The Right Honourable Mayor of Hedley,
Hedley, The State of Texas.

Sir, Your Worship,

I hope you do not mind me writing to you but I was quite surprised to discover a Hedley in Texas. If possible would you please forward me the town guide and a copy of the local newspaper

Can you tell me if Hedley, Texas has any connection with the village of Hedley in the county palatine of Durham? Do you know if your town is named after this village?

Hedley is a small village near Ravensworth Castle in northeast Durham near to Newcastle. There are also some hamlets known as Hedleyhill, Hedleyhope and Hedleyfield all north of the county capital

I am very eager to learn about your township and wonder if any young lady or gentleman of my age and interests would care to correspond with me with a view to exchanging material on Texas and Durham.

At college my principal subject is art and I am in my second year at art college. I am 18. My interests are many and include art of course, music, reading, the performing arts, anthropology, local history, journalism, education, sociology, collecting items of interest and many other things including genealogy and riding.

I would be glad to send literature on Durham and Shildon to any interested society or club.

My regards and best wishes to the people of Hedley.

Yours faithfully,

Edward Hedley
