F. Mann several days this week.

## FFA News

Four local FFA members attended the state convention of Future Farmers held in Houston July 14-16.

The boys left for Houston early Tuesday morning and returned Friday night. One afternoon was reserved for tours and the Hedley group visited the Astrodome, San Jacinto monument, the battleship Texas, and Galveston.

The boys were inspired by attending the meetings and associating with the many boys from over the state of Texas.

Richard Shaw and Johnny Hoggatt were voting delegates, representing the Hedley chapter. Larry Altman and Danny Drum also made the trip. Mr. Messer accompanied the boys.

## LIONS ROAR

This week is regular Lions Club meeting. The annual Lions Club family picnic and other matters will be discussed. Our new officers have taken over and are working. Let's help them with our presence at meetings if no other way. Come out for a good meal under our new cool air conditioner. Eating time is 7:30 p. m.

Last week the Lions cut the weeds back of their building and gave it a good cleaning. Others have done likewise and the town is getting a clean look. However there is a lot to do yet to get rid of flies, mosquitoes and a possible epidemic.

## Notice

The board of equalization of the Hedley schools will meet Friday morning, July 23, at 10 o'clock in the high school building.

The Doyle Messer family visited in Gould, Okla., Friday. Debbie Rodgers returned from Gould with them to spend the week end here. The Rodgers family are moving from Mexico, Mo., to Fort Leavenworth, Kansas.

Mr. Snuggs of Pampa, who is employed with Tex-O-Kan Masonry of Borger, was seriously injured last Thursday when a scaffolding slipped at the new Hedley school which is under construction. He was taken to Hall County Hospital at Memphis.

**PHARMACY—part of your health team**

It is not by chance that your pharmacist has the proper drug ready for you when your physician prescribes it. The American people today enjoy a level of health far higher than ever before, and a large part of it may be attributed to the dramatic advances made by the "health team": pharmacist, physician and prescription drug manufacturer.

We call the complex process by which a drug moves from manufacturer to patient "the miracle of drug distribution." The teamwork of prescription drug manufacturer, drug wholesaler and pharmacist assures that you will receive the medicine you need. This miracle of drug distribution—the fact that the medicine you need is in your community pharmacy when you need it—is just one reason why prescriptions are today's best bargains.

**Loans Available For Senior Citizens**

Elderly people, if they live in rural areas, need not give up the idea of buying, building or repairing their homes on credit.

This word comes from Claude Moore, Farmers Home Administration county supervisor, serving Armstrong, Gray and Donley Counties

Moore said citizens who are 62 years and over, living in a rural community of 2 500 or less, may be eligible for a 33 year loan bearing 4 percent interest to buy an older home or build a new one.

The FHA supervisor said elderly residents may also be eligible for smaller loans for home repairs.

## News From Our County Agent

Plans are being made for the Donley County Fair, which will be held Sept. 17 and 18 at the fair grounds in Clarendon. Groundwork for the fair was laid at a recent meeting of the fair directors, who voted to have the fair on the 17th and 18th with all judging to be done on the 17th

Departments of the fair will be the same as in 1964 with the exception of the horse show, which the directors voted to drop this year. Departments will include Flower Show, Merchants Exhibits, Community Agricultural Exhibits, Home Economics Exhibits, Needle Craft, Fine Arts, Canned Goods and Home Made Baking Exhibits.

Advertisements for the catalogues are currently being sold. The catalogues should be available around August 15th.

All residents and communities in Donley County should be making plans to exhibit and support their fair. Let's make this one of the best fairs ever.

Mr. and Mrs. Doyle Clendenen of Amarillo visited here last week end

## Accident Report

The Highway Patrol investigated three rural traffic accidents in Donley County during the month of June, according to Sergeant J. W. Wilson, Patrol Supervisor of this area.

These wrecks accounted for one injury and an estimated property damage of \$1,320 00

The rural traffic accident summary in Donley County for the first six months of 1965 shows a total of 28 crashes resulting in no persons killed, six persons injured, and an estimated property damage of \$13,915

A note from Mrs. R. W. Alewine of Jackson, Miss, advises that Mr Alewine is now out of the hospital and is believed to be recovering

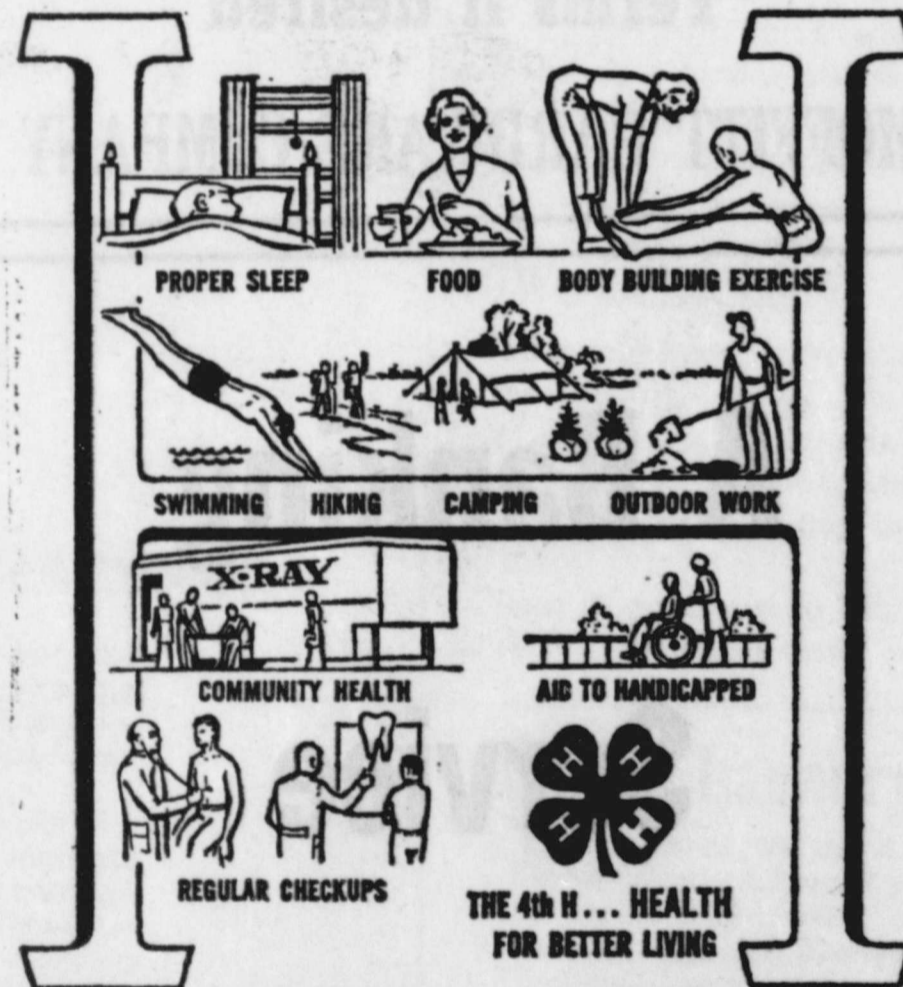

Mr. and Mrs. D. E Herring and Deloris of Panhandle and Nancy and Cindy Saunders visited in the O D Stephens home Tuesday night.

Visitors in the Royce Hall home Sunday included Mr. and Mrs. Wayne Hill and three daughters and Mr and Mrs. Selby Cogdale and three daughters of Pampa, Mr and Mrs. T. E Naylor of Etter and Mrs Maud Hill of Washington. Mr. and Mrs. D. K. Hall visited the Halls Monday.

Mr. and Mrs. W. C. Holland and Cliftie Ann made a trip to Bremond, Texas, last week to take his sister, Mrs. R L Henderson, home after her visit with them and other relatives for about five weeks. While on the trip they visited in Bridgeport and Sulphur Springs also. They report crops good all the way.

## 4-H Youths Keep Fit

When boys and girls club work first started in the early 1900's, the emblem was a 3-H clover symbolizing Head, Heart, Hands. Around 1911 the 4th H was added to represent Health. Ever since, both here and in about 75 other countries, this emblem has represented the equal training of "head, heart, hands and health for better living."

Health projects have grown over the years in knowledge, activities and membership, says the Cooperative Extension Service which supervises 4-H programs. And keeping fit is one important segment of the national 4-H Health program which today enrolls some 677,000 boys and girls.

It is easy to keep in good shape during summer months through sports, games, hikes, camping and outdoor work. But, cautions the 4-H Health bulletin, there is more to maintaining good health than strenuous exercise.

This recent publication points out the need for three nutritious meals a day, plenty of sleep, periodic physical checkups and a sensible balance of work and play. It also urges 4-H Club members to look for ways to improve family and community health.

Individual members and clubs can win awards for doing an outstanding job. Winners are selected by the Extension Service. Award donor and sponsor of the 4-H Health program for the last 10 years is Eli Lilly and Company.

The boy or girl judged best in the state will be a delegate to the National 4-H Club Congress at Chicago next fall, and will compete for one of six \$500 scholarships. In the county, the best four club projects will be recognized with a certificate and medals will be presented to as many as four top individuals.

**SBA Loans**

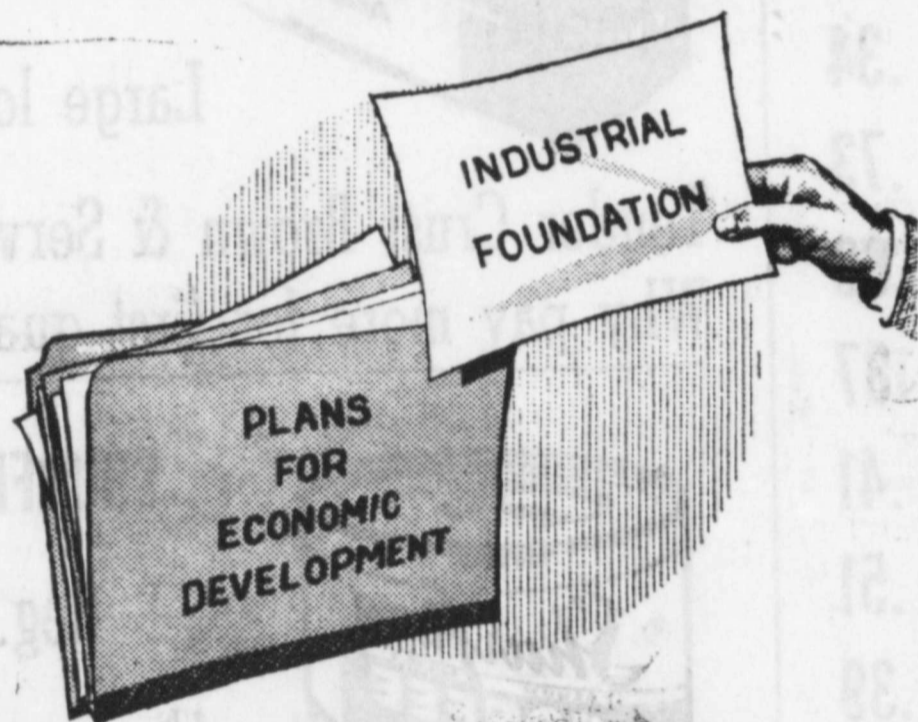

Effective July 1, the Lubbock office of the U. S. Small Business Administration has full authority to approve direct loans of up to \$100,000 and loans in participation with banks of up to \$350,000, according to SBA Regional Director Jack Teddlie.

The regional office also has authority to handle servicing of accounts including extension of terms or other actions necessary, Mr. Teddlie explained.

"This is the result of decentralization of SBA to bring the decision-making closer to the businesses being aided and to speed service," Mr. Teddlie explained. "In addition the agency expects to save \$2.7 million a year starting in fiscal 1966 by eliminating duplication of paperwork in Washington and the 68 regional offices and from continued improvement in employees work performance."

**PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT**

**The Industrial Foundation, another tool for economic development**

**WTU area development representatives are available to assist growth-conscious communities in planning economic development programs**

As a tool for economic development, the industrial foundation is a community-wide financial organization with the principal objective of creating additional payrolls.

Today, it is considered essential for the community that is working to increase and broaden its economic base through diversified industrial growth to have an active industrial foundation. Varying widely from community to community, its basic functions are —

- Development of industrial sites
- Construction of plants for lease or sale
- Cooperating with other financial institutions
- Furnishing management counseling
- Assisting personnel training

As a PATTERN FOR PROGRESS, the industrial foundation works with existing industries as well as prospective new industries.

WTU's area development representatives have information about the establishment of industrial foundations. These facts are available to growth-conscious communities on request through your local WTU manager.
