1966 Crop Measurements

All producers except those who have soil bank will be required to measure their own farms this year. This method of measurement was used in several counties around us last year and proved very satisfactory. Many dollars were saved in the counties which used this type of performance

A measurement service will be offered if a producer prefers to pay the cost of having a county office representative do the measuring for him. The charges are as follows:

Premeasurement Service (Before the Crops are Planted)

\$14 00 per farm plus \$2 00 for each plot over one plus 15¢ per estimated stake and plus \$5 00 for mileage and office work.

Measurement Service (After the Crops are Planted)

\$7 00 per farm plus \$2 00 for each plot over one plus \$2.50 for mileage and office work.

We will help you every way we can in the office to determine your acreage, but please remember that you are the one certifying to the acreage reported. We will be required to spot check at random 25% of the farms reporting measurements

1966 Program Signup

You are reminded that April 1, 1966 is the final date to sign your Intention to Participate in the wheat, feed grain, and cotton programs. These are all volunteer programs. Find out if they suit

Basketball Game

Maybe you thought the basketball season here was over, but the biggest game of the season is still to come

It will be at 7:30 next Tuesday, March 8, at the local gym, when the Bouncing Belles play the high school girls. Perhaps you may penetrate the disguises of wigs and dresses on the Bouncing Belles and recognize them as male members of the Hedley faculty and school board members

Admission will be 25¢ and 50¢, and proceeds will go to the PTA.

Donations of pies and cakes are requested to be sold during the evening.

Popcorn, pop and coffee will also be sold.

Juniors To Serve

The Junior Class will run the Owl Cafe all day Sunday.

Come out and eat with the Juniors. Their room mothers will prepare the meal.

LIONS ROAR

There will be a make up meeting at the Lions Den this Thursday night at 7 p. m. Some of the Lions who have been attending regularly missed. You can make up this meeting or make up ahead. Lion and community affairs will be discussed

Mrs Don (Letha) Springer gave us an excellent program. Appearing on the program with her were Kim Steele, Clara Jo Holland and Sue Alexander. Ricki Rowell and her group will have the program for next week's meeting.

Card of Thanks

Since I cannot write each one of you, I want to take this means to thank you for your gifts, cards, visits, prayers, and every act of kindness shown me while in the hospital and since coming home.

Sincerely,

Queen Contest

Miss Kathy Spier was selected Hedley Lions Club Queen last Thursday night. She is the 18 year old daughter of Mr and Mrs. Windoal Spier and is a senior in Hedley High School. Last October she was the runner up in the Hedley Cotton Festival Queen contest. She is very active in sports and other school activities.

First alternate chosen was Miss Lana Altman and second alternate Miss Beverly McPherson. The retiring Queen is Miss Brenda Winn. Queen Kathy will represent the local club in the district Lions Club Queen contest to be held in Hereford April 16th.

Her picture and other details will appear in next week's Informer.

A Poem

Mrs. J. S. Tipton writes that the following poem was found among her mother's collection, and it expresses her thoughts for her Hedley friends so well that she sent it along for publication.

Friendship's Gift

The gift I prize from you, my friend,

With gold cannot be bought,
But oh, the value of it all

Has many times been sought.

The give and take of friendship's bond

Have all become a part,
The gift supreme from you to me;
An Understanding Heart.

Official Memorandum

Greetings:

Special observance of increased emphasis on our education system has been marked annually for fifteen years by a Public Schools Week in Texas.

During this period, parents are encouraged to visit the public schools, and all citizens are urged through special programs to recognize the tremendous importance of our system of education. Our goal is to make Texas public schools the finest in the Nation, and to achieve this our citizens are urged to take an active interest in the school systems and to cooperate with their school boards, superintendents, principals and teachers.

Never before in our history has there been a greater need for educated leadership. As we rush to train young people in science and technology to keep pace with world events, it is also important to remember that our public schools will furnish our tomorrow's leaders with the basic human, moral and spiritual foundations necessary for more advanced training and knowledge.

Therefore, I, as Governor of Texas, do hereby designate the period of March 5-11, 1966, as PUBLIC SCHOOLS WEEK in Texas.

In official recognition whereof, I hereby affix my signature this
