Miss Celia Kay Swinney, daughter of Mr. and Mrs. Frank Bea Skidmore of 1225 E. Foster and PFC Johnny Lee Porter of Fort Hood, son of Mr. and Mrs. George E. Porter of 1121 E. Darby, pledged double ring wedding vows at 10 a. m. the morning of Sept. 10

Rev. J. W. Doke officiated the ceremony in First Christian Church before an altar appointed with pink and white carnations.

For her wedding the bride chose a white knit suit accented by white accessories. She wore a shoulder length veil and carried a white Bible topped by a bouquet of pink carnations. Mr. Skidmore gave his step-daughter in marriage Mrs. Haskel McLane, attired in a white suit accented by a pink blouse and pink carnation corsage attended the bride as matron of honor.

Richard Porter served his brother as best man.

Prior to departing on a wedding trip the bride changed into a white linen dress and lifted the corsage from her bridal bouquet. The newlyweds are making their home at 320 Holly St., Killeen.

The bride, a 1966 graduate of Pampa High School, was employed by Heard-Jones Drug prior to her marriage. The bridegroom attended Pampa schools. He entered the U. S. Army in November, 1965.

News From Our County Agent

The elm leaf beetle is doing a lot of damage to elm trees throughout Donley County, according to County Agent Ronald Gooch. The elm leaf beetle is one of the most destructive pests of the elm tree. This yellowish-green 1/4 inch long beetle or the small yellow to black larvae can be found skeletonizing the leaves or crawling about on the bark of the trunk of infested elm trees.

This beetle can be controlled by thoroughly spraying the trees with one of the following insecticides; sevin, DDT, toxaphene or chlordane. Another application may be necessary for the second generation of the beetle, using this application several days after the first one. The addition of 1/2 teaspoonful of linseed oil per gallon of spray will help the spray stick to the leaves of the tree.

Gooch stressed that caution should be used in the use of these and any other insecticide.

Austin—Colonel Homer Garrison Jr., director of the Texas Department of Public Safety has announced that the 1967 vehicle inspection period has begun. He said that the new inspection period began on Sept. 1 and will end on April 15, 1967. The inspection period is the same as in previous years. "This means that between now and April 15, 1967, each of the five and one half million Texas registered vehicles will have to secure the new green and white 1967 inspection sticker from one of the 5500 official inspection stations," he said. Garrison pointed out that Texas inspection stations can be identified by the official vehicle inspection station sign displayed at each station.
