What people are saying about . . .

## A CLEAN BREAK WITH THE PAST

"Electric heat keeps mother so comfortable," says Mrs. Earl D. Tracy of Junction, Texas. Mrs. Tracy's mother, who is 90 years old, makes her home with the Tracys. Caring for her in an electric comfort-conditioned home is much easier, Mrs. Tracy says. "As you get along in years, drafts and varying temperatures in the winter time are bad. With electric heat, the room stays the same temperature, and there is no dryness like from other heating. And individual room controls allow each of us to select the temperature we like best."

Mr. Tracy is a rancher, and is well known in and around Junction. The Tracys really live in

their home—enjoy it themselves and entertain friends. Mrs. Tracy has cooked electrically for 35 years, and the Tracys have lived in total-electric comfort for two years. The cooling system is ducted-in type, the kitchen total-electric, there is an electric home laundry, water heater and two bath heaters in addition to baseboard heating. The home is of brick construction—6 rooms and two baths—and the average per month cost is only \$26.20. "Electric living is so much less expensive than I ever thought," Mrs. Tracy says.

Why don't you convert to total-electric living and see what you have to say about it?

### Greenbelt Water

It is likely that at some time in the near future the Greenbelt Water Authority will begin furnishing water to the City of Hedley. Rates for such service were set up by the City Council on Sept. 5, 1963, to take effect when the city began getting water from the Greenbelt Authority. In case anyone has forgotten, the rates are as follows:

- First 2,000 gallons (minimum) \$3.00
- Next 8,000 gallons 60¢ per 1,000
- Next 10,000 gallons 55¢ per 1,000
- Next 10,000 gallons 50¢ per 1,000
- Next 10,000 gallons 45¢ per 1,000
- Over 40,000 gallons 40¢ per 1,000

It should be pointed out that these rates were set up and published before the election to join the Greenbelt Water Authority was held. The election was held on Sept. 28, 1963, and almost 90% of the eligible voters took part in the election. The count was 188 for joining the Authority, and none opposed, making the vote unanimous to join the Authority.

**Proposed CONSTITUTIONAL AMENDMENT  
NUMBER THREE ON THE BALLOT**

HOUSE JOINT RESOLUTION No. 17 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than

par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and

interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and

the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the re-

tirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

**What Youth Wants... 4-H HAS!**

WHY is 4-H unique? Because Mary and Sue, Bill and Jim and all the other 2½ million 4-H'ers do things. In fact, the 4-H way is "learn-by-doing."

And what do they do? They work on projects. They have well over 50 projects and activities to choose from. Among them are garden, electric, horse, livestock, crops, dog, poultry, photography, entomology, automotive and home economics.

With few exceptions, boys and girls participate in all projects with equal skill and success.

For more than a half century, publicly supported 4-H has served the needs of youth through programs set up by the Cooperative Extension Service of the state land-grant universities.

Since the first 4-H Clubs were organized to teach boys how to farm better and girls how to preserve foods better, private industry and community-minded citizens have backed 4-H. Industry provides incentive awards, recognition, educational aids and technical assistance.

Collaboration between private interests in support of this youth program open to all is probably without parallel. Success of the "partnership" is evident in the long tenure of business donors.

Today nearly 400,000 men and women serve as volunteer leaders, using their special skills to

guide the youngsters. Many of them are parents of 4-H'ers.

Through the National 4-H Service Committee of Chicago, nearly 60 business firms and foundations annually contribute large sums as sponsors of national and regional 4-H award programs approved by the Extension Service. In addition they host some 1,600 of the nation's finest teenagers at the National 4-H Club Congress. The 1967 congress, tabbed "the showcase of 4-H," will mark its 46th straight year.

Among the 4-H sponsors are: Eli Lilly and Company; General Motors; General Foods Corporation; Kerr Glass Manufacturing Corporation; Coats & Clark Inc.; Chicago Board of Trade; Allis-Chalmers; Westinghouse Electric Corporation; Merck & Co., Inc.; Wilson & Co., Inc.; Moorman Mfg. Co.; Oliver Corporation; E. I. du Pont de Nemours & Company; Amchem Products, Inc.; Ralston Purina Company; Heisdorf & Nelson Farms, Inc. and Eastman Kodak Company.

Others include: Hercules Incorporated; The Firestone Tire & Rubber Company; Montgomery Ward; Armour and Company; Carnation Company; American Oil Foundation; Humble Oil & Refining Company; Standard Oil Company (Kentucky) and The Standard Oil Company (Ohio).
