Bridal Shower

A bridal shower honoring Miss Thava Davis, bride-elect of Tom Pat Leggett, was given in the Lions Den Saturday afternoon, April 1st, from 3 to 4:30 o'clock.

The guests were greeted by Mrs. Tommie Bain and then presented to the honoree, her mother, Mrs. Elva Davis and the groom's mother, Mrs. Lloyd Leggett.

At the register was Miss Judy Leggett.

Misses Joan Leggett and Pat Floyd presided over the tea table, which attractively carried out the honoree's chosen colors of blue and white. It was laid with a white sheer linen cloth over blue and sided by a floral arrangement in blue. The other appointments were in crystal.

Many lovely and useful gifts were on display on tables arranged about the room. A large number of guests called during the afternoon.

ELECTRIC CONDITIONED LIVING ● ELECTRIC CONDITIONED LIVING ● ELECTRIC CONDITIONED LIVING

What people are saying about...

A CLEAN BREAK WITH THE PAST

"I would have nothing but an electric Gold Medallion home," says Mrs. Bob Corkins of Alpine, Texas. "I like the low operating cost," says Mr. Corkins who thinks the electric bill a good value. Kathy, age 5, and Greg, age 10 months, smile contentedly, and that means they like the comfort of total-electric living.

The Corkins' Early American style home has 7 rooms, 2 baths, and a covered patio—2,000 square feet of living space. The only fuel used for all purposes

is electricity. It operates a 4-ton heat pump with 15 KW Auxiliary Strip heating, 4-ton refrigerated air conditioner, electric range, washer, dryer, disposal, dishwasher, refrigerator, freezer, two 1.3 KW bath heaters, and Medallion light for living, yet operating cost averages only \$38.03 per month—22.8¢ per square foot per year!

The Corkins have been living better electrically since 1959 and are well pleased with it all. "I love electric cooking," Mrs. Corkins says. "It's much better, faster and cleaner." The Corkins especially like the even heat throughout the house, and let the temperature stay at 70° year-round.

Would you like to live in total-electric comfort? Then see your electric contractor or visit WTU.
