

Bovina High Promoted To Class A

Bovina High has been named a Class A school by the State University Interscholastic League.

The school will compete on the Class A level in scholastic and athletic events beginning with next school year, according to an announcement this week from Otis Spears, superintendent.

The school was advanced in classification because of increased enrollment during the past two years. The enrollment total which was the dividing line between Class A and Class B was 115. Bovina High's average enrollment during the past two years was 122 -- seven more than was required for Class A.

The school has been assigned to District 3-A. Other members of the district for next year will be Farwell, Sudan, Springlake-Earth and Kress. Two present members of the loop, Hale Center and Silverton, have been re-assigned.

District 1-B, of which Bovina is now a member, will stay as it is with the exception of the school here. Remaining in it are Happy, Hart, Lazbuddie, Nazareth, Texline and Vega.

Schools are re-classified by the UIL each two years. Thus Bovina will be a member of Class 3-A for the school years of '66-'67 and '67-'68.

Competition is expected to be stronger in the new classification. However, most citizens of the community are proud that the school has been advanced and look on the step up as a progressive one.

Roy Stone, BHS athletic director and head football coach, says there are advantages and disadvantages to the advancement. "It's going to be tough for us to compete with Class A schools," he says. "We would have been in a better position (to go to Class A) in two more years."

"Most Class A schools have four to five coaches for their athletic program while we only have three," he points out. Stone says Class A is much better from a publicity standpoint. However, he says that a school is better off from a competitive standpoint when it is near the maximum enrollment for its classification, as Bovina has been in Class B,

than when it is near the minimum as the school here will be in Class A.

Superintendent Spears says he regards the classification advancement as a progressive step for both the school and the community.

Football-wise, Bovina High has been in Class B, 11-man, for about the past 15 years. The change from six-man to 11-man football was made about 1950.

The school's enrollment has more than doubled in the past 13 years. Total number of students has increased steadily from 321 in '53-'54 to approximately 690 this year.

From a percentage standpoint, the school's overall enrollment has increased more than that of high school. During the '53-'54 school year, high school enrollment was 85 as compared with 147 this year.

Enrollment figures since '53-'54 have been 346 in '54-'55, 380 in '55-'56, 412 in '56-'57, 438 in '57-'58, 457 in '58-'59,

463 in '59-'60, 498 in '60-'61, 515 in '61-'62, 581 in '62-'63, 585 in '63-'64, 612 in '64-'65 and 690 this year.

Total high school enrollment during the same years has been 80, 88, 83, 94, 110, 103, 110, 108, 109, 133 and 147.

There will be a complete change in the football schedule for 1966.

School officials from here met with officials from other 3-A schools Monday night to draw up a district schedule for next year. Springlake-Earth and Farwell, Bovina opponents in football down through the years, were scheduled later in the year. Friona, which is Class AA, will likely be one of the non-district opponents next year. Also, Happy, an old rival, will probably be left on the Bovina schedule.

Since there will be only four district games, it will be necessary to schedule six non-district contests to make the full slate of 10 games.

The present Class B sports schedule and classification will be retained through the remainder of this school year.

WHITTLIN'

By DOLPH MOTEN

Cornelius McMillicuddy, who was better known as Connie Mack, said, years ago, that pitching was 75 per cent of baseball.

The Los Angeles Dodgers proved him right, and then some, in the 1965 World Series which was concluded Thursday.

Since we predicted here that the Minnesota Twins would win the Series in six games, we've wondered why we didn't remember that statement earlier.

Bovina has a fine network of paving for a small town.

Another paving program would add greatly to what we already have, however. An additional 30 to 50 blocks would be worth a lot to the entire town in general and especially to the property which would be included in the program.

We don't know if the city is in a financial position to stand another paving program. We're sure that some would say it wasn't. However, the financing could be arranged for some way, we feel sure, and the long-range benefits would greatly exceed the temporary inconveniences just as has been the case in paving programs heretofore.

The location of the new post office will, we think, point out a serious need for more paving in the area where it is being located. There are other parts of town which could use improved streets just as well.

If you're interested in more paving for your property, or just for the town in general, mention it to members of the city council. It might be possible to get another program started.

If it is, it won't be before we need it.

Public speakers, as a rule, tend to be optimistic, point out the bright side of things, and offer encouragement.

Just the opposite was true of the speaker at last week's Lions Club meeting. He was an agricultural economist specialist from Amarillo and while his talk was probably intended to make his listeners think and try to improve themselves, he didn't paint a rosy picture at all.

He brought out, among other things, this discouraging theory about farmers which we've always heard: "They buy at retail and sell at wholesale."

That's true, of course, for the most part. However, farmers as a whole in this county seem to be doing pretty well for themselves even if they don't retail their grain sorghum or their cotton.

They're specialist, we'd say. And their specialty isn't packaging mlo, for instance; it's producing it. And they're doing a whole in this county seem to be doing pretty well for themselves even if they don't retail their grain sorghum or their cotton.

The same goes for cotton, sugar beets, wheat, vegetables and all the other crops which they produce.

Maybe farmers should be more interested in marketing. But when they are, they'll have less time to devote to production and perhaps then the profit percentage will be even less than it is now.

We don't mean to get into agricultural economics. We're just pointing out that there was a public address made here recently which was contrary to the kind you expect at any given meeting... unless it's when the Republicans are in office.

Tragic Accident Claims Two Lives

Services Monday For Jack Morris

Funeral services for Jasper D. (Jack) Morris were conducted at First Baptist Church of Bovina Monday at 11 a.m. Morris, who had farmed here since 1952, died in a traffic accident south of town Friday afternoon.

Officiating at the services was Rev. John Ferguson, pastor of First Baptist Church of Denver City and a former pastor here. He was assisted by Don Stone, minister of Bovina Church of Christ, and Rev. Ralph Aday, church pastor.

Morris was born May 20, 1917 in Cottle County, near Paducah. He moved here from Lockney in '52.

Survivors include his wife, Virginia; three daughters, Mrs. Charlotte Acker of Nazareth,

Bonny and Krita Lois of the home; two sons, Delbert of Bovina and Jerry Don of the home; three brothers, Leonard, William and Eugene, all of California; three sisters, Bea Taylor of Dumas, Estelle Perkins and Helen Smith.

Burial was in Bovina Cemetery with Claborn Funeral Home of Friona in charge of arrangements.

Pallbearers were A. L. Glasscock, Arthur Kent, Bedford Caldwell, James Clayton, Bill Hutto and J. L. Sikes.

Honorary pallbearers were George Turner, Laverne Wilkerson, H. J. Charles, James Taylor, Gene Snodgrass, Jack Woltman, J. T. Jones and O. H. Jones.

Blalock's Car Stolen, Found

A stolen car, belonging to Clyde Blalock of Bovina, was found abandoned some three miles east on Highway 60 Sunday morning shortly after it was reported missing.

The automobile, a '57 Ford, was taken from Blalock's home evidently sometime Saturday night.

Blalock had been repairing the car and had the water hose disconnected. This was possibly the reason the car was abandoned as quickly as it was, according to Deputy Henry Minter. The car had the keys in it when it was taken.

Minter said that a hitch-hiker was questioned in connection with the theft and released.

Tom Hartwell Wins Shotgun

Tom Hartwell was winner of a new shotgun awarded by Bovina Mustang Quarterback Club last week.

Quarterback Club members accepted donations on the gun to raise money to pay for a new movie projector used by football coaches for the game films.

A report on the success of the fund-raising is expected to be available next week, according to Alfred Moody, treasurer of the Quarterback Club.

Mrs. Stevens Dies Sunday

Mrs. Jessie Elizabeth Stevens, 82, died in her home in Bovina Sunday about 7:00 a.m.

Services were conducted at First Baptist Church in Bovina Tuesday. Rev. Ralph Aday, pastor of the church, officiated. He was assisted by Don Stone, minister of the Bovina Church of Christ.

Mrs. Stevens was born December 4, 1882, at Johtown. She moved to Bovina in 1932 from Lorenzo.

She is survived by one son, J. D., of Bovina; one daughter, Ethel Martin of Lorenzo; one

Clinic, Doctor Project Starts

Bovina Woman's Study Club has launched a project, in cooperation with other civic clubs,

to provide a small clinic and a doctor for the community.

The decision to enter into the project was announced following a club meeting last week.

The promotion will be entered in a nation-wide community improvement project contest which is sponsored by General Federation of Women's Clubs in cooperation with Sears-Roebuck Foundation. The contest has a \$10,000 first prize with \$5,000 going to second place and \$3,000 to third.

A committee of three Study Club members recommended that the organization enter the contest and advised the club that the project should be one which had community-wide interest and which was needed by the community.

Club members endorsed the clinic-doctor project.

2-Vehicle Crash Friday Afternoon

This community was shocked and saddened late Friday afternoon by a tragic two-car collision which claimed the lives of two men.

Killed were Jack Morris, 48, a Bovina farmer, and Jose Reyes, 37, a combine operator who was a long-time seasonal employee of Lawlis Gin Co.

Injured in the accident was Morris' son, Jerry Don, 15. The accident occurred 1.2 miles south of Bovina on FM Road 1731 (Oklahoma Lane highway). Reyes was driving north toward Bovina. The Morrises, who had been following a grain truck south, were attempting a left turn from behind the truck when the vehicles collided near head-on.

Morris and his son were evidently on the way to their farm, which is southeast of Bovina.

Time of the accident was approximately 5:15 p.m.

Jerry Don, who suffered a broken leg and lacerations, was taken by ambulance to Parmer County Community Hospital in Friona. He later was transferred to an Amarillo hospital for bone surgery. His condition is reported to be improving. He is a freshman in Bovina High and a member of the Mustang football squad.

Obituaries appear elsewhere in this issue.

Reyes' Rites Held Saturday

Final rites for Jose Reyes, 37, who was killed in a traffic accident here Friday afternoon, were scheduled Monday in Santa Rosa, in the Rio Grande Valley.

Reyes, who had worked at Lawlis Gin Co. here during the ginning season since 1953, was employed as a combine operator by Jon Lin Riddle at the time he was killed.

During the off-ginning season here, Reyes had worked in Colorado for the past several years.

Local funeral services for Reyes were conducted Saturday evening at Claborn Funeral Home in Friona.

He is survived by his wife, Juanita; a son, Richard; and a daughter, Josephine, all of Bovina.

FOOTBALL HERO AND QUEEN... Roman Ramirez and Gwen Christian

Gwen Christian Football Queen

Miss Gwen Christian, daughter of Mr. and Mrs. Wendol Christian, was crowned homecoming queen in pre-game ceremonies Friday night. Miss Christian is a senior at Bovina High.

She was presented a dozen red

roses by Don McKinney, a football helmet by Jerry Roach, and a gift by Scotty Rundell on behalf of the football squad.

Roman Rameriz, son of Mr. and Mrs. Pedro Rameriz, was crowned football hero during the ceremonies. Rameriz, also, is a

senior and plays tackle for Bovina's Mustangs.

Other nominees for the honors were Carol Kirkpatrick, Zeldia Donaldson, Cathy Minven, Roach, McKinney, and Rundell. Winners for the homecoming

parade, which was Friday afternoon, were announced during halftime at the ball game Friday night.

There was a \$15 first prize to the eighth grade for "Swiss Family Robinson," \$10 second

prize to the sophomore class for "Huck Finn," and \$5 third prize to the seventh grade for the "Wizard of Oz."

Other float entries in the parade were Seniors, "Bible"; Juniors, "Alice in Wonder-

land"; and Freshmen, "Cleopatra."

Also featured in the parade were the Mustang band, the Junior High band, the grade school band, the cheerleaders, and the contestants for queen and hero.

PARADE WINNERS -- Winning floats in the homecoming parade Friday afternoon were, left to right, Eighth Grade's "Swiss Family Robinson," Sophomores' "Huck Finn," and Seventh Grade's "Wizard of

Oz." Cash prizes of \$15, \$10 and \$5 were awarded to the winners. Theme of the floats was great books and movies.

Pictures shouldn't always be painted rosy. But we don't see any reason to darken them when they do have kind of a rosy tint. The talk disturbed us, and maybe that's what it was meant to do.

Be it good, bad or indifferent, Bovina High has been assigned to Class A competition for the next two years after the present one.

The step-up will require some adjustment and will probably require more money. But then it should make more money and balance itself out eventually.

The changes, while they may be great, won't be as bad as one fellow pointed out this week, with tongue in cheek, "Everything will be bigger now, they'll give us a bigger ball to play with, and everything."

Frankly, we think he was overly impressed about the advancement to Class A.

Seriously, the change may be rough for a couple of years, but it's our studied opinion that the school as well as the community will be better off in time to come because the increased enrollment has allowed us to advance into the next higher bracket.

On The Farm In Parmer County
 By JOE VANZANDT
 County Agent

We are in the process of planning and scheduling various kinds of crop demonstrations for next year. We would welcome any suggestions from you on what you need more information about. It may be fertilizer, cultural practices or something else that you feel is a problem. We hope to get a few fertilizer research trials in Parmer County next year.

If you would like to cooperate on some of this type of work or have suggestions on what you would like to see work done on, let me know.

It looks like we will have the best yields ever on most crops. However, our net profit may not be as much as in previous years due to increased costs. Which means we've got to be constantly on the search for new ways to lower production costs.

PHEASANT COVER
 Now that Grain Sorghum har-

vest is about over for most, farmers need to leave a little of their sorghum stubble standing to provide cover this winter for pheasants. We don't mean a lot of acreage but many farms may have some point rows or a corner in a field that could be left standing. Probably the least interruption to next year's farming operation would come from leaving this stubble on ground you plan to lay-out.

Members of the Study Club committee are Mrs. Reagan Looney, Mrs. Jess Walling and Mrs. Bob Estes.

"We realize this is a major endeavor and will require the support of the entire community," the committee's report to the club read.

"We feel that if we are to give our time and energies to a project for the improvement of our community, it should be of sufficient magnitude to warrant our efforts," the report continued.

Study club representatives plan to meet with leaders of all other civic clubs in the near future, according to Mrs. Estes.

County Has 15 Accidents

The Texas Highway Patrol investigated 15 accidents on rural highways in Parmer County during the month of September, according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

These wrecks accounted for 12 persons injured and an estimated property damage of \$33,520.00.

The rural traffic accident summary for Parmer County from January through September of 1965 shows a total of 102 crashes. As a result of these crashes there were two persons killed and 59 persons injured. The estimated property damage amounted to \$87,991.00.

November 29, 1965, is the deadline for applications for the next Patrol Training School. "Applications for the position of patrolman should be made as soon as possible," the Sergeant stated. Those who are selected to fill these positions have the privilege of knowing that they stand as the symbol of order in our society and are respected by all law abiding citizens.

"The work of the patrolman is challenging," the Sergeant pointed out, "but the rewards are many. Each man answers a call to serve with the best of opportunities for participating in the constantly developing effort to curb the dual menace of increasing crime and traffic accidents."

Full details on qualifications can be obtained from the nearest Department of Public Safety office or from any DPS Patrolman.

Letter To The Editor

Mr. Dolph Moten
Editor of the Bovina Blade
Bovina, Texas

Dear Sir:

We would like to share with you and the people of the Bovina school district our philosophy of education for the Bovina "Special Class." The thought underlying this philosophy is best expressed in the statement "Education is Growth." This means intellectual, physical, social, emotional and spiritual development.

Inherent in this philosophy is the doctrine that all children are entitled to education according to the limits of their capacity.

Our task is to determine how best to educate them. All children should be taught to think, to feel, to be, and to act in a manner that represents the very best performance of which they are capable.

We teach these children that they are loved, needed, and wanted. We assign them responsibilities in and out of the classroom and on field trips. We are preparing them to be our self-supporting, respectable, voting citizens of tomorrow.

Our children can finish high school in the special class. Vocational rehabilitation is available to them, too. However, if and when they are ready and prepared they may be returned to the regular classes of this school.

We who teach these children believe, "to educate them is to teach them how to live." We owe them the very best that we

have to give. "No man or woman ever stands so tall as when they stoop to help a child."

We would like for you to visit us to see how we teach our children music, speech and physical therapy, arts, crafts, good manners, social etiquette, and, of course, the regular academic subjects.

Enclosed is a special prayer. If you will print it in your paper, we would be very grateful. You may also use any part of this letter in your paper.

Very Truly,
Margaret C. Renfro
Bovina Special Teacher

"Dear God, thank you for entrusting these precious children to me; make me worthy of Thy trust.

"Please help me to teach and train them and stand by while they teach me more than I do them.

"May I always be near when there is a tear and join in their laughter and play. May I grow each day in maternal instinct and wisdom.

"Father, forgive me for the mistakes that I make, and when my 'day is done' on earth, please let me enter the Golden Gate and wait for my children."

"Like the old woman who lived in a shoe, I do not always know what to do. It's no worry if little hands are streaked with dirt. No tattling is allowed, but I listen to confessions and hurt. I approve when they are good and scold when they're bad; and listen to their problems and understand when they're sad. I never find fault if they do their best, only praise. They are given more work on their mischievous days. At nap time we often listen for a mouse. We are so quiet that we can hear the rain on the house. There in the peace and quiet of the day, we thank God for our blessings as we pray."

Womans Study Club Discusses Literacy

Mrs. J. R. Caldwell and Mrs. Bill Bradshaw hosted Bovina Woman's Study Club meeting Thursday.

Mrs. H. L. Ivy, who is the club president, narrated the film, "It Takes Only Two." Mrs. Jack Clayton gave a demonstration of teaching illiterates to read.

The family of Mrs. J. R. Caldwell presented the club with a linen table cloth in appreciation for the things they had done for their mother as Mother of the Year. This honor was bestowed upon Mrs. Caldwell in 1964.

In the business meeting the name of Mrs. Carl Rea was brought before the membership

for nomination as a new member.

The club voted to use its community fund, which is money collected from Christmas card projects, toward obtaining a doctor in Bovina. This fund is set aside, as are similar funds in other Bovina civic clubs. A representative from each organization meets with the others to decide how to spend the money in a way that would most benefit the community. The Study Club will cast its vote for a doctor.

Mrs. Bob Estes reported to the club on estimates and plans for remodeling the club house. They were returned to committee for further discussion. The next meeting of the club is to be October 28.

Mrs. Wilson Hospitalized

Mrs. Joe Wilson suffered a heart attack Wednesday morning in her home.

She was taken to Parmer County Community Hospital in Friona where she is recuperating.

Mrs. Wilson is reported to be doing well, and is expected to be released in another week.

Sides Host Bridge Club

Mr. and Mrs. Don Sides entertained Saturday Night Bridge Club in their home recently.

Mrs. Joe Wayne Harper won high prize.

Refreshments of sandwiches and Jell-o desert were served. Members present were Mr. and Mrs. Vernon Estes, Mr. and Mrs. Otis Spears, Mr. and Mrs. Jimmie Clements, Mr. and Mrs. Jimmy Ware, Mr. and Mrs. Vernon Willard, Mr. and Mrs. Gene Douglas, Mr. and Mrs. Harper and the hosts.

CHEERLEADERS -- Bovina High cheerleaders are shown in the homecoming parade Friday afternoon. They are, top row, left to right, Gayle Boyd, Roxie Hutto, and Sherril Hutto. Front row, left to right, Tammy Hutto, Tammy Christian and LaNelle Christian.

Sunday School Classes Install New Officers

Installation of officers of the Friendly Circle and the Mary Martha Sunday School classes of the First Baptist Church of Bovina was held recently in the church fellowship hall.

Installed in the Friendly Circle as president was Mrs. Sonny Spurlin, and as secretary, Mrs. Tuck Monk.

In the Mary Martha class Mrs. Tommy Williams was installed as president, Mrs. Dickie Clayton as vice-president and treasurer, Mrs. Billy Smith as secretary and devotional reader, Mrs. James Clayton as vice-secretary and

devotional reader, and Mrs. James Brumit as reporter and minister.

Installing officer was Mrs. Earle Hise. She was accompanied by Mrs. Mac Glasscock. Group leaders are Mrs. Larry Webb, Mrs. Kent Glasscock, and Mrs. Weldon Moody.

Members-in-service present for the installation were Mrs. Keith Garner, Mrs. Jim Russell, Mrs. Gay Taylor, Mrs. Billy Don Read, Mrs. Henry Spicer, and Mrs. Marie Smith.

A salad supper was served before the installation ceremony.

Hospital Notes

Traci Kelley, granddaughter of Mr. and Mrs. Odie White, underwent surgery Wednesday in Salinas, California.

Traci is now at home with her parents, Mr. and Mrs. Bob Kelley, where she is reported to be doing fine.

Mrs. White noted that performing the surgery was Dr. Sam Johnston, a former Bovina resident.

Mrs. Hastings Hosts Widows

Mrs. Pearl Hastings hosted Widows Club Friday afternoon in her home.

For their program the women watched the homecoming parade after a covered dish luncheon.

Mrs. Gober Hosts Bridge

Wednesday afternoon bridge club met in the home of Mrs. Scott Gober last week.

She served refreshments of cracker pie, brownies and cookies.

Mrs. A. M. Wilson won high and Mrs. Bob McMeans won low and traveling prizes.

Members present were Mrs. E. L. Ford, Mrs. Glen Hromas,

39 Attend 4-H Tour

A total of 39 attended the Home Improvement Achievement Tour of Oklahoma Lane 4-H girls Saturday.

Meeting at the Oklahoma Lane Community Center and visiting the home of Mr. and Mrs. Johnnie Rundell, Mr. and Mrs. Gilbert Kaltwasser, Mr. and Mrs. Leon Billingsley and Mr. and Mrs. Webb Gober were 14 adults and 25 4-H members. They saw results of work done by 4-H girls in the improvement of their bedrooms and homes through 4-H work.

At the home of Tina, Sheree and Gaye Rundell, one of the outstanding improvements included the study center that was located in the corner of the large bedroom shared by the girls. The desk, study lamp, chair and screen divider, to prevent distraction while working, was a useful and attractive grouping. Shelves, and racks provided greater use of space. Drawer dividers, to help keep clothing orderly and easy to find, was another addition. A large cedar chest was refinished in a natural low sheen satin finish by the girls in a workshop last summer, according to Mrs. Crickett B. Taylor, home demonstration agent.

Among other improvements, Cheryl Kaltwasser showed a bulletin board, bedside table, and decorative bird cage.

Janis Billingsley showed a refinished walnut bedside table. Also, re-arrangement of closet and drawer space for greater convenience was another feature of improvement in her bedroom.

A small closet with much usable space was one of the outstanding features to Kathryn Gober's room, along with a refinished sewing stand, pictures, and bookshelves for her parents' room.

The project work is under the direction of the County Extension Service. According to Mrs. Taylor, the objectives of the bedroom improvement project is to make bedrooms more useful, convenient, and attractive by providing a place for all personal things, making better use of space, selecting appropriate colors, pictures and

furniture to meet the needs of bedroom activities.

Mrs. Gober, project leader, assisted by the 4-H girls and Mrs. Rundell explained and discussed the project work carried out by the girls.

At the Gober home, refreshments were served to Mrs. Ralph Broyles, Mrs. Roy Miller, Patcine and Maxine Broyles, Ann Blackstone, Diane and Kathy Coker from the Lazbuddie Club; Tina, Sheree, and Gaye Rundell, Mrs. Kaltwasser, Mrs. Cyrus Dale and Rhonda and Cindy from the Oklahoma Lane Club; Mrs. Howard Shook, Loy Christian, Nancy Hutto, Kathy Shook, and Ina Quintana from the Bovina Club; Mrs. W. T. Magness, Carolyn Herington, Bessie Bowers, Lynne and Joyce White from the Farwell Club; Mrs. Walter Schueler, Mrs. Franklin Bauer and Carla and Steve, Mrs. Carl Schlenker, Vickie Schueler, Jan Jameson, and Carleen Schlenker from the Friona Club.

Rainbows Host Grand Visitor

Miss Cortez Dowlin, Grand Visitor from Canyon, paid an official visit to the Bovina Rainbow Assembly recently.

Miss Dowlin was presented with a money corsage following a salad supper given by the advisory board. The assembly then went into its regular meeting.

Members of the advisory board present were Mrs. E. L. Ford, Mrs. H. J. Charles, Mrs. Clifford Leake, Mrs. Aubrey Brock and Mrs. A. M. Wilson, Mother Advisor.

A special guest at the meeting was Miss Linda Langston of Farwell.

Bridge Club In Ware Home

Mrs. Jimmy Ware hosted Thursday Afternoon Bridge Club in her home last week.

Mrs. Jay Sherrill won high and slam prizes, and Mrs. Leon Grissom won low and traveling prizes.

Guests present were Mrs.

Homemakers Meeting Thursday

Young Homemakers meet tomorrow (Thursday) at 4 p.m. in the homemaking cottage for their afternoon meeting.

Mrs. Jack Kesler of Superior Electric is to give the program on "Hobbycraft."

A babysitter will be provided for children.

"All members are urged to attend, and all visitors are welcome," states Mrs. Leon Schilling, club reporter.

Mrs. Kent Glasscock, Mrs. Nicky Foster, and the hostess. Guests present were Mrs. Wilson and Mrs. Billy Whitecotton.

The Bible . . . was the title of the senior class float in the homecoming parade.

Carl Rea, Mrs. Charles Ross, and Mrs. Bob McMeans.

Mrs. Ware served refreshments of chips and dips and peacheesy pie.

Members present were Mrs. Bedford Caldwell, Mrs. Durward Bell, Mrs. Dean McCallum, Mrs. Don Sides, Mrs. Bob Wilson, Mrs. A. M. Wilson, Mrs. Sherrill, Mrs. Grissom, and Mrs. Ware.

This Week's DEVOTIONAL

Read Luke 6:6-10

Is It Lawful?

Then said Jesus unto them, I will ask you one thing: Is it lawful . . . ? Luke 6:9

God has made laws for the control of the world which He has made, and He has also made laws for the regulation of the lives of us people whom He has placed into the world.

In all our activities and undertakings we might well raise the question, Is what I am doing in conformity with the laws of God and of man? Our frequent failure to comply with the laws of God and of man leads us into difficulties. But if we were to ask the question once raised by Jesus, "Is it lawful?" and if we were to act accordingly, the world of our day would be a much better place to live in than it is. There would be less racial prejudice, social turmoil, and juvenile and adult delinquency; there would be fewer murders, robberies, and adulteries.

To be sure, the mere observance of the laws of God and of man does not suffice to gain eternal life for anyone; for the best of us fall short of doing the will of God perfectly. Only through our acceptance of the merits of Jesus Christ, who has fulfilled the Law for us, can we obtain eternal salvation.

But what a happier and better world this would be if all of us were to say and to act as did St. Paul: "Herein do I exercise myself, to have always a conscience void of offense toward God and toward men"! What a directive for our day!

Lord of mercy, enable us to be merciful toward others, through Jesus Christ. Amen.

PROUD WINNER -- Mrs. Nola Read displays her first place prize in this week's Bovina Businesses Football Contest, which is a check for \$5. This is the first time Mrs. Read has won the contest, which is now in its seventh week.

★ ★ ★
Mrs. Read Weekly Winner --

Football Contest At Midway Point

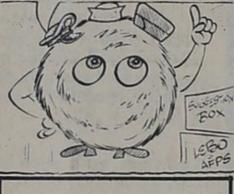

Mrs. Nola Read claimed first place prize and \$5 in this week's Bovina Businesses Football Contest. Mrs. Read is the second female contestant to take first prize money this year; Miss Barbara Griffith was the other.

Mrs. Read predicted nine of ten winners, and missed the tiebreaker score by eight points. Mike Grissom named nine and missed the tiebreaker by 12 points for second place and \$3. Wilson DiCuffa also had nine right but was off the tiebreaker score by 13 points for third place money of \$1.

Six others named nine winners, they were J. W. Wright, Jeanne Kerby, Darrel Read, Gladys Wright, Leon Ware, and Beans Reed. Allen Cumpston still leads in the overall contest which is climaxed by an expense-paid trip for two to the Cotton Bowl in Dallas, January 1, 1966.

He now has 59 points. Hot on his heels is Ronnie George of Friona with 58 points. Coach Roy Stone is now tied

with Joe Tarter and Jack McCracken for third place with 57 points. Also up there with the leaders are Jewell Tabor, Janie Sudderth, and Gary Carson with 56 points each.

Of the 112 entries in this week's contest, there were nine naming nine right, 17 naming eight, 34 naming eleven, 29 naming six, 11 naming five, nine naming four, two naming three and one naming two correctly. The contest, now in its seventh week, is to run for six more weeks.

Ten area businesses sponsor the contest, Cicero Smith Lumber Co., Bovina Gin Co., Charles Oil Co., Bovina Wheat

Banquet Friday Night --

Wares Head Ex-Students

Next year's ex-student banquet will be on Saturday night of the community's Bull Town Days celebration in August. This decision was made at a meeting of the ex-student association Friday night in the school cafeteria.

Change of the meeting from the Fall of the year to the August date will, leaders of the organization feel, attract a larger crowd to the banquet.

Mr. and Mrs. Jimmy Ware were elected presidents of the association at the Friday night banquet. A man and wife team were elected to offices for next year instead of individuals.

Named vice-presidents and program chairmen were Mr. and Mrs. Leon Grissom, Mr. and Mrs. Roger Ezell are in charge of the secretary-treasurer post. Mr. and Mrs. Weldon Moody were named to head the foods committee. Mr. and Mrs. Bedford Caldwell will handle decorations and Mr. and Mrs. Dolph Moten are in charge of publicity.

The Class of 1946 will be honored at the banquet next summer.

Present at the banquet Friday night were Mrs. Reagan Looney, Mrs. Scott Gober, Millie Holden, Mr. and Mrs. Wendell Christian, Mr. and Mrs. Burl Sims, Mr. and Mrs. Jimmy Ware, Mr. and Mrs. Frank Hastings, Mrs. W. R. Beard, Mrs. O. H. Hammonds, Maurine Hammonds, Mr. and Mrs. Tom Ware, Mrs. Robert Read and daughters, Cindy and Tamra; Mr. and Mrs. Jon Lin Riddle, Mrs. Lester Rhinehart, Mr. and Mrs. Don Stone, Mr. and Mrs. Nicky Foster, Mr. and Mrs. Elton Venable and Mr. and Mrs. Tom Hartwell.

Stone was guest speaker at the banquet.

Riddle was president of the association last year.

In District Play --

Win Over Cowboys Makes Ponies 2-0

Bovina's Mustangs came from behind in the second half here Friday night to give the Happy Cowboys a 21-6 kicking and keep their District 1-B record unblemished for the season.

Happy drew first blood, with a touchdown in the second quarter, and lead at the halftime intermission, 0-6. The second half was all Bovina's, however, as the Ponies raced back with two TD's in the third period and another in the fourth for the win.

The victory for the Mustangs made their district mark 2-0 with four games remaining to be played. Happy was considered one of the top teams in the district, along with Vega, prior to the game. Bovina plays Vega in the final game of the season, November 19. Between now and then, the Mustangs play three other district rivals, Hart, Nazareth and Lazbuddie.

During the first half of Friday night's game, which was a feature of homecoming ac-

tivities for ex-students, the Mustangs saw one drive bog down and another cancelled by a pass interception as time was running out in the half. They were never able to get their offensive machine in scoring gear, though they were holding their own with the visiting Cowboys from a statistics standpoint.

Happy took advantage of a Bovina miscue to score its lone touchdown.

That came with some 10 minutes remaining to be played in the second period as Bovina lost the ball on a fumble on its own 16 yard line. On the first play from there, Happy Quarterback Gary Culp, a senior, tossed a pass to his freshman brother, Wicky, in the endzone for the six points. The attempted placekick for the extra points was blocked.

The Ponies got the tying touchdown and the go-ahead extra points with eight minutes left in the third period. After being forced to punt following the half, Bovina punted and recovered a fumble on the punt, gaining possession on Happy's 26 yard line. It took five plays to score from there with Halfback Dean Stanberry going the final 15 yards through a big hole in the left side of the line.

Quarterback Jerry Roach tacked on the winning margin after the TD with a keeper play around right end for the two extra points.

That would have been enough to win the game, but the Mustangs didn't know it at the time and added on two more touchdowns for insurance.

The second score came six minutes later -- with 2:02 remaining in the quarter -- on an 11-yard gallop by Halfback Scotty Rundell. His run climaxed an eight-play drive which covered 44 yards. Five plays earlier, he had scored on a 27-yard run, but that effort was nullified by a clipping penalty. The running attempt for the extra points was stopped this time to leave the score, 14-6.

The final scoring effort was completed with 2:28 remaining in the game with Stanberry going the final yard to paydirt. The drive originated on the Bovina 36 and required 11 plays with Rundell and Stanberry doing the ball carrying. The Mustangs were aided by a 15-yard penalty against Happy.

Roman Ramirez, outstanding Mustang lineman who handles all the kicking chores, kicked the extra point after the maroon and white had been set back twice by five-yard penalties. That made the score 21-6 and

salted it away for the defending district champions.

Aggressive Bovina defenders completely stopped Happy's passing attack in the second half. The passes had been worth 47 yards and the touchdown in the opening two frames. The Cowboys failed to complete an aerial in the second half.

Bovina's ground attack was again responsible for all its offense.

Rundell was the leading groundgainer with 115 yards in 25 attempts. Stanberry netted 60 yards in 20 trips while Fullback Carl Harris accounted for 51 yards in eight jaunts.

The game was played in ideal weather conditions. It was the fourth, and next to last, home game of the season.

Colts Play Hart There Tomorrow

Bovina's Junior High Colts go to Hart to play football this week a day ahead of the varsity. They play there tomorrow (Thursday) at 6:30 while the Mustangs play there Friday night.

Coach Roger Ezell's Colts will be seeking revenge for a 20-0 whipping they took from the Shorthorns here earlier in the season.

The Bovina juniors dropped their third game in four starts here Thursday as Lazbuddie whitewashed them, 26-0. The Colts were handicapped by the absence of five starters who were out of action because of injuries and illnesses.

Lazbuddie scored twice in the first half and added two more

Winless Hart Next Opponent

Seeking their third consecutive District 1-B win, Bovina's Mustangs go to Hart Friday to do battle with the Longhorns, who are winless in six games this season.

Coach Roy Stone's troops will be hoping to, and expected to, push their season winning percentage over the .500 mark for the first time. They now stand 3-3.

Losses, in the first three games of the season, were to Farwell, Springlake and Amherst.

They won the final non-district game from Meadow, 8-6, and district verdicts have been taken from Texline, 47-14, and from Happly last week, 21-6.

The Longhorns of neighboring Castro County stand 0-2 in district play. They've dropped conference games to Nazareth, 44-14, and were whitewashed last week by Lazbuddie, 48-0. In non-district play they have been defeated by Silvertown, New Deal, Turkey and Anton.

play of his team. "Our boys played a good ballgame," he said, "Our blocking has improved greatly during the season. Defensively, we did a good job of containing Happy's fast backs and keeping them from breaking."

Game time at Hart Friday is 7:30.

Electric Co-Op Representatives At Meeting

Three members of the Deaf Smith County Electric Cooperative and their wives attended the Region X meeting of the National Rural Electric Cooperative Association in Santa Fe, N.M. this week.

They were among the more than 400 rural electric members attending the meeting from the Region X states of New Mexico, Arizona, and Texas.

Those attending from the Deaf Smith County Electric Cooperative were: Mr. and Mrs. Noel Gollehon of Dimmitt and Mr. and Mrs. Raymond Higginbotham of Hereford. Mr. Gollehon and Mr. Higginbotham serve as directors on the Cooperative board. Manager for

Youth To Canvass For CROP

Youth of Bovina Methodist Church and Bovina Church of Christ will conduct the annual CROP canvass of the community Saturday night, October 30, announces Rev. J. B. Fowler, pastor of Bovina Methodist Church.

Funds collected during the drive by the youth will be used to make government-donated commodities available to Church World Service for its overseas program.

Young people of the church conduct the campaign instead of the trick or treating at Halloween time.

The CROP program provides supplies of food, cotton and self-help items that would otherwise be unobtainable to people overseas, according to Rev. Fowler.

the Cooperative, Leo Forrest and Mrs. Forrest of Hereford and Mr. Ernest Langley, Cooperative attorney, also attended.

Forrest served as a panel member on a panel discussing the irrigation research project now being conducted in West Texas and sponsored by the electric cooperatives in this area.

Some of the topics discussed during the three-day meeting were future financing for rural electric systems, exporting the rural electric pattern to foreign countries, and the woman's place in community activities.

Sudderths Attend Okla. State Tech

Okmulgee, Okla. -- Two from Bovina are among the largest number of students ever to attend Oklahoma State Tech, Okmulgee, according to Wayne W. Miller, Director.

They are among the 2,294 students enrolled in vocational or technical studies for the fall trimester, which began August 30. This is the largest enrollment in the 19-year history of the school, with 410 more students or a 21 per cent increase over the same period last year.

Enrolled in one of the more than 30 vocational and technical courses at Tech and their course of study are Linda Sudderth, bookkeeping, and Ronnie Sudderth, diesel mechanics.

Hurry! Hurry! Get Your SLURRY!

Slurry, the newest fertilizer in this area on the market, is the greatest fertilizer advancement since anhydrous ammonia.

The first load of the all-new Slurry was delivered to Corn's Farm Store plant in Bovina just the other day. It's shown here being unloaded in our new storage facilities.

Not only is Slurry the newest fertilizer product available here, we feel it is also the best fertilizer bargain on the market. It eliminates the need for dry fertilizers as it has an available source of 16 pounds of useable phosphate per 100 pounds of fertilizer plus 8 pounds of nitrogen and all the trace elements which your crops and soil need!

Slurry is manufactured for farmers in this area by W. R. Grace Co. in Plainview.

★ ★ ★ ★ ★

Thus, when Slurry is applied to your crops at the recommended rate of 300 pounds per acre, you have 48 pounds of usable Phosphate plus a portion of the needed nitrogen, and all the trace elements, at a price which is considerably less than this combination can be obtained anywhere else.

The best time to have Slurry applied is in the fall. However, it also works well when applied in the winter and spring.

When you plan your fertilizer Program for next year, let us talk with you about SLURRY!
