## Garden Club

Guest Day of the Hedley Garden Club in the Lions Den, a one o'clock luncheon was enjoyed by 25 members and guests, Friday, April 8.

The program was given by Mrs. George Thorp, assisted by Mrs. Jim Franch, both of Lawton, Okla. Mrs. Thorp is a 25 year garden club member and a nationally accredited flower show judge for 20 years.

It was a very interesting program on conditioning and arranging out flowers. We were told it was very important to first consider place, variety, containers and occasions to use an arrangement. She also told us how to porcelainize and arrange artificial flowers.

The three most beautiful were the dinner table arrangement of yellow jonquils, tulips and iris, an Easter Madonna of white lilacs and tulips and a pansy combined with geranium leaves. All other arrangements were beautiful also.

It is easy to create your own breath of spring indoors, by adding color accents with the large selection of spring flowers we have

## Willard Edgett Is Write-In Candidate For County Supt.

I have authorized the Informer to announce that I am a candidate for the Donley County Supt. of Schools.

I am 44 years old and have had 18 consecutive years of teaching experience in the state of Texas, 7 years of which were spent in the Clarendon public schools. I am a home owner and taxpayer of Donley County, and have no other outside interest to detract me from the position if elected.

My wife, Beverly, has been employed at Adair Hospital since 1957. I would like to make this area my permanent home, as I believe in its future and am vitally concerned with the advancement of education in Donley County. If elected I promise to do everything within my power to advance the educational advantages in Clarendon and Hedley.

I would continue working with Mr. Sams to further the education of pupils in Hedley. The people of Hedley are to be highly commended on their new school plant.

I graduated with a BS degree from Texas Tech in 1949 and received my Master of Education from Tech in 1954.

The people's vote and influence will be greatly appreciated.

Willard Edgett
