VOL. 58

HEDLEY, DONLEY COUNTY, TEXAS, FEB. 23, 1968

NO. 19

Bob Adamson

Funeral services for Bob Adamson, 77, of Fort Collins, Colo., who passed away in a hospital there Sunday, were held Tuesday at Fort Collins.

He was a native of Hedley and lived here for a number of years before moving to Colorado.

Survivors include his wife, Grace; two sons, Harold and Ted, and a daughter, Mrs. Thelma Malone, all of Oroville, Calif.; a foster son, Howard Arnett of Amarillo; nine grandchildren and ten great-grandchildren.

Greenbelt Dam

An application has been made by the Authority to the State Highway Dept for a minimum of two public boat launching ramps at the Greenbelt Lake, one to be on the north shore of the lake and one on the south shore, the ramps to be connected with Highway 70. The ramps are expected to be lighted so that boats may be launched and docked at any time.

Present plans are to seed the emergency spillway to grass as soon as the weather permits, also the planting of a cover crop on the grounds around the filter plant until further landscaping can be done.

The center of activity now is at Sherwood Shores No. IX, the addition to the north of the lake. When visiting the lake area be sure and visit them. They are open seven days a week.

Contracts Extended

At a school board meeting on Feb. 12 the contracts of Supt. R. K. Sams and Principal Jack Webster were extended for another year.

School Election

The Hedley school trustee election will be held on Saturday, April 6, to elect two trustees for three year terms. The outgoing trustees are Don Springer and Ed Floyd, and they will be on the ballot for re-election.

Deadline for placing a name on the ballot will be March 7.

FFA Week

The week of Feb. 17 to 24 has been designated as FFA Week in Texas by Governor John Connally.

The FFA is composed of boys who are studying vocational agriculture in the public schools in preparation for careers in farming, ranching and related fields.

Texas now has over 1,000 active FFA chapters with over 47,000 active members and more than a quarter of a million former members. During the past 39 years the Texas Association, FFA, has performed valuable services to our state by developing leadership, encouraging cooperation, promoting good citizenship, teaching sound methods of farming, and inspiring patriotism among its members.

The Informer is proud to join in a salute to our FFA Advisor, Doyle Messer, and his FFA boys.

Birthday Dinner

Mrs. F. S. Blackwell was honored with a family reunion and birthday dinner in her home Sunday, in honor of her 80th birthday, which was on Feb. 16. There were 23 present, including all of her children. Everyone enjoyed a big dinner and visiting together in the afternoon.

Grazing Associations Help Farmers Develop Income

Farmers and cattlemen are acquiring needed land resources by forming grazing associations and obtaining financial assistance from the Farmers Home Administration, the agency's Donley County Supervisor, Claude Moore, said this week

A grazing association is composed of a group of family farmers and ranchers who join together to acquire and develop land to provide seasonal grazing for livestock belonging to its members. The nonprofit association is owned, operated and managed by its members.

Small farmers, Mr Moore said, can increase their incomes, make better use of land and water resources and develop larger equity in land through use of a grazing association

Other advantages include providing opportunities to improve livestock quality, gain bargaining power in the marketplace, build more stable operations and strengthen the rural community.

Eligible to form a-sociations are neighboring farmers and ranchers

who operate family size units.

Loans are available to qualified borrowers for periods up to 40 years at an interest rate of 5 percent. Information and applications may be obtained from the Donley County Farmers Home Administration office at the Agriculture Building in Clarendon. The telephone number is 874-3431.
