Card of Thanks

Words can not express the appreciation of all of us for the words of sympathy and all the attentions we received on the death of Ora V. Grimsley on Aug. 1st, and the passing of Edna Opal Anderson on Aug 16th. Also we want to thank the doctors and nurses in Cousins Home and in Highland Hospital in Pampa. They did all that could be done. We would urge anyone not to wait so long to get surgery, as Opal did, for any suspected malignancy. But we know now they are at rest, where there will be no more illness and suffering.

The children of Ora V. Grimsley, The W. E. Grimsley families, Hedley

Boys Ranch Rodeo

Texas-size barbecue beef sandwiches will be a feature attraction when the 21st annual Boys Ranch rodeo is held Sunday, September 5th and Monday, September 6th at Cal Farley's Boys Ranch.

The boys who are studying cooking as a vocation will barbecue beef from the Ranch's own herd and serve it western style on a giant bun along with iced tea for \$1 00 including tax.

A record attendance is expected for the two performances which will take place at 2:30 both afternoons, in the Ranch's rodeo arena. There are 336 youngsters ranging in age from 4 to 18, from 32 states now making their home at Boys Ranch and each will have a part in the famous rodeo which is the only one of its kind in the nation.

The older boys will compete for honors on professional rodeo stock and others will ride calves or work in the behind-the-scenes activities necessary to a successful rodeo. The Ranch is located 36 miles northwest of Amarillo on Ranch Road 1061, and 22 miles north of Vega on Highway 385.

Tickets for the Boys Ranch rodeo may be purchased at the arena or in advance from the Boys Ranch office, Box 1890, Amarillo. Reserved box seats are \$2.50, general admission is \$1.50, and military personnel and children's tickets are 75¢.

Storm Warning

Since the tornado season is with us again, it is time to remind everyone of the signals sounded by the fire siren. One blast of the siren indicates a fire, two blasts are to call the department together, and three blasts indicate a storm.

Three blasts do not necessarily indicate that a tornado has been sighted, but they do mean that everyone should watch the clouds and take whatever action seems to be necessary.
