Hedley School Enrollment Up

The Hedley schools got off to a good start this week. There were 83 enrolled in the first six grades and 86 in the six higher grades, making a total of 169 students, an increase of about 15 over last year.

The school will also have the services of a counselor this year. Leonard Selvidge is the new county counselor, and will be in the Hedley schools on Monday of each week. He will handle the standardized testing program and will do individual and group counseling.

LIONS ROAR

Something over 100 Lions and their guests were served chicken barbecue at the Lions Club's annual family picnic last Thursday night. Included in the out of town guests were Rev. John P. Baker of Englewood, Colo., and president Orville Goodpasture and Keith Cunningham of the Memphis Lions Club.

One hundred thirty chicken halves were prepared by such able cooks as Big Henry Moore, Dudie Messer, Alfred Spalding, Booker Shaw, Doyle Messer and Johnny Conatser. They were served with pinto beans and apple sauce by an able serving committee.

Next week's meeting, Sept. 9, we will get back to regular meetings and work. There will probably be something at the Lions Den every Thursday night until the Festival Oct. 15 and 16. Looks like now there will be a lot more cotton made and a lot more Festival than last year.

Card of Thanks

We wish to express our thanks to all our friends for your kindness in the death of our wife and mother. We appreciated the food, flowers, and every other kind deed very much.

May God bless every one of you.

This is more than the total acreage of the states of New Hampshire, Rhode Island, Vermont and Massachusetts. Accounting for the biggest share of acreage is the pine-hardwood area of East Texas, 12 1/2 million acres. The other 14 million acres of forests include the post oak, east and west cross timbers, cedar breaks, mountain forests of West Texas, coastal forests, and miscellaneous forests in stream bottoms.
